I am applying for the area homeowner vacancy on the Market Octavia CAC. I have owned and lived in my home in the Plan area for 14 years, and have been very involved in the neighborhood association during that time. I am also a gay San Francisco native whose family moved to San Francisco in the late 1800's. Both of my parents worked at City Hall and instilled a love for San Francisco and a capacity and desire to be of service in their children.

From a demographic standpoint, I was very active in the decade-long drafting of the Market Octavia Plan, both as an individual and as a member of the Board of Hayes Valley Neighborhood Association. I worked extensively to ensure communication among the diverse areas included in the plan area, facilitating involvement of the broadest possible constituencies.

Business and/or professional experience:

I am Director of Experience Corps Bay Area (ECBA), a non-profit organization that trains and supports adults 50+ to mentor and tutor public school children, with an emphasis on K-3 literacy intervention in 9 San Francisco schools. John Muir Elementary is in the plan area, and Sanchez Elementary is just across 16th Street from the plan area. Prior to my work at ECBA, I was Executive Director of Under One Roof on Castro Street for almost a decade, utilizing hundreds of volunteers to raise hundreds of thousands of dollars each year for dozens of AIDS Service Organizations throughout the Bay Area. These positions have required thoughtful, active engagement with multiple community, government and non-profit stakeholders.

Civic Activities:

Hayes Valley Neighborhood Association - 10 years on the Board, including several years as President while the Market Octavia Plan was being drafted.
HVNA Transportation & Planning Committee -14 year active member (As part of our service, we provide input and receive Market Octavia CAC updates.)
SF Housing Action Coalition - 7 years on the Executive Committee, including a term as Chair (I have met with Planning Directors and staff and testified before the Planning Commission, the Board of Supervisors and various committees many times over the years.)

re: Application for Market Octavia CAC

Attached please find my application for the homeowner vacancy on the Market Octavia CAC. As per my conversations with CAC member Jason Henderson and Alexis Smith at the Planning Department, as a long term resident of the area and long-time member of the Board of the Hayes Valley Neighborhood Association, I am very familiar with the Market Octavia Plan area, as well as the process behind the establishment of the Plan. I would be honored to serve on the Citizen's Advisory Committee involved with the implementation of the Plan.

I look forward to further involvement in the process. Please feel free to contact me with any questions you may have.

Sincerely,

Paul Olsen

I am a 35 year old male, married, with one daughter (17 months old). I have lived in SF for 14+ years in various neighborhoods and have been a homeowner at my current residence for 3+ years.

Business and/or professional experience:

I have been an attorney in SF since 2009, first at the law firm of Reed Smith, and starting in 2014, in the legal department of Practice Fusion. I also attended law school in SF, at UC Hastings, from 2006-2009. Prior to that, from 2000-2006, I worked in various corporate jobs, largely in sales and account management, also in SF.

Civic Activities:

I am a member of various neighborhood groups for the Brady/McCoppin area and attend meetings as often as work/family constraints will permit.

I also try to volunteer around the city through my employer. Organizations with whom I've previously volunteered include Larkin Street Youth Services and Project Homeless Connect.

Finally, I have a general interest in ongoing development around the city, but particularly within my neighborhood. I am attempting to raise a family in the neighborhood, and hope to see the area develop in a way that maintains its character, but is also a clean/safe place to raise my daughter, with a focus on new outdoor/green spaces.
