1 Section 2. The Administrative Code is hereby amended by adding Chapter 94A, to
2 read as follows:

3 **CHAPTER 94A: THE SAN FRANCISCO PLACES FOR PEOPLE PROGRAM**

4 **SEC. 94A.1. THE PLACES FOR PEOPLE PROGRAM; ESTABLISHMENT AND PURPOSE;**
5 **CORE AGENCY JURISDICTION.**

6 (a) Establishment and Purpose. There is hereby created a San Francisco Places for
7 People Program for the City and County of San Francisco (“Program” or “Places for People
8 Program”). Under the Program, a public or private entity may obtain City approval to create a space
9 and provide activities, for a limited period of time, on City-owned property and in some cases nearby
10 privately-owned spaces where the public can gather and participate in commercial or non-commercial
11 offerings and events. This Chapter sets forth a streamlined process by which the Planning Department
12 (“Planning”), Department of Public Works (“DPW”), Municipal Transportation Agency (“MTA”),
13 Department of Real Estate (“Real Estate”), and Entertainment Commission (collectively, defined in
14 Section 94A.2 as the “Core City Agencies”), and their successor agency(ies) or department(s), if any,
15 can coordinate the review and approval of a request to occupy and activate such spaces and issue a
16 permit authorizing the use.

17 (b) Core City Agency Jurisdiction. Each Core City Agency shall retain its full authority
18 under the City Charter and applicable Codes to authorize the use, impose conditions on the permit, and
19 enforce the Agency’s requirements. The procedures by which DPW and MTA will review and approve a
20 permit issued pursuant to this Chapter 94A are set forth in Section 793 et seq. of the Public Works
21 Code (for DPW) and Division II of the Transportation Code (for MTA). The Department of Real
22 Estate’s procedures are set forth in Section 94A.8 of this Chapter. The Entertainment Commission’s
23 jurisdiction over “Limited Live Performance Locales” is set forth in Section 1060 of the Police Code.

1 **SEC. 94A.2. DEFINITIONS.**

2 “Core City Agencies” are the City departments and agencies participating in the Places for
3 People Program: the Planning Department (“Planning”), Department of Public Works (“DPW”),
4 Municipal Transportation Agency (“MTA”), Department of Real Estate (“Real Estate”), and
5 Entertainment Commission.

6 “Integrated People Place” is a single project with activities occurring on a combination of
7 locations that are People Place Categories in close proximity to one another and operated by the same
8 Steward.

9 “People Place” is a publicly-accessible location approved under the Places for People
10 Program and located (a) on City-owned property, (b) on the sidewalk, and/or (c) in the curbside lane
11 or on all or any portion of the roadway between curbs where the public can gather and participate in
12 commercial or non-commercial offerings and events. Such offerings and events may include, but are
13 not limited to: cultural events, arts activities, and entertainment; food and drink; retail sales; and
14 general recreation. A People Place is managed, fully or partially, by a Steward under a People Place
15 Permit issued under the Program and may involve the temporary and reversible installation of
16 physical treatments and elements.

17 “People Place Categories” are: (a) “City Lot People Place,” which has activities occurring on
18 property owned by the City; (b) “Curbside People Place,” which has activities occurring in a portion
19 of the curbside lane of a roadway and displacing no more than 2 parking spaces; (c) “Roadway People
20 Place,” which has activities occurring in or on (1) any portion of the roadway that is not the curbside
21 lane, (2) the curbside lane and any additional portion of the roadway, or (3) the curbside lane and
22 displacing three or more parking spaces; and (d) “Sidewalk People Place,” which has activities
23 occurring on a portion of sidewalk.

1 “People Place Permit” is a permit issued under the Places for People Program through its
2 Core City Agencies that allows a Steward to create a People Place by temporarily occupying and
3 activating the location for a specified period of time.

4 “People Place Proposal” is a proposed concept for a People Place project submitted to the
5 Places for People Program prior to the submittal of an application for a People Place Permit, for the
6 purpose of initial evaluation and determination of suitability for development by the Program.

7 “Steward” is, for a City Lot, (a) any person or educational, recreational, or social agency, (b)
8 any bona fide fraternal, charitable, religious, benevolent, or other nonprofit organization which is
9 exempt from taxation under the Internal Revenue Code as a bona fide fraternal, charitable, religious,
10 benevolent, or nonprofit organization, or (c) a public agency with programs based in San Francisco.
11 For Curbside People Places, Roadway People Places, and Sidewalk People Places, a “Steward” may
12 be any person or entity and is not restricted to the organizations and entities described above.

13
14 **SEC. 94A.3. PLACES FOR PEOPLE PROGRAM FUNCTIONS.**

15 To achieve the purpose of the Places for People Program, the Core City Agencies will perform
16 the functions set forth below consistent with each Agency’s authority under the Charter and applicable
17 codes. The specific roles of each participating Core City Agency for each People Place Category are
18 set forth in Section 94A.4.

19 (a) Coordinate principles and practices in People Places designated under the Places for
20 People Program with other public agencies operating similar public realm initiatives and projects in the
21 City.

22 (b) Be responsible for development and administration of Program implementation, polices,
23 and strategies.

1 (c) Sustain strategic partnerships with stakeholders of People Places, including community
2 organizations, nonprofit organizations, and businesses, in supporting and enhancing People Places
3 Citywide.

4 (d) Endeavor to keep barriers to participation in the Program as low as possible, including
5 but not limited to keeping administrative and/or permit fees modest.

6 (e) Explore efforts to cross-subsidize approved People Places by leveraging the revenue
7 generated in People Places that exceeds the cost of managing and operating a People Place and
8 directing a portion of the excess funds to support other People Places that have a demonstrated funding
9 need.

10 (f) Seek Stewards for People Places through a Steward identification process that utilizes
11 existing City partnership efforts where possible and builds strong relationships with Stewards.

12 (g) Network communication and coordinate efforts of the various Stewards within the
13 Places for People Program.

14 (h) Identify opportunities to streamline permitting for active uses of People Places so that
15 barriers to event permitting are eliminated or minimized.

16 (i) Encourage People Place Stewards to maximize events and activities that are free to the
17 public.

18 (j) Collect People Place participation data and user feedback, and use established criteria
19 to evaluate Steward performance outcomes in various areas, including economic, type of activities, and
20 community engagement.

21 (k) Support development of long-term maintenance and activity partnerships for People
22 Places.

23 (l) Strive to ensure that People Places remain available to the public, while recognizing
24 that some small number of restricted access events in suitable locations may be helpful in supporting
25 People Place operations.

1 (m) Support the City's goal of continuing to be a national and international leader in public
2 realm innovation.

3
4 **SEC. 94A.4. INTERAGENCY COORDINATION.**

5 In coordinating their activities under the Places for People Program, the individual Core City
6 Agencies shall have the responsibilities set forth below.

7 (a) **Planning Department; Coordination of Program Activities.** Planning, after consulting
8 with the other Core City Agencies, will make an initial determination whether the concept of a People
9 Place Proposal is suitable for further development by the Places for People Program; approve, along
10 with other Core City Agencies, each People Place Permit application; and coordinate Program
11 activities. In performing these functions, Planning will:

12 (1) Receive a People Place Proposal submitted by a prospective Steward pursuant to
13 Section 94A.5 and review the Proposal for completeness, compliance with Program requirements, and
14 suitability for further development by the Places for People Program.

15 (2) If the People Place Proposal is found suitable for further development by the
16 Program, route the Proposal to all the other Core City Agencies with jurisdiction over the proposed
17 People Place for an initial evaluation.

18 (3) Accept, along with the other Core City Agencies, a proposed People Place into
19 the Program if, after completion of the review and evaluation required by Section 94A.5(b), each Core
20 City Agency with jurisdiction over the proposed People Place has determined that the Proposal is
21 suitable for further development.

22 (4) Review the application for completion and compliance with Program
23 requirements and direct the prospective Steward to file an application for a People Place Permit to the
24 appropriate agency pursuant to Section 94A.6.

1 (5) Approve a People Place Permit along with each Core City Agency with
2 jurisdiction over the People Place.

3 (6) At the request of a Core City Agency with jurisdiction over a proposed People
4 Place, develop with the prospective Steward a Stewardship Agreement pursuant to Section 94A.6.

5 (7) Support the monitoring of the Steward's compliance with any terms and
6 conditions in the People Place Permit and associated Stewardship Agreement and report any
7 noncompliance to the applicable Core City Agency or Agencies for enforcement.

8 (8) Coordinate Core City Agency outreach to prospective Stewards.

9 In performing the coordination role described in subsections (a)(1)-(8), Planning shall, if
10 necessary, obtain the recommendations of the other Core City Agencies, including, among others: the
11 City Engineer at DPW, the Director of Transportation or his or her designee, the Director of the Real
12 Estate Department, and/or the Executive Director of the Entertainment Commission.

13 (b) **Director of Real Estate; City Lot People Places.** The Director of Real Estate will
14 administer People Places that are solely on a City-owned lot, pursuant to Section 94A.8.

15 (c) **Entertainment Commission; People Places with Entertainment Activities.** The
16 Entertainment Commission will review and consider any application for a People Place Permit that
17 proposes an activity or activities fitting the description of a "Limited Live Performance Locale" in
18 Police Code, Section 1060(r) but excluding feature (5) that deals with the service of food and beverages
19 for consumption on the premises. The Commission may approve an application that satisfies all the
20 applicable requirements for creation of a "Limited Live Performance Locale" and authorize issuance of
21 a People Place Permit subject to the requirements stated in Police Code Section 1060.1.

22 (d) **Curbside People Places.**

23 (1) Planning will review the overall concept of the People Place Proposal, approve
24 the Steward's proposed program of offerings and events that will activate the People Place space, and
25 participate in the design review of all proposed physical treatments.

1 (2) Pursuant to the process set forth in Division II of the Transportation Code, MTA
2 will participate, as applicable, in design review of all physical treatments proposed by a Steward and,
3 at the MTA's discretion, implement any approved (A) restriping of travel and parking lanes, (B) ground
4 surface treatments to delineate rights-of-way temporarily converted for the project, (C) placement of
5 upright bollards and other traffic control devices, and (D) other reversible site improvements not
6 included within subsection (3) below that are needed for the project.

7 (3) DPW will, pursuant to the process set forth in Section 793 of the Public Works
8 Code, (A) participate in the design review of physical treatments proposed by a Steward, (B) install
9 reversible site improvements (planters, furnishings, etc.) associated with the project, and (C) provide
10 approval for the People Place Permit along with the other Core City Agencies.

11 (e) **Roadway People Places.**

12 (1) Planning will review the overall concept of the People Place Proposal, approve
13 the Steward's proposed program of offerings and events that will activate the People Place space, and
14 participate in the design review of all proposed physical treatments. Planning will also coordinate the
15 collection of baseline pedestrian, bicycle, and vehicular data at the relevant location(s) (A) pre-
16 occupancy, that is, before project implementation, (B) during short-term temporary street closures, and
17 (C) post-occupancy, that is, for at least six months after project implementation, or a longer time
18 period if warranted. Planning staff, inclusive of Environmental Planning, will consult with MTA staff as
19 necessary on collection methodology.

20 (2) MTA will carry out its role in evaluating the People Place Proposal pursuant to
21 the process set forth in Division II of the Transportation Code. The MTA is urged to consider the
22 following requirements in developing the Division II procedures:

23 (A) Conduct the circulation analysis necessary for evaluating a temporary
24 street closure (including full or partial width of street; full-time or part-time, over hours and days of
25 the week).

1 (B) Review and analyze, or oversee a contract for professional services to
2 review and analyze, transit and vehicular circulation data from (i) baseline pre-occupancy and/or (ii)
3 occupancy of short-term temporary trial(s), and issue a technical memorandum or “Preliminary
4 Circulation Assessment.” The technical memorandum will also state MTA’s position on approval of
5 the proposed temporary street closure.

6 (C) Participate in design review of physical treatments proposed by a
7 Steward.

8 (D) Review, consider, and authorize (when all requirements have been
9 satisfied) any changes to pedestrian and vehicular circulation associated with the People Place project.

10 (E) Implement any approved (i) restriping of travel and parking lanes, (ii)
11 ground surface treatments to delineate rights-of-way temporarily converted for the project, (iii)
12 placement of upright bollards and other traffic control devices, and (iv) other reversible site
13 improvements that are needed for the project.

14 (F) Review and analyze, or oversee a contract for professional services to
15 review and analyze, the pre-occupancy and post-occupancy transit and vehicular circulation data for
16 projects that have been implemented.

17 (3) DPW will, pursuant to the process set forth in Section 793 of the Public Works
18 Code, (A) participate in design review of physical treatments proposed by a Steward, (B) install
19 reversible site improvements (planters, furnishings, etc.) associated with the project, and (C) provide
20 approval for the People Place Permit along with the other Core City Agencies.

21 (f) **Sidewalk People Places.**

22 (1) Planning will review the overall concept of the People Place Proposal, approve
23 the Steward’s planned program of offerings and events that will activate the People Place space, and
24 participate in the design review of all proposed physical treatments.

1 (2) DPW will, pursuant to the process set forth in Section 793 of the Public Works
2 Code, (A) participate in design review of physical treatments proposed by a Steward and (B) provide
3 approval for the People Place Permit along with the other Core City Agencies.

4 (g) **Integrated People Places.** Where a single proposal involves activities occurring in more
5 than one People Place category , each Core City Agency shall:

6 (1) Participate in design review and proposal development for the People Place
7 project with respect to those proposed elements that are within such Agency's jurisdiction as is specified
8 in this Section 94A.4 for review of the individual People Place Categories; provided, however, that the
9 Director of one of the participating Core City Agencies may authorize another participating Core City
10 Agency to review the People Place Proposal and one or more of the design elements on its behalf.

11 (2) Implement the pertinent elements as specified in this Section 94A.4 for review of
12 the individual People Place Categories.

13
14 **SEC. 94A.5. PEOPLE PLACE PROPOSAL.**

15 (a) **Initiation of the Process.** A prospective Steward may submit a concept Proposal for a
16 People Place project to the Places for People Program. To be considered, the proposal must include
17 the following components:

18 (1) Documentation of community outreach and support.

19 (2) A list and frequency schedule for routine maintenance tasks.

20 (3) A prospective activities calendar describing the frequency and types of free
21 public programming.

22 (4) Specification of the number of restricted access events, if any, that will be held
23 annually. In no event may the number of restricted access events allowed exceed eight single-day
24 events per year. Scheduling of any approved restricted access events shall be spread throughout the
25

1 calendar year. Public access to the People Place shall not be restricted except for restricted access
2 events approved by the Places for People Program.

3 (5) A conceptual site plan depicting how the interior of the space will be configured,
4 including the introduction and placement of any temporary physical elements. If the space will be
5 configured to accommodate different types of programs, the Proposal should include a series of site
6 plans depicting proposed configurations.

7 (b) **Initial Review and Evaluation of the Proposal.** After submittal, the proposed People
8 Place project is reviewed by Planning to make an initial evaluation of the Proposal's suitability for
9 further development by the Program. If considered suitable for further development, Planning will
10 forward the Proposal to the Core City Agency or Agencies with jurisdiction over the proposed People
11 Place for review and approval. If approved by all the required Core City Agencies, the Proposal will be
12 accepted into the Program and further developed by the Core City Agencies as appropriate.

13 (c) **Public Funds; Solicitation and Evaluation of Proposals.**

14 (1) If public funds are being offered for the implementation or operation of a People
15 Place or Places, the People for Places Program shall issue an invitation for prospective Stewards to
16 submit a competitive People Place Proposal for the project. The Program may solicit Proposals (A) on
17 an ongoing basis (year-round), or (B) for set intervals on a recurring cycle (for example, for two weeks
18 at the end of each quarter), or (C) for a set interval on a one-time basis depending on the People Place
19 Category or other appropriate factors.

20 (2) All Proposals that are submitted in compliance with the requirements and within
21 the submission deadline shall be evaluated based upon criteria developed for the project by Planning
22 with the Core City Agency or Agencies with jurisdiction over the People Place Category. After
23 completion of the evaluation, the Places for People Program may in its discretion determine that none
24 of the Proposals submitted are acceptable.

1 **SEC. 94A.6. PEOPLE PLACE PERMIT – ISSUANCE, MODIFICATION, AND REVOCATION;**
2 **STEWARDSHIP AGREEMENT.**

3 (a) **Submission of Permit Application.** After a People Place Proposal has been evaluated
4 by Planning and the Core City Agencies with jurisdiction over the People Place Category, and has
5 been determined suitable for acceptance into the Places for People Program pursuant to Section 94A.5,
6 the prospective Steward may submit an application for a People Place Permit to the Core City Agency
7 with jurisdiction over the People Place.

8 (b) **People Place Permit – Conditions of Approval; Limited Duration.**

9 (1) **People Place Permit.** A People Place Permit authorizes the Steward to create a
10 People Place by occupying and activating the location. For the Core City Agencies, a People Place
11 Permit shall substitute for a permit that would otherwise be required under other sections of the
12 Municipal Code.

13 (2) **Conditions of Approval.** The People Place Permit sets forth the permit terms,
14 conditions of approval, operational requirements, and duration of the People Place and is approved
15 jointly by Planning and all the Core City Agencies with jurisdiction over the People Place. In addition
16 to any conditions that a Core City Agency is authorized to impose on a People Place Permit pursuant
17 to the provisions of this Chapter 94A, a participating Core City Agency with jurisdiction over the
18 People Place shall impose any condition that it would have been required to impose on a permit
19 separately issued under the Code that regulates its activities, including but not limited to conditions
20 requiring liability insurance and indemnification.

21 (3) **Limited Duration.** The duration of a permit issued pursuant to this Chapter 94A
22 for a Curbside People Place, a Roadway People Place, or a Sidewalk People Place shall be no longer
23 than two years, after which it may be renewed or extended upon review and approval by the Core City
24 Agencies. The standard term of a City Lot People Place Permit shall be no longer than five years,
25 which may be extended by the Director of Real Estate pursuant to the provisions of Section 94A.8(d).

1 (c) **Permit Cover Sheet.** The approval of the People Place Permit is memorialized by a
2 Permit Cover Sheet that is attached to the Permit. The Permit Cover Sheet must be signed by a person
3 designated by the Director of each participating Core City Agency as authorized to approve issuance of
4 the People Place Permit and sign the Permit Cover Sheet on the Agency's behalf.

5 (d) **Stewardship Agreement.** At the request of a Core City Agency or Agencies with
6 jurisdiction over the People Place Category, the Program and Steward will jointly develop a People
7 Place Stewardship Agreement. The Stewardship Agreement is attached to the People Place Permit and
8 outlines operational requirements and permit terms applicable to the People Place that are in addition
9 to those set forth in the People Place Permit. The provisions of a People Place Stewardship Agreement
10 are the equivalent of permit conditions and are enforceable through the associated People Place
11 Permit.

12 (e) **Coordination of Additional Permits Required from Other City Agencies.** Certain
13 activities may require additional approvals from another City agency, board, commission, or
14 department that is not a Core City Agency. In such cases, the Core City Agencies shall coordinate
15 regarding all other permits or approvals that may be necessary for or related to activities at the People
16 Place. If additional permits or approvals are required from other City agencies, boards, commissions,
17 or departments, they may be granted by the signature of an authorized representative of the entity on
18 the Permit Cover Sheet described in subsection (c) above.

19 (f) **Coordination of Additional Permits Required from Federal, State, or Other Counties.**
20 Certain activities in the public right-of-way may require additional review and approvals from Federal,
21 State, or other County agencies, boards, commissions, or departments. In such cases, the Core City
22 Agencies shall coordinate, to the extent feasible, regarding all other review or approvals that may be
23 necessary for or related to the activities at the People Place.

24 (g) **Modification of a People Place Permit; Withdrawal of Approval .**
25

1 (1) **Permit Modification.** People Place Permits on public space are revocable at
2 will. Therefore, each Core City Agency that has approved issuance of a People Place Permit may at any
3 time modify those portions of the permit that are within its jurisdiction, including any conditions. If a
4 Core City Agency makes a determination to modify the permit or any conditions that it has imposed, or
5 impose additional conditions, the Agency shall notify the other Core City Agencies.

6 Upon receipt of a request for modification, Planning will coordinate with the other Core
7 City Agency or Agencies who participated in the review and approval of the permit to determine if other
8 portions of the permit also need to be modified, or if the entire permit needs to be revoked pursuant to
9 subsection (h) below. A new People Place Permit is required to be issued if Planning, after consultation
10 with the participating Core City Agencies, determines that the proposed modifications are major. Minor
11 modifications to a People Place Permit may be made without the issuance of a new permit.

12 The Core City Agencies with jurisdiction over the People Place will notify the Steward
13 of any permit modifications or if revocation of the entire Permit pursuant to subsection (h) below is
14 required.

15 (2) **Withdrawal of Approval.** A Core City Agency may at any time withdraw its
16 approval of the People Place Permit. If a Core City Agency makes a determination to withdraw its
17 approval of the People Place Permit, the Agency shall notify the other Core City Agencies of its decision
18 to sever from the permit those portions that are within the Agency's jurisdiction. Upon receipt of a
19 request for severance, Planning shall consult with each of the other Core City Agencies that approved
20 issuance of the People Place Permit to determine if the remaining conditions of the permit need to be
21 modified or whether the severance requires revocation of the permit in its entirety. If the remaining
22 Core City Agencies determine that the severance results in a major modification of the permit, a new
23 People Place Permit is required to be issued.

24 The Core City Agency or Agencies with jurisdiction over the People Place will send the Steward
25 written notification of the severance and any resulting modification or revocation.

1 (h) **Permit Revocation.** A People Place Permit issued pursuant to this Chapter 94A may be
2 revoked at any time with the consent of all the Core City Agencies that approved issuance of the Permit.
3 The revocation process is initiated by a request for revocation from one or more of the participating
4 Core City Agencies to the other Core City Agencies. If all the participating Core City Agencies
5 authorize the revocation, the Agency or Agencies with jurisdiction over the People Place shall send the
6 Steward written notification of the revocation.

7
8 **SEC. 94A. 7. REGULATIONS AND OPERATIONAL REQUIREMENTS.**

9 (a) **Regulations.** The following Regulations apply to the specified People Places
10 Categories:

11 (1) **City Lot People Places.** The applicable regulations are those adopted by the
12 Director of Real Estate pursuant to Section 94A.8(g).

13 (2) **Curbside People Places.** The applicable regulations are set forth in Public
14 Works Code Section 793.3.

15 (3) **Roadway People Places.** The applicable regulations are set forth in Public

19 Works Code Section 793.2.

20 (b) **Operational Requirements.** The operational requirements set forth below shall apply to
21 all People Places. However from time to time and as warranted by special circumstances, these
22 Operational Requirements may not be appropriate for a particular People Place or event taking place
23 on a City lot. In such cases, the Director of Real Estate may approve an exception to the requirements
24 pursuant to Section 94A.8 if the Director finds, in his or her sole discretion, that the public interest
25 would be served by the exception.

1 (1) **Public Accessibility.** Unless authorized as a restricted access event, all People
2 Places shall remain accessible to the public.

3 (2) **Peddling and Vending Merchandise.** No person shall bring, or cause to be
4 brought, for the purposes of sale or barter, or have for sale, or sell in exchange, or offer for sale or
5 exchange any goods, wares, or merchandise in the People Place unless the City and County of San
6 Francisco has issued any required permit or other authorization. Notwithstanding the above provision,
7 the sale or distribution of newspapers, periodicals, or other printed or otherwise expressive material is
8 allowed subject to the applicable requirements of the Public Works Code.

9 (3) **Performance of Labor.** No person, other than authorized City personnel, shall
10 perform any labor on or upon a City Lot People Place, including, but not limited to, taking up or
11 replacing soil, turf, ground, pavement, structures, trees, shrubs, plants, grass, flowers, or similar
12 activities without prior permission from (A) the Director of Real Estate for City Lot People Places, and
13 (B) the Director of Public Works for Sidewalk, Curbside, or Roadway People Places.

14 (4) **Camping Prohibited.** The provisions of Park Code Section 3.12 concerning
15 camping shall apply to all People Places. The Director of Real Estate shall administer those
16 provisions for City Lot People Places, and DPW shall administer them for Sidewalk, Curbside, or
17 Roadway People Places.

18 (5) **No Unpermitted Structures Allowed.** There shall be no stationing or erecting of
19 any structure on a People Place without prior permission from (A) the Director of Real Estate for City
20 Lot People Places, (B) the Director of Public Works for Sidewalk, Curbside, or Roadway People Place,
