CHAIR

Honorable Aaron Peskin
224 Filbert Street
San Francisco, CA 94133

Dear Supervisor Peskin:

I am pleased to let you know the Senate Rules Committee has appointed you to serve as a member of the California Coastal Commission. Your term will end May 20, 2019.

As an appointee, you are required to take an oath of office prescribed by the California Constitution. The oath may be taken before a notary public, a judge, or any person authorized by law to administer and certify oaths. Please return the completed oath to the Senate Rules Committee in Room 420, State Capitol, within 15 days, so that it may be filed with the appropriate authority. If your appointment provides for compensation for reimbursement of expenses, no expenses incurred before the execution of the oath can be reimbursed by the State.

Our expectation is that you will participate fully in the work of this body. Please inform Lisa Matocq, Deputy Appointments Director, at (916) 651-4151, if you are unable to attend more than two consecutive board meetings. Additionally, many positions require appointees to meet certain criteria (including employment, place of residence, etc.), please inform us if there are changes to your status that may affect your appointment.

We would also appreciate hearing from you if you are experiencing any problems or believe there are issues about which we should be informed. Further, if you do not hear from the Commission within two weeks of the date of this letter regarding your appointment, please contact our office.

On behalf of the State Senate, I appreciate your willingness to serve. If I can be of assistance, please don't hesitate to contact me.

Sincerely,

Handwritten signature of Kevin de León in black ink.
