Item 13
File 12-1138

Department:
San Francisco Municipal Transportation Agency

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve the termination of the lease agreement between the City and County of San Francisco and the Downtown Parking Corporation for the Fifth & Mission Garage and would authorize the Director of Transportation to execute a Lease Termination Agreement effective December 31, 2012.

Key Points

- The Downtown Parking Corporation is a non-profit 501(c) 2 entity, formed in 1955 for the sole purpose of assisting the City by financing the costs of the Fifth & Mission Garage through the sale of bonds. In July 2012, the Downtown Parking Corporation's bonds were fully paid off from the proceeds of the issuance of Revenue Bonds issued by the SFMTA. Since the bonds issued by the Downtown Parking Corporation have been fully paid, the Corporation's Board of Directors wants to terminate the lease with the City which was previously entered into between the City and the Downtown Parking Corporation to enable the Corporation to manage the day-to-day operations of the Garage.
- According to Mr. Michael Robertson, SFMTA's Deputy Director of Off-Street Parking, the SFMTA will assume all agreements that the Downtown Parking Corporation has entered into which includes 16 vendor agreements for services that support the operation and maintenance of the Garage and 17 corporate subtenant lease agreements for retail and commercial stores that occupy the ground floor.
- The Downtown Parking Corporation will transfer the title and control of all monies, deposits, and accounts of the Corporation to the SFMTA within five business days of December 31, 2012 and will provide an audit report and full accounting of all revenues, accounts, equipment, outstanding debts, and assets within 45 days of December 31, 2012. The SFMTA will review the audit and accounting and will provide comments to the Downtown Parking Corporation within 30 days. Subsequent to any corrective actions which the SFMTA states that the Downtown Parking Corporation must make, the SFMTA will hold the Downtown Parking Corporation, its Board of Directors, and officers harmless.

Fiscal Impact

- According to Mr. Robertson, the termination of the lease with the Downtown Parking Corporation will save the City an estimated \$203,920 annually by discontinuing redundant corporate oversight services, including the costs for a corporate manager, corporate accounting staff, and attorney fees, as shown in Table 1 below. The Downtown Parking Corporation's Manager, Mr. John Brown, will be retained temporarily to perform administrative services including correcting the audit and accounting reports, transferring accounts, books and records from the Corporation to the City and will be compensated on an hourly basis. Mr. Robertson noted that Mr. Brown's services will be limited and will conclude upon the final close-out audit which is planned for March 31, 2013.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT / BACKGROUND**Mandate Statement**

In accordance with City Charter Section 9.118(c), any lease exceeding ten years and/or having anticipated revenue of \$1,000,000 or greater is subject to the Board of Supervisors approval.

Background

The Fifth & Mission Garage (Garage) is a City-owned garage under the jurisdiction of the San Francisco Municipal Transportation Agency (SFMTA), located at 833 Mission Street. The Garage has approximately 2,600 parking spaces and provides over 25,000 square feet of retail space, currently leased to various tenants and generates over \$18,000,000 in annual gross revenue which are used to pay Garage operating expenses.

The Downtown Parking Corporation is a non-profit 501(c) 2 entity, formed in 1955 for the sole purpose of assisting the City by financing the costs of the Fifth & Mission garage through the sale of Downtown Parking Corporation bonds. In 1957, the City leased the Garage to the Corporation through a lease agreement which was subsequently replaced with a new lease agreement in 1992. Under the lease, the Corporation manages the day-to-day operations of the Garage with oversight and policy direction from the SFMTA.

In June 2012, the Corporation's Board of Directors executed a Lease Amendment with the SFMTA to modify and continue the term of the lease on an interim basis until an agreement to terminate the lease was in place. After this Lease Amendment, the parties agreed to terminate the existing lease and set up an unofficial, voluntary Advisory Committee, within 180 days of the Lease Amendment, composed of Corporation Board members who wish to continue to provide input on parking policies and rates on behalf of the community. A draft of the by-laws for this Committee is currently being reviewed by the Corporation.

In July 2012, the bonds were fully paid off through the issuance of a revenue bond by the SFMTA. Since the bonds issued by the Corporation have been fully paid, the Corporation's Board of Directors wants to terminate the lease. To initiate the termination, the Corporation's Board of Directors unanimously approved the Lease Termination Agreement at its Board of Directors meeting on October 31, 2012.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the termination of the lease agreement between the City and County of San Francisco and the Downtown Parking Corporation for the Fifth & Mission Garage and would authorize the Director of Transportation to execute a Lease Termination Agreement effective December 31, 2012.

According to Mr. Michael Robertson, SFMTA's Deputy Director of Off-Street Parking, SFMTA will assume all leases and agreements that the Downtown Parking Corporation has entered into, which includes 16 vendor agreements for services that support the operation and maintenance of the Garage and 17 corporate subtenant lease agreements for retail and commercial stores that occupy the ground floor. Mr. Robertson noted that the termination will have no material effect on the Downtown Parking Garage operations or its tenants.

The Downtown Parking Corporation will transfer the title and control of all monies, deposits, and accounts of the Corporation to the SFMTA within five business days of December 31, 2012, and will provide an audit report and full accounting of all revenues, accounts, equipment, outstanding debts, and assets within 45 days of December 31, 2012. SFMTA will review the audit and accounting and will provide comments and corrections within 30 days. Subsequent to any corrective actions which the SFMTA states that the Downtown Parking Corporation must make, SFMTA will hold the Downtown Parking Corporation, its Board Members, and officers harmless.

FISCAL IMPACT

According to Mr. Robertson, the termination of this lease will save the City an estimated \$203,920 annually by discontinuing redundant corporate oversight services, including costs for a corporate manager, corporate accounting staff, and attorney fees as shown in Table 1 below.

Table 1: Annual Savings from the Proposed Lease Termination

Corporation Expenditures	Savings	Notes
Corporate Manager	\$139,000	Salary & Benefits
Attorney Fees	24,000	Budgeted (\$32K Actual FY11-12)
Corporation Accounting Staff	40,920	Elimination of redundant staffing
TOTAL Estimated Savings	\$203,920	

The proposed termination of the Downtown Parking Corporation Lease Agreement is consistent with the analysis and findings of the City Services Auditor's June 2011 audit that questioned the need for continuing to have such leases with non-profit corporations that require corporate oversight services, such as those shown in Table 1 above, when SFMTA could provide these services on an in-house basis.

Under the proposed lease termination agreement, the City will have no obligation to any employee of the Downtown Parking Corporation, with the exception of the Corporate Manager, Mr. John Brown, who will be temporarily retained to perform administrative services including correcting the audit and accounting reports, and transferring accounts, books and records from the Corporation to the City. According to Mr. Robertson, Mr. Brown will be retained until the final close-out audit is approved by the City and a hold-harmless is issued to the Corporation's Board which is planned for late March 2013. Mr. Robertson further noted that Mr. Brown's needed services will be very limited. After the Effective Termination Date of December 31, 2012, the City will pay Mr. Brown on an hourly basis for his services at \$66.83 per hour.

Under the current lease agreement between the City and the Downtown Parking Corporation, the revenue from parking and other sources totaling \$18,355,578 for FY 2011-12, as shown in Table 2 below, is collected by the Corporation who, in turn, pays for the Fifth and Mission Garage operating expenses upon SFMTA's approval; any balance that is left over is paid to the SFMTA. As shown in Table 2 below, for FY 2011-12, \$9,123,500 was paid to the SFMTA. Upon the Lease's termination, SFMTA will collect the Garage's revenues and pay monthly bills on an in-house basis.

**The Honorable Board of Supervisors
City and County of San Francisco

San Francisco, California 94102**

***RE: Termination of the Lease Agreement between the City and County of
San Francisco and the Downtown Parking Corporation***

Dear Members of the Board of Supervisors:

Attached for your consideration is a Resolution authorizing the termination of the lease agreement (Lease) between the City and County of San Francisco and the Downtown Parking Corporation (Corporation).

Background

The Fifth & Mission Garage (Garage) was originally built in 1957 and has expanded over the years to meet the growing demand. It provides nearly 2,600 parking spaces and several retail/commercial lease spaces at the ground level. The facility generates over \$18 million in annual gross revenue.

The Corporation is a non-profit 501(c)2 entity, formed in 1955 for the sole purpose of assisting the City with the design and construction of the Garage by financing the costs through the sale of bonds. In 1957, the City leased the Garage to the Corporation through a lease agreement, which was subsequently replaced with another lease agreement in 1992. Under the Lease, the Corporation manages the day-to-day operations of the Garage with oversight and policy direction from the San Francisco Municipal Transportation Agency (SFMTA).

In June 2002, the Corporation issued certain parking revenue bonds in the amount of \$13,550,000 to refinance existing bonds issued by the Corporation to finance the construction of the Garage. In July 2012, those bonds were fully paid off through the issuance of a revenue bond by the SFMTA. Since the bonds issued by the Corporation have been fully paid, the Corporation's Board of Directors wishes to terminate the Lease and be relieved of its obligations and liability as the leaseholder of the Garage. To initiate the termination, the Corporation's Board of Directors unanimously approved the attached Lease Termination Agreement at its Board meeting on October 31, 2012.

Staff from the Corporation, SFMTA and the City Attorney's Office have reviewed all current Garage retail/commercial tenant leases and agreements with various service providers and vendors. The SFMTA will assume all leases and agreements

that are required for the continued operation of the Garage and/or support SFMTA operations. It is anticipated that the termination of the Lease, effective 11:59 p.m. on December 31, 2012, will have no material effect on the Garage operations or its tenants

Funding Impact

The termination of the Lease will result in discontinuing redundant services, which is anticipated to save the City over \$200,000 annually. This action is consistent with the analysis and findings of the June 2011 audit by the City Services Auditor that questioned the need and benefit for continuing such leases to non-profit Corporations.

Alternatives Considered

The Corporation's Board of Directors evaluated pros and cons of a new long-term lease versus termination and decided to terminate the Lease since payment of the debt fulfilled the main objective of the formation of the Corporation.

SFMTA Board of Directors' Approval

The SFMTA Board will be hearing this item at its December 4, 2012 Board meeting. A resolution authorizing the Director of Transportation to execute a Lease Termination Agreement is expected to be received at that time.

Recommendation

The SFMTA recommends that the Board of Supervisors approve this termination of the lease agreement between the City and County of San Francisco and the Downtown Parking Corporation and authorize the Director of Transportation to execute a Lease Termination Agreement.

If you have any questions regarding this matter, please contact Amit Kothari, Director of SFMTA's Off-Street Parking Section, at 415.701.4462 or amit.kothari@sfmta.com.

Sincerely,

Edward D. Reiskin
Director of Transportation

LEASE TERMINATION AGREEMENT

Agreement between the City and County of San Francisco and the Downtown Parking Corporation to Terminate the Lease of the Fifth and Mission Garage

Recitals

- A. Whereas, the City and County of San Francisco ("the City"), a municipal corporation, owns certain real property located at 833 Mission Street, San Francisco, California ("the Premises"), which is used as an off-street parking facility commonly referenced as the Fifth and Mission/Yerba Buena Garage; and
- B. Whereas, the City of San Francisco Downtown Parking Corporation ("the Corporation"), a non-profit 501(c)(2) corporation, was formed in 1955 for the sole purpose of assisting the City in acquiring the Premises by financing the purchase cost through the sale of bonds of the Corporation secured by a lease of the Premises from the City to the Corporation; and
- C. Whereas, the Corporation and the City entered into an agreement dated July 30, 1956, under which the Corporation issued bonds, acquired the Premises, and conveyed the Premises to the City; and
- D. Whereas, the City leased the Premises to the Corporation under a lease agreement dated October 28, 1957, which lease was subsequently replaced with another lease agreement dated April 1, 1992, and recorded on February 18, 1993 ("the Lease"); and
- E. Whereas, on or about June 15, 2002, the Corporation issued certain parking revenue bonds ("the Bonds) in the amount of \$13,550,000 to refinance existing bonds issued by the Corporation to finance the construction and maintenance of the Premises, and the indenture documents for said Bonds ("the Indenture") were recorded on July 16, 2002; and
- F. Whereas, Union Bank of California, N.A. ("Trustee") serves as the trustee for the Bonds, performing the duties of trustee described in the Bonds Indenture and other issuing documents and as required by applicable laws; and
- G. Whereas, Section 2 of the Lease provides that the Lease shall terminate upon the Corporation's payment of the debt incurred under the Bonds and Article X of the Indenture sets out the requirements for the discharge and defeasance (payment) of the Bonds; and

- H. Whereas, sections 8A.102(b), 8A.112 and 8A.113 of the City Charter and section 17.8_ of the San Francisco Administrative Code vest authority over the Premises in the San Francisco Municipal Transportation Agency ("SFMTA"); and
- I. Whereas, the City, by and through the SFMTA, paid the remaining balance owing on the Bonds as part of and as material requirement of issuing new revenue bonds that are secured in part by revenues of the Premises; and
- J. Whereas, because the bonds issued by the Corporation have been fully paid, and the members of the Corporation's Board of Directors therefore wish to be relieved of their obligations and liability under the Lease; and
- K. Whereas, the Corporation's Board members wish to play a continuing advisory role to the SFMTA as to the parking policies and rates and the management and operation of the Premises;

Now therefore, based on the statements contained in the above Recitals, which are hereby incorporated into the terms and conditions of this Lease Termination Agreement ("Agreement") set out below, and based on the exchange of other good and valuable consideration, receipt and sufficiency of which the City and the Corporation hereby acknowledge, the City and the Corporation agree as follows:

If Mr. Brown's services are required beyond the Early Termination Date and after the Corporation has transferred its accounts to the City, the City shall compensate Mr. Brown for necessary effort on an hourly basis derived from his current annual salary (hourly rate = annual salary divided by 2080 hours). The City will so compensate Mr. Brown for any required efforts until the Corporation corrects and the City accepts the aforesaid audit and accounting reports and the City issues a hold harmless notice to the members of the Corporation's Board of Directors, which time shall not exceed 90 calendar days from the Early Termination Date.
 - c. The Corporation shall prior to the Early Termination Date inform Mr. Brown of benefits due to him, including but not limited to any obligation the Corporation may have to cash out accrued vacation, sick leave or other benefits to Mr. Brown.

The Corporation shall prior to the Early termination date confirm its obligations to Mr. Brown to offer access to health insurance under COBRA or other applicable laws and confirm whether Mr. Brown wishes to receive such benefits. If Mr. Brown wishes to receive health insurance under COBRA or other benefits that he would have to purchase through the Corporation, prior to the Early Termination Date, the Corporation shall calculate the cost to be paid by Mr. Brown for said health insurance. The Corporation will make arrangements with Mr. Brown to either prepay those costs or have those costs deducted from final salary payments to be paid by the Corporation or the City (following the Early Termination Date).
