I have been participated in Tenderloin activities pertaining to children, teens, adults and especially seniors since I came to San Francisco after Hurricane Katrina. After being homeless with my grandson and then by myself, I have experiences that are common to many people in my community. I am a 68 year old African American woman with physical and mental disabilities struggling to survive. I have received help from agencies, clinics, organizations, churches and especially just plain folks; and I appreciate all of it. I appreciate LIFE.

Business and/or professional experience:

I am a retired construction and safety worker. I worked heavy construction building high rise structures, oil refineries, roads, bridges; wherever I could I could find work. Thirty years before, I was the Legislative Assistant to a State Representative in Louisiana. I was coordinator for the New Orleans Sickle Cell Anemia Foundation; and an organizer for the Detroit Tenants Union. Of course, I've had many sundry jobs in order to provide for my family; from retail to hotel. My vast ranges of experiences help me to empathize with most of the people in my community.

Civic Activities:

Since arriving in San Francisco, I was on the Consumer Advisory Board of Glide Health Clinic. I am currently on the Consumer Advisory Board of Curry Senior Center. I attend meeting with fellow residents of Curry Senior Housing at our center and at the Tenderloin Community Police Station. I have spoken and participated on many panels before college, civic and business audiences. I especially enjoy speaking about senior, homeless, education, political and issues involved with Hurricane Katrina.
