Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE's rights to enforce performance under this agreement.
9. All real property or rights thereto, acquired with grant monies shall be subject to an appropriate form of restrictive title, rights, or covenants required and approved by the STATE. If the project property is taken by use of eminent domain, grantee shall reimburse the STATE an amount at least equal to the amount of grant monies received from the STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.

L. Liability

STATE assumes no responsibility for assuring the safety of construction, site improvements or programs related to the GRANT SCOPE. The STATE's rights under this agreement to review, inspect, and approve the GRANT SCOPE and any final plans of

implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.

M. Assignability

Without the written consent of the STATE, the grantee’s interest in and responsibilities under this agreement shall not be assignable by the grantee either in whole or in part.

N. Section Headings

The headings and captions of the various sections of this agreement have been inserted only for the purpose of convenience and are not a part of this agreement and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this agreement.
