RE: File Numbers 140526 and 140528 through 140550: Memoranda of Understanding (MOU)  
between the City and County of San Francisco and various collective bargaining units.

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of 24 MOUs between the City and County of San Francisco and various employee collective bargaining units. The amendments apply to MOUs for the period commencing July 1, 2014 through June 30, 2017, affecting 20,304 authorized positions with a salary base of approximately \$1.73 billion and an overall pay and benefits base of approximately \$2.26 billion.

Our analysis finds that the amendments to the MOUs result in increased costs to the City of approximately \$52.8 million in FY 2014-15, \$125.9 million in FY 2015-16 and \$20.1 million in FY 2016-17. As a percentage of FY 2014-15 base wage and fringe costs these represent cost increases of 2.3%, 5.6%, and 8.9% respectively. Our cost estimates assume that premiums, overtime, and other adjustments grow consistently with wage changes.

Increased costs are driven by general wage increases to all of the 20,304, authorized positions, in addition to other various other provisions affecting terms and conditions of employment, employer paid health benefits and special pay for members of the collective bargaining units. See Attachments A and B for a detailed listing and analysis of the costs for the affected MOUs.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

Ben Rosenfield  
Controller

MOUs with Municipal Transit Agency (MTA) staff in bargaining units Electricians Local 6, Local 1414 Automotive Machinists, TWU-200 (SEAM), TWU Local 250-A Auto Service Worker, TWU Local 250-A Transit Operator, TWU Local 250-A Transit Fare Inspector, and Municipal Executives' Association (MEA) are negotiated directly with MTA and still pending agreement. MTA employees in those units are excluded from this analysis. A subset of MTA staff in the SEIU bargaining unit job classes considered "service critical" also negotiate directly with MTA and are excluded here.

The information below details the results of the analysis of the costs or savings resulting from amendments to the affected MOUs:

## Citywide

### Wages

The City and the bargaining units included in this analysis have agreed to a wage increase for all covered employees of 3% in October 2014, 3.25% in October 2015, and between 2.25% and 3.25%, depending on inflation as measured by the Consumer Price Index (CPI), in July of 2016. In calculating CPI, the Controller's Office will use the Consumer Price Index – All Urban Consumers (CPI-U) as reported by the Bureau of Labor Statistics for the San Francisco Metropolitan Statistical Area. The growth rate will be calculated using the percentage change in the price index from February 2015 to February 2016. The value of this increase is currently projected to be 2.49%.

With the exception of internal adjustments and parity increases, all units and their represented members follow the citywide pattern for wage increases. Adjustments and exceptions to this pattern for the units listed below are described in detail in this attachment.

- Deputy Probation Officers Association (DPOA)
- Deputy Sheriffs' Association (DSA)
- Sheriffs' Managers & Supervisors Association (MSA)
- District Attorney Investigators' Association (DAIA)
- International Brotherhood of Electrical Workers, Local 6 (IBEW Local 6)
- International Federation of Professional and Technical Engineers Local 21, AFL, CIO (IFPTE Local 21)

### San Francisco International Airport Employee Transit Pilot Program

The San Francisco International Airport (SFIA) will implement an employee transit pilot program encouraging employees to use mass transportation to commute to and from SFIA work locations. The City and the affected unions have included changes to the MOU's that incorporate this change. Our analysis projects that this change will result in approximately \$0.4 million of increased costs to the City during FY 2014-15 and \$0.5 million of increased costs in FY 2015-16 and 2016-17. This pilot program will be evaluated in FY 2015-16 to determine whether it will be continued.

### Compensatory Time Off

The City and 13 of the 24 unions have agreed to include changes to the MOUs affecting the compensation method for compensatory time earned by covered members. Employees occupying certain executive, administrative, or professional positions are not paid for overtime worked but instead are granted compensatory time off at the rate of one-and-one-half times for time worked in excess of regular work schedules. Under the amended MOUs, an employee who is appointed to a position in another department will have his or her entire compensatory time balance paid out at the rate of the underlying classifications prior to appointment. Similarly, an employee who is appointed to a position in a higher classification that allows for paid overtime will have his or her entire compensatory time balance paid out at the rate of the lower classification prior to promotion. Our analysis projects that the implementation of this change will result in no increased costs to the City during the term of the agreements. Over the long term, this change is likely to result in lower payouts than would otherwise have been made.

### Paperless Pay

The City and the unions have agreed to implement a Citywide Paperless Pay Policy that will apply to all City employees. Under the policy, all employees shall be able to access their pay advices electronically, and will have, regardless of employee start date, two options for receiving pay; direct deposit or bank card. Upon implementation of the policy paper pay advices will no longer be available with the exception of those employees without computer access. Our analysis projects that this change will result in approximately \$60,000 of total cost savings to the City from FY 2014-15 through FY 2016-17.

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 415 authorized positions with a salary base of approximately \$34.9 million and an overall pay and benefits base of approximately \$45.9 million.

Our analysis projects that this agreement will result in approximately \$1.1 million of increased costs to the City during FY 2014-15, \$2.5 million of increased costs in FY 2015-16 and \$4.1 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

Our analysis projects that this agreement will result in approximately \$0.3 million of increased costs to the City during FY 2014-15. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

**File Number 140526 – Building Inspectors (BI)**

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 80 authorized positions with a salary base of approximately \$9.0 million and an overall pay and benefits base of approximately \$11.8 million.

Our analysis projects that this agreement will result in approximately \$0.2 million of increased costs to the City during FY 2014-15, \$0.6 million of increased costs in FY 2015-16 and \$1.0 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

**File Number 140529 – Deputy Probation Officers' Association (DPOA)**

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 160 authorized positions with a salary base of approximately \$15.2 million and an overall pay and benefits base of approximately \$18.6 million.

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

The City and the union have also agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for DSA members compared favorably with other agencies.

Outside of the scope of the MOU, the City has recognized the need to begin to pay for overtime worked by members that participate in regular daily briefings outside of their normal shift schedule. The MOU requires the City to pay, at a straight time rate, the first one-quarter hour in excess of eight hours per day that results from the daily briefings. Our analysis reflects this change as a savings from what would otherwise be required to pay at an overtime rate of time and a half.

Finally, the City and the union have agreed to revise longevity pay eligibility requirements to require all members hired after July 1, 2014 to have completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$1.1 million.

#### **File Number 140541 – Sheriff's Managers & Supervisors Association (MSA)**

Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

As with Sheriff's Deputies, the City and the union have agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for MSA members compared favorably with other agencies.

MSA also mirrored the agreement with Sheriff's Deputies and the City to adopt revisions to longevity pay eligibility to require all members hired after July 1, 2014 to have

completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$0.2 million.

Finally, our cost estimates include increased overtime costs of approximately \$0.1 million annually as a result of increases to release and training and training time for unit members. Sheriff's Department staffing models require that any additional release time granted to Lieutenants and Sergeants be backfilled by staff in the same job classes at overtime compensation rates.

#### **File Number 140531 – District Attorney Investigators' Association (DAIA)**

In addition, the MOU explicitly ends the provision granting additional special acting assignment pay for the PUC/CIP Planning Function at the conclusion of the contract on June 30, 2017.
