Section 1. Environmental and Land Use Findings.

1 (a) The Planning Department has determined that the actions contemplated in this  
2 ordinance comply with the California Environmental Quality Act (California Public Resources  
3 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
4 Supervisors in File No. 250798 and is incorporated herein by reference. The Board affirms  
5 this determination.

6 (b) On October 17, 2024, the Planning Commission, in Resolution No. 21627, adopted  
7 findings that the actions contemplated in this ordinance are consistent, on balance, with the  
8 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board  
9 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the  
10 Board of Supervisors in File No. 250798, and is incorporated herein by reference.

11 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code  
12 amendments will serve the public necessity, convenience, and welfare for the reasons set  
13 forth in Planning Commission Resolution No. 21627, and the Board adopts such reasons as  
14 its own. A copy of said resolution is on file with the Clerk of the Board of Supervisors in File  
15 No. 250798 and is incorporated herein by reference.

16 (d) On July 16, 2025, the Building Inspection Commission considered this ordinance at  
17 a duly noticed public hearing pursuant to Charter Section 4.121 and Building Code  
18 Section 104A.2.11.1.1.

19 (e) No local findings are required under California Health and Safety Code  
20 Section 17958.7 because the amendments to the Building Code contained in this ordinance  
21 do not regulate materials or manner of construction or repair, and instead relate in their  
22 entirety to administrative procedures for implementing the code, which are expressly excluded  
23 from the definition of a "building standard" by California Health and Safety Code  
24 Section 18909(c).

Section 2. Articles 1.7, 2, and 3 of the Planning Code are hereby amended by revising Sections 175, 176, 206.3, 206.5, 206.6, 207, 207.1, 249.94, 306.1, and 317, to read as follows:

**SEC. 175. APPROVAL OF PERMITS OR DEVELOPMENT APPLICATIONS.**

(a) No application for a building permit, Development Application, or other permit or license, or for a permit of Occupancy, shall be approved by the Planning Department, and no permit or license shall be issued by any City department, which would authorize a new use, a change of use or maintenance of an existing use of any land or structure contrary to the provisions of this Code.

\* \* \* \*

(f) Whenever this Code requires a property owner to enter into a regulatory agreement with the City subjecting any dwelling units to the San Francisco Residential Rent Stabilization and Arbitration Ordinance (Chapter 37 of the Administrative Code), the Planning Department shall note the existence of the recorded regulatory agreement on a publicly-accessible website.

**SEC. 176. ENFORCEMENT AGAINST VIOLATIONS.**

\* \* \* \*

**(c) Penalties.**

**(1) Administrative Penalties.**

(A) **General Violations.** The Zoning Administrator, by issuance of the NOV, may assess upon the Responsible Party an administrative penalty for each violation in an amount up to \$1,000 for each day the violation continues unabated. For purposes of this subsection (c)(1)(A), each real property address, and each commercial or dwelling unit within a multi-unit real property address, affected by a violation is a distinct violation for calculation of applicable administrative penalties. Notwithstanding the foregoing, a violation of this Code that

affects a common area, feature, or shared detached feature of a multi-unit structure may be treated as a distinct violation of this Code, at the reasonable discretion of the Zoning Administrator. Misrepresentations made on any Applications or plans submitted to the Planning Department shall also constitute a violation of this Code for the purposes of this Section 176. The NOV may be appealed in the manner provided in subsection (c)(1)(~~DE~~).

\* \* \* \*

**(C) Penalties for Specified Violations.**

\* \* \* \*

**(iii) Misrepresentations of Material Tenant Information on Development Application.** For misrepresentation of material information within any Development Application or Building Permit involving a failure to disclose the presence of tenants or a misrepresentation of tenant history at a site, the Responsible Party shall be liable for a penalty of up to \$150,000 upon issuance of an NOV. In determining the appropriate penalty amount, if any, the Zoning Administrator or the Zoning Administrator's designee shall consider:

a. whether the misrepresentation was intentional, grossly negligent, or negligent;

b. the financial gain to the Responsible Party;

c. the degree to which the project would have been affected (including, for example, the number of project units affected);

d. the number and frequency of misrepresentations by the Responsible Party;

e. efforts made by the Responsible Party to correct the misrepresentation;

f. such other factors as the Zoning Administrator determines to be relevant, based on the particular facts and circumstances of the misrepresentation; and

1 g. such other factors as the Planning Commission determines to  
2 be relevant following a public hearing.

3 Within 12 months of the effective date of the ordinance in Board File No. 250798 amending this  
4 Section 176, the Planning Commission shall adopt any additional relevant factors and criteria for  
5 consideration, to be updated as necessary or appropriate from time to time, to provide guidance to the  
6 Zoning Administrator when determining the appropriate penalty amount for violations subject to this  
7 subsection (c)(1)(C)(iii).

4 misstatements or omissions relate to the presence or number of Unauthorized Dwelling Units or  
5 tenants on the property, the Zoning Administrator shall cancel any development application as  
6 inaccurate and shall require the applicant to re-file the application. Such ~~rejection~~ cancellation shall

10 staff to reasonably believe that an Unauthorized Unit may exist on the property, Department staff shall  
11 investigate whether the property contains any Unauthorized Unit. Such investigation may include  
12 research into property and Residential Rent Stabilization and Arbitration Board rental records,  
13 inspection of the property, or review of evidence of prior tenancy submitted by current and former  
14 owners, tenants, and neighbors. Department staff shall review and consider inspection reports and

20 Conversion, or Merger, the Department shall inspect the property. The Department's inspection shall  
21 attempt to establish whether the property contains rental units and whether any rental units are  
22 occupied. The Department shall also request information from the Residential Rent Stabilization and  
23 Arbitration Board that indicates whether any rental units on the property are subject to the Residential  
24 Rent Stabilization and Arbitration ordinance.

1 Section 3. Chapter 1A of the Building Code, Section 103A, is hereby amended by  
2 revising Section 103A.6 (specifically Sections 103A.6.1, 103A.6.3.1, and 103A.6.4.2; Section  
3 103A.6.2 reprinted for informational purposes only), to read as follows:

4  
5 **103A.6 Expanded Compliance Control and permit review.**

6 **103A.6.1 Significant violation tracking reports.** When any of the following occur:

7 (a) a building inspector issues a Notice of Violation in which there is an instance of any  
8 of the following:

9 (1) Misrepresentation of existing conditions or project scope that results in  
10 circumvention of notification or review requirements;

11 (2) Structural work or demolition of structural features without or beyond the  
12 scope of a building permit;

13 (3) Work under permit performed by a party without required license; or

14 (4) Other substantial non-compliance;

15 (b) any individual, agent, or entity with business before the Department is convicted of any  
16 offense involving fraud, willful misrepresentation, or the making of any willfully inaccurate or false  
17 statement associated with a permit application or project considered by the City, or any offense  
18 involving bribery or other unlawful influence of a City official or employee; or

19 (c) the Planning Department notifies the Department that the Planning Department has  
20 identified a significant misrepresentation of existing conditions or project scope that has resulted in a  
21 failure to disclose or represent any Unauthorized Unit in any permit application submitted to the  
22 Department;

23 Inspection Services Division shall log the violation described in subsections (a), (b), or (c)  
24 above, and identify all individuals, agents, and ~~other~~ entities associated with the permit and/or  
25 project in the Permit Tracking System (or other system of record) or known to be associated with

1 the permit and/or project at the time the Notice of Violation is issued, or the violation described  
2 in subsections (b) or (c) is discovered, in the Compliance Control Tracking File maintained by the  
3 Inspection Services Division. The Compliance Control Tracking File is for internal purposes  
4 only; an individual, agent, or entity's presence in the file does not indicate responsibility for  
5 any violation or misconduct. For purposes of Section 103A.6, "Unauthorized Unit" shall have the  
6 same meaning as in Planning Code Section 317(b).

### 7 **103A.6.2 Candidates for Expanded Compliance Control.**

8 (1) The Inspection Services Division shall review the Compliance Control Tracking  
9 File on a monthly basis to determine if any project, individual, agent, or entity has been  
10 associated with three or more reported violations described in 103A.6.1 within the last 18  
11 months. Any such project, individual, agent, or entity shall be a candidate for Expanded  
12 Compliance Control.

13 (2) Even if the three-or-more-violations standard is not met during the 18-month  
14 period, the Department, in consultation with the City Attorney, may designate a project,  
15 individual, agent, or entity as a candidate for Expanded Compliance Control for any violation  
16 or violations that the Department determines, individually or together, to be egregious and  
17 create significant risk to health, safety, or property.

### 18 **103A.6.3 Expanded Compliance Control List.**

19 **103A.6.3.1 Factors.** In determining whether to include any candidate on the Expanded  
20 Compliance Control List, the following factors shall be considered: the candidate's role and  
21 conduct that contributed to the violations; any impacts on individual or public health, and  
22 safety; whether the misrepresentation of existing conditions or the misrepresentation of  
23 project scope was reckless or intentional to avoid permit review or notification requirements,  
24 including any omission or misrepresentation regarding the presence of any Unauthorized Unit; the  
25 extent of the demolition or work that occurred without or beyond the scope of a building permit

1 or without the necessary license or certification; any impacts on historically significant  
2 structures; prospective undervaluation of the construction cost that resulted in lower permit  
3 fees from the violations; and the number, frequency, and severity of violations.

4 \* \* \* \*

5 **103A.6.4.2 Measures.** Upon placing a project, individual, agent, or entity on the  
6 Expanded Compliance Control List, the Department shall take the following actions:

7 (1) Refer the listee to any applicable licensing board or regulatory agency with  
8 the Director's final determination and written findings;

9 (2) Require all existing permit applications and addenda and any new  
10 applications or addenda submitted by or containing reference to the listee undergo Expanded  
11 Compliance Control by senior Plan Review Services staff and multi-station (all permit stations  
12 applicable to a given permit) review at intake and after the Planning Department approves the  
13 Site Permit (if applicable); and notify all parties listed on the applications or addenda for these  
14 permits of the Expanded Compliance Control requirement;

15 (3) Require site inspections by the Department of Building Inspection and  
16 Planning Department prior to issuing any permit submitted by or containing reference to the  
17 listee;

18 (4) Require that a licensed contractor be named on the permit prior to  
19 issuance, unless the applicant is filing for the permit as an Owner-Builder, in conformance  
20 with California Health and Safety Code Section 19825;

21 (5) Dedicate a Senior Inspector to perform inspections and respond to any  
22 complaints or requests regarding the listee; ~~and~~

23 (6) If warranted, consult with the City Attorney about any additional  
24 enforcement actions; and  
25

1                    (7) If warranted, after consultation with the City Attorney, refer the listee to the  
2                    District Attorney with the Director's final determination and written findings.

3                    \* \* \* \*

4                    Section 4. Effective Date. This ordinance shall become effective 30 days after  
5                    enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
6                    ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
7                    of Supervisors overrides the Mayor's veto of the ordinance.

9                    intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
10                   numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal  
11                   Code that are explicitly shown in this ordinance as additions, deletions, Board amendment  
12                   additions, and Board amendment deletions in accordance with the "Note" that appears under
