16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. Environmental and Planning Code Findings.

18 (a) Section 4.105 of the Charter provides that the Planning Commission shall  
19 periodically recommend to the Board of Supervisors, for approval or rejection, proposed  
20 amendments to the General Plan. Section 4.105 further provides that if the Board of  
21 Supervisors fails to act within 90 days of receipt of the proposed General Plan amendments,  
22 then the proposed amendments shall be deemed approved.

23 (b) Planning Code Section 340 provides that the Planning Commission may initiate an  
24 amendment to the General Plan by a resolution of intention, which refers to, and incorporates  
25 by reference, the proposed General Plan amendments. Section 340 further provides that the  
Planning Commission shall adopt the proposed General Plan amendments after a public

1 hearing if it finds from the facts presented that the public necessity, convenience, and general  
2 welfare require the proposed amendment or any part thereof. If adopted by the Commission  
3 in whole or in part, the proposed amendments shall be presented to the Board of Supervisors,  
4 which may approve or reject the amendments by a majority vote.

5 (c) After a duly noticed public hearing on September 19, 2024, by Resolution  
6 No. 21612, the Planning Commission initiated amendments to the proposed General Plan.  
7 Said resolution is on file with the Clerk of the Board of Supervisors in Board File No. 250003  
8 and incorporated herein by reference.

9 (d) On November 7, 2024, the Planning Commission then adopted the proposed  
10 General Plan amendments by Resolution No. 21640, finding in accordance with Planning  
11 Code Section 340 that the public necessity, convenience, and general welfare required the  
12 proposed amendments.

13 (e) On December 30, 2024, the Board of Supervisors received from the Planning  
14 Department the proposed General Plan amendments, including the amendments to the  
15 Central SoMa Area Plan and the Transit Center District SubArea Plan. These amendments  
16 are on file with the Clerk of the Board of Supervisors in File No. 250003 and are incorporated  
17 herein by reference.

18 (f) The Board of Supervisors finds, pursuant to Planning Code Section 340, that the  
19 proposed General Plan amendments will serve the public necessity, convenience, and  
20 general welfare for the reasons set forth in Planning Commission Resolution No. 21640 and  
21 incorporates those reasons herein by reference.

22 (g) The Board of Supervisors finds that the proposed General Plan amendments are,  
23 on balance, in conformity with the General Plan, as amended by this Ordinance, and the  
24 priority policies of Planning Code Section 101.1 for the reasons set forth in Planning  
25 Commission Resolution No. 21640, and the Board hereby adopts those findings as its own.

1 (h) The Planning Department has determined that the actions contemplated in this  
2 ordinance comply with the California Environmental Quality Act (California Public Resources  
3 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
4 Supervisors in File No. 250003 and is incorporated herein by reference. The Board affirms  
5 this determination.

6  
7 Section 2. The General Plan is hereby amended by revising the Central SoMa (South  
8 of Market) Area Plan, to read as follows:

9  
10 **Central SoMa Area Plan**

11 \* \* \* \*

12 **POLICY 3.1.1**

13 **~~Require~~ Encourage non-residential uses in new development on large parcels.**

14  
15 Many of the parcels of land in Central SoMa are quite large – reflecting its industrial heritage.  
16 And like industrial development of the past, modern companies seek buildings with large  
17 floors, which facilitate flexibility and intra-company communication. Given the limited  
18 availability of such large parcels in the eCity near excellent local and regional transit, and the  
19 need to identify appropriate transit-served space for job growth, the City should promote non-  
20 residential development at these locations. ~~Even if circumstances, such as market or broader~~  
21 ~~regulatory factors, require forgoing near-term development on these major parcels, ensuring that these~~  
22 ~~parcels are “land-banked” for significant jobs-oriented development is a necessary long-term strategy~~  
23 ~~for the economic and environmental health of the city and region. These large parcels need not be~~  
24 ~~exclusively non-residential, but they should feature a significant percentage (e.g. at least half) of non-~~  
25 ~~residential and job space.~~

1 \* \* \* \*

2  
3 Section 3. The General Plan is hereby amended by revising the Transit Center District  
4 Sub Area Plan, to read as follows:

5  
6 **Transit Center District SubArea Plan**

7 \* \* \* \*

8 **POLICY 1.3**

9 ~~*Reserve the bulk of remaining space in the core Transit Center District for job growth, by limiting*~~  
10 ~~*the amount of non-commercial uses on major opportunity sites. Encourage and permit non-*~~  
11 ~~*residential uses on major opportunity sites.*~~

12  
13 In view of the limited number of sizable development sites in the District, which represent the  
14 bulk of the remaining office capacity in the downtown core, it is essential ~~*for*~~ to allow major  
15 development sites to include a sizable commercial component ~~*and not wholly developed with*~~  
16 ~~*non-commercial uses. At least a few recently constructed large residential projects occupy some of the*~~  
17 ~~*few major development sites remaining in the downtown core; however, they do not contain any*~~  
18 ~~*commercial space, thus substantially reducing the capacity of the downtown for future job growth.*~~

19  
20 Preserving office and job growth capacity is a major consideration, but so too is  
21 ensuring a mix of uses to help the area achieve a more 24-hour character. A mix of uses is  
22 generally desirable for very large projects, ~~*such as those with square footage greater than 500,000*~~  
23 ~~*gross square feet.*~~ Additionally, the Plan recognizes that small lots are often not large enough to  
24 be developed with efficient office buildings, and some very large buildings contemplated in the  
25

1 Plan (i.e. taller than 600 feet) may be too large from a risk and market absorption standpoint  
2 to be devoted to a single use.

3 \* \* \* \*

4  
5 Section 4. Effective Date. This ordinance shall become effective 30 days after  
6 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
7 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
8 of Supervisors overrides the Mayor’s veto of the ordinance.

9  
10 Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
11 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
12 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the General  
13 Plan that are explicitly shown in this ordinance as additions, deletions, Board amendment  
14 additions, and Board amendment deletions in accordance with the “Note” that appears under  
15 the official title of the ordinance.

**LEGISLATIVE DIGEST**

[General Plan - Central SoMa and Transit Center District Commercial Development Requirements]

**Ordinance amending the General Plan to reduce commercial development requirements in the Central SoMa Area Plan and the Transit Center District SubArea Plan areas; affirming the Planning Department’s determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and adopting findings of public necessity, convenience, and welfare under Planning Code, Section 340.**

Existing Law

State law requires cities and counties to prepare and adopt a comprehensive, long-term General Plan for development. The General Plan may address any subjects that, in the judgment of the Board of Supervisors, relate to the physical development of the City. The City’s General Plan contains various elements, including Housing, Recreation and Open Space, and Transportation Elements. It also contains several area plans, including the Central SoMa Area Plan and Transit Center District SubArea Plan, which provide land use controls and proposed community improvements in those areas of the City. The Board of Supervisors amends these elements and plans from time to time to reflect changed circumstances. Under Charter Section 4.105 and Planning Code Section 340, any amendments to the General Plan shall first be considered by the Planning Commission and recommended for approval or rejection by the Board of Supervisors.

The Central SoMa Area Plan requires new development on large parcels in the Plan area to include at least half commercial or other non-residential space. The Transit Center District SubArea Plan directs the City to reserve the bulk of remaining space in the core Transit Center District for job growth by limiting the amount of non-commercial uses on major opportunity sites.

Amendments to Current Law

This ordinance would remove the requirement that new development on large parcels in the Central SoMa Plan area must include at least half commercial or other non-residential space. This ordinance would also remove the Transit Center District SubArea Plan’s direction to reserve the bulk of remaining space in the core Transit Center District for job growth by limiting the amount of non-commercial uses on major opportunity sites. The ordinance would amend the Transit Center District SubArea Plan to instead direct the City to encourage and permit non-residential uses on major opportunity sites in this Plan area.

Background Information

This General Plan Amendments ordinance is a companion to a Planning Code amendments ordinance that would remove commercial development requirements contained in the Central SoMa Special Use District and Transit Center C-3-O(SD) Commercial Special Use District.

Re: **Transmittal of Planning Department Case Number 2024-007906GPA:**  
General Plan Amendments to Central SoMa and Transit Center Area Plans

**Planning Commission Recommendation: Approval**

Dear Ms. Calvillo and Mayor Breed,

On November 7, 2024, the Planning Commission conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance, initiated by the Planning Commission. The proposed ordinance would amend the General Plan to reduce the commercial development requirements in the Central SoMa Area Plan and the Transit Center District Subarea Plan. At the hearing the Planning Commission adopted a recommendation for approval. We are requesting this Ordinance be introduced at the Board of Supervisors.

The proposed Ordinance has been determined to be environmentally cleared under California Environmental Quality Act under Case File Nos. 2011.1356E (Central SoMa Plan EIR) certified on May 24, 2012 by the Planning Commission, and 2007.0558E and 2008.0789E (Transit Center District Plan and Transit Tower EIR) certified on May 10, 2018, by the Planning Commission.

Please find attached documents relating to the actions of the Commission. If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

**RESOLUTION RECOMMENDING THAT THE BOARD OF SUPERVISORS APPROVE A PROPOSED ORDINANCE THAT WOULD AMEND THE GENERAL PLAN TO REDUCE THE COMMERCIAL DEVELOPMENT REQUIREMENTS IN THE CENTRAL SOMA AREA PLAN AND THE TRANSIT CENTER DISTRICT SUBAREA PLAN; AFFIRMING THE PLANNING DEPARTMENT'S DETERMINATION UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT; MAKING FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND THE EIGHT PRIORITY POLICIES OF PLANNING CODE SECTION 101.1, AND ADOPTING FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE UNDER PLANNING CODE, SECTION 340.**

WHEREAS, Section 4.105 of the Charter of the City and County of San Francisco provides that the Planning Commission periodically recommend General Plan Amendments to the Board of Supervisors; and

WHEREAS, on September 19, 2024, the Commission passed Resolution No. 216612, which demonstrated the Commission's intent to amend the General Plan, and included by reference, the proposed General Plan Amendments Ordinance; and

WHEREAS, the proposed Ordinance would amend the General Plan to reduce commercial development requirements in the Central SoMa Area Plan and the Transit Center District SubArea Plan; and

WHEREAS, on November 7, 2024, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting on the proposed General Plan Amendments and has considered the information included in the File for these Amendments, the staff reports and presentations, public testimony and written comments, as well as the information provided about the Project from other City departments; and

WHEREAS, the proposed Ordinance has been determined to be environmentally cleared under California Environmental Quality Act under Case File Nos. 2011.1356E (Central SoMa Plan EIR) certified on May 24, 2012 by the Planning Commission, and 2007.0558E and 2008.0789E (Transit Center District Plan and Transit Tower EIR) certified on May 10, 2018 by the Planning Commission; and

WHEREAS, the Planning Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and

WHEREAS, all pertinent documents may be found in the files of the Department, as the Custodian of Records, at 49 South Van Ness Avenue, Suite 1400, San Francisco; and

WHEREAS, the Planning Commission has reviewed the proposed Ordinance; and

WHEREAS, the Planning Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed amendment; and

MOVED, that the Planning Commission hereby adopts a resolution to recommend to the Board of Supervisors to approve the General Plan Amendments.

## **Findings**

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

The world's work model has shifted since the COVID-19 pandemic. Office space that was highly coveted in Downtown pre-pandemic now faces a nearly 45% vacancy rate in SoMa. Unlike typical market trends, hybrid and work-from-home models seem to be a lasting change. At the same time, the city's housing shortage drives out families, forces workers into long commutes, puts seniors at risk, and is a significant contributor to the top challenges we need to tackle, including homelessness, climate change, and our economic recovery. The proposed Ordinance ensures that the city is increasing zoning capacity to provide sufficient housing for the San Franciscans of today and tomorrow. By removing barriers, it improves the feasibility of large projects while still allowing office development if market demand returns. It is the city's responsibility to create clear, feasible paths for projects that will collectively deliver thousands of housing units, and the proposed Ordinance will serve that purpose. Together, with the mayor's other downtown recovery efforts, the proposed Ordinance will jumpstart development projects that have sat entitled but not built. The construction of these projects will assist in regenerating the Downtown as a "24-hour neighborhood" that serves both residents and San Francisco's workforce.

## **General Plan Compliance**

The proposed Ordinance and the Commission's recommended modifications are consistent with the following Objectives and Policies of the General Plan:

## CENTRAL SOMA AREA PLAN

### GOAL 1

ACCOMMODATE A SUBSTANTIAL AMOUNT OF JOBS AND HOUSING.

Map from page 21 of the Central SoMa Area Plan showing the previous zoning (left), and the zoning ideal for jobs and housing growth (right).

The plan identifies nearly the entire district as a “Growth Oriented Area”. These are areas the Department has identified as ripe for increased jobs and housing capacity. The proposed Ordinance accommodates increased housing growth by removing the commercial development allocation requirement, while still allowing for job growth by continuing to permit Commercial uses.

## HOUSING ELEMENT

### IMPLEMENTATION MEASURE 7

EXPAND HOUSING CHOICES.

*Objective 7 of the Housing Element is to expand housing choices, which, among other objectives, encourages actions to support additional housing near major transit nodes and jobs centers. Removing mandatory office allocations is a key step toward making such projects financially viable, potentially resulting in thousands of new housing units Downtown.*

### **Planning Code Section 101 Findings**

The proposed amendments to the Planning Code are consistent with the eight Priority Policies set forth in Section 101.1(b) of the Planning Code in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

*The proposed Ordinance would not have a negative effect on neighborhood serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.*

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

*The proposed Ordinance would not have a negative effect on housing or neighborhood character.*

3. That the City's supply of affordable housing be preserved and enhanced;

*The proposed Ordinance would not have an adverse effect on the City's supply of affordable housing.*

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

*The proposed Ordinance would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.*

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

*The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.*

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

*The proposed Ordinance would not have an adverse effect on City's preparedness against injury and*

*loss of life in an earthquake.*

7. That the landmarks and historic buildings be preserved;

*The proposed Ordinance would not have an adverse effect on the City's Landmarks and historic buildings.*

8. That our parks and open space and their access to sunlight and vistas be protected from development;

*The proposed Ordinance would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.*

### **Planning Code Section 302 Findings.**

The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

NOW THEREFORE BE IT RESOLVED that the Commission hereby ADOPTS A RESOLUTION TO RECOMMEND TO THE BOARD OF SUPERVISORS TO APPROVE THE GENERAL PLAN AMENDMENTS.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on November 7, 2024.

Human Services Agency (HSA) Funding Opportunity Request for Proposals (RFP) #1174 Health Promotion Programs

1. Older Americans Act Title III-D Disease Prevention and Health Promotion Program for Older Adults
2. Health Promotion Program Older Adults and Adults with Disabilities
The San Francisco Human Services Agency (SFHSA) and the Department of Disability and Aging Services (DAS) announces their intent to seek proposals from nonprofit organizations to provide health promotion programs for older adults and adults with disabilities. These programs are designed to promote physical health, prevent illness, and manage chronic health conditions. SFHSA and DAS are seeking proposals for two types of health promotion programs:

1. Older Americans Act Title III-D Disease Prevention and Health Promotion Program for Older Adults: The Older American Act Title III-D health promotion programs are evidence-based and have been shown to improve health and well-being and reduce disease and injury. Evidence-based programs are based on scientific evidence and have been demonstrated through rigorous evaluation to be effective in improving the health of older adults. Title III-D health promotion programs include those related to the prevention and mitigation of the effects of chronic health conditions such as hypertension, arthritis, heart disease, diabetes, obesity, arthritis, and osteoporosis. Title III-D health promotion programs can also focus on chronic pain management, stress management, fall prevention, physical activity, and support for caregivers. Health promotion programs are provided in a variety of settings including senior centers, community centers, and community dining sites. Some programs are offered remotely through virtual platforms, as well as in-person.

2. Health Promotion Program for Older Adults and Adults with Disabilities: These programs are designed to enhance the overall health and well-being of older adults and adults with disabilities by focusing on reducing disease and injury. There is a strong emphasis on physical fitness and fall prevention strategies, which aim to improve mobility, balance, and strength, ultimately reducing the risk of falls and promoting better physical health outcomes. Programs may include

evidence-based models or those that have demonstrated effectiveness in physical health improvement and fall prevention. While physical fitness and fall prevention are priorities, other programs aimed at supporting health and well-being, such as chronic disease management or mental wellness, will also be considered. RFP packets are available on the Internet on or after Wednesday, February 19, 2025 at https://citypartner.sfgov.org/pages/Events-BS3/event-search.aspx and type RFP 1174 in the "Event Name" and select "See Attachments" in the Bid Package. For further information, contact gary.hom@sfgov.org and HSARFP@sfgov.org. Initial due date for responses is Friday, March 21, 2025 by 3:00pm.

The Pre-Proposal Conference will be held via teleconference. Proposers are encouraged to call in on Monday, February 24, 2025 at 11:00am.
