

## San Francisco Department of Public Health

Grant Colfax, MD  
Director of Health

City and County of San Francisco  
London N. Breed  
Mayor

### Memorandum

**To:** Honorable Members of the Board of Supervisors

**From:** San Francisco Department of Public Health

**Date:** April 18, 2024

**Re:** Contract Amendment - Retroactive - Regents of the University of California - Behavioral Health Services - Not to Exceed \$133,397,493

---

This Resolution seeks retroactive authorization for the Board of Supervisors to approve Amendment No. 2 to the agreement between Regents of the University of California and the San Francisco Department of Public Health (DPH).

This contract is retroactive due to delays in agreement finalization between the Regents of the University of California and the SF Department of Public Health (DPH). Following extensive negotiations between the University of California and DPH, the University of California and the City came to an agreement on contract terms, especially with respect to data sharing clauses.

After extended negotiations regarding the computer system access agreement and the protection of City Data, the University of California and the City came to an agreement on November 1, 2023. Once both parties came to agreement, DPH completed administrative processes to complete contract and submitted it on 4/2/24. We respectfully request retroactive authorization of this contract.
