

1 [Community Policing and Foot Beat Patrols.]

2

3 **Motion ordering submitted to the voters an ordinance establishing the Community**
4 **Policing Policy and Foot Beat Patrol Program at an election to be held on November 2,**
5 **2010.**

6

7 MOVED, That the Board of Supervisors hereby submits the following ordinance to the
8 voters of the City and County of San Francisco, at an election to be held on November 2,
9 2010.

10

11 **Ordinance amending the San Francisco Administrative Code by adding Sections**
12 **2A.89.1 through 2A.89.6, to establish a Community Policing Policy and Foot Beat Patrol**
13 **Program within the San Francisco Police Department.**

14 NOTE: Additions are *single-underline italics Times New Roman*;
15 deletions are ~~*strike-through italics Times New Roman*~~.

16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. The San Francisco Administrative Code is hereby amended by adding
18 Section 2A.89.1 through 2A.89.6, to read as follows:

19 **SEC. 2A.89.1. FINDINGS.**

20 (a) In 1994, with the passage of Proposition D, Charter Section 4.127, establishing a minimum
21 police staffing in the City Charter, the voters specifically intended for officers to be “dedicated to
22 neighborhood policing and patrol.”

23 (b) In 2007, the City established a successful foot patrol pilot program that demonstrated the
24 effectiveness of beat officers. The City commissioned the Public Safety Strategies Group (PSSG) to
25 evaluate this pilot program.

1 (c) Released April 8, 2008, the PSSG Foot Patrol Program Evaluation Report (Report) found
2 that 90 percent of community member respondents believe foot patrols are a necessary tool for the San
3 Francisco Police Department (SFPD) to use in addressing crime, public safety, and quality of life
4 issues, while 79 percent of SFPD respondents believe that foot patrols are a viable strategy for the
5 department.

6 (d) However, the Report also found that the SFPD was not able to fully implement the pilot foot
7 patrol program, and recommended that SFPD develop clearly defined goals and objectives, a strategic
8 plan and community outreach in order to fully and successfully implement a foot patrol program.

9 (e) The San Francisco Municipal Railway (MUNI) is an extension of San Francisco's public
10 spaces; thus, a police presence on MUNI is essential to public safety and welfare and to reduce crime.

11
12 **SEC. 2A.89.2. REQUIRING THE POLICE COMMISSION TO ADOPT A COMMUNITY**
13 **POLICING POLICY.**

14 (a) The San Francisco Police Commission shall adopt a comprehensive written policy on
15 community policing. The policy shall include at a minimum:

16 (1) A description of long-term, preventative problem-solving strategies and tools that
17 are available to police officers;

18 (2) A plan for encouraging full and open communication and collaboration among
19 Police Department personnel and community members, including in developing and implementing
20 neighborhood-specific policing priorities and strategies;

21 (3) Strategies for providing culturally and linguistically-competent police services;

22 (4) Goals for allocating police resources between the key tasks of community policing:
23 responding to calls for emergency service and engaging in proactive efforts to identify and solve
24 community problems that contribute to crime;

1 (5) A strategy for developing and maintaining productive interpersonal relationships
2 between uniformed personnel assigned to district stations and the residents of the neighborhoods that
3 they serve, with an emphasis on maintaining the continuity of service of key personnel involved in
4 community policing efforts; and,

5 (6) A redesign of training and professional development to promote and encourage
6 community-oriented policing initiatives throughout the Department.

7 (b) Timeline. The Police Commission shall agendize adoption of a comprehensive community
8 policing policy within six months of the effective date of this ordinance. The Commission shall hold at
9 least one public hearing before adopting any policy. The Commission shall forward a draft of its initial
10 proposed community policing policy to the Board of Supervisors and the Mayor at least 10 days prior
11 to its first public hearing to consider adoption of a policy. Upon adoption, the Police Commission shall
12 forward the policy to the Board of Supervisors and the Mayor.

13
14 **SEC. 2A.89.3. FOOT BEAT PATROL PROGRAM.**

15 (a) The Chief of Police shall create a comprehensive Foot Beat Patrol Program in all Police
16 stations.

17 (b) The Foot Beat Patrol Program shall include the following components:

18 (1) Designated foot beats, based on current assessments of the most critical and
19 immediate need for a physical police presence to address and prevent crime;

20 (2) Dedicated patrols of the San Francisco Municipal Railway that provide a consistent
21 presence on MUNI lines. The specific MUNI lines patrolled shall be determined based on community
22 input, needs, and evolving or emerging patterns of criminal activity or suspected criminal activity;

23 (3) Regular reviews of the specific routes of foot beats based on community input,
24 neighborhood needs and evolving or emerging patterns of criminal activity or suspected criminal
25 activity; and,

1 (4) Regular meetings with community members and foot patrol officers to develop
2 policing priorities and strategies – including prevention, intervention and enforcement – that are
3 specific to the neighborhood and the needs of its residents.

4 (c) Foot patrols shall be managed to identify and reduce the incidence of crime in the areas
5 most heavily impacted by crime. The Chief of Police shall develop guidelines for foot patrol officers
6 that include the following:

7 (1) Make every effort to be known in the community through consistent interactions with
8 residents. In particular, officers on foot patrol should establish a regular physical police presence
9 along commercial corridors, at schools, community centers, senior centers, homeless shelters, churches
10 and other places of worship, housing authority developments, after school program locations, and
11 other locations where seniors, children and youth gather;

12 (2) Identify and address crime and nuisance problems that affect the quality of life and
13 the level of safety of neighborhood residents. Foot patrol officers should work with neighborhood
14 residents and City agencies to identify and eliminate any structural, physical, or other features that
15 may hide or encourage crime or criminal activity; and,

16 (3) Encourage residents' involvement in activities that contribute to crime prevention,
17 including neighborhood watch activities, neighborhood clean-up and beautification, and crime
18 prevention educational programs.

19
20 **SEC. 2A.89.4. REPORTS ON THE STATUS OF FOOT BEAT PATROL PROGRAM.**

21 The Police Department shall submit to the Board of Supervisors bi-annual reports by April 1st
22 and October 1st of every year on the status of the Foot Beat Patrol Program. The report shall include
23 at least the following:

24 (1) Data regarding all reported crime within the foot beats described in Section 2A.89.3 by
25 type, during the six-month period prior to the report and comparisons to previous six-month periods;

1 (2) Detailed records of the number of foot beats actually staffed, including time, date and
2 number of officers assigned;

3 (3) Redevelopment or reassignment of staff between stations, or from sector cars to foot patrols
4 within a station, in response to the requirements of this ordinance; and,

5 (4) Response times to priority calls for service (A and B calls) at each of the Police stations.

6
7 **SEC. 2A.89.5. GENERAL WELFARE.**

8 In undertaking the enforcement of this ordinance, the City is assuming on undertaking only to
9 promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an
10 obligation for breach of which it is liable in money damages to any person who claims that such breach
11 proximately caused injury.

12
13 **SEC. 2A.89.6. SEVERABILITY.**

14 If any part of this ordinance, or the application thereof, is held to be invalid, the remainder of
15 this ordinance shall not be affected thereby, and this ordinance shall otherwise continue in full force
16 and effect. To this end, the provisions of this ordinance, and each of them are severable.
