30 Barbara McWhirter, as Successor Trustee of the Joan Kelley-Ryder Trust as Amended  
31 and restated, (the Trust), and all subsequent trust amendments having been revoked on May 25th,  
32 2016, hereby presents her amendment to her first amended report and account and petition for its  
33 settlement and approval; for approval of all acts of trustee, for order authorizing payment of  
34 trustee's fees and fees and costs for the services of Trustee's attorneys.

35 Petitioner Barbara McWhirter hereby alleges as follows:

- 36 1. **Accounting:** Attached hereto is the full amended Summary of Account and First

1 Accounting, marked Exhibit A. This amended accounting includes a revised disbursement  
2 schedule that includes both chronological and categorized disbursements.

3       **2. Operative Trust provisions:** The operative Trust document is the Amended and  
4 Restated Joan Kelley-Ryder 2002 Revocable Trust executed on November 17, 2006. Attached  
5 hereto as Exhibit B is the Revocation of Trust Documents executed on May 25th, 2016 by  
6 Petitioner in her capacity as conservator of the person of Joan Kelley-Ryder pursuant to the  
7 Order for Substituted Judgment filed May 4th, 2016 in PCN-13-297492.

8  
9       **3. Property management.**

10       a. **Bangor Lane vacation rental property.** Petitioner retained Jon Thomas (JT  
11 Property Management Services) to assist her in managing the rentals, logistics and repairs and  
12 maintenance of this property. Mr. Thomas resides less than a mile from the property, is a retired  
13 security guard and safety specialist and worked for a public utility company for 30 years. He is  
14 experienced in managing property issues including pest control, house cleaners, and responding  
15 to renter requests during rental periods. Due to his proximity to the property he can respond  
16 quickly. Petitioner's agreement with Mr. Thomas is payment of \$100.00 per guest rental/per  
17 month and \$12.00 per hour for miscellaneous work including meeting workmen at the property,  
18 doing laundry after a rental and other general maintenance. Petitioner does not have a written  
19 contract with Mr. Thomas. Petitioner provides all other property management services for  
20 Bangor Lane, including obtaining rentals, overall maintenance and management of the property,  
21 and payment of expenses for the property. These services are included in her request for trustee  
22 fees and are not being charged separately. Petitioner's management of the rental property is to  
23 the benefit of the trust as outside property manager companies generally charge 35% of the gross  
24 rental receipts.

25       b. **Palm Way property management.** Attached hereto as Exhibit C is the  
26 account information for the account for rental income and expenses managed by Ronald L.  
27 Wolfe & Associates confirming the account is held FBO the Trust. The schedules Petitioner  
28 received from Wolfe & Associates for their management of the property in 2014 and 2015 are

1 attached to Amended First Accounting, Exhibit A hereto. These schedules include all income in  
2 2014 and income beyond the end of this accounting period. The original statements will be filed  
3 separately confirming the balances as of October 31, 2015 in both the Wolfe & Associates  
4 Property Reserve Account and the Heritage Oaks Bank Business Money Market Account.

5 **4. Legal fees to Amy Harrington, Hartog & Baer and fiduciary fees to Franza**  
6 **Giffen.** Attorneys fees and fiduciary fees during the period of this accounting for Hartog &  
7 Baer, Amy Harrington, Franza Giffen, and Marianne Lindholm were all filed on 12/31/2013.  
8 Petitioner's current counsel contacted Amy Harrington, Franza Griffen and Hartog & Baer on  
9 May 24th, 2016 concerning the discrepancies between the court ordered fees and the fees  
10 actually paid. Ms. Harrington promptly responded and provided a copy of her demand letter to  
11 First American Title dated July 30, 2014 attached hereto as Exhibit D. Ms. Harrington informed  
12 counsel on May 24th, 2016 of her position that all judgments, including those for attorneys fees  
13 in probate matters collect interest at the legal rate once they are entered pursuant to CCP 695.010  
14 and therefore interest was legally due as demanded. The actual sums for interest were eventually  
15 calculated by first American Title and paid directly to Ms. Harrington and Ms. Giffen out of  
16 escrow. Petitioner was not informed by her then counsel that there might have been any basis to  
17 object to the demand for interest and consequently did not object to the demand made by Ms.  
18 Harrington on behalf of herself and Ms. Giffen.

19 Petitioner paid fees that were billed to her by Hartog & Baer sent to her AFTER the order  
20 for their fees was filed 12/31/13. Copies of the invoices dated January 9th, 2014 and May 31st,  
21 2015 received by her counsel from Mr. Hartog's office on June 15th, 2016 are attached as  
22 Exhibit E. Petitioner had objected to the original request for fees and the fees ordered were  
23 substantially less than requested. Some of the additional sums paid were for court costs.  
24 Petitioner was unaware that the total amount demanded and paid exceeded the fees and costs  
25 ordered. She will be requesting a refund of the excess payments but given the now disputed  
26 amount does not believe it would be cost effective to pursue legal action if her request for a  
27 refund is refused.

28 **5. Bank/financial statements.** Additional statements for Wells Fargo Bank and the

1 ending cash reserves for the Palm Way property will be e-filed with the required supporting  
2 declaration by counsel before the hearing on this matter.

3         **6. Trustee's fees.** During the period of this first accounting, Petitioner provided  
4 extensive and valuable services in her capacity as trustee that were of great benefit to the trust  
5 and settlor. During the period of this first accounting Petitioner worked to prepare the  
6 Divisadero property for sale, worked to locate suitable rental properties for the eventual 1031  
7 exchange, addressed tax issues, managed the new rental properties and worked with the  
8 professional property managers, set up bank accounts, paid expenses, attend court hearings and  
9 meetings with her counsel and other professionals including real estate agents, actively managed  
10 the Bangor Lane rental property. Many of these services required Petitioner to travel from her  
11 home in Santa Barbara to San Francisco. Based upon the ending assets on hand as of October  
12 31st, 2015 of \$4,449,018.77, the annual 1% trustee fee would be \$44,490.00 and for the 28  
13 month period of this report and account would be \$103,810.00. Petitioner requests reduced  
14 trustee fees at an annual rate of 0.75% for 28 months of this accounting in the sum of \$77,858.00  
15 (\$33,368/year for 28 months).

16         **7. Separate petitions for Attorneys Fees and costs for conservatorship services and**  
17 **for trust administration services.** Petitioner's former counsel filed his supplemental  
18 declaration with the court on May 31st, 2016 concerning these issues as well as payment of  
19 attorneys fees to him without prior court order. Petitioner confirms she was sent frequent billings  
20 by Mr. Melbostad's firm, received phone calls from Mr. Gelman demanding payment, made  
21 payment in respond to those demands and was not informed by her own attorneys that such  
22 payments should not be made until Mr. Melbostad finally intervened. At no time did his office  
23 refund any payments. Had Petitioner been properly advised by her own attorneys she would not  
24 have made any payments other than for costs as permitted. As for the fees requested by Mr.  
25 Melbostad set forth in his declaration filed May 31st, 2016, Petitioner has reviewed the statement  
26 and believes there are duplicate entries and excessive charges and the court should carefully  
27 review the itemization of services to determine the appropriateness of his total fee request.

28         **8. Palm Avenue property encumbrance in the amount of \$540,000.00.** Petitioner's

1 prior counsel filed a petition for authorization to exchange property on August 5, 2014 that at  
2 page 3. line 1, paragraph 9 refers to the outstanding encumbrance in the form of a Deed of Trust  
3 to Wells Fargo Bank in the sum of \$531,000.00. When a property subject to an Internal Review  
4 Code Section 1031 exchange is encumbered at the time of the exchange, Internal Revenue  
5 Bulletin 2010-12 issued March 22, 2010, Section 2.04 requires as a condition of a tax deferred  
6 qualifying exchange that an acquired property obtain an encumbrance equal to the one on the  
7 exchanged property in order to avoid tax exposure for the value of the encumbrance paid off as  
8 part of the exchange. Prior to seeking the required loan, Petitioner told her prior counsel she was  
9 doing so and asked him if any further court authorization was required. She was advised it was  
10 not necessary. By obtaining the new loan in the sum of \$540,000.00 Petitioner protected the  
11 trust from tax exposure for failing to obtain a loan secured by the acquired real property. Had  
12 Petitioner been advised to seek court approval she would have done so. Additionally, the  
13 original petition for authorization to exchange the property, while making reference to the  
14 outstanding loan, neglected to request authority to enter into a new loan that was clearly a  
15 condition of a fully tax deferred exchange. Petitioner submits this was most likely an inadvertent  
16 omission by her former counsel and rather than causing harm to the trust or settlor has prevented  
17 significant tax liability. The details of this transaction are included in the buyer final closing  
18 statement attached to the amended accounting.

19 **9. Specific accounting issues:**

20 a. Wells Fargo Bank late fees: These were incurred because at the time payments  
21 were due there were insufficient cash assets on hand to make on time payments. This has not  
22 continued.

23 b. Personal property distributed and payments made for the benefit of Madeleine  
24 Bonovich: The distribution of personal property listed in Schedule E of the amended accounting  
25 of \$6,000.00 was of personal property including family heirlooms, Madeleine's bedroom set and  
26 a few personal items of her mother that had no monetary value to third persons. Prior to settlor  
27 being conserved, settlor had made the down payment from her own funds for the purchase of  
28 Madeleine's home in Antioch. Due to the personal circumstances of Madeleine and her husband

1 (including his loss of employment) resulting in foreclosure proceedings, in the spring of 2015  
2 Madeleine requested Petitioner make payments on the mortgage to bring the property out of  
3 default. Petitioner has personal knowledge that Joan had a history of helping her daughter in  
4 these situations and agreed to make the payments listed in the accounting of approximately  
5 \$21,400.00. The Trust at Section 2.03 at page 3 provides "*The Trustor may at any time direct the*  
6 *Trustee in writing to pay single sums or periodic payments out of the Trust Estate to any other*  
7 *person or organization.*" Petitioner asserts that while Joan has recently unable to direct the  
8 specific payments in writing, her history of helping her daughter and the particular circumstances  
9 of Madeleine's request gave Petitioner authority to make these payments. Alternatively, they  
10 could be construed as an advance on the ultimate distribution to the Testamentary Trust for the  
11 benefit of Madeleine Bonovich and represent about 1% of the ultimate distribution to the  
12 Testamentary Trust for the benefit of Madeleine Bonovich and are so listed in the Accounting.

13 c. Charitable contributions: The disbursements show a payment to Royal Pride  
14 Foundation in the sum of \$3,500.00 on 3/3/15. This disbursement was made to provide tax  
15 deductions for the trust income and is consistent with Joan's history of making charitable  
16 contributions. Petitioner has been advised by her tax preparer that similar donations of up to  
17 \$5,000.00 per year are warranted due to the income of the trust and Petitioner seeks authority to  
18 make similar charitable contributions in future years to the extent they benefit the trust by  
19 reducing tax liability.

20 9. **Bond.** Petitioner is currently bonded in the sum of \$300,000.00. Based upon the  
21 income from the trust for a period of 28 months of \$553,951.28, or an average of \$237,408.00  
22 per year and cash assets and personal property on hand of \$81,091.69, bond will need to be  
23 increased. A separate petition will be filed to increase bond prior to the hearing on the amended  
24 first accounting.

25 10. **Notice.** Under the provisions of The Amended and Restated Trust executed  
26 November 17, 2006, apart from settlor Joan Kelley-Ryder during her lifetime, residing at  
27 Providence Place, 2456 Geary Blvd., San Francisco, CA 94115, there are 12 specific bequest  
28 beneficiaries and 2 remainder beneficiaries as follows:

13 Notice will also be given to Caroline Hinshaw, court appointed counsel for Joan Kelley-  
14 Ryder and to Paul Melbostad, Petitioner's former counsel.

15 Wherefore, Petitioner requests that in addition to the relief sought in the First Amended  
16 Report and Account filed March 18th, 2016 the court make the following additional orders:

- 17 1. Trustee fees be allowed to Barbara McWhirter in the sum of \$77,858.00 for the 28  
18 month period of the first accounting;
- 19 2. The loan obtained as part of the 1031 exchange be approved;
- 20 3. Payments to or distributions for the benefit of Madeleine Bonovich be approved;
- 21 4. Petitioner be authorized to make annual charitable contributions on behalf of the  
22 settlor in a sum not to exceed \$5,000.00;
- 23 5. Such other and further relief as is deemed appropriate by this Court.

Note 1: Summary of Significant Accounting Policies

A. General

The Joan Kelley-Ryder Trust, As Amended and Restated was created by Joan Kelley-Ryder prior to 2013. Effective June 27, 2013, the Superior Court of the State of California, City and County of San Francisco terminated the former successor trustee powers and appointed Barbara McWhirter as Successor Trustee effective on June 27, 2013.

The same court issued Letters of Conservatorship dated June 7, 2013 appointing Barbara McWhirter as Conservator.

B. Basis of Presentation

The summary of account is presented in court accounting format as specified in Chapter Four (commencing with §1060) of Part One of Division Three of the Probate Code for the State of California. The detailed listing of transactions is provided in the supplemental information chronologically instead of by category.

C. Basis of Accounting

Receipts and disbursements are recorded using the modified cash method of accounting which is widely considered to be consistent with accounting principles generally accepted in the United States of America for fiduciary entities.

D. Asset values

Assets on hand at June 27, 2013, Schedule 1 are stated at their estimated current value as provided by the Successor Trustee/Conservator.

The current market values of the assets at October 31, 2015, as listed in Schedule F, reflect the values reported on bank statements provided adjusted for outstanding items and the estimated current value of the real estate as provided by the Successor Trustee/Conservator.
