Re: Community Meeting About Cafe Envy

Dear Fellow Community Member of the Bayview,

If you haven't already heard Cafe Envy is scheduled to debut in the Bayview this Spring. This new venture is a passion project from Chef April Spears of Auntie April's Chicken, Waffles and Soulfood who is working alongside her community partner Meaghan Mitchell.

The new restaurant will be located at 1701 Yosemite Ave and will feature a light and healthy inspired fare. Cafe Envy will also feature cafe-style tables, full bar seating, and areas for customers to plug in and use their laptops. Our goal is to create more of a cozy "living room style" atmosphere, couches along with a coffee table topped with magazines, board games and books will also be available.

Our hope is to add to the growing nightlife of the community by hosting events in the evening like art shows and live music performances. We are also looking at the possibility of having outdoor seating.

We value your feedback as a member of the community and hopefully a future customer, but want to start by ensuring we are good neighbors. To that end, we would like to invite you to a community meeting where we will discuss the concept of Cafe Envy and our application for a neighborhood restricted "special on-sale use" general liquor license.

The details are as follows:

Community Meeting:

Date: Monday February 5th 2018

Time: 6pm-7:30pm

Location: Auntie April's Chicken, Waffles & Soulfood
4618 Third Street San Francisco, CA 94124

We hope you will join us and look forward to serving you at the future Cafe Envy.

Warmest Regards,
