Existing Law

The Department of Public Works (DPW) regulates specified activities on the dedicated public right-of-way in accordance with the Public Works Code and other Municipal Codes. The public right-of-way consists of streets, sidewalks, ways and other public places as further defined in Public Works Code Sections 2.4.4(t) and 244. DPW administers the process under local and State law to name or change the name of public right-of-way, including stairways. DPW administers the Commemorative Street Plaque Ordinance program, Public Works Code Sections 789 et seq., that authorizes the City to designate portions of the public right-of-way in honor of individuals, organizations, or events and to permit the install of commemorative plaques.
