5 (a) These additional provisions shall apply to operators under the transient hotel
6 occupancy tax (Article 7), the parking space occupancy tax (Article 9), the utility users tax
7 (Article 10) and the access line tax (Article 10B)~~emergency response fee (Article 10A)~~.

8 (b) Every operator ~~engaging in or about to engage in business within the City~~ who is
9 required to collect or remit any third-party tax must possess a valid~~shall immediately apply to the~~
10 ~~Tax Collector for a~~ certificate of authority issued on a form provided by the Tax Collector.

11 (c) The application for a certificate of authority shall be on a form provided by the Tax
12 Collector and shall set forth the name under which the person transacts or intends to transact
13 business, the location of each of the person's places of business in the City, and such other
14 information as the Tax Collector may require. The application shall be signed by the owner if
15 a sole proprietor, by a member or partner, in the case of an association, or by an executive
16 officer or some person specifically authorized by the corporation to sign the application, in the
17 case of a corporation. No person shall operate a business for which a certificate of authority is
18 required under subsection (b) unless and until the Tax Collector has issued that person a certificate of
19 authority. The holder of a certificate of authority must promptly notify the Tax Collector of any
20 changes to the information stated in the certificate of authority application.

21 (d) Except as provided in ~~subsections~~Subsections (f), (g), ~~and (h), and (j)~~ below, the Tax
22 Collector, within ~~45~~30 days after the application is complete, shall issue ~~without charge~~ a
23 separate certificate of authority to the operator to collect third-party taxes from customers for
24 each location at which the operator is required to collect such taxes. The certificate will expire
25 on a date certain set by the Tax Collector. The operator must apply for renewal of the certificate,

1 before it expires, if the operator intends to continue to engage in business in the City. Except as
2 provided in subsections (f), (g), (h) and (j), the Tax Collector may issue successive, one-year renewals
3 of an operator's certificate. Each certificate shall state the location of the place of business to
4 which it applies and shall be prominently displayed at such location in plain view of all
5 customers. Certificates of authority may not be assigned or transferred. The operator shall
6 immediately surrender to the Tax Collector the certificate for that location upon the operator's
7 cessation of business at that location or upon the sale or transfer of the business.

8 (e) The holder of a certificate of authority to collect parking taxes under Article 9 shall
9 remain presumptively liable for the collection of parking taxes at the location named in the
10 certificate, and for the reporting and remittance of such taxes to the Tax Collector, unless and
11 until the holder of the certificate both (i) notifies the Tax Collector in writing that the holder has
12 ceased to conduct a parking business at such location, and (ii) surrenders the certificate for
13 that location to the Tax Collector.

14 (f) The Tax Collector may refuse to issue the certificate where, within the ~~4530~~-day
15 period referred to in ~~subsection~~ Subsection (d) above, the Tax Collector determines that the
16 operator, or any signatory to the application, or any person holding a 10 percent or greater
17 legal or beneficial interest in said operator ("10% owner") is not in compliance with any
18 provision of Articles 6, 7, 9, 10, ~~10B10A~~, 12, ~~or 12-A~~, or 22, including but not limited to any failure
19 to timely collect, report, pay, or remit any tax imposed by this Code, or where any such person is not in
20 compliance with any provision of Sections 1216 through 1223 inclusive of Article 17 of the Police
21 Code.

22 Solely for purposes of determining under this Section whether any such operator,
23 signatory or 10% owner is not in compliance with such Articles, the Tax Collector may
24 disregard any corporation or association owned or controlled, directly or indirectly, by any
25 such operator, signatory or 10% owner and consider such corporation or association's

1 operations and liabilities as conducted by or as owned by any one or more of such corporation
2 or association's officers, directors, partners, members or owners. For purposes of this
3 Section, (i) the term "owned" means ownership of 50 percent or more of the outstanding
4 ownership interests in such corporation or association, and (ii) the term "controlled" includes
5 any kind of control, whether direct or indirect, whether legally enforceable, and however
6 exercisable or exercised over such corporation or association. A presumption of control arises
7 if the operator, signatory or 10% owner is (or was) an officer, director, partner or member of
8 such corporation or association.

9 (g) Further, if any person subject to this Section violates any provision of Articles 6, 7,
10 9, 10, ~~10B10A~~, 12, ~~or~~ 12-A, or 22, or a rule or regulation promulgated by the Tax Collector,
11 including but not limited to any failure to timely collect, report, pay, or remit any tax imposed by this
12 Code, failure~~failings~~ to maintain accurate registration information, failure to sign any return or
13 pay any tax when due, or failure to timely respond to any request for information, order for
14 records or subpoena, or for any person subject to Article 9 for failure to comply with the
15 requirements of Article 22 of the Business and Tax Regulations Code~~Article 49 of the Police Code~~, or
16 violates any provision of Sections 1216 through 1223 inclusive of Article 17 of the Police Code, the
17 Tax Collector may, after serving the person with written notice of his or her determination in
18 the manner provided in Section 6.11-2 and an opportunity to be heard pursuant to the notice
19 and review provisions of Section~~Sections~~ 6.13-1 et seq., revoke or suspend that person's
20 certificate of authority. The Tax Collector may refuse to issue that person a new certificate of
21 authority or to withdraw the suspension of an existing certificate until the person, signatory to
22 the application for the certificate revoked or suspended, signatory to the application for a new
23 certificate or withdrawal of the suspension, and all 10% owners have complied with the
24 provisions of Articles 6, 7, 9, 10, ~~10B10A~~, 12, ~~or~~ 12-A, and 22 and corrected the original
25 violation to the satisfaction of the Tax Collector.

1 (h) Before any certificate of authority shall be issued to any applicant to engage in the
 2 business of renting parking space in a parking station in this City, such applicant shall file with
 3 the Tax Collector a bond naming the City as exclusive beneficiary; at all times the applicant
 4 engages in such business. ~~For any parking station with annual gross receipts less than \$100,000,~~
 5 ~~such~~Such bond shall be in the following amounts:~~amount of \$5,000.~~

<u>Annual gross receipts for parking station</u>	<u>Bond amount</u>
<u>Less than \$100,000.00</u>	<u>\$20,000</u>
<u>\$100,000.00 to \$250,000.00</u>	<u>\$50,000</u>
<u>\$250,000.01 to \$500,000.00</u>	<u>\$100,000</u>
<u>\$500,000.01 to \$750,000.00</u>	<u>\$150,000</u>
<u>\$750,000.01 to \$1,000,000.00</u>	<u>\$200,000</u>
<u>\$1,000,000.01 to \$2,000,000.00</u>	<u>\$400,000</u>
<u>\$2,000,000.01 to \$4,000,000.00</u>	<u>\$800,000</u>

16 ~~For any parking station with annual gross receipts of \$100,000 or more, such bond shall be in the~~
 17 ~~amount of \$25,000.~~This bond requirement does not apply to an applicant that is a governmental entity.

18 The Tax Collector may, in his or her discretion, independently establish the annual gross
 19 receipts for a parking station and set the bond amount pursuant to the schedule above, based on that
 20 determination. If, at the end of any calendar year, the gross receipts for a parking station have
 21 increased such that a larger bond amount would be required under the above schedule, the operator
 22 shall obtain a new bond in the increased amount by the following April 1. If at the end of any calendar
 23 year the gross receipts for the parking station have decreased, the operator may apply to the Tax
 24 Collector for a reduction of the bond amount.

1 (i) Such bond shall be executed by the applicant as principal, and by a corporation or
2 association which is licensed by the Insurance Commissioner of this State to transact the
3 business of fidelity and surety insurance, as surety. The applicant shall keep the bond in full
4 force and effect for the duration of the certificate of authority and all renewals thereof issued to
5 such applicant. If the bond provides that the term thereof shall be continuous until cancelled,
6 the applicant shall provide the Tax Collector with certification from the surety of the renewal or
7 continuation of the bond: at the same time that the applicant files its annual renewal of its Business
8 Registration Certificate, and (i) when applying for renewal of an existing certificate of authority,
9 (ii) when requesting the withdrawal of a suspension of an existing certificate of authority, or
10 (iii) upon written request of the Tax Collector.

11 (j) The bond shall contain conditions that require the applicant to comply fully with all
12 the provisions of the Business and Tax Regulations Code concerning the collection of third-
13 party taxes from occupants of parking stations and the remittance of such taxes to the Tax
14 Collector. The bond shall be payable to ~~the~~this City in the amount of all unpaid parking taxes
15 on amounts of taxable rents collected by the applicant, together with all administrative
16 collection costs, interest, penalties, and other costs and charges applicable thereto; provided,
17 however, that the aggregate liability of the surety for any and all claims which may arise under
18 such bond shall in no event exceed the face amount of such bond regardless of the amount
19 due and owing to the City. The City may bring an action upon the bond for the recovery of any
20 unpaid parking taxes, administrative collection costs, interest, penalties and other costs and
21 charges at any time prior to the expiration of the period of limitations applicable to the
22 collection of such unpaid taxes by the Tax Collector.

23 (k) When there is a deficiency determination or jeopardy determination against an operator
24 for third-party taxes, the Tax Collector shall issue the deficiency determination or jeopardy
25 determination against the operator and the operator's surety. The liability of the surety shall not

1 exceed the face value of the bond(s). The Tax Collector shall provide notice of such deficiency
2 determination or jeopardy determination to the operator and the bond surety. An operator's petition
3 for redetermination shall be construed by the Tax Collector as a petition on behalf of both the operator
4 and the surety and may request a hearing before the Tax Collector pursuant to Section 6.13-2. The
5 taxpayer and surety hearing may be consolidated at the discretion of the Tax Collector. The surety
6 may file a separate petition for redetermination. Upon the finality of such determination or decision on
7 petition for redetermination, the operator and the surety shall be liable to the Tax Collector in the
8 amount of the determination or decision on petition for redetermination. The surety's liability shall not
9 exceed the face value of the bond(s). The surety shall be subject to the same requirements as the
10 operator with regard to payment of the tax liability and exhaustion of administrative remedies prior to
11 seeking judicial relief. The Tax Collector may exercise all remedies against the surety that are
12 available to the Tax Collector as to an operator or any other person determined to be liable for a tax.

13 (l) Before any certificate of authority shall be issued to any applicant to engage in the business
14 of renting parking space in a parking station in this City, the applicant shall comply with Article 22.
15 The applicant shall reimburse the Tax Collector's costs to inspect the parking station to confirm it
16 complies with Article 22.

18 **SEC. 6.7-1. COLLECTION OF THIRD-PARTY TAXES.**

19 (a) Every operator receiving payment of charges from a customer shall collect the
20 amount of the third-party tax from the customer. All amounts of third-party tax so collected
21 shall be ~~held~~considered to be a special fund in trust for the City. For purposes of this Section, a
22 person who otherwise qualifies as an operator under Section ~~6.2-146.2-13~~ shall not, by reason
23 of the fact that the person is exempt from the tax, be exempted from the other obligations of
24 an operator, including without limitation the obligation to collect and remit to the City all third-
25 party taxes collected from non-exempt customers. An exemption from a third-party tax is enjoyed

1 by the customer, not by the operator responsible for collecting and remitting such taxes. The operator
2 may not exclude from taxation charges claimed to be exempt unless the operator has records of each
3 transaction, which demonstrate: (1) the basis for the claim of exemption, and (2) that an amount was
4 not in fact collected from the exempt customer as a tax.

5 ~~Where an operator is exempt from the tax but its tenant is not exempt, the tenant shall be~~
6 ~~deemed to be an operator and shall be liable for the tax.~~—Where a customer is not the end user of
7 a good or service subject to such tax, the customer shall be deemed an operator. The
8 existence of such deemed operator shall not relieve any other operator of obligations under
9 the Business and Tax Regulations Code, including without limitation the obligation to collect
10 and remit the tax to the City. The liability of such deemed operator and any other operator for
11 the tax, including applicable interest and penalties accrued through the date of payment, shall
12 be joint and several; provided, the City shall be limited to only one satisfaction thereof.

13 (b) Third-party taxes shall be collected, ~~insofar as to the extent~~ practicable, at the same
14 time as and along with the collection of charges made in accordance with the regular billing
15 practice of the operator. If the amount paid by a customer is less than the full amount of the
16 charges and tax which has accrued for the billing period, a proportionate share of both the
17 charges and the tax shall be deemed to have been paid.

18 (c) Where a customer receives more than one billing, one or more being for different
19 periods than another, the duty to collect shall arise separately for each billing period. In all
20 cases of transactions upon credit or deferred payment, the payment of tax to the Tax Collector
21 may be deferred in accordance therewith, and the operator shall be liable therefor at the time
22 and to the extent that such credits are paid or deferred payments are made in accordance
23 with the rate of tax owing on the amount thereof.

24 (d) Any third-party tax imposed upon customers shall be deemed a debt owed by the
25 customer to the City. Any such tax required to be collected from customers which has not

1 been remitted to the Tax Collector shall be deemed a debt owed to the City by the person
2 required to collect and remit such tax to the City.

3 (e) The Tax Collector shall have the power to adopt rules and regulations prescribing
4 methods and schedules for the collection and payment of third-party taxes and such methods
5 and schedules shall provide that the fractional part of ~~one~~1 cent shall be disregarded unless it
6 amounts to one-half of ~~one~~1 cent ~~percent~~ or more, in which case the amount (determined
7 without regard to the fractional part of ~~one~~1 cent) shall be increased by ~~one~~1 cent.

8 (f) The Tax Collector may, in the exercise of his or her discretion, require an operator under
9 this Section to maintain trust accounts for deposit of third-party taxes collected from customers. The
10 Tax Collector may direct an operator regarding how such trust accounts shall be created and
11 maintained, and may prescribe the terms of such accounts. An operator's refusal to comply with the
12 Tax Collector's direction regarding a trust account shall be grounds for revocation of a certificate of
13 authority and/or of any license or permit to do business in San Francisco.~~The Tax Collector may~~
14 ~~require operators under this Section to maintain separate trust accounts for taxes collected from~~
15 ~~customers. The Tax Collector shall adopt rules and regulations prescribing, among other things, when~~
16 ~~such accounts shall be required and how such accounts shall be maintained.~~

17 (g) When third-party taxes are not paid when due, or when there is any deficiency
18 determination or jeopardy determination against an operator for third-party taxes, the Tax
19 Collector may collect said liabilities, including interest and penalties accrued through the date
20 of payment, from any person or persons the Tax Collector determines was responsible for
21 performing the acts of collecting, accounting for, and remitting third-party taxes to the City and
22 failed to do so, or who had. ~~For purposes of this Section, a person shall be considered to be~~
23 ~~responsible for performing the acts of collecting, accounting for, and remitting third party taxes to the~~
24 ~~City if and to the extent such person has~~ the power to control the financial decision-making
25 process by which the operator allocates funds to creditors in preference to the operator's

1 obligation to remit third-party taxes to the City. When the person or persons responsible for the
2 acts of collecting, accounting for, and remitting third-party taxes to the City cannot otherwise
3 be determined, the Tax Collector may presume the President, Chief Executive Officer, and/or Chief
4 Financial Officer of a corporation or any managing partner or member of an association to be a
5 person responsible for performing such acts. The Tax Collector is authorized to name all such persons
6 potentially responsible for performing such acts in a notice of deficiency determination or jeopardy

8 such acts in the final decision. The final decision shall be based on the information available to the
9 Tax Collector or based on the above presumption.~~there shall be a rebuttable presumption that the~~
10 ~~President and Chief Financial Officer of a corporation or any managing partner or member of an~~
11 ~~association is the person responsible for performing such acts.~~ The liability of such persons shall
12 be joint and several with each other and with the operator, and shall be established in the

5 (c) Returns shall show the amount of tax required to be collected for the subject
6 period, separately, for each location at which the operator conducts business, and such other
7 information as the Tax Collector requires. The Tax Collector may require returns to show the
8 total number of transactions upon which tax was required to be collected and the amount of
9 tax due on each such transaction, and for each location at which the operator conducts
10 business. The Tax Collector may inspect, examine, and copy records for ~~or~~ each such

8 The foregoing exemption from taxation does not relieve an exempt party from its duty to collect,
9 report, and remit third-party taxes.

10
11 **SEC. 6.9-1. DETERMINATIONS, RETURNS AND PAYMENTS; DUE DATE OF TAXES.**

12 Except for jeopardy determinations under Section 6.12-2, and subject to prepayments

23 Minimum Filing Amount for the preceding tax year.

1 **SEC. 6.9-3. DETERMINATIONS, RETURNS AND PAYMENTS; PREPAYMENTS.**

2 (a) **Prepayments and Remittances.** Notwithstanding the due dates otherwise provided
3 in Section 6.9-1, taxpayers shall make prepayments and remittances of taxes and third-party
4 taxes (~~"tax prepayments"~~) to the Tax Collector as follows:

8 immediately following the month for which ~~the prepayment~~such remittance is due. Taxes paid in
9 the first ~~two~~ monthly ~~installments~~remittances of any quarterly period shall be a credit against
10 the total liability for such third-party taxes for the quarterly period. ~~Estimated tax prepayments~~
11 ~~shall be computed based on the estimated tax accrued during the month in question, but in no instance~~
12 ~~shall a prepayment be equal to a sum less than 30 percent of the tax collected in the immediately~~
13 ~~preceding quarterly period. If the taxpayer can establish by clear and convincing evidence that the~~
14 ~~amount of any prepayment will exceed the total tax liability for the quarterly period for which the tax~~
15 ~~prepayment becomes due, the Tax Collector may, in writing, adjust the amount of the tax prepayment.~~
16 The third monthly ~~installment~~remittance of any quarterly period shall be in an amount equal to
17 the total tax liability for the quarterly period, less the amount of any ~~tax prepayments~~monthly
18 remittance for such quarter actually paid.

19 (2) **Payroll Expense Tax.** The Payroll Expense Tax (Article 12-A) shall be paid
20 in biannual or quarterly installments as follows:

21 (A) **Small Firm Prepayments.** Every person liable for payment of a total
22 Payroll Expense Tax in excess of ~~\$3,750~~\$2,500 but less than or equal to \$50,000 for any tax
23 year shall pay such tax for the following tax year in ~~two~~ installments. The first installment
24 shall be due and payable, and shall be delinquent if not paid on or before, August 1st. The
25 first installment shall be a credit against the person's total Payroll Expense Tax for the tax year

1 in which the first installment is due. The first installment shall be in an amount equal to one-
2 half-~~(1/2)~~ of the person's estimated Payroll Expense Tax for such tax year. The estimated
3 liability shall be computed by using 52 percent~~52%~~ of the person's taxable payroll expense (as
4 defined in Section 902.1~~902.2~~ of Article 12-A) for the preceding tax year, and the rate of tax
5 applicable to the tax year in which the first installment is due. The second installment shall be
6 reported and paid on or before the last day of February of the following year. The second

8 subject tax year, less the amount of the first installment and other tax prepayments for such
9 tax year, if any, actually paid.

10 (B) **Large Firm Prepayments.** Every person liable for payment of a total
11 Payroll Expense Tax in excess of \$50,000 for any tax year shall pay such tax for the following
12 tax year in ~~four~~ quarterly installments. The first, second and third quarterly installments shall
13 be due and payable, and shall be delinquent if not paid on or before, May 1st, August 1st and
14 November 1st, respectively. The first, second and third quarterly installments shall be a credit
15 against the person's total Payroll Expense Tax for the tax year in which such first, second and
16 third quarterly installments are due. Such quarterly installments each shall be in an amount
17 equal to one-quarter ~~(1/4)~~ of the person's estimated Payroll Expense Tax liability for such tax
18 year. The estimated liability for such tax year shall be computed by using 104 percent~~104%~~ of
19 the person's taxable payroll expense (as defined in Section 902.1 of Article 12-A) for the
20 preceding tax year, and the rate of tax applicable to the tax year in which the first, second and
21 third quarterly installments are due. The fourth installment shall be reported and paid on or
22 before the last day of February of the following year. The fourth quarterly installment shall be
23 in an amount equal to the person's total Payroll Expense Tax liability for the subject tax year,
24 less the amount of the first, second and third quarterly installments and other tax
25 prepayments, if any, actually paid.

1 (b) **Tax Prepayment Penalties.** Every person who fails to pay any tax prepayment
2 required under this Section before the relevant delinquency date shall pay a penalty in the
3 amount of ~~five~~5 percent (~~5%~~) of the amount of the delinquent tax prepayment per month, or
4 fraction thereof, up to ~~twenty~~20 percent (~~20%~~) in the aggregate, and shall also pay interest on
5 the amount of the delinquent tax prepayment and penalties from the date of delinquency at the

8 (c) **Hotel and Parking Taxes.** ~~Upon commencing business, an~~ An operator subject to the
9 Hotel Tax (Article 7) or the Parking Tax (Article 9) shall ~~have the option of making prepayments~~
10 make monthly remittances in the amount of the actual tax owed, ~~or making an estimate of the~~
11 ~~prepayment for the month based on the estimated tax accrued during the month in question. Once the~~
12 ~~operator has selected an option, the operator must continue to follow that procedure unless prior~~
13 ~~written permission to use the alternative procedure has been obtained from the Tax Collector.~~

14 ~~In no instance shall an estimated prepayment of hotel or parking taxes be less than 30 percent~~
15 ~~of such tax collected in the immediately preceding quarterly period. If such estimated prepayment is~~
16 ~~less than 30 percent of the tax collected in such preceding quarterly period, the operator shall be~~
17 ~~subject to penalties and interest for the deficiency pursuant to Section 6.17-1. If a prepayment based on~~
18 ~~actual tax owed is less than 90 percent of the actual liability for the month, the operator shall be~~
19 ~~subject to penalties and interest for the deficiency pursuant to Section 6.17-1.~~

20 (d) **Forms and Adjustments.** Tax prepayments required under this Section shall be
21 accompanied by a tax prepayment form prepared by the Tax Collector, but failure of the Tax
22 Collector to furnish the taxpayer with a tax prepayment form shall not relieve the taxpayer
23 from any tax prepayment obligation. The Tax Collector may, in writing, adjust the amount of a
24 tax prepayment if the taxpayer can establish in writing by clear and convincing evidence that
25 the first installment of ~~biannual~~semi-annual tax prepayments, or first, second or third monthly

1 installment of a quarterly tax prepayment, will amount to more than one_half or one_quarter,
2 respectively, of the person's total tax liability for the tax year in which the installment is due.

4 **SEC. 6.9-4. DETERMINATIONS, RETURNS AND PAYMENTS; EXTENSION OF TIME FOR**
5 **FILING A RETURN AND PAYING TAX.**

6 (a) For good cause, the Tax Collector, in his or her discretion, may extend, for a
7 period not to exceed 60 days, the time for filing any return pursuant to this Article or
8 regulations prescribed by the Tax Collector. For prepayments of taxes or for taxes required to
9 be deposited monthly, the Tax Collector may only extend the time for filing a return for a
10 period not to exceed 30 days. As a condition of such extension, the person seeking the
11 extension shall make a payment of not less than 90 percent of such person's estimated
12 liability *for such period. For purposes of determining the amount of the conditional payment, the Tax*
13 *Collector may independently establish the taxpayer's estimated tax liability.*

14 (b) Failure to make the required estimated prepayment will result in the taxpayer
15 being subject to penalties and interest under Section 6.17-1.

16 (c) Notwithstanding ~~subsection~~ *Subsection* (a) of this Section, the Tax Collector may
17 extend any time for filing any return or payment of tax or excuse penalties for any late filing or
18 late payment *by a period not to exceed 60 days* if billing or other administrative duties of the Tax
19 Collector cannot be performed in a timely manner.

20
21 **SEC. 6.9-5. DETERMINATIONS, RETURNS AND PAYMENTS; CREDITS AND**
22 **EXEMPTIONS.**

23 The credits and exemptions set forth in Articles 6, 7, 9, 10, ~~10B10A~~, 11, 12, ~~and~~ 12-A,
24 ~~and 12-C~~ are provided on the assumption that the City has the power to offer such credits and
25 exemptions. If a credit or exemption is invalidated by a court of competent jurisdiction, the

1 taxpayer must pay any additional amount that the taxpayer would have owed but for such
2 invalid credit or exemption. Amounts owed as a result of the invalidation of a credit or
3 exemption that are paid within ~~three~~3 years after the decision of the court becomes final shall
4 not be subject to interest or penalties.

5
6 **SEC. 6.10-1. COLLECTION OF TAX; SECURITY.**

10 of the security shall be fixed by the Tax Collector, but shall not be greater than twice the
11 person's estimated average liability for the period for which said person files returns,
12 determined in such manner as the Tax Collector deems proper. The amount of the security
13 may be increased or decreased by the Tax Collector subject to the limitations herein provided.
14 The Tax Collector may sell the security at public auction if it becomes necessary ~~to do~~ so in
15 order to recover any tax or any amount required to be collected and remitted to the City,
16 including any interest, or penalty due. Notice of the sale shall be served upon the person who
17 deposited the security and upon the taxpayer, if different, personally or by mail; if by mail,
18 service shall be made in the manner prescribed for service of a notice of a deficiency
19 determination as set out in Section 6.11-2 herein, and shall be addressed to the person at

2 If any person is delinquent in the payment of the amount required to be paid by said
3 person, or in the event a determination has been made against any person which remains
4 unpaid, the Tax Collector may, not later than ~~three~~3 years after the payment became
5 delinquent, give notice thereof by mail or by personal service to any persons in the State of

15 the notice, advise the Tax Collector of all such credits, other personal property, or debts in their
16 possession, under their control, or owing by them. Unless otherwise required by law, if persons so
17 notified transfer such assets in violation of the provisions of this ~~Section~~section, they shall
18 become indebted to the Tax Collector for the value of the property transferred, or the amount
19 owed to the City by the delinquent, whichever is less.

25

1 taxes due and payable under the Business and Tax Regulations Code and remaining unpaid,
2 together with penalties, interest, and costs, including reasonable attorneys' fees.

5 operator, taxpayer or other person determined to be liable for the tax; (2) the description of the
6 operator's, taxpayer's or other person's business against which the tax has been assessed; (3) the

15 determination pursuant to Sections 6.12-1 et seq. or 6.13-1 et seq., in which case any such
16 action shall be commenced within ~~three~~3 years after such determination became final.
17 However, there shall be no limitation on the time in which such actions may be commenced in
18 cases of fraud, intent to evade the Business and Tax Regulations Code, or failure to file a
19 return.

20 (b) When the amount of any tax, penalty or interest which has become due and
21 payable remains unpaid for 15 days, the Tax Collector may record a tax lien with the
22 Assessor-Recorder, thereby creating a tax lien on all of the assessee's property and rights to
23 property, including realty, personalty, or intangibles. The Tax Collector may record or file such
24 tax lien in the office of the Recorder of any California county, with the California Secretary of State,

6 last known address based upon the information, contained in the Tax Collector records. The
7 tax lien after recordation has the force, effect and priority of a judgment lien and continues for
8 10 years from the date of recording, unless sooner released or otherwise discharged. This
9 remedy and any other remedies for collection of any taxes, together with all administrative
10 collection costs, interest, penalties and other costs and charges, including reasonable
11 attorneys' fees, are cumulative and may be pursued alternatively and consecutively as the
12 Tax Collector determines.

14 **SEC. 6.11-1. DEFICIENCY DETERMINATIONS; RECOMPUTATION; INTEREST.**

15 If the Tax Collector determines that a taxpayer has failed to pay or has underpaid a tax, that
16 an operator has failed to collect and remit all of a third-party tax, or~~there is a deficiency with the~~
17 ~~return or returns of the tax or the amount of any tax required to be paid to the City by any person, or~~
18 ~~the Tax Collector determines~~ that a person other than the taxpayer is jointly and severally liable
19 for any unpaid or underpaid tax, including third-party taxes, the Tax Collector may compute and
20 determine any tax deficiency~~the amount required to be paid~~ upon the basis of the ~~facts contained in~~
21 ~~the~~ return or returns or upon the basis of any other information within the Tax Collector's
22 possession or that may come into the Tax Collector's possession. One or more deficiency
23 determinations may be made of the amount due for one or for more than one period.

24 The amount of the determination, inclusive of penalties, shall bear interest at the rate of
25 ~~one~~1 percent per month, or fraction thereof, from the ~~fifteenth~~15th day after the close of the

1 month or the quarterly period for third-party taxes, or from the last day of February following
2 the close of the annual period, for which the amount or any portion thereof should have been
3 returned until the date of payment, or, in the case of stadium operator admission taxes, from
4 the due dates of said tax as set forth in Article 11, Section 804.

5 In making a determination, the Tax Collector may offset overpayments for a period or
6 periods together with interest on the overpayments, against underpayments for another period
7 or periods, against penalties, and against the interest on the underpayments. The interest on
8 underpayments and overpayments shall be computed in the manner set forth in Section
9 6.17-1 for underpayments and in Section 6.15-2 for overpayments.

15 **PENALTIES AND INTEREST.**

16 If any taxpayer or person responsible for paying a tax or remitting a third-party tax fails
17 to make a timely return or estimated tax prepayment, the Tax Collector may make a
18 determination based upon an estimate of the amount of the total tax liability of the taxpayer.
19 The estimate shall be made for the period or periods in respect to which the person failed to
20 timely make a return, failed to timely make a prepayment or failed to timely remit a tax, and
21 may be based upon any information which is in the Tax Collector's possession or may come
22 into his or her possession. Upon the basis of this estimate, the Tax Collector shall compute
23 and determine the amount required to be paid to the City, adding to the sum thus computed a
24 penalty equal to 20 percent thereof. One or more determinations may be made for one or
25

1 more than one period. Any such determination shall be prima facie evidence of the person's

17 **~~SEC. 6.11-4. DETERMINATION IF NO RETURN MADE; NOTICE AND SERVICE.~~**

18 ~~The Tax Collector shall serve the person or persons determined to be liable for the tax as~~
19 ~~determined under Section 6.11-3 with written notice of the determination and penalty. The Tax~~
20 ~~Collector shall serve the notice upon such person(s) personally or by mail.~~

21
22 **SEC. 6.12-2. JEOPARDY DETERMINATIONS; WHEN DUE AND PAYABLE; STAY OF**
23 **COLLECTION; PETITION FOR REDETERMINATION; TIME OF HEARING.**

24 (a) A jeopardy determination of tax, interest or penalty is immediately due and
25 payable upon the service of the notice of jeopardy determination ~~to~~on the taxpayer or other

1 person determined to be liable therefor. A lien for the amount due in the notice of jeopardy
2 determination may be recorded immediately notwithstanding the provisions of Section 6.10-1
3 et seq., summary judgment pursuant to Section 6.18-1 et seq. may be sought at once, and judicial
4 proceedings for collection may be commenced at once. Prior to service of such notice, the Tax
5 Collector may, notwithstanding the provisions of Section 6.10-1 et seq., record a lien in the amount due
6 as set forth in the notice of jeopardy determination. Immediately upon service of such notice, the Tax
7 Collector may, notwithstanding the provisions of Section 6.10-1 et seq., seek summary judgment
8 pursuant to Section 6.18 et seq., and may commence a collection action in any court having jurisdiction
9 over the matter.

10 (b) The taxpayer may stay the enforcement of a jeopardy assessment~~collection of the whole or~~
11 ~~any amount of a jeopardy determination may be stayed~~ by filing with the Tax Collector: (i) a bond in
12 an amount equal to the amount of the assessment (together with interest thereon to the date of
13 payment) payable on the Tax Collector's certification of the amount of the assessment after the Tax
14 Collector makes a final determination of the taxpayer's petition~~as to which the stay is desired,~~
15 ~~conditioned upon the payment of the amount, the collection of which is stayed by the bond, upon notice~~
16 ~~and demand by the Tax Collector after a final determination is reached on the appeal,~~ or (ii) other
17 security of a value~~in such amount~~ as the Tax Collector ~~deems~~may deem necessary, but not
18 exceeding double the amount of the assessment (together with interest thereon to the date of
19 payment) together with a security agreement that authorizes the Tax Collector to use or dispose of the
20 security to satisfy the amount of the assessment after the Tax Collector makes a final determination of
21 the taxpayer's petition~~as to which the stay is desired.~~ The taxpayer must also agree to pay the
22 assessment, upon notice and demand by the Tax Collector, after the Tax Collector makes a final
23 determination of the petition. If the penal amount of the bond is less than the assessment, the Tax
24 Collector may collect the part of the assessment that exceeds that penal amount. If the value of other
25 security is less than twice the assessment, the Tax Collector may collect the assessment until the unpaid

1 balance is reduced to twice the value of the security. Any stay pursuant to this subsection shall be
2 effective only against the person on whose behalf the bond or other security is provided.

3 (c) Upon filing of the bond or other security, the collection of so much of the jeopardy
4 determination amount as is covered by the bond or other security shall be stayed pending the
5 exercise by the taxpayer or other person determined to be liable for the tax of his or her
6 appeal rights. The person on whose behalf the bond or other security is submitted, shall have
7 the right to waive such stay at any time in respect of the whole or any part of the amount
8 covered by the bond or other security, and if as a result of such waiver any part of the amount
9 covered by the bond or other security is paid, then the bond or other security shall, at the
10 request of said person, be proportionately reduced. If any portion of the jeopardy
11 determination is abated, the bond or other security shall be proportionately reduced, at the
12 request of the person on whose behalf the bond or other security was provided.

13 (d) Where collection of the whole or any amount of a jeopardy determination has been
14 stayed under this Section, the period of limitation on any action to collect from the person on
15 whose behalf the bond or other security has been provided shall be tolled during the period of
16 such stay.

17
18 **SEC. 6.12-5. JEOPARDY DETERMINATIONS; PETITION FOR REDETERMINATION.**

19 Any person against whom a jeopardy determination is made may petition for the
20 redetermination thereof pursuant to Section 6.13-1 et seq. of this Article. The taxpayer shall,
21 however, file the petition for redetermination with the Tax Collector within 15 days after the
22 service of notice of determination. If a petition for redetermination of a jeopardy determination
23 is not filed within the foregoing 15-day period, the determination becomes final at the
24 expiration of that period.

1 The filing of a petition for redetermination of a jeopardy determination shall not operate
2 to stay collection. Collection may be stayed only as provided in Section 6.12-2 above.

3 If a timely petition for redetermination of a jeopardy determination is filed, the Tax
4 Collector shall review the matters raised in the petition including, if requested, whether the
5 issuance of the jeopardy determination was warranted under the circumstances. In making
6 this determination, the Tax Collector shall grant the taxpayer or other person determined to be
7 liable for the tax or such taxpayer or person's authorized representative an oral hearing if
8 requested in the petition.

9 If, in the review process, the Tax Collector determines that the determination of
10 jeopardy was improper or unwarranted, any collection action taken shall be withdrawn,
11 pending the ultimate administrative determination of the amount of the deficiency due from the
12 taxpayer or other person claimed to be liable for the tax claimed to be due in the jeopardy
13 determination notice. Neither the validity of the determination of tax, nor the burden of proof,
14 shall be affected by the Tax Collector's determination that the determination of jeopardy was
15 improper or unwarranted.

16 The taxpayer or other person determined to be liable for the tax has the right to an oral
17 hearing and determination by the Tax Collector upon the matters raised in the petition within
18 45 days from the date of the filing of the petition for redetermination, as scheduled by the Tax
19 Collector, unless the taxpayer waives said time period. The 45-day period shall be tolled
20 ~~during the period~~ between the date ~~the Tax Collector serves of service of~~ a written notification
21 ~~under authorized by~~ Section 6.13-1(b) ~~that the Tax Collector requires of the~~ additional information or
22 records ~~necessary for the Tax Collector~~ to evaluate and decide the petition, and the date ~~the Tax~~
23 ~~Collector receives that of receipt of all such~~ information and ~~those~~ records ~~by the Tax Collector~~.

1 **SEC. 6.13-1. REDETERMINATIONS; PETITION; TIME FOR FILING; INCOMPLETE**
2 **PETITIONS.**

3 (a) Any person against whom a determination is made under the Business and Tax
4 Regulations Code may petition the Tax Collector for a redetermination within 30 days after
5 service of the notice thereof, except for a petition for redetermination of a jeopardy
6 determination, which the person may file within 15 days after service of the notice as provided
7 in Section 6.12-5. If a petition for redetermination is not filed within the applicable period, the
8 determination becomes final at the expiration of the period. The final determination may be
9 enforced or collected by any method authorized by law, including but not limited to lien, levy,
10 and judicial enforcement, including provisional remedies and injunctive relief.

11 (b) Every petition for redetermination shall be verified by the person against whom the
12 Tax Collector made the determination, stating under penalty of perjury the specific grounds
13 upon which the petition is founded, with specificity sufficient to enable the Tax Collector to
14 understand and evaluate the petition, and verifying the information and authenticating the
15 records upon which the petitioner relies in support of the petition. Any ground for
16 redetermination that is not specified in the petition for redetermination shall be deemed waived by the
17 petitioner in any later judicial proceeding to collect the tax specified in the notice of determination.

18 If the Tax Collector determines that the petition fails to state specific grounds for
19 redetermination, lacks sufficient specificity to understand and evaluate the petition, or is not
20 accompanied by information and records in support of the petition the Tax Collector
21 reasonably deems necessary to evaluate and decide the petition, the Tax Collector in his or
22 her discretion may either deny the petition as incomplete or may require the petitioner in
23 writing to supplement the petition with additional information or records the Tax Collector
24 deems reasonably necessary to decide the petition. The petitioner shall submit such
25 information and records in support of the petition to the Tax Collector within 30 days of service

1 of the Tax Collector's written request, which shall be served in the manner prescribed in
2 Section 6.11-2. If mailed, service of the notice is complete at the time of deposit ~~with~~ the
3 United States ~~Postal Service~~~~Post Office~~. Failure of the petitioner to provide all of the information
4 and records set forth in the written request within the 30-day period shall be sufficient ground
5 for the Tax Collector to deny the petition, and the petitioner shall be subject to the penalties
6 and sanctions provided in Section 6.17-3.

7
8 **SEC. 6.13-3. REDETERMINATIONS; ALTERATION OF DETERMINATION.**

9 The Tax Collector may decrease or increase the amount of the determination, including
10 the amount of the tax, penalties or interest, before it becomes final. The amount may be
11 increased only if a claim for the increase is asserted by the Tax Collector, and the Tax
12 Collector provides written notice thereof to the person against whom the Tax Collector issued
13 the determination ~~at least five days before the hearing~~. If the Tax Collector increases the amount
14 before the hearing described in Section 6.13-2, such written notice shall be served at least 15 days
15 before the hearing and the person receiving such notice shall file a supplemental petition for
16 redetermination addressing the increased deficiency amount at least 5 days before the hearing date.
17 The Tax Collector may reschedule the hearing for purposes of allowing the requisite notice of increase.
18 If the Tax Collector increases the amount after the hearing described in Section 6.13-2, the Tax
19 Collector shall serve notice of such increase before issuing a final decision. Within 15 days of service
20 of such notice, the person against whom a claim for increase is asserted by the Tax Collector may serve
21 a supplemental petition for redetermination contesting the increased deficiency amount. The Tax
22 Collector shall hold an additional oral hearing on the increased amount upon the request of the
23 petitioner. A supplemental petition for redetermination filed pursuant to this Section shall state any
24 additional specific grounds for redetermination applicable to the increased deficiency amount. Any
25 specific ground for redetermination that is not specified in either the initial petition for redetermination

1 or the supplemental petition for redetermination shall be deemed waived by the petitioner in any later
2 judicial proceeding to collect the tax specified in the notice of determination. Nothing in this Section
3 shall preclude a new audit or determination by the Tax Collector of a new or supplemental
4 deficiency. The burden of proof in any proceeding for redetermination or appeal thereof shall
5 be on the taxpayer, who shall have the burden of proving that the Tax Collector's
6 determination is incorrect.

7
8 **SEC. 6.13-5. EXHAUSTION OF ADMINISTRATIVE REMEDIES.**

9 Prior to seeking judicial relief, persons against whom a jeopardy determination or
10 deficiency determination is made must exhaust their administrative remedies by: (i) petitioning
11 to the Tax Collector for redetermination and including all specific grounds supporting the petition
12 for redetermination; ~~and~~ (ii) paying the full amount owed as set ~~forth~~^{forth} in the final
13 determination; and (iii) presenting a claim for refund to the Controller under ~~Section~~^{Sections}
14 6.15-1 et seq. which the City Attorney has denied or which the claimant has deemed denied under
15 Section 6.15-1(d).

16
17 **SEC. 6.13-6. EFFECT OF TAX COLLECTOR'S NOTICE OF DEFICIENCY ~~EXAMINATION~~**
18 **~~OF RECORDS.~~**

19 The Tax Collector's issuance of a notice of deficiency or failure to issue such a notice
20 for any period may not be treated as precedent for any particular method or manner of
21 reporting or treating any item included or excluded on any return for purposes of any other or
22 future item appearing or reported on a return. The Tax Collector's making of a determination or
23 jeopardy determination as to a person for a period shall not bar the Tax Collector from making further
24 determinations regarding the liability of the person for that period.

1 **~~SEC. 6.14-1. BOARD OF REVIEW; JURISDICTION TO DECIDE PENDING TAXPAYER~~**

3 ~~(a) From and after the effective date of the repeal of Sections 6.14-2 and 6.14-3 of this Article,~~
4 ~~the Board of Review shall lack jurisdiction to accept any new petition for redetermination or petition~~
5 ~~for refund, or any modification or amendment to such petitions pending before the Board of Review~~
6 ~~upon such effective date.~~

7 ~~(b) The Board of Review shall promptly review and rule upon all petitions for redetermination~~
8 ~~and petitions for refund pending before it upon the effective date of the repeal of Sections 6.14-2 and~~

11 ~~preceding the effective date of the repeal of Sections 6.14-2 and 6.14-3 of this Article.~~

12 ~~(c) From and after the effective date of the repeal of Section 6.14-3 of this Article, the Board of~~

15 ~~Review on the date immediately preceding the effective date of the repeal of Section 6.14-3 of this~~
16 ~~Article shall take effect by operation of law on the effective date of the repeal of Section 6.14-3 of this~~
17 ~~Article.~~

18 ~~(d) Upon issuance of the ruling by the Board of Review or other disposition on all petitions for~~

1 **SEC. 6.15-1. REFUNDS.**

2 (a) Except as otherwise provided in subdivision (c) below, the Controller shall refund
3 or cause to be refunded the amount of any tax, interest or penalty that has been overpaid or
4 paid more than once, or has been erroneously or illegally collected or received by the City,
5 provided the person that paid such amount files with the Controller, within the later of ~~one~~^{one}
6 year of payment of such amount or when the return accompanying such payment was due, a
7 verified claim in writing therefor, stating under penalty of perjury: (i) the specific amount
8 claimed to have overpaid or paid more than once, or erroneously or illegally collected or
9 received by the City, (ii) the tax periods at issue, and (iii) the grounds upon which the claim is
10 founded, with specificity sufficient to enable the Tax Collector and other responsible City
11 officials to understand and evaluate the claim. The Controller shall enter the claim in the claim
12 register, and shall forthwith forward it to the City Attorney. *If the City Attorney determines the*
13 *claim is insufficient, the City Attorney shall give the claimant written notice of how the claim is*
14 *insufficient, stating with particularity the defects or omissions therein. The City Attorney shall send the*
15 *claimant that notice within 20 days after the claimant presents the claim.*~~The City Attorney shall review~~
16 ~~the claim for compliance with this section and other laws as may be applicable thereto. Within 20 days~~
17 ~~after the claim is presented the City Attorney shall give written notice of its insufficiency, stating with~~
18 ~~particularity the defects or omissions therein. Upon receipt of the claim, the City Attorney shall~~
19 ~~forthwith request an investigation by the Tax Collector. The Tax Collector shall submit a report with~~
20 ~~respect to the claim and recommendation thereon to the City Attorney within 30 days of receipt of the~~
21 ~~City Attorney's request.~~ The City Attorney may reject any and all claims the Controller forwards
22 to the City Attorney, and shall notify the claimant of such rejection. Allowance or compromise
23 and settlement of claims under this ~~Section~~^{section} in excess of \$25,000 shall require the written
24 approval of the City Attorney and approval of the Board of Supervisors by resolution. The City
25 Attorney may allow or compromise and settle such claims if the amount is \$25,000 or less. No

1 claim may be paid until the Controller certifies that monies are available from the proper funds
2 or appropriations to pay the claim as allowed or as compromised and settled. For purposes of
3 this Section ~~6.15-1~~, a claim shall be deemed to accrue on the later of the date the return was
4 due or the tax was paid.

5 (b) The claim shall be on a form furnished by the Controller. A claim may be returned
6 to the person if it was not presented using the form. A refund claim may ~~only be signed~~ be made
7 only by the taxpayer or other person determined to be liable for the tax or said person's
8 guardian or conservator. No other agent, including the taxpayer's attorney, may sign a refund
9 claim. Class claims for refunds shall not be permitted. The customer who pays a third-party tax
10 to an operator is the proper party to seek the refund of a disputed third-party tax. No operator or other
11 person responsible for collecting or remitting a disputed third-party tax may obtain a tax refund unless
12 that operator or other person has paid the tax to the Tax Collector pursuant to a deficiency
13 determination or a jeopardy determination in which case the operator or other person who paid the
14 tax, and not the individual customer, may seek a refund. If the claim is approved as set forth in
15 ~~subsections~~ subdivision (a) above, the excess amount collected or paid may be refunded or may
16 be credited on any amount due and payable, from the person from whom it was collected or
17 by whom paid and the balance may be refunded to such person, his administrator or
18 executors.

19 (c) The City Attorney, in his or her discretion and upon good cause shown, prior to the
20 expiration of the ~~one~~-year limitations period, may waive the requirement set forth in
21 subdivision (a) above that a taxpayer file a written verified claim for a refund in any case in
22 which the Tax Collector and City Attorney determine on the basis of other evidence that (i) an
23 amount of tax, interest or penalty has been overpaid or paid more than once, or has been
24 erroneously or illegally collected or received by the City, and (ii) all other conditions precedent
25 to the payment of a refund to the taxpayer have been satisfied.

1 (d) The City Attorney shall allow, reject or otherwise act upon a claim for refund in a
2 manner specified in Government Code Section 912.6 within 45 days after it is presented to
3 the Controller. If the claim is amended, the City Attorney shall act on the amended claim
4 within 45 days after the amended claim is presented. The claimant may agree in writing to
5 extend the period within which the City Attorney must act on the claim for refund prior to
6 expiration of the original 45-day period. The claimant may deem the claim for refund denied
7 and seek judicial relief if the City Attorney does not act upon the claim within the 45-day
8 period, or such extended period to which the claimant has agreed.

9 (e) The Tax Collector may authorize the Controller to refund tax payments, without a refund
10 claim having been filed, without the need for a refund claim, and without review by the City Attorney, if
11 the Tax Collector determines:

12 (i) the tax was paid more than once; or

13 (ii) the amount paid exceeds the amount due as a result of an arithmetic or clerical error.

14 The Tax Collector may authorize such a refund no later than 1 year after payment of the tax.

15
16 **SEC. 6.15-2. REFUNDS; INTEREST.**

17 (a) Any amounts refunded shall bear interest at the rate of 2/3 of ~~one~~1 percent per
18 month or fraction thereof; or the average rate of interest computed over the preceding ~~six~~6-

22 ~~determination of the invalidity of any portion of or amendment to the Business and Tax Regulations~~
23 ~~Code, or the invalidity of any administrative interpretation thereof, in which case interest shall be~~
24 ~~computed from the date of the claim for refund to the date of refund.~~

1 (b) If the Controller offsets overpayments for a period or periods against
2 underpayments for another period or periods, against penalties or against interest on the
3 underpayments, the taxpayer will be credited with interest on the amount so applied at the
4 rate of interest set forth above, computed from the date of payment.

5 (c) If a taxpayer chooses to apply all or part of a refund against a ~~future year's liability,~~
6 San Francisco tax liability for a future period, the taxpayer will not be credited with interest on the
7 amount so applied.

8
9 **SEC. 6.15-3. REFUNDS; NOTICE OF DENIAL.**

10 If the claim for refund is denied, the City Attorney shall serve or cause to be served
11 notice of such denial upon the taxpayer personally or by mail. The notice of denial of such
12 claim shall be in a form substantially similar to the form for notice of rejection of claims set
13 forth in Government Code Section 913. If the City Attorney does not serve such a notice of denial

23 determination or deficiency determination, file a petition for redetermination, pursuant to
24 Section 6.12-5 or Section 6.13-1; and (3) present a claim for refund to the Controller and allow action
25 to be taken on such claim, pursuant to Section 6.15-1.

1 (b) Any suit for tax refund shall be commenced no later than 6 months from the date the notice
2 of denial of the claim for refund was personally delivered or deposited in the mail, or within 2 years of
3 accrual of the cause of action if notice of denial of the claim for refund is not served on the person as
4 set forth in Section 6.15-3. Persons claiming they are aggrieved under the Business and Tax
5 Regulations Code may not seek any type of judicial relief other than a refund action. Notwithstanding
6 any other section of this Code, no claim or defense that, for any reason, a tax is not due or cannot be
7 applied under this Code may be raised in any judicial proceeding except as specified in the preceding
8 sentence. Presentation of a claim for refund that substantially complies with Sections 6.15 et seq. is a

11 changed from the calendar year basis to a fiscal year basis. The purpose of *Subsections*
12 *subsections* (b) through (e) of this Section is to facilitate such change and shall be interpreted in

3 (2) For the tax year ending on December 31, 2002, the fee for obtaining a
4 registration certificate for a newly established business shall be determined pursuant to
5 Section 855 of this Article using the estimated Payroll Expense Tax liability for such tax year.
6 The registration fee for any person who commences business operations within the City
7 during such tax year shall be prorated as follows: For persons commencing business between

14 for a calendar year, the Tax Collector shall have discretion to prorate the registration fee in
15 accordance with the formula set forth in this paragraph.

16 (3) For the Registration Transition Period, the fee for obtaining a registration
17 certificate for a newly established business shall be determined pursuant to Section 855 of
18 this Article using the applicant's estimated tax liability under Article 12-A (Payroll Expense Tax
19 Ordinance) for the 2003 tax year. For any person who commences business operations within
20 the City on or after January 1, 2003, and before April 1, 2003, the registration fee shall be as

22 operations within the City on or after April 1, 2003, and before July 1, 2003, the registration,
23 fee shall be 25 percent of the amount of the annual registration fee otherwise applicable under
24 Section 855(a) of this Article.

1 (4) For registration years commencing on or after July 1, 2003, the fee for
2 obtaining a registration certificate for a newly established business shall be determined
3 pursuant to Section 855 of this Article using the applicant's estimated tax liability under Article
4 12-A (Payroll Expense Tax Ordinance) for the tax year in which the person commences such
5 business within the City. The registration fee for persons who commence business operations
6 after the Registration Transition Period shall be prorated as follows: For persons commencing
7 business between January 1st and March 31st, the registration fee shall be 50 percent of the

9 registration fee shall be 25 percent of the annual fee; for persons commencing business
10 between July 1st and September 30th, the registration fee shall be 100 percent of the annual
11 fee; and for persons commencing business between October 1st and December 31st, the
12 registration fee shall be 75 percent the annual fee. Where a registration certificate is issued
13 for a period other than for a registration year, the Tax Collector shall have discretion to prorate
14 the registration fee in accordance with this model.

15 (5) Notwithstanding any other provision of this Article, no person obtaining a
16 registration certificate for a newly established business that qualifies for the \$25 minimum
17 registration fee set forth in Section 855 of this Article shall be entitled to prorate the
18 registration fee under this Section, but instead shall pay the \$25 minimum registration fee.

19 (g) All applications for renewal of registration certificates shall be accompanied by the
20 full amount of the applicant's annual registration fee for the period covered by the registration
21 certificate.

22 (h) Promptly after receiving a properly completed application and registration fee from
23 any person, the Tax Collector shall determine whether the applicant has paid all outstanding:
24 (1) Payroll Expense Taxes; (2) costs and/or charges assessed pursuant to Section 174.2 of
25 Article 5.1 of the Public Works Code, as amended from time to time, for failure to abate a

1 nuisance regarding the cleanliness of an abutting public sidewalk or right-of-way; and
2 (3) other taxes and license fees due to the City. In addition, the Tax Collector may investigate
3 whether the applicant has paid other amounts owing to the City as a result of fines,
4 penalties, interest, assessments, or any other financial obligations imposed by law, regulation
5 or contract. If the Tax Collector determines that all liabilities have been paid, the Tax Collector
6 shall issue a registration certificate to the applicant for each place of business maintained by
7 the applicant.

8 (i) If a person submits a timely application under this Section and the Tax Collector
9 determines that the applicant has satisfied all the requirements of this Article, including the
10 payment of all outstanding liabilities owed to the City, then the Tax Collector shall issue a
11 registration certificate to the applicant within 30 days after the Tax Collector makes such
12 determination.

13 (j) Each registration certificate shall be non-assignable and nontransferable. The
14 holder of the registration certificate shall surrender the certificate to the Tax Collector
15 immediately upon the sale or transfer of the business for which the Tax Collector issued the
16 registration certificate. The holder of the registration certificate shall also surrender the
17 certificate to the Tax Collector when such holder ceases to conduct business at the location

23 (h) of this Section for which the amount(s) are owed, the dates the liabilities were incurred and
24 any other information the Tax Collector deems necessary to apprise the applicant of what
25 specific liabilities are owed to the City. The Tax Collector shall not issue a registration

1 certificate unless and until the applicant has paid all amounts owing to the City, including but
2 not limited to, taxes, license fees, and costs or charges assessed for failure to abate a
3 nuisance condition on a public right-of-way under Section 174.2 of Article 5.1 of the Public
4 Works Code, as amended from time to time, for which the applicant is liable; provided, that if a
5 good faith dispute exists regarding the amount of the outstanding liability or liabilities owed by
6 the applicant to the City and the dispute is pending before a City agency or court of competent
7 jurisdiction, then the Tax Collector shall not refuse to issue a registration certificate solely for
8 non-payment of the amount in dispute.

9 (l) Each registration certificate, and each duplicate thereof, shall set forth the name
10 under which the person transacts or intends to transact business, the location of the
11 registrant's place of business and such other information as the Tax Collector may require,
12 and be prominently displayed therein. In the case of a sole proprietorship, the registration
13 certificate shall be signed by the sole proprietor; in the case of a partnership, the registration
14 certificate shall be signed by a general partner; in the case of a limited liability company, the
15 registration certificate shall be signed by the managing member; and in the case of a
16 corporation, the registration certificate shall be signed by the person authorized by the
17 corporation to sign on its behalf.

18 (m) Each person liable for payment of a registration fee pursuant to this Article shall
