<p>EXECUTIVE SUMMARY</p>	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> • The proposed resolution would retroactively approve a grant agreement between the Department of Early Childhood and Children’s Council to provide workforce compensation administrative services for the Early Care and Education Workforce Development and Compensation Initiatives for the period of October 1, 2022, through June 30, 2025, in an amount not to exceed \$164,346,004. <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> • In September 2018, the Board of Supervisors approved an ordinance amending the Administrative Code to establish the Early Care and Education for All Initiative, to be funded by Baby Prop C revenues, including procedures concerning a spending plan and reporting requirements (File 18-0807). • In April 2022, the Human Services Agency (HSA), Office of Early Care and Education and First 5 San Francisco (now Department of Early Childhood) announced the: (a) Early Care and Education Workforce Compensation Initiative Request for Applications from City-supported Early Learning San Francisco (ELS) centers and Family Child Care (FCC) homes; and (b) Request for Proposals (RFP) from organizations to provide administrative services for the Initiative. The Childrens Council was selected from the competitive solicitation. • The target population of the proposed grant agreement are “Green Tier” early care and education programs and agencies that have been qualified and awarded funding through the Early Educator Salary Support Grant. “Green Tier” programs serve 50 percent or more income eligible children (below 85% of State Median Income) in their agency/program. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> • Approximately 99.1 percent of projected expenditures are funded by City funds (Baby Proposition C), and approximately 0.9 percent are funded by state funds. A 10 percent contingency, if needed, would be funded depending on funding sources available. <p style="text-align: center;">Recommendations</p> <ul style="list-style-type: none"> • Amend the proposed resolution to request that the Department of Early Childhood Executive Director provide a presentation on total disbursements under the CARES 3.0 program and Early Educator Salary Support Grants program, including the total amounts and number of educators receiving increased wages or stipends, as well as the status of the reconciliation to ensure that early educators do not improperly receive wage supplements under both programs during the Department’s budget presentation in June 2023. • Approve the proposed resolution, as amended. 	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND**Proposition C (“Baby Prop C”) and the Early Care and Education for All Initiative**

On June 5, 2018, San Francisco voters passed Proposition C (colloquially known as “Baby Prop C”), a Commercial Rent Tax for Child Care and Early Education by authorizing an additional tax on commercial property/leases with annual gross receipts over \$1 million that would provide additional City funding to support early care and education services for children aged zero to five years old. In September 2018, the Board of Supervisors approved an ordinance amending the Administrative Code to establish the Early Care and Education for All Initiative, to be funded by Baby Prop C revenues, including procedures concerning a spending plan and reporting requirements (File 18-0807). In order to reflect the language in the original ballot measure, the ordinance stated that the spending plan be designed to “provide financial support for measures to increase the compensation of early care and education professionals and staff by not less than 10 percent with an ultimate goal of achieving parity in compensation with K-12 educators who have commensurate experience, in a manner designed to improve the quality and availability of early care and education.”

Workforce Compensation Initiative and Competitive Process

To address this goal, in April 2022, the Human Services Agency (HSA), Office of Early Care and Education and First 5 San Francisco (now Department of Early Childhood¹) announced the: (a) Early Care and Education Workforce Compensation Initiative Request for Applications from City-supported Early Learning San Francisco (ELS) centers and Family Child Care (FCC) homes; and (b) Request for Proposals (RFP) from organizations to provide administrative services for the Initiative. The initiatives were planned in the following phased approach, with a goal to improve outcomes for San Francisco children through the support of the Early Care and Education workforce:

- Phase One Workforce Compensation for Early Educators: Administration and distribution of funds to early educators and qualified programs that support increased wages.
- Phase Two Workforce Benefits and Compensation for Other Early Childcare Education Staff: Administration and distribution of funds to qualified programs and early educators

¹ Effective July 1, 2022, the Office of Early Care and Education and First 5 San Francisco Children and Families Commission unified under a new Department of Early Childhood (DEC).

that support compensation including support for retirement benefits.² This also includes funding for other early care and education staff working less directly with children, families, and teachers but are providing essential supports and contributions towards children’s development (e.g., Program Director, Site Supervisor, Family Advocates, Enrollment Specialists, Curriculum Development Specialist, etc.). This does not include purely administrative roles.

- Phase Three Working Conditions: Addressing working conditions of early educators in qualified programs (e.g., time outside of the classroom for observations, curriculum planning time, team meetings, mental health consultation, etc.).
- Phase Four Workforce Educational Pathways: Supporting early educators towards higher education degrees, increasing skills, and Commission on Teacher Credentialing (CTC) permit attainment.

The Children’s Council of San Francisco (Children’s Council) and Public Consulting Group were the two respondents to the RFP. A three-member selection panel reviewed the proposals and scored them, as shown in Exhibit 1 below.³

Exhibit 1: Proposers and Scores from RFP

Proposer	Average Score (out of 130)
Children’s Council	113
Public Consulting Group	112

Source: DEC

According to Department of Early Childhood staff, because the initial scores of the two respondents were within two points (87.3 out of 100 points for Children’s Council and 86.0 for Public Consulting Group), it is the practice of HSA’s Contracts Division to require applicants answer three additional questions. These supplemental questions were worth 10 points per question and were used to determine the most qualified grantee. Consequently, the total possible points were 130. The Human Services Agency, Office of Early Care and Education, and First 5 San Francisco notified Children’s Council on August 29, 2022 that their organization was selected for a tentative award of a contract, pending successful negotiations and approval.

Existing Children’s Council Grant Agreement

Starting in October 2022, early educators working in City-supported Early Learning San Francisco (ELS) centers and Family Child Care (FCC) homes received Phase One compensation funds through either: (a) a direct stipend through the Compensation and Retention of Early Care Educator Stipends (CARES 3.0) program if they work at a FCC home or center serving less than 50 percent income-eligible children; or (b) through their ongoing salaries through an Early Educator

² This includes employer matching contributions towards retirement or for new or enhanced benefits that meet the needs of the agency/program.

³ The panel consisted of a Senior Administrative Analyst from the Juvenile Probation Department, the Chief Finance Officer from a San Francisco economic development nonprofit, and an Administrative Analyst from First 5 San Francisco.

Salary Support Grant to their program or agency if they work in centers serving 50 percent or more income eligible children.

Children's Council currently provides childcare subsidy administration and other related activities, including the CARES 3.0 direct stipends under a previously approved grant agreement⁴ and under this proposed grant agreement would also provide funding through the Early Educator Salary Support Grants to eligible programs/agencies and associated cost to administer the initiatives.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would retroactively approve a grant agreement between the Department of Early Childhood and Children's Council to provide workforce compensation administrative services for the Early Care and Education Workforce Development and Compensation Initiatives for the period of October 1, 2022, through June 30, 2025, in an amount not to exceed \$164,346,004. Under the terms of the RFP, the grant agreement could be extended for up to two additional years, depending on funding availability and need.

According to DEC staff, the grant is retroactive because of the urgency to implement increased workforce compensation, which was announced in April 2022. However, delays were caused by the competitive selection process and the need for supplemental questions and scoring (as previously mentioned); other delays⁵ included developing the scope of work, implementing the agreement, and the formation of the new Department of Early Childhood.

Services

Under the proposed grant agreement, Children's Council will provide workforce compensation administrative services for the four Early Care and Education Workforce Compensation Initiatives listed above. According to DEC staff, Phases One (compensation) and Two (benefits) were implemented in October 2022, Phase Three (working conditions) was estimated to be implemented in March 2023, but is currently in planning and development phase, and Phase Four

⁴ In September 2022, the Board of Supervisors retroactively approved a grant agreement between the City and Children's Council for the provision of Early Care and Education Integrated Services to support the City's implementation of the San Francisco Citywide Plan for Early Care and Education for the period of July 1, 2022, through June 30, 2024, in an amount not to exceed \$364,091,448 (File 22-0801). The teacher stipends provided as part of the existing Children's Council grant approved in September 2022 are annual stipends to teachers at city-funded childcare sites serving 0-49 percent subsidy-eligible children. In contrast to the proposed grant agreement, these stipends did not raise the ongoing salaries of the teachers but instead provided one-time annual support to qualifying educators through lump sum payments.

⁵ In addition, the RFP was originally issued through the HSA Contracts division, prior to formation of the new Department of Early Childhood (DEC) effective July 1, 2022. However, DEC staff states that the ordinance establishing the department (File 22-0808) was not implemented until October 2022, which caused challenges in executing contracts and developing and establishing budgets in the City's financial and procurement system. DEC staff also state that because the proposed grant addresses a new initiative, negotiations took longer than expected to determine the proper staffing levels necessary to complete the required scope of work and timeline of deliverables. Further, at the request of the Green Tier eligible programs DEC was asked to delay the implementation until October 1, 2022 to provide additional planning time to provide input to DEC and prepare for implementation of newly developed wage scales, policies, and procedures

(educational pathways) will begin implementation this Spring via a stipend program for course completion towards higher education according to DEC staff.

The target population of the proposed grant agreement are “Green Tier” early care and education programs and agencies that have been qualified and awarded funding through the Early Educator Salary Support Grant. “Green Tier” programs serve 50 percent or more income eligible children (below 85% of State Median Income (SMI)) in their agency/program. DEC determined eligibility of programs and agencies based on their responses to the Request for Applications.

Children’s Council will provide services in the following areas:

- Administer grants, disburse funding, and issue and track payments to eligible early care and education programs and agencies on behalf of the DEC, which includes maintaining internal fiscal controls for all expenditures and payments requests; with an estimated annual disbursement starting at \$40 million and increasing to \$60 million as new initiatives are implemented;
- Administer and monitor ongoing eligibility, grant determination and fund distribution to early care and education programs and agencies, which includes reviewing and monitoring programs’ financial information related to wages and compensation, monitoring for changes in programs’ qualifications and eligibility criteria and adjusting grant awards as necessary, communicating with programs about payments and reporting requirements, and tracking and reporting on payments and tax information;
- Provide data collection, monitoring and reporting as part of an established plan that includes verifying that program staff rosters match the staff report in the Workforce Registry, regular reviews of wage records from program payroll reports to confirm appropriate wages, and verifying offered benefits including review of vendor invoices and employer check stub documentation, collecting and tracking staff data such as education/permit levels, hourly wages, and staff retention and working with DEC staff to assess program measures including funding uptake and outcomes on the early care and education workforce; and
- Provide technical assistance and communication (such as trainings, webinars, and one-on-one technical assistance) to early care and education programs and agencies receiving funding, which will include supporting their understanding of program requirements on compensation goals and reporting requirements, and utilization of tools to collect and track data for reporting requirements. Services will be provided in English, Spanish, and Cantonese.

Funding Awards

Under the proposed grant, Children’s Council disburses funding for grants directly to eligible programs and/or agencies to increase teacher wages, and compensation increases depend on job positions/title, permit level, whether full-time or part-time, education (degree and early childcare education units), among other factors. Funding awards are determined by Children’s

Council on a quarterly basis, based on the following DEC established funding formulas for Phases One and Two. Phases Three and Four formulas are still under development.

- Phase One (Workforce Compensation for Early Educators), grant amounts include the following components: (a) a base award calculated as the difference between each teacher's wages prior to the initiative and each teacher's required minimum compensation wage⁶, based on education/permit level and role; (b) additional flexible funding⁷ equal to \$4.20 per hour (15 percent of the minimum hourly wage (\$28)) to allow for changes to wages beyond the minimum compensation requirements; and (c) an additional 15 percent to account for payroll taxes.
- Phase Two (Workforce Benefits and Compensation for Other Early Childcare Education Staff) grant amounts are fixed amounts based on the number of qualifying staff, ranging from \$10,000 to \$25,000 annually per qualifying staff.⁸

Fund distribution is based on detailed staffing worksheets and payroll forms submitted by the eligible programs (Green Tier sites) in advance and requires verification of target student population, staff employment, education, and pre-grant wages.

Performance Monitoring

Under the proposed grant agreement, Children's Council will submit an annual performance report detailing the progress on all service and outcome objectives by July 31st each year, with the first report due July 31, 2023. According to DEC staff, the grantee has met the following deliverables to date: (1) distribution of funding to qualified programs to begin implementation of the initiative by October 1, 2022, (2) development and submission of a revised staffing plan by December 15, 2022, and (3) development of templates and reporting procedures by December 1, 2022.

The proposed grant agreement does not define specific performance measures but requires that the grantee develop evaluation tools to analyze service trends and data to measure the success of the initiatives in these areas: (1) increased compensation, (2) early educator job satisfaction (via surveys), (3) paid planning time offered, (4) educational attainment measures such as attaining postsecondary degrees, (5) educator recruitment, (6) educator retention, (7) health care access, (8) fringe benefits, (9) racial equity, (10) workforce registry participation, and (11) workforce registry data quality.

⁶ The required minimum compensation wages are \$28 per hour for assistant teachers and between \$28 and \$39.27 per hour for lead teachers depending educational attainment and permit levels. Minimum hourly wages for lead teachers were established to provide a pathway to hourly wages comparable to preschool teachers and Transitional Kindergarten teachers at SFUSD for Lead Teachers with equivalent educational qualifications.

⁷ The flexible funding (referred to as a compression grant) is not tied to an individual staff but funds are pooled to allow agencies to create internal wage scales above the minimum requirement and may also be used for increased costs to agencies related to retirement contributions.

⁸ Green Tier centers with three or fewer eligible staff for Phase Two grants receive \$25,000 per position annually. Green Tier centers with 4-10 eligible staff, receive \$15,000 per position annually, and Green Tier centers with 11 staff or more, receive \$10,000 per position annually.

A summary of service and outcome objectives from the proposed grant agreement include the following:

- Develop a regular schedule of monthly trainings of required systems in English, Spanish and Cantonese;
- Provide tailored trainings related to grant administration to all eligible recipients, including reporting requirements, submission timelines, allowable expenses, and restricted versus unrestricted funds;
- Provide ongoing technical assistance via chat, email, phone or in-person at traditional and non-traditional (as needed) hours to programs or educators addressing and resolving technical issues;
- Reach out to providers via email, phone, or in person regarding eligible staff who have not updated their profile within the prior three months to confirm accuracy of all data in the Workforce Registry;
- Issue approved payments to eligible programs or educators in a timely and accurate manner;
- Maintain an accounting of payments by grant type, program/educator, or other methods and maintain accurate ledgers;
- Issue 1099s to eligible recipients in a timely and accurate manner as required by law and provide replacements as requested or needed (if applicable); and
- Perform monitoring activities for eligible educators and programs at specified intervals.

Fiscal and Compliance Monitoring

DEC would also complete annual monitoring reports to assess program performance as well as fiscal and compliance status. The most recent fiscal and compliance monitoring report (FY 2021-22) for Children's Council had no findings identified and reported that the agency was in conformance with all governance best practices.

FISCAL IMPACT

The proposed grant agreement would have an amount not to exceed \$164,346,004 for Children's Council for the period of October 1, 2022 through June 30, 2025. Exhibit 2 below shows projected sources and expenditures for the proposed grant agreement.

Source: Proposed Grant Agreement

As shown above, approximately 96.8 percent of total grant funds (excluding the contingency) are direct client payments. Approximately \$2.7 million (1.8 percent) of the budget for the proposed grant will be used to fund 9.65 full time equivalent (FTE) employees,¹¹ approximately \$1.5 million (1.0 percent) will be used towards operating expenses, including rent, office supplies and postage, staff training, consulting and temporary staffing,¹² software and licensing, and \$624,999

⁹ According to DEC staff, annual grant funding is received by the department from the California Department of Education (CDE)/California Department of Social Services (CDSS) to support the educational attainment of early educators of San Francisco through stipends and reimbursement.

¹⁰ DEC staff states that the increased cost in FY 2024-25 for salaries & benefits is because of annual Cost of Living (COLA) increases that were negotiated as part of a Children's Council's union bargaining agreement, year one of the contract is also prorated to 9 months.

¹¹ Department staff state that staff and operating requirements to implement the grant were proposed in response to the competitive RFP. The proposed expenses were then reviewed and revised on a line-by-line/staff-by-staff basis to ensure each expense was justified and necessary. Staffing requirements were ultimately adjusted down after review.

¹² According to DEC staff, because this is a new initiative, the Children's Council required the use of temporary staffing and consultants until properly staffed to execute work, and to develop processes and systems necessary to successfully administer the initiatives. DEC staff are anticipating that the expenses for consultants and temporary staffing will reduce over the term of the grant as more staff are hired.

is for indirect costs. A 10 percent contingency is included to account for uncertainty in growth in future years of the initiative according to DEC staff.

Funding Sources

Approximately 99.1 percent of projected expenditures are funded by City funds (Baby Proposition C), and approximately 0.9 percent are funded by state funds. The contingency, if needed, would be funded depending on funding sources available.

POLICY CONSIDERATION

According to Ingrid Mezquita, Executive Director of the Department of Early Childhood, Children's Council has incurred expenses for program planning, but these expenses have not yet been paid pending contract approval. Due to the delays in implementing the proposed program, DEC has permitted early educators working in Green Tier centers, who will be eligible for increased compensation under the proposed program, to receive direct stipends through the Compensation and Retention of Early Care Educator Stipends (CARES 3.0) program in the meantime. As mentioned previously, the CARES 3.0 program provides stipends to early educators who do not work in Green Tier centers (i.e., educators working at a FCC home or center serving less than 50 percent income-eligible children), and Children's Council separately administers the CARES 3.0 program under an approved contract. Executive Director Mezquita reports that Children's Council will conduct a reconciliation to ensure that early educators do not improperly receive wage supplements under both programs likely starting in June 2023. We recommend that the Board of Supervisors request that the Executive Director report during the Department's budget presentation on total disbursements under both programs (CARES 3.0 and Early Educator Salary Support Grants), including the total amounts and number of educators receiving increased wages or stipends, and the status of the reconciliation.

RECOMMENDATIONS

1. Amend the proposed resolution to request that the Department of Early Childhood Executive Director provide a presentation on total disbursements under the CARES 3.0 program and Early Educator Salary Support Grants program, including the total amounts and number of educators receiving increased wages or stipends, as well as the status of the reconciliation to ensure that early educators do not improperly receive wage supplements under both programs during the Department's budget presentation in June 2023.
2. Approve the proposed resolution, as amended.

The terms “sufficient,” “necessary” or “proper” and similar terms shall mean sufficient, necessary or proper in the sole judgment of the Department. The terms “approval,” “acceptable” or “satisfactory” or similar terms shall mean approved by, or acceptable to, or satisfactory to the Department. The terms “include,” “included” or “including” and similar terms shall be deemed to be followed by the words “without limitation”. The use of the term “subcontractor,” “successor” or “assign” herein refers only to a subcontractor (“subgrantee”), successor or assign expressly permitted under Article 13.

1.3 References to this Agreement. References to this Agreement include: (a) any and all appendices, exhibits, schedules, attachments hereto; (b) any and all statutes, ordinances, regulations or other documents expressly incorporated by reference herein; and (c) any and all amendments, modifications or supplements hereto made in accordance with Section 17.2. References to articles, sections, subsections or appendices refer to articles, sections or subsections of or appendices to this Agreement, unless otherwise expressly stated. Terms such as “hereunder,” herein or “hereto” refer to this Agreement as a whole.

ARTICLE 2
**APPROPRIATION AND CERTIFICATION OF GRANT FUNDS;
LIMITATIONS ON CITY'S OBLIGATIONS**

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. Grantee acknowledges that City budget decisions are subject to the discretion of its Mayor and Board of Supervisors. Grantee assumes all risk of possible non-appropriation or non-certification of funds, and such assumption is part of the consideration for this Agreement.

2.2 Certification of Controller. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City’s obligation shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization.

2.3 Automatic Termination for Nonappropriation of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of any Fiscal Year if funds are not appropriated for the next succeeding Fiscal Year. If funds are appropriated for a portion of any Fiscal Year, this Agreement shall terminate, without penalty, liability or expense of any kind to City, at the end of such portion of the Fiscal Year.

2.4 SUPERSEDURE OF CONFLICTING PROVISIONS. IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.

2.5 Maximum Costs. Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee that are beyond the scope of the services, materials, equipment and supplies agreed upon herein and not approved by a written amendment to this Agreement lawfully executed by City. City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that exceeds the

maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding which exceeds the maximum provided in this Agreement which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained. The Controller is not authorized to make payments on any agreement for which funds have not been certified as available in the budget or by supplemental appropriation.

ARTICLE 3 TERM

3.1 Effective Date. This Agreement shall become effective when the Controller has certified to the availability of funds as set forth in Section 2.2 and the Department has notified Grantee thereof in writing.

3.2 Duration of Term. The term of this Agreement shall commence on **October 1, 2022**, and expire on **June 30, 2025**, unless earlier terminated as otherwise provided herein. Grantee shall not begin performance of its obligations under this Agreement until it receives written notice from City to proceed.

ARTICLE 4 IMPLEMENTATION OF GRANT PLAN

4.1 Implementation of Grant Plan; Cooperation with Monitoring. Grantee shall diligently and in good faith implement the Grant Plan on the terms and conditions set forth in this Agreement and, to the extent that they do not differ from this Agreement, the Application Documents. Grantee shall not materially change the nature or scope of the Grant Plan during the term of this Agreement without the prior written consent of City. Grantee shall promptly comply with all standards, specifications and formats of City, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and shall cooperate in good faith with City in any evaluation, planning or monitoring activities conducted or authorized by City.

4.2 Grantee's Personnel.

(a) **Qualified Personnel.** The Grant Plan shall be implemented only by competent personnel under the direction and supervision of Grantee.

(b) **Grantor Vaccination Policy.**

1. Grantee acknowledges that it has read the requirements of the 38th Supplement to Mayoral Proclamation Declaring the Existence of a Local Emergency (“Emergency Declaration”), dated February 25, 2020, and the Contractor Vaccination Policy for City Contractors and Grantees issued by the City Administrator (“Contractor Vaccination Policy”), as those documents may be amended from time to time. A copy of the Contractor Vaccination Policy can be found at: <https://sf.gov/confirm-vaccine-status-your-employees-and-subcontractors>.

2. A Contract or Grant subject to the Emergency Declaration is an agreement between the City and any other entity or individual and any subcontract under such agreement, where Covered Employees of the Contractor/Grantee or Subcontractor work in-person with City employees in connection with the work or services performed under the agreement at a City owned, leased, or controlled facility. Such agreements include, but are not limited to, professional services contracts, general services contracts, public works contracts, and grants. Contract or Grant includes such agreements currently in place or entered into during the term of the Emergency Declaration. Contract or Grant does not include an agreement with a state or federal governmental entity or agreements that do not involve the City paying or receiving funds.

3. In accordance with the Contractor Vaccination Policy, Grantee agrees that:

(i) Where applicable, Grantee shall ensure it complies with the requirements of the Contractor Vaccination Policy pertaining to Covered Employees, as they are defined under the Emergency Declaration and the Contractor Vaccination Policy, and insure such Covered Employees are either fully vaccinated for COVID-19 or obtain from Grantee an exemption based on medical or religious grounds; and

(ii) If Grantee grants Covered Employees an exemption based on medical or religious grounds, Grantee will promptly notify City by completing and submitting the Covered Employees Granted Exemptions Form (“Exemptions Form”), which can be found at <https://sf.gov/confirm-vaccine-status-your-employees-and-subcontractors> (navigate to “Exemptions” to download the form).

4.3 Ownership of Results. Any interest of Grantee or any subgrantee, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by Grantee or any subgrantee in connection with this Agreement or the implementation of the Grant Plan or the services to be performed under this Agreement, shall become the property of and be promptly transmitted to City. Notwithstanding the foregoing, Grantee may retain and use copies for reference and as documentation of its experience and capabilities.

4.4 Works for Hire. If, in connection with this Agreement or the implementation of the Grant Plan, Grantee or any subgrantee creates artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship or Publications, such creations shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such creations shall be the property of City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Grant.

4.5 Publications and Work Product.

(a) Grantee understands and agrees that City has the right to review, approve, disapprove or conditionally approve, in its sole discretion, the work and property funded in whole or part with the Grant Funds, whether those elements are written, oral or in any other medium. Grantee has the burden of demonstrating to City that each element of work or property funded in whole or part with the Grant Funds is directly and integrally related to the Grant Plan as approved by City. City shall have the sole and final discretion to determine whether Grantee has met this burden.

(b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with

the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.

(c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.

(d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

(e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.

(f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5

USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds. In no event shall the amount of Grant Funds disbursed hereunder exceed **One Hundred Forty-Nine Million, Four Hundred and Five Thousand, Four Hundred Fifty-Eight Dollars (\$149,405,458)** in the period from **October 1, 2022, to June 30, 2025, plus any contingent amount authorized by the City and certified as available by the Controller's Office.**

In no event shall the Grant Contingent Funds disbursed hereunder exceed **Fourteen Million, Nine Hundred Forty Thousand, Five Hundred Forty-Six Dollars (\$14,940,546)** in the period from **October 1, 2022 to June 30, 2025, pending availability of funding and subject to authorization by the Department of Early Childhood and certified by the Department and the Controller's Office.**

The maximum amount of Grant Funds and Grant Contingent Funds disbursed hereunder shall not exceed **One Hundred Sixty-Four Million, Three Hundred Forty-Six Thousand, and Four Dollars (\$164,346,004)** in the period from **October 1, 2022 to June 30, 2025**.

Grantee understands that, of the maximum amount of funds stated under Section 5.1 of this Agreement, **the amount listed as the Grant Contingent Funds will not be available and may not be used in program budgets entered into the Department's online contract management system and/or attached to Appendix B of this Agreement without an approved budget modification by the Department.** Grantee further understands that no payment of any portion of this contingency amount will be made unless and until such funds are certified as available by the Department and the Controller.

Grantee agrees to fully comply with these laws, regulations, policies, and procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A and B and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

(a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.

(b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds no more than once during each **MONTH** for all non-federal programs.

5.4 State or Federal Funds

(a) **Disallowance.** With respect to Grant Funds, if any, which are ultimately provided by the state or federal government, Grantee agrees that if Grantee claims or receives payment from City for an Eligible Expense, payment or reimbursement of which is later disallowed by the state or federal government, Grantee shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to Grantee hereunder or under any other Agreement. Any such offset with respect to a portion of the disallowed amount shall not release Grantee from Grantee's obligation hereunder to refund the remainder of the disallowed amount.

(b) **Grant Terms.** The funding for this Agreement is provided in full or in part by a Federal or State Grant to the City. As part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement and include certain reporting requirements. The incorporated terms and requirements are stated in Appendix G, "State/Federal Funding Terms."

5.5 Advance of Funds. Grantee shall be entitled to an advance payment in an amount not to exceed a maximum of four quarterly amounts approved by the Department for the current fiscal year. These funds shall be deemed payable to the Grantee upon execution of this Agreement, certification by the Controller and receipt by the Department of a Funding Request from Grantee. Any advance payment from the Department shall be returned in whole or in part, by Grantee upon request by the Department or at the Department's sole discretion deducted in whole or in part, by the Department from disbursements rendered to Grantee as described above.

ARTICLE 6
**REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS**

6.1 Regular Reports. Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Department, in form and substance satisfactory to the Department. Such reports, including any copies, shall be submitted electronically or on recycled paper and printed on double-sided pages, to the maximum extent possible. The Grantee shall furnish the Department with Quarterly Reports describing its activities under this Grant Agreement and a year-end report in a format to be determined by the Department. Quarterly reports will include, but are not limited to a description of those reports described in Appendix G. Quarterly reports must be received by the Agency by the following dates for the previous calendar quarter: Quarter 1 report due April 30th; Quarter 2 report due July 31; Quarter 3 report due October 31; and Quarter 4 report due January 31.

6.2 Organizational Documents. If requested by City, Grantee shall provide to City the names of its current officers and directors and certified copies of its Articles of Incorporation and Bylaws as well as satisfactory evidence of the valid nonprofit status described in Section 8.1.

6.3 Notification of Defaults or Changes in Circumstances. Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.

6.4 Financial Statements. Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.

6.5 Books and Records. Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.

6.6 Inspection and Audit. Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents,

payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.

6.7 Submitting False Claims Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendix A. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of the Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if the Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

6.8 Grantee's Board of Directors. Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Grantee's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

6.9. Compliance with Monitoring – Fiscal Requirements, Performance Assessment, Program Management and Technical Assistance.

(a) Through its Board of Directors, the Grantee shall, as determined by the Department, adopt and comply with all standards, specifications and formats related to project evaluation and planning, including, but not limited to the provisions of individual participant information, project information, data statistics, monitoring reports and monthly and/or quarterly activities conducted or authorized by the Department. The Grantee shall maintain accurate and complete records, reports and statistics necessary for the services under this Agreement and to facilitate planning, monitoring, and evaluation by the Department. Appropriate safeguards as determined by the Department shall be established by Grantee to protect the confidentiality of records and to minimize the possibility of theft, loss or destruction.

(b) Grantee shall comply with performance and management assessments and related activities conducted and notified to Grantee by the Department. Such activities which Grantee is required to attend include quarterly meetings and technical assistance workshops held by the Department.

(c) Grantee shall comply with fiscal and compliance monitoring activities conducted and notified to Grantee by the Department. Grantee is responsible for the proper recording and expenditure of all funds received under the term of the Agreement and agrees to maintain full and complete documentation pertaining to these expenses.

6.10. Online Requirements. Grantee must utilize the Department's online and/or subsequent systems to submit funding requests, monthly invoices, and all reports. The executive director of Grantee may authorize other employees to use his or her digital signature to submit the documents referenced in this Section 6.10 on the executive director's behalf. Grantee must take all actions necessary to maintain the

security of the digital signature to prevent its unauthorized use. All username/email addresses must add @sfgov.org to the Safe Senders List in their antispaam software settings.

ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

(a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

(b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

(c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Withholding. Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

8.2 Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.

8.3 No Misstatements. No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest.

(a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and step-parents).

8.5 No Other Agreements with City. Except as expressly itemized in Appendix D, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.

8.6 Subcontracts. Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.

8.7 Eligibility to Receive Federal Funds. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

**ARTICLE 9
INDEMNIFICATION AND GENERAL LIABILITY**

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement.

Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss

caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.

9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 **INSURANCE**

10.1 Types and Amounts of Coverage. Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage, and

(c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Professional liability insurance for negligent acts, errors or omission with respect to professional or technical services, if any, required in the performance of this Agreement with limits not less than one million dollars (\$1,000,000) each claim.

(e) Fidelity Bond. Grantee shall maintain throughout the term of this contract, at its expense a blanket fidelity bond covering all officers and employees, including City as additional obligee or loss payee as its interests may appear.

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

(a) Name as additional insured City and its officers, agents and employees.

(b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

10.8 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor will be used to complete any portion of this agreement, the grantee shall ensure that the subcontractor shall provide all

necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and the grantee listed as additional insureds.

ARTICLE 11 **EVENTS OF DEFAULT AND REMEDIES**

11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an “Event of Default” under this Agreement:

(a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.

(b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.

(c) **Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.

(d) **Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.

(e) **Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).

(f) **Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.

(g) **Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice, this Agreement shall terminate and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.

(c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

(d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

(a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and

(c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 **DISCLOSURE OF INFORMATION AND DOCUMENTS**

12.1 Proprietary or Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such

information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.

12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.

12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 **ASSIGNMENTS AND SUBCONTRACTING**

13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.

13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

13.3 Subcontracting. If Appendix E lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

(a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.

(b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the

subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

(b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).

(c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

(a) **Grantee Shall Not Discriminate.** In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) **Subcontracts.** Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) **Non-Discrimination in Benefits.** Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) **Condition to Contract.** As a condition to this Agreement, Grantee shall execute the “Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits” form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

16.3 Reserved.

16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with all or any portion of the Grant Plan and shall comply at all times with the provisions of the ADA.

16.8. Requiring Minimum Compensation for Employees. Grantee shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. Grantee is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. Grantee is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing this Agreement, Grantee certifies that it complies with Chapter 12P.

16.9 Limitations on Contributions. By executing this Agreement, Grantee acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the G-100 (01-22)

rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10 % in Grantee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Grantee certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the grant, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

16.10 First Source Hiring Program. Contractor must comply with all of the provisions of the First Source Hiring Program, Chapter 83 of the San Francisco Administrative Code, that apply to this Agreement, and Contractor is subject to the enforcement and penalty provisions in Chapter 83.

16.11 Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this section. In the event Grantee violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.

16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

16.13 Working with Minors. In accordance with California Public Resources Code Section 5164, if Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach, Contractor shall not hire, and shall prevent its subcontractors from hiring, any person for employment or a

volunteer position in a position having supervisory or disciplinary authority over a minor if that person has been convicted of any offense listed in Public Resources Code Section 5164. In addition, if Grantee, or any subgrantee, is providing services to the City involving the supervision or discipline of minors or where Grantee, or any subgrantee, will be working with minors in an unaccompanied setting on more than an incidental or occasional basis, Grantee and any subgrantee shall comply with any and all applicable requirements under federal or state law mandating criminal history screening for such positions and/or prohibiting employment of certain persons including but not limited to California Penal Code Section 290.95. In the event of a conflict between this section and Section 16.16, "Consideration of Criminal History in Hiring and Employment Decisions," of this Agreement, this section shall control. Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee. Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

16.14 Protection of Private Information. Grantee has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Grantee agrees that any failure of Grantee to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against the Grantee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Grantee.

16.15 Public Access to Meetings and Records. If Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Consideration of Criminal History in Hiring and Employment Decisions.

(a) Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Contractor's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. Chapter 12T shall not apply

when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Reserved. Slavery Era Disclosure.

16.19 Distribution of Beverages and Water.

(a) Sugar-Sweetened Beverage Prohibition. Grantee agrees that it shall not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

(b) Packaged Water Prohibition. Grantee agrees that it shall not sell, provide, or otherwise distribute Packaged Water, as defined by San Francisco Environment Code Chapter 24, as part of its performance of this Agreement.

16.20 Reserved.

16.21 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

ARTICLE 17 **MISCELLANEOUS**

17.1 No Waiver. No waiver by the Department or City of any default or breach of this Agreement shall be implied from any failure by the Department or City to take action on account of such default if such default persists or is repeated. No express waiver by the Department or City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City or the Department of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by the Department or City of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

17.2 Modification. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

17.3 Administrative Remedy for Agreement Interpretation. Should any question arise as to the meaning or intent of this Agreement, the question shall, prior to any other action or resort to any other

legal remedy, be referred to Department Head, as the case may be, of the Department who shall decide the true meaning and intent of the Agreement. Such decision shall be final and conclusive.

17.4 Governing Law; Venue. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

The Initiative is designed to ultimately result in improved outcomes for children in San Francisco through the support of a well-compensated, stable, and supported ECE workforce. There are four separate initiatives that will be implemented in a phased approach:

The administrator/workforce agent will ensure fund distribution and monitoring to the programs participating in the workforce compensation initiatives; with an estimated annual disbursement of \$40M progressing to approximately \$60M as new initiatives are implemented.

3. Background

On June 5, 2018, the San Francisco electorate passed Proposition C (Prop C), a Commercial Rent Tax for Child Care and Early Education, by authorizing an additional tax on commercial

property/leases with annual gross receipts over \$1 million; excluded from this tax are nonprofits and other small businesses.

In December 2018, a City Ordinance passed amending the Administrative Code to establish the Early Care and Education for All Initiative, funded by appropriations from the Babies and Families First Fund.

This ECE for All Initiative called for a nine-month planning process and charged the Department of Early Childhood (DEC) to engage community to create a spending framework for the first five years of Prop C funding. The language in the ordinance provided guidance for uses of the funds to reflect the language included in the original ballot measure, including:

- *Providing financial support for measures to increase the compensation of early care and education professionals and staff by not less than 10%, with an ultimate goal of achieving parity in compensation with K-12 educators who have commensurate experience, in a manner designed to improve the quality and availability of early care and education.*
- *Undertaking other measures designed to improve access to quality early care and education services that support the physical, emotional, and cognitive development of San Francisco children under the age of six.*

The ECE Workforce Development and Compensation Initiatives are designed to address Early Care and Education (ECE) program quality and workforce retention and compensation pressures in city-funded early learning programming. Workforce stability and wellbeing will ultimately lead to improved outcomes for young children in San Francisco.

4. Diversity, Inclusion, and Racial Equity

The San Francisco Department of Early Childhood and City & County of San Francisco are committed to a culture of inclusion. Everyone should have what they need to thrive no matter their race, age, ability, gender, sexual orientation, ethnicity, or country of origin. Our department believes a diverse and inclusive workforce produces more creative and innovative outcomes for the organization, and ultimately, the children and families we serve.

We are committed to addressing systemic racism that produces disparate outcomes, especially for people of color and the impact of governmental services can have by advancing racial equity in all aspects of our work, ensuring access to services, and providing support to our communities by ensuring their ability to succeed and thrive.

We seek partnerships with organizations and businesses that share our values in their organizational culture and program services. Our departments, via our contracted partners, can further advance efforts to address racial equity and inclusion across San Francisco.

On June 5, 2018, the San Francisco electorate passed Proposition C (Prop C), a Commercial Rent Tax for Child Care and Early Education, by authorizing an additional tax on commercial property/leases with annual gross receipts over \$1 million; excluded from this tax are nonprofits and other small businesses.

In December 2018, a City Ordinance passed amending the Administrative Code to establish the Early Care and Education for All Initiative, funded by appropriations from the Babies and Families First Fund.

This ECE for All Initiative called for a nine-month planning process and charged the Office of Early Care and Education (OECE) to engage community to create a spending framework for the first five years of Prop C funding. The language in the ordinance provided guidance for uses of the funds to reflect the language included in the original ballot measure, including:

- *Providing financial support for measures to increase the compensation of early care and education professionals and staff by not less than 10%, with an ultimate goal of achieving parity in compensation with K-12 educators who have commensurate experience, in a manner designed to improve the quality and availability of early care and education.*
- *Undertaking other measures designed to improve access to quality early care and education services that support the physical, emotional, and cognitive development of San Francisco children under the age of six.*

The ECE Workforce Development and Compensation Initiatives are designed to address Early Care and Education (ECE) program quality and workforce retention and compensation pressures in city-funded early learning programming. Workforce stability and wellbeing will ultimately lead to improved outcomes for young children in San Francisco.
