RE: File 151273 – Charter amendment regarding vacancies in elective office

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, it would moderately increase the cost of government.

Over a typical election cycle of four years, the amendment could be expected to result in at least one additional special election that would not have otherwise occurred. Based on Department of Elections' costs, there would be an estimated expense of approximately \$340,000 if adding a district election for a member of the Board of Supervisors or approximately \$3.7 million if adding a citywide runoff election for Mayor. Spread over the four year election cycle period, these amounts represent approximately \$85,000 to \$930,000 of added expense on an annual basis.

Sincerely,

for Ben Rosenfield
