Hi Team,

Supervisor Mandelman is introducing a resolution in support of [SB 1012](#) (Wiener). SB 1012 would establish a regulated program to allow safe access to psychedelic-assisted therapy for adults 21 years of age and older under the supervision of a licensed facilitator.

The item is routine, non-controversial and/or commendatory matters only. CSAC and the League of Cities have a "watch" position on SB 1012.

Thank you!

Adam
