LEGISLATIVE DIGEST

[Mission Bay Park Block P16 - Improvements]

Ordinance dedicating City property and portions of State Trust Parcels 4 and 5, known as Mission Bay Park Block P16, lying along Third Street, Mission Bay Boulevard North, and Mission Bay Boulevard South for public use and naming the new park "Mission Bay Commons Park;" accepting the irrevocable offer for the acquisition facilities; designating said facilities for open space and park purposes; accepting the Park for maintenance and liability purposes, subject to specified limitations; adopting environmental findings and findings that such actions are consistent with the City's General Plan, priority policy findings of City Planning Code Section 101.1, and the Mission Bay South Redevelopment Plan; accepting a Department of Public Works Order; and authorizing official acts in connection with this Ordinance.

Existing Law

The Board of Supervisors adopted and approved the Redevelopment Plan for the Mission Bay South Project Area by Ordinance No. 335-98 on November 2, 1998. This Ordinance and related Mission Bay legislation established a process by which the project developer (FOCIL - MB, LLC) would construct specified public improvements and dedicate said improvements to the City. Upon dedication, the City would initiate the local and State law procedures to establish the area as public open space and park and take related actions.

Amendments to Current Law

This legislation would designate new public open space and park; accept the dedicated facilities; dedicate the improvements for public use; and accept the improvements for maintenance and liability purposes, subject to specified limitations, all in accordance with the procedures established for the Mission Bay South Redevelopment Plan and applicable local and State law. This Ordinance would make certain findings, including environmental findings and findings that the legislation is consistent with the Mission Bay South Redevelopment Plan, the General Plan, and the priority policy findings of the Planning Code Section 101.1.

Background Information

This legislation relates to the Mission Bay South Park P16 Improvements located on a portion of City property and portions of State Trust Parcel 4, subject to City jurisdiction, and State Trust Parcel 5, subject to Port jurisdiction.

Dear Ms. Kwak:

On March 18, 2010 the Department received your request for a General Plan Referral as required by Section 4.105 of the Charter and Section 2A.53 of the Administrative Code of the City and County of San Francisco. The Department finds that the proposed acceptance of land and infrastructure in Mission Bay South ("Project") is, on balance, *in conformity* with the General Plan, as described in the attached staff report.

The Project calls for the dedication to the City of land and infrastructure, including completed roads, sidewalks, parks, other infrastructure systems and a storm water pump station. The Property is referenced above and the infrastructure improvements are more fully described in the application submittal. The improvements were built as part of the Mission Bay South Redevelopment Project.

Previous Actions Related to this Project

In previous undertakings related to the project, the Planning Commission found the Mission Bay South Redevelopment Project (Case 1996.771EMTZR), dated September 4, 1998, in conformity with the San Francisco General Plan, in Planning Commission Resolution No. 14699, adopted September 17, 1998. The project and project elements described in the current application (Case 2010.0203R) were included as part of the Mission Bay South Redevelopment Plan approved in earlier actions.

In addition to the actions above, an Owner Participation Agreement (OPA) was executed between the Redevelopment Agency of the City and County of San Francisco and the project sponsor, on November 16, 1998. The OPA required the owner to implement the Infrastructure Plan and construct the horizontal infrastructure and improvements that are incorporated into the subject project.

Environmental Review

The Major Environmental Analysis section of the Planning Department completed Environmental Analysis of the Mission Bay Final Subsequent Environmental Impact Report (FSEIR) as part of

General Plan Referral
Case No. 2010.0203R

Case no. 1996.771EMTZR. The FSEIR included analysis of regulatory and physical aspects of the Plan, including acceptance of real property for public road rights-of-way and other public uses, and acceptance of offers of dedication of horizontal improvements (infrastructure) including streets, sidewalks, street lighting, utility lines, and improved public open spaces, among other actions. The Final Subsequent Environmental Impact Report for Mission Bay (FSEIR) was prepared pursuant to the California Environmental Quality Act and was certified as adequate, accurate and objective in the following actions:

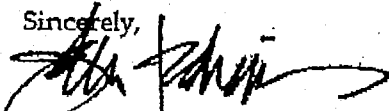

- Redevelopment Commission Resolution No. 182-98 on September 17, 1998;
- Planning Commission Resolution No. 14696 on September 17, 1998, certifying the Mission Bay North and Mission Bay South FSEIR;
- Board of Supervisors affirming the Planning Commission's certification by Resolution No. 854-98 on October 19, 1998.
- FSEIR Addendum # 6, issued by the Redevelopment Agency on September 10, 2008.

The Mission Bay Plan and implementation of the Plan were analyzed as part of the FSEIR certified by the Planning Commission and affirmed by the Board of Supervisors, and in subsequent FSEIR Addenda. The Major Environmental Analysis Section of the Department determined that the subject Project (acceptance of real property and acceptance of dedication of public infrastructure improvements) were analyzed in the earlier actions, are non-physical events, and are exempt from Environmental Review pursuant to Sec. 15060(c)(2) of CEQA Guidelines.

Findings Summary

As stated above, the project is on balance *in conformity* with the San Francisco General Plan, as detailed in the attached Case Report (Attachment 1). The Project is also consistent with Planning Code Section 101.1(b) General Plan Priority Policies, included as Attachment 2.

Sincerely,

John Rahain,
Director of Planning

GENERAL PLAN REFERRAL - CASE REPORT

RE: CASE NO. 2010.0203R

GENERAL PLAN CONSIDERATIONS

Note: General Plan Objectives and Policies and in bold font, policy text is in regular font, and staff comments are in italic.

RECREATION AND OPEN SPACE ELEMENT

OBJECTIVE 2
DEVELOP AND MAINTAIN A DIVERSIFIED AND BALANCED CITYWIDE SYSTEM OF HIGH QUALITY PUBLIC OPEN SPACE.

POLICY 2.1
Provide an adequate total quantity and equitable distribution of public open spaces throughout the City.

Comment: The proposed Project includes approximately 2.25 acres of neighborhood-serving open space. Although Mission Bay, upon completion, will have a substantial amount of open space, it be serving nearby neighborhoods that are less well-served, such as SoMa, Showplace Square, and Dogpatch.

POLICY 2.6
Make open spaces accessible to people with special needs.

Comment: The proposed open space affiliated with the Project would be fully compliant with ADA accessibility standards.

OBJECTIVE 3
PROVIDE CONTINUOUS PUBLIC OPEN SPACE ALONG THE SHORELINE UNLESS PUBLIC ACCESS CLEARLY CONFLICTS WITH MARITIME USES OR OTHER USES REQUIRING A WATERFRONT LOCATION.

POLICY 3.1
Assure that new development adjacent to the shoreline capitalizes on its unique waterfront location, considers shoreline land use provisions, improves visual and physical access to the water, and conforms with urban design policies.

General Plan Referral
Case No. 2010.0203R

Comment: The new parks affiliated with this Project will provide shoreline connectivity by serving as the eastern portion of a linear park running the width of Mission Bay.

OBJECTIVE 4

PROVIDE OPPORTUNITIES FOR RECREATION AND THE ENJOYMENT OF OPEN SPACE IN EVERY SAN FRANCISCO NEIGHBORHOOD.

POLICY 4.6

Assure the provision of adequate public open space to serve new residential development.

POLICY 4.7

Provide open space to serve neighborhood commercial districts.

Comment: Mission Bay will create substantial new residential and commercial development. The parks dedicated as part of this Project, along with others proposed as part of the Mission Bay Redevelopment, will ensure that adequate open space is available to serve new development.

TRANSPORTATION ELEMENT

OBJECTIVE 23

IMPROVE THE CITY'S PEDESTRIAN CIRCULATION SYSTEM TO PROVIDE FOR EFFICIENT, PLEASANT, AND SAFE MOVEMENT.

POLICY 23.2

Widen sidewalks where intensive commercial, recreational, or institutional activity is present, sidewalks are congested and where residential densities are high.

Comment: Sidewalks being provided as part of this project meet, and often exceed, standards for sidewalk width.

OBJECTIVE 27

ENSURE THAT BICYCLES CAN BE USED SAFELY AND CONVENIENTLY AS A PRIMARY MEANS OF TRANSPORTATION, AS WELL AS FOR RECREATIONAL PURPOSES.

POLICY 27.6

Accommodate bicycles on local and regional transit facilities and important regional transportation links wherever and wherever feasible.

Comment: Part of the dedicated streets (the re-aligned portion of Terry Francois Blvd.) will contain bike lanes.

General Plan Referral
Case No. 2010.0203R

COMMUNITY FACILITIES ELEMENT

OBJECTIVE 10

LOCATE WASTEWATER FACILITIES IN A MANNER THAT WILL ENHANCE THE EFFECTIVE AND EFFICIENT TREATMENT OF STORM AND WASTEWATER.

POLICY 10.1

Provide facilities for treatment of storm and wastewater prior to discharge into the Bay or ocean. Locate such facilities according to the Wastewater and Solid Waste Facilities Plan.

Comment: The stormwater pump station dedicated as part of this Project will serve as part of a storm water system that will discharge stormwater efficiently to the Bay. Unlike most areas of the City, Mission Bay has separate systems for stormwater and wastewater. Wastewater will continue to be delivered to facilities for treatment before discharge.

ENVIRONMENTAL PROTECTION ELEMENT

POLICY 3.3

Implement plans to improve sewage treatment and halt pollution of the Bay and Ocean.

New development in Mission Bay will construct separate systems for stormwater and wastewater management. Wastewater will continue to be delivered to facilities for treatment before discharge, reducing the amount of untreated (combined) sewage/wastewater that is discharged to the Bay after storm events.

POLICY 5.1

Maintain an adequate water distribution system within San Francisco.

Storage reservoirs and distribution lines within San Francisco should match the pattern of development in the city.

POLICY 5.5

**THIRD AMENDMENT TO

AND

REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO

**THIRD AMENDMENT TO
AGENCY GROUND LEASE**

(Adding Parks NP3, NP4, NP5, P16 and P18 and Amending Exhibits)

THIS THIRD AMENDMENT TO AGENCY GROUND LEASE ("Amendment"), dated for reference purposes only as of _____, 2011, by and between City and County of San Francisco, a municipal corporation, and with respect to those portions of the subject premises located within the jurisdiction of the San Francisco Port Commission (the "Port"), the City and County of San Francisco, acting by and through the Port (collectively, "City"), as landlord, and the Redevelopment Agency of the City and County of San Francisco, a public body corporate and politic of the State of California (together with any successor public agency designated by or pursuant to law, the "Agency"), as tenant, is made with reference to the following facts:

RECITALS

A. The City and the Agency entered into that certain Agency Ground Lease, dated as of November 16, 2001 (the "Original Ground Lease"), pursuant to which the City agreed to lease to the Agency and the Agency agreed to lease from the City certain premises (the "Premises") referred to as the Open Space Development Parcels (as defined in the Original Ground Lease) on terms and conditions set forth therein. Pursuant to Exhibit B-1 of the Original Ground Lease, the park known as P1 was included into the lease. The Original Ground Lease was amended by (i) that certain First Amendment to Ground Lease, dated as of June 29, 2006 (the "First Amendment"), pursuant to which Exhibit B-2, describing and depicting the parks known as NP1 and NP2, and Exhibit B-3, describing and depicting the park known as P17, were added to the lease, and (ii) that certain Second Amendment to Ground Lease, dated as of May 1, 2010, (the "Second Amendment"), pursuant to which, among other matters, Section 10.1 of the lease was amended and restated to revise certain maintenance obligations under the lease and Exhibit B-4, describing and depicting the park known as P21, was added to the lease. The Original Ground Lease, as amended by the First Amendment and Second Amendment, is referred to herein as the "Ground Lease." Capitalized terms not otherwise defined herein shall have the meanings given in the Ground Lease.

B. The term of the Ground Lease has commenced with respect to those portions of the Premises known as the Parks P1, NP1, NP2, P17 and P21. The City and the Agency have since determined that, notwithstanding the legal descriptions of Parks P1, NP1 and NP2 attached to the Ground Lease, the allocation of maintenance, repair and indemnity obligations between the City and the Agency would be simpler and would be easier to administer if, with respect to the portions of the Premises and adjacent City property on which rip rap has been installed, the boundaries of the parks would conform more closely to the lines marked by the rip rap. City has prepared and Agency has approved exhibits reflecting the revised boundaries of Parks P1, NP1 and NP2. Accordingly City and Agency presently desire to amend the Ground Lease to substitute revised exhibits for Exhibit B-1 (describing that portion of the Premises known as Park P1) and Exhibit B-2 (describing that portion of the Premises known as NP1 and NP2).

C. Owner has met the conditions in the North OPA for the development of Parks NP3, NP4 and NP5 in Mission Bay North and has met the conditions in the South OPA for the development of Parks P16 and P18. City and Agency presently wish to amend the Ground Lease to add the legal descriptions of Parks NP3, NP4 and NP5 in Mission Bay North and Parks P16 and P18 in Mission Bay South to Exhibit B of the Ground Lease and to commence the term of the Ground Lease with respect to such parks. The term of Park P16 shall commence at the time of acceptance of facilities for public park purposes by the Board of Supervisors.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and Agency hereby agree to amend the Ground Lease as follows:

1. Substitution of Exhibits. Effective as of the date hereof, Exhibit B-1 to the Ground Lease and Exhibit B-2 to the Ground Lease (as added by the First Amendment) are deleted and Exhibit B-1 (Substitute) and Exhibit B-2 (Substitute) attached to this Amendment are substituted therefor. City and Agency acknowledge that the depiction of the lines marked by the rip rap on attached Exhibit B-1 (Substitute) and Exhibit B-2 (Substitute) are approximate, and that the channel-side boundaries of Parks P1, NP1 and NP2 shall be the actual location of the top of the rip rap.
2. Addition of Descriptions of Parks NP3, NP4 and NP5. Exhibit B of the Ground Lease is hereby amended to add and incorporate the legal description on Exhibit B-5 and plat on Exhibit B-5-1 attached to this Amendment, which sets forth the description and depiction of Parks NP3, NP4 and NP5 in Mission Bay North. City and Agency acknowledge that the depiction of the lines marked by the rip rap on attached Exhibit B-5-A are approximate, and that the channel-side boundaries of Parks NP3, NP4 and NP5 shall be the actual location of the top of the rip rap.
3. Addition of Descriptions of Parks P16 and P18. Exhibit B of the Ground Lease is hereby amended to add and incorporate the legal description on Exhibit B-6 and plat depictions shown on Exhibit B-6-1 attached to this Amendment, which sets forth the description of Parks P16 and P18 in Mission Bay South.
4. Recitals. The Recitals to this Amendment are true and correct.
5. Ground Lease in Full Force and Effect. Except as expressly modified by this Amendment, all of the terms and conditions of the Ground Lease shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, City and Agency execute this Amendment at San Francisco, California, as of the date set forth above.
