RE: Agenda Item 231042 (Mayoral Appointment, Historic Preservation Commission – Amy Campbell)

Supervisors,

Since 1971, San Francisco Heritage has advocated for the preservation and enhancement of San Francisco's unique architectural and cultural identity.

As part of that mission, SF Heritage has frequent and significant engagement with the Historic Preservation Commission (HPC) and its important role protecting the city's heritage while ensuring preservation contributes to the growth, revitalization, and appreciation of San Francisco.

Members of SF Heritage's board of directors and I had the pleasure of meeting with Ms. Campbell to discuss her experience, skills, and interest in serving on Seat 6 of the Historic Preservation Commission.

San Francisco Heritage finds she meets the requirements of Seat 6, including meeting the Secretary of the Interior's Professional Qualifications in Historic Architecture, and possesses extensive experience with preservation and adaptive reuse of historic structures. We were impressed with her preparation for the nomination, her enthusiasm to serve, and her interest and perspectives on intangible preservation, as exemplified by the city's legacy business and cultural district programs.

San Francisco Heritage supports Amy Campbell's nomination for Seat 6 of the Historic Preservation Commission and is in favor of approval of her nomination to the full board.

Sincerely,

Woody LaBounty  
President & CEO
