## Program Successes

- Provides clean and safe public toilets, used-needle receptacles and dog waste stations
- Creates workforce development opportunities
- Improves neighborhood livability
- Reduces calls for steam cleaning and frees up staff time to complete other requests

## Program Challenges

- Adjusting to FEMA's evolving funding guidelines
- Extreme wear and tear, vandalism and end-of-life issues for Public Works-owned trailers
- Extended waits for replacement parts
- Lack of ADA trailers
- Long service wait times; lack of dedicated maintenance staff
- Increased demand
