EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve the Second Amendment to the Department of Homelessness and Supportive Housing’s (HSH) grant agreement with Hamilton Families for family rapid re-housing services through the Housing Solutions program, extending the term by six years through June 2030, and increasing the not-to-exceed amount by \$12,306,778, for a total not to exceed \$21,903,359, and authorizing HSH to make further immaterial amendments to the grant agreement.

Key Points

- In 2019, HSH issued a Request for Qualifications (RFQ) to qualify providers for federal Emergency Solutions Grant (ESG) funding for homelessness prevention, rapid rehousing, and emergency shelter services. Hamilton Families, which had provided similar services since at least 2016, was deemed the highest-scoring proposer and awarded a grant. Due to the ongoing need for the program and satisfaction with Hamilton Families’ performance, HSH and Hamilton Families have agreed to extend the grant by six years.
- Under the grant, Hamilton Families provides rapid rehousing services. The purpose of the rapid rehousing program is to find short-to-medium term rehousing for formerly homeless or at-risk of being homeless families that meet income eligibility criteria. The program provides payments of rental subsidies directly to landlords and related support services. The overall rapid rehousing program serves approximately 75 families per year, including 35 funded by this agreement (along with a separate agreement with Hamilton Families).

Fiscal Impact

- The proposed Second Amendment would increase the not-to-exceed amount of the Hamilton Families grant agreement by \$12,306,778, for a total not to exceed \$21,903,359. The grant is funded approximately 84 percent by the City’s General Fund, nine percent by U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant funds, and six percent by Homeless Gross Receipts (Proposition C) funds.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In December 2019, the Department of Homelessness and Supportive Housing (HSH) issued a Request for Qualifications (RFQ) to qualify providers for federal Emergency Solutions Grant (ESG) funding for homelessness prevention, rapid rehousing, and emergency shelter services. Although not required by local procurement regulations, awarding this federal funding source requires a competitive solicitation. Within the rapid rehousing category, HSH received two proposals. An evaluation panel reviewed the proposals and scored the extent to which they met three minimum qualifications: (1) having five years of experience providing homeless services, (2) two years of experience in the service category to which they were applying, and (3) ability to provide matching contributions to the ESG award. Exhibit 1 below shows the final scores.¹

Exhibit 1: Proposers and Scores from RFQ

Proposer	Average Score (Out of 60 Points)
Hamilton Families	55
Episcopal Community Services	51

Source: HSH

Hamilton Families, which had provided similar services since at least 2016, was deemed the highest scoring proposer and was awarded a grant to provide rapid rehousing services to families. Episcopal Community Service was also awarded a grant for providing rapid rehousing for adults.

In July 2020, HSH executed a grant agreement with Hamilton Families for a term of four years from July 2020 through June 2024 and an amount not to exceed \$9,976,661. In August 2022, HSH executed the First Amendment to the grant, reducing the not-to-exceed amount to \$9,596,581. Due to the ongoing need for the program and satisfaction with Hamilton Families’ performance, HSH and Hamilton Families have agreed to extend the grant by six years.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the Second Amendment to the HSH grant agreement with Hamilton Families for family rapid re-housing services through the Housing Solutions program, extending the term by six years through June 2030, and increasing the not-to-exceed

amount by \$12,306,778, for a total not to exceed \$21,903,359. The proposed resolution would also authorize HSH to make further immaterial amendments to the grant agreement.

Services Provided

Under the ESG grant, Hamilton Families is one of two providers that provide rapid rehousing services for families. The purpose of the family rapid rehousing program is to provide short-to-medium term rental assistance for formerly homeless or at-risk of being homeless families with at least one adult and one child that meets income eligibility criteria. The program provides payments of rental subsidies directly to landlords and support services including case management, housing location, housing coordination, subsidy administration, landlord liaison, and workforce development services.

Hamilton's rapid rehousing work is funded by two HSH grants: (1) the proposed grant, funded by ESG grant funds and the General Fund and (2) a separate grant, funded by HUD Continuum of Care funding, which is largely restricted to rental assistance. This agreement funds case management and support services for families receiving rapid rehousing rental assistance funded by both grants. Together, both grants are budgeted to serve 75 clients, including 35 families in the proposed amended grant.

Performance and Fiscal Monitoring

HSH staff reported to our office that Hamilton served 50 households in FY 2022-23, which is higher than the 40 required by the existing contract.

In its FY 2022-23 program monitoring, HSH noted five findings with follow-up recommendations to meet administrative requirements of the grant. In November 2023, Hamilton Families responded that all recommendations had been implemented or were in the process of being implemented.

In addition, due to \$940,347 in underspending from FY 2020-21 to FY 2022-23, HSH required Hamilton to develop a spenddown plan for FY 2023-24 and submit invoices in a timely fashion. According to FY 2023-24 spending data provided by HSH, the proposed grant is projected to spend down its ESG funding (\$191,943) but is projected to underspend its General Fund allocation by \$200,000 - \$500,000. HSH staff attribute the underspending to an expansion of permanent housing programs for formerly homeless families, including leasing up City Gardens (200 units of PSH at 333 12th Street, File 22-0344) and expansion of the Flexible Housing Subsidy Pool.

The Department of Children, Youth, and their Families (DCYF) reviewed Hamilton Families' financial documents as part of the Citywide Fiscal and Compliance Monitoring program and had no findings.

FISCAL IMPACT

The proposed Second Amendment would increase the not-to-exceed amount of the Hamilton Families grant agreement by \$12,306,778, for a total not to exceed \$21,903,359. Actual and projected grant expenditures by year are shown in Exhibit 2 below.

Exhibit 2: Actual and Projected Grant Expenditures by Year

The grant is funded approximately 84 percent by the City’s General Fund, nine percent by U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant funds, and six percent by Homelessness Gross Receipts (Proposition C) funds. A portion of the City’s local funding provides a required 25 percent match of the federal ESG grant funding. Exhibit 3 below shows the projected annual budget in the six-year extension term.

Exhibit 3: Projected Annual Grant Budget (FY 2024-25 through FY 2029-30)

Sources	Amount
General Fund	\$1,727,245
HUD Funding	191,943
Proposition C	126,800
Total Sources	\$2,045,988

Uses	Amount
Salaries & Benefits	\$910,632
Operating Expenses	217,649
Indirect Cost (15%)	169,241
Other Expenses	748,466
Total Uses	\$2,045,989

Source: Proposed Grant Amendment. Totals may not add due to rounding.

Notes: Operating expenses include office rent, utilities, office supplies, insurance, training, equipment rental, hiring expenses, computer costs, transportation, payroll services, and software licensing. Indirect costs include overhead costs such as human resources, payroll, executive salaries, information technology staff, and office supplies. Other expenses include rent subsidies, move-in assistance, and household goods.

HSH estimates the annual program cost is approximately \$40,000 per family. However, the grant budget is sized to reflect the annual program cost to account for new households beginning the subsidy program as families move off the subsidy program.

 1. Grantee shall submit invoices and all required supporting documentation demonstrating evidence of the expenditure through the Department of Homelessness and Supportive Housing (HSH)’s web-based Contracts Administration, Reporting, and Billing Online (CARBON) System at: <https://contracts.sfhsa.org>.

 2. Grantee’s Executive Director or Chief Financial Officer shall submit a letter of authorization designating specific users, including their names, emails and phone numbers, who will have access to CARBON to electronically submit and sign for invoices, submit program reports, and view other information that is in CARBON.

3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.

C. Line Item Variance: There shall be no variance from the line item budget submitted, which adversely affects Grantee's ability to provide services specified in the Appendix A(s), Services to be Provided of the Agreement; however, Grantee may invoice up to 110 percent of an **ongoing General Fund** line item, provided that total expenditures do not exceed the total budget amount, per the HSH Budget Revision Policy and Procedure: <http://hsh.sfgov.org/overview/provider-updates/>.

D. Spend Down

1. Grantee shall direct questions regarding spend down and funding source prioritization to the assigned HSH Contract and Program Managers, as listed in CARBON.
2. Generally, Grantee is expected to spend down ongoing funding proportionally to the fiscal year or project period. Grantee shall report unexpected delays and challenges to spending funds, as well as any lower than expected spending to the assigned Contract and Program Managers, as listed in CARBON prior to, or in conjunction with the invoicing period.
3. Failure to spend significant amounts of funding, especially non-General Fund dollars, may result in reductions to future allocations. HSH may set specific spend down targets and communicate those to Grantees.

E. Documentation and Record Keeping:

1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer

than five years after final payment under this Agreement, and shall provide to the City upon request.

- a. HSH reserves the right to modify the terms of this Appendix in cases where Grantee has demonstrated issues with spend down, accuracy, and timeliness of invoices.
 - b. In addition to the instructions below, HSH will request and review supporting documentation on the following occasions without modification to this Appendix:
 - 1) Program Monitoring;
 - 2) Fiscal and Compliance Monitoring;
 - 3) Year End Invoice Review;
 - 4) Monthly Invoice Review;
 - 5) As needed per HSH request; and/or
 - 6) As needed to fulfill audit and other monitoring requirements.
2. All documentation requested by and submitted to HSH must:
- a. Be easily searchable (e.g., PDF) or summarized;
 - b. Clearly match the Appendix B, Budget(s) line items and eligible activities;
 - c. Not include identifiable served population information (e.g., tenant, client, Protected Health Information (PHI), Personally Identifiable Information (PII)); and
 - d. Include only subcontracted costs that are reflected in the Appendix B, Budget(s). HSH will not pay for subcontractor costs that are not reflected in the Appendix B, Budget(s). All subcontractors must also be listed in the Permitted Subcontractors Appendix.
3. Grantee shall follow HSH instructions per funding source and ensure that all documentation clearly matches the approved Appendix B, Budget(s) line items and eligible activities.

III. Advances or Prepayments: Advances or prepayments are allowable on certified annual ongoing General Fund or Prop C amounts (i.e., authorized by executed Agreements) in order to meet non-profit Grantee cash flow needs in certain circumstances. Requests for advance payment will be granted by HSH on a case-by-case basis. Advances are not intended to be a regular automatic procedure.

A. Advance Requirements:

Once the Agreement is certified, Grantee, prior to distribution of any advanced payment, must fulfill the following conditions:

1. All Agreement compliance requirements must be currently met (e.g., reports submitted and approved; corrective actions resolved; business tax and insurance certificates in place; prompt and properly documented invoicing; appropriate spend down);
2. The final invoice from the preceding fiscal year must be received prior to advance distribution; and

B. Advance Request Process:

1. Grantee shall submit a written request via email with a narrative justification that fully describes the unique circumstances to the assigned HSH Contract Manager, as listed in CARBON, for review and approval.
2. HSH, at its sole discretion, may make available to Grantee up to two months of the total ongoing annualized General Fund or Prop C budget amount, per the Appendix B, Budget(s) of this Agreement. Requests for greater than two months of the ongoing annualized budget amount may be considered on a case-by-case basis.

C. Advance Repayment Process:

1. If approved by HSH, the advanced sum will be deducted from the Grantee's monthly invoices at an equal rate each month that will enable repayment before the close of the fiscal year. For example, for a twelve-month grant the rate of repayment of the advance will be 1/10th per month from July to April. An alternative period of repayment may be calculated in order to ensure cash flow and repayment.
2. All advance repayments must be recovered within the fiscal year for which it was made.
3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall be repay the outstanding balance via check in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Grantee shall make the repayment after the final invoice of the fiscal year has been approved to the address provided by the assigned HSH Contract Manager, as listed in CARBON.

IV. Timely Submission of Reports and Compliance: If a Grantee has outstanding items due to the City (e.g., Corrective Action Plans/report/document/data input), as specified in any written form from HSH (e.g., Letter of Correction, Corrective Action Plan, and/or Appendix

A(s), Services to be Provided of the Agreement), Grantee shall submit and comply with such requirements prior to or in conjunction with invoices. Failure to submit required information or comply by specified deadlines may result in HSH withholding of payments.

Appendix E, Federal Requirements: Provisions for All Federal Funds Subawards and Matching Funds to Federal Funds

I. Definitions

These are Federal definitions that come from Federal Uniform Guidance, 2 CFR Part 200, and are in addition to and may vary from definitions provided in the City's Grant Agreement, Professional Services Contract and/or Amendment documents ("Agreement").

A. City. City means the City and County of San Francisco.

B. Subaward. Subaward means an award provided by a pass-through entity (e.g., the City) to a Subrecipient for the Subrecipient to carry out all or part of a Federal award. It does not include payments to an individual that is a beneficiary of a Federal program (2 CFR §200.1). Characteristics of Subawards, as opposed to Subcontracts, include but are not limited to that a Subrecipient:

- i. Has programmatic decision-making responsibility within the scope of services of the Agreement;
- ii. May determine client eligibility for the Federal program;
- iii. In accordance with its Agreement, uses the Federal funds to carry out all or part of a Federal program, as opposed to providing goods or services to help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

C. Third Party Subaward. Third Party Subaward means a Subaward at any tier entered into by a Subrecipient, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

D. Contract and/or Subcontract. Contract and/or Subcontract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award (2 CFR §200.1). Characteristics of Subcontracts, as opposed to Subawards include but are not limited to that a Subcontractor:

- i. Has little or no programmatic decision-making responsibility in how it carries out the purpose of the Agreement;
- ii. Does not determine client eligibility for the federal program; and
- iii. Provides goods or services that are ancillary to the operation of the Federal program and/or that help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

E. Third Party Subcontract. Third Party Subcontract means a Subcontract at any tier entered into by Contractor or Subcontractor, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

II. Federal Changes. Subrecipient shall at all times comply with all applicable regulations, policies, procedures and Federal awarding agency directives, including without limitation

those listed directly or by reference in the Recipient Agreement between the City and the Federal awarding agency or in this Agreement, as they may be amended or promulgated from time to time during the term of this Agreement. Subrecipient's failure to so comply shall constitute a material breach of this Agreement.

III. Requirements for Pass-Through Entities. (2 CFR §200.332)

- A.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient shall include the following:
- i. Federal award information as specified in 2 CFR §200.332(a)(1) to the best of its knowledge;
 - ii. Requirements imposed by the Federal awarding agency, the City, or itself in order to meet its own responsibility to the City under this Subaward as specified in 2 CFR §200.332(3);
 - iii. An approved federally recognized indirect cost rate negotiated between the Subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the Subrecipient and its Third Party Subrecipients, or a de minimis indirect cost rate as defined in §200.414 Indirect (Facilities and Administration¹) costs, paragraph (f);
 - iv. A requirement that the Third Party Subrecipient permit the Subrecipient, the City, higher level funders, and auditors to have access to the Subrecipient's records and financial statements as necessary for the Subrecipient to meet the requirements of this part (2 § CFR 200.332(5)); and
 - v. Appropriate terms and conditions concerning closeout of the Subaward per 2 § CFR 200.332(6).
- B.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient agrees to:
- i. Evaluate each Third Party Subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the Subaward for purposes of determining the appropriate Subrecipient monitoring described in paragraphs (3) of this section;
 - ii. Consider imposing specific Subaward conditions upon a Third Party Subrecipient if appropriate as described in 2 CFR §200.208 Specific conditions;
 - iii. Monitor the activities of the Third Party Subrecipient as necessary to ensure that the Subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the Subaward; and that Subaward performance goals are achieved. See 2 CFR §200.332(d) and (e) for specific requirements;

parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

- (f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Grantee agrees to fully comply with these laws, regulations, and policies/procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A, Services to be Provided and Appendix B, Budget and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget and shall

obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

- (a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C, Method of Payment. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.
- (b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds as set forth in Appendix C, Method of Payment.

5.4 State or Federal Funds

- (a) **Disallowance.** With respect to Grant Funds, if any, which are ultimately provided by the State or Federal government, Grantee agrees that if Grantee claims or receives payment from City for an Eligible Expense, payment or reimbursement of which is later disallowed by the State or Federal government, Grantee shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to Grantee hereunder or under any other Agreement. Any such offset with respect to a portion of the disallowed amount shall not release Grantee from Grantee's obligation hereunder to refund the remainder of the disallowed amount.
- (b) **Grant Terms.** The funding for this Agreement is provided in full or in part by a federal or state grant to the City. As part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement and include certain reporting requirements. The incorporated terms and requirements are stated in Appendix F, Federal Requirements: Provisions for All Federal Funds Subawards and Matching Funds to Federal Fund and Appendix G, Housing and Urban Development (HUD) Subrecipient Agreement.

ARTICLE 6
REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS

- 6.1 Regular Reports.** Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Department, in form and substance satisfactory to the Department. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.
- 6.2 Organizational Documents.** If requested by City, Grantee shall provide to City the names of its current officers and directors and certified copies of its Articles of Incorporation and Bylaws as well as satisfactory evidence of the valid nonprofit status described in Section 8.1.
- 6.3 Notification of Defaults or Changes in Circumstances.** Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.
- 6.4 Financial Statements.** Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.
- 6.5 Books and Records.** Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.
- 6.6 Inspection and Audit.** Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books,

invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.

6.7 Submitting False Claims Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendices A, A-1, Services to be Provided. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

6.8 Grantee's Board of Directors. Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Grantee's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to

property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

(b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

(c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Withholding. Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

8.2 Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.

8.3 No Misstatements. No document furnished or to be furnished by Grantee to City in

connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest.

(a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and stepparents).

8.5 No Other Agreements with City. Except as expressly itemized in Appendix D, Interest in Other City Grants, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.

8.6 Subcontracts. Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.

8.7 Eligibility to Receive Federal Funds. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

**ARTICLE 9
INDEMNIFICATION AND GENERAL LIABILITY**

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly

by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.

9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY

SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

10.1 Types and Amounts of Coverage. Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.
- (b) Commercial General Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations.
- (c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
- (d) Professional liability insurance for negligent acts, errors or omission with respect to professional or technical services, if any, required in the performance of this Agreement with limits not less than one million dollars (\$1,000,000) each claim.

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

- (a) Name as Additional Insured City and its officers, agents and employees.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage

continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

- 10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs.** Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.
- 10.6 Evidence of Insurance.** Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.
- 10.7 Effect of Approval.** Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.
- 10.8 Insurance for Subcontractors and Evidence of this Insurance.** If a subcontractor will be used to complete any portion of this agreement, Grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and Grantee listed as additional insureds.
- 10.9 Worker's Compensation.** The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default.** The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:
- (a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.
 - (b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.

- (c) **Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.
- (d) **Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.
- (e) **Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).
- (f) **Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.
- (g) **Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

- (a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice, this Agreement shall terminate, and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.
- (b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds

requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.

(c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

(d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

(a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and

(c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City.** Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance.** Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections.** Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee.** Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.
- 13.2 Agreement Made in Violation of this Article.** Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting.** If Appendix E, Permitted Subgrantees, lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall

have the right to subcontract on the terms set forth in this Section. If Appendix E, Permitted Subgrantees, is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

- (a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E, Permitted Subgrantees without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.
- (b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- 14.1 Nature of Agreement.** Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- 14.2 Direction.** Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.
- 14.3 Consequences of Recharacterization.**

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

- 16.7 Compliance with ADA.** Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee agrees that any failure of Grantee to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Grantee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Grantee.

16.16 Consideration of Criminal History in Hiring and Employment Decisions.

- (a) Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T, “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (“Chapter 12T”), including the remedies provided, and implementing regulations, as may be amended from time to time. 17.12 Dispute Resolution Procedure.

- (a) The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.
- (b) The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit Grantees. Any questions or concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.
- (c) The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional

services grant or contract between the City and County of San Francisco and nonprofit health and human services Grantees. Grantees and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department. If informal discussion has failed to resolve the problem, Grantees and departments should employ the following steps:

- (1) Grantee will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with Grantee or provide a written response to Grantee within 10 working days.
- (2) Should the dispute or concern remain unresolved after the completion of Step 1, Grantee may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to Grantee. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.
- (3) Should Steps 1 and 2 above not result in a determination of mutual agreement, Grantee may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to Grantee. The Department will respond in writing within 10 working days.
- (d) In addition to the above process, Grantees have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF.
- (e) The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites Grantees to submit concerns about a department's implementation of the policies and procedures. Grantees can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. Grantee must submit the request in writing to

purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to Grantee. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

- 17.13 Cooperative Drafting.** This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.
- 17.14 Services During a City-Declared Emergency.** In case of an emergency as declared by the Mayor under Charter section 3.100, Grantee will make a good faith effort to continue to provide the services set forth in Appendices A, A-1, Services to be Provided. Any services provided beyond those listed in Appendices A, A-1, Services to be Provided must be approved by the Department.
- 17.15 MacBride Principles--Northern Ireland.** Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this section.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first specified herein. The signatories to this Agreement warrant and represent that they have the authority to enter into this agreement on behalf of the respective parties and to bind them to the terms of this Agreement.

Appendix A-1: Services to be Provided
by
Hamilton Families
Housing Solutions

I. Purpose of Grant

The purpose of the grant is to provide short-to-medium term Rapid Rehousing and one-time Homelessness Prevention Assistance to households who are experiencing homelessness and/or who are at imminent risk of housing loss.

The goal of these flexible and short-to-medium term intervention services is to ensure that the Homelessness Response System can meet the needs of those households who do not need the long-term or permanent housing subsidies available to effectively end their homelessness.

II. Served Population

Grantee shall serve participants who are at or below 50 percent Area Median Income (AMI) for both program components.

A. Rapid Rehousing

Grantee shall provide Rapid Rehousing to San Francisco homeless households that have been referred by Coordinated Entry Access Points via the Online Navigation and Entry (ONE) System, regardless of their barriers to housing or other challenges. This includes households that may be unsheltered at the time of referral to or enrollment in the Rapid Rehousing Program.

In determining eligibility for assistance, Grantee shall consider a household's total income and expenses.

B. Homelessness Prevention Assistance

Grantee shall provide Homelessness Prevention Assistance to San Francisco households who have very recently experienced housing loss or are at imminent risk of housing loss that can reasonably be expected to lead to an episode of homelessness (i.e. becoming unsheltered or entering an emergency shelter). This may include San Francisco residents:

1. At imminent risk of homelessness who need assistance to maintain their housing, such as help with back rent, legal services, legal representation, participant education, tenant counseling and advocacy, and/or landlord negotiation services; and/or
2. Who have recently been forced to leave a housing situation to which they could return immediately if provided rental assistance, legal representation and/or landlord negotiation services; and/or
3. Experiencing homelessness or residing in supportive housing who have received a Housing Choice Voucher (HCV) through the Family Unification Program (FUP), the HSH Moving On Initiative (MOI) and need a security deposit to utilize the voucher.

In addition to the above, in order to be eligible for Homelessness Prevention Assistance, households must provide proof of San Francisco residency and tenancy, and of the amount of back rent owed. Households may self-refer for Homelessness Prevention Assistance. Under this Agreement, households that meet the eligibility criteria may also be referred by Coordinated Entry Access Points. Grantee shall screen all households using HSH-provided criteria and tools, in order to target households most likely to enter the Homelessness Response System without the prevention assistance.

Homelessness Prevention Assistance is intended as a one-time intervention. Grantee may only offer households assistance more than once in three years under extenuating circumstances as defined by HSH, regardless of the Homelessness Prevention Assistance provider. The ONE System shall allow all Homelessness Prevention Assistance providers to see the household's history of assistance in order to determine if the assistance may be provided, or if the household should be referred to a more appropriate service (i.e. a Coordinated Entry Access Point) or additional services (i.e. extended Housing Focused Case Management or representative payee).

Grantee shall exit a household from the program when Housing Stability Plan goals are achieved. A household may return to the program for further Housing-Focused Case Management should the need arise for further support.

III. Description of Services

Grantee shall provide Rapid Rehousing and Homelessness Prevention services during the term of this grant.

A. Rapid Rehousing

Grantee shall provide short-to-medium term Rapid Rehousing to a minimum of 40 households per year.

1. Housing Stability Plan:

Grantee shall create and maintain a Housing Stability Plan for all Rapid Rehousing participants receiving rental assistance.

Housing Stability Plans may include, but are not limited to:

- a. Search for and secure housing;
- b. Increase income and employability;
- c. Improve credit history and rental stability;
- d. Address behavioral health issues that negatively impact housing stability; and
- e. Access permanently affordable housing, including applying to appropriate wait lists.

Grantee shall document participant good faith, verifiable efforts in making progress toward short and long-term goals.

2. Housing-Focused Case Management:

Grantee shall provide Housing-Focused Case Management by working collaboratively with the client to develop and implement a plan to secure and sustain housing. If other service goals are identified in the plan, they should be directly connected to housing stability or other challenges that might impact housing stability.

Grantee Case Manager shall meet with participants once per month. Grantees shall provide households with linkages to existing resources for employment and training services. Grantee may offer transportation, accompaniment to appointments, home visits, and regular verification of progress toward and achievement of short and long-term objectives.

3. Housing Locator Assistance: Grantee shall provide Housing Locator assistance through the following activities:

- a. Identify available units and recruit and retain landlord partners, with units in the communities and neighborhoods where program participants want to live. Grantee shall exclude housing, units with serious code violations;
- b. Develop and utilize an apartment inspection checklist to ensure that units meet minimum safety guidelines and are child-safe;
- c. Assist households in navigating the application and leasing process, including helping participants resolve or mitigate screening barriers, such as rental and utility arrears or multiple evictions, as well as obtain necessary identification or other documents, if needed;
- d. Provide transportation, as needed, to submit housing applications or visit locations;
- e. Assist participants in making an informed housing choice, including discussing housing options;
- f. Negotiate with landlords during the leasing process;
- g. Assist participants with understanding landlord-tenant rights and responsibilities and the requirements of their specific lease; and
- h. Ensure any sub-standard housing issues are addressed prior to household move-in.

4. Rental Assistance: Grantee shall provide rental assistance ranging in term from one month to up to 24 months. Monthly rental assistance may not exceed \$1,500 per household per month during the term of the Rapid Rehousing program.

Grantee shall determine the rental assistance period using an evidence-based approach in which participants receive an initial one-year term of assistance. At the end of the initial rental assistance period, if the household is assessed to need further support, Grantee may extend assistance. Grantee may adjust the assistance amount up or down, depending on the needs of the household at the time. Grantee may extend rental assistance in three month increments until the household can

sustain the rent on their own or they reach the maximum rental assistance period of 24 months. The maximum monthly rental assistance per households is \$1,500.

Grantee must set rental assistance amounts at the lowest possible amount needed to obtain housing for the household. For rental assistance clients, the tenant portion of the rent cannot exceed 40 to 50 percent of the net monthly income upon enrollment in the Rapid Rehousing program.

Grantee shall share the following expectations with participants:

- a. For households with an income, contribution toward the rent shall be expected after the first month; and
- b. Households are expected to take over the full rent as quickly as possible, and on average in not more than 12 months.

To ensure that this is possible, Grantee shall help participants locate and select housing with the lowest possible rents that can be expected to be covered by the household once assistance is no longer being provided.

If a household is unable to transition off of the rental assistance within 24 months, and if they are actively engaged in their Housing Stability Plan as demonstrated by verifiable documentation, Grantee may request up to two three month extensions from the HSH Rapid Rehousing Program Manager for up to six additional months.

Grantee must recertify the household's eligibility to receive rental assistance every three months, at minimum, and more frequently if it appears the household may be close to no longer needing rental assistance. The rental assistance may be renewed if clients are moving toward successful transition from the rental assistance, focusing primarily on increasing income and, when that is not a realistic goal, on transitioning to another subsidized housing situation.

Grantee may provide rental assistance for units outside of San Francisco if every effort has been made to find housing within San Francisco, or if a household requests to move outside the city.

Grantee shall contact all participants who received assistance and successfully completed the program six months and 12 months after the last date on which financial assistance was provided to determine whether they have maintained stable housing.

B. Homelessness Prevention Assistance

Grantee shall provide Homelessness Prevention Assistance to a minimum of 25 households per year. Grantee shall serve five additional households who have a Housing Choice Voucher (HCV) with security deposit assistance.

1. Problem Solving:

Grantee shall offer all households referred to the Homelessness Prevention Assistance with a Problem Solving conversation before assistance is provided. Grantee may offer up to \$3,500 to a household without prior HSH approval. Grantee may request additional funds from the HSH Problem Solving Program Manager, per established protocols for exceptions to the maximum assistance.

Grantee may offer problem solving funds to households who do not currently have physical custody of their child(ren), if documentation from Child Protective Services (CPS) verifies that obtaining or maintaining housing is the only barrier to reunification, and that reunification shall occur within 60 days after the assistance is received.

2. Housing Stability Plan: If Grantee becomes aware that a household will not sustain housing after receiving assistance, Grantee shall establish a Housing Stability Plan, which includes budgeting and money management education and assistance. Additionally, based on the needs of the household, Grantee shall provide any of the following interventions:

- a. Development of a Housing Stability Plan, which includes both housing and service needs as they relate to gaining or retaining housing;
- b. Referrals to services, such as, but not limited to health care, mental health, domestic violence, substance abuse, counseling, benefits/entitlements and/or initiation of contact with the employment specialist or social worker, as appropriate, for households identified as CalWORKs participants, and/or CalWORKs eligible, in order to ensure coordination of services and promote cooperation with the CalWORKs plan; and
- c. Follow-up services for households who have received rental assistance, including budgeting and money management assistance, and appropriate referrals.

3. Housing Focused Case Management: Grantee shall provide housing-focused case management services to the extent that they are directly related to helping participants sustain housing and prevent an entry into homelessness. Participation in case management is not a requirement to receive back rent assistance.

4. Rental Assistance to Prevent Homelessness: Grantee shall provide households with rental assistance grants to pay back rent and prevent their homelessness. Grantee shall ensure the ongoing rental situation is sustainable after the prevention assistance. Participant rent may not exceed 80 percent of monthly income. However, when a household's rent exceeds 50 percent of income, Grantee shall ensure that residual income after rent is adequate to cover the household's non-housing needs before providing assistance, assess whether

another intervention is indicated, or determine whether the household should be referred to additional services.

Grantee shall pay assistance directly to the owner/landlord and not the participant. Grantee shall collect and maintain proof of ownership from the private owners/landlords.

Grantee shall encourage participants to pay a portion of the back rent owed, based on their income and ability to pay. However, Grantee shall not penalize participants for failing to pay back the assistance.

Grantee shall encourage participants to pay back the rental assistance, so that the participant may access the fund again in the future and so that the program can assist more participants. However, Grantee shall not penalize participants for to pay back the assistance and shall not charge interest.

IV. Location and Time of Services

Except to the extent that the services are to be rendered to a specific population as described in the programs listed herein, such policies must include a provision that clients are accepted for care without discrimination on the basis of race, color, creed, religion, sex, age, national origin, ancestry, sexual orientation, gender identity, disability, or HIV status.
- D. Grievance Procedure: Grantee agrees to establish and maintain a written Client Grievance Procedure which shall include the following elements as well as others that may be appropriate to the services:
 - 1. The name or title of the person or persons authorized to make a determination regarding the grievance;
 - 2. The opportunity for the aggrieved party to discuss the grievance with those who will be making the determination; and

3. The right of a client dissatisfied with the decision to ask for a review and recommendation from upper level management who have purview over the aggrieved service within the agency. Contractor shall provide a copy of this procedure, and any amendments thereto, to each client and to the Director HSH or his/her designated agent (hereinafter referred to as "Director"). Those clients who do not receive direct Services will be provided a copy of this procedure upon request.
- E. Critical Incident Reports: Grantee shall submit prompt written reports to HSH within 24 hours regarding any deaths, serious violence or emergencies involving police, fire or ambulance calls using the Critical Incident Report form. Grantee shall call Program Manager within two hours of any death.

B. Subaward. Subaward means an award provided by a pass-through entity (e.g., the City) to a Subrecipient for the Subrecipient to carry out all or part of a Federal award. It does not include payments to an individual that is a beneficiary of a Federal program (2 CFR §200.92). - ii. May determine client eligibility for the Federal program;
- iii. In accordance with its Agreement, uses the Federal funds to carry out all or part of a Federal program, as opposed to providing goods or services to help the City administer the Federal program.

See 2 CFR §200.330 for more guidance.

C. Third Party Subaward. Third Party Subaward means a Subaward at any tier entered into by a Subrecipient, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

D. Contract and/or Subcontract. Contract and/or Subcontract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award (2 CFR §200.22). Characteristics of Subcontracts, as opposed to Subawards include but are not limited to that a Subcontractor:

- i. Has little or no programmatic decision-making responsibility in how it carries out the purpose of the Agreement;
- ii. Does not determine client eligibility for the federal program; and
- iii. Provides goods or services that are ancillary to the operation of the Federal program and/or that help the City administer the Federal program.

See 2 CFR §200.330 for more guidance.

E. Third Party Subcontract. Third Party Subcontract means a Subcontract at any tier entered into by Contractor or Subcontractor, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

II. **Federal Changes.** Subrecipient shall at all times comply with all applicable regulations, policies, procedures and Federal awarding agency directives, including without limitation those listed directly or by reference in the Recipient Agreement between the City and the Federal awarding agency or in this Agreement, as they may be amended or promulgated from time to time during the term of this Agreement. Subrecipient's failure to so comply shall constitute a material breach of this Agreement.

III. **Requirements for Pass-Through Entities.** (2 CFR §200.331)

- A. For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient shall include the following:
- i. Federal award information as specified in 2 CFR §200.331(a)(1) to the best of its knowledge;
 - ii. Requirements imposed by the Federal awarding agency, the City, or itself in order to meet its own responsibility to the City under this Subaward;
 - iii. An approved federally recognized indirect cost rate negotiated between the Subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the Subrecipient and its Third Party Subrecipients, or a de minimis indirect cost rate as defined in §200.414 Indirect (F&A) costs, paragraph (f);
 - iv. A requirement that the Third Party Subrecipient permit the Subrecipient, the City, higher level funders, and auditors to have access to the Subrecipient's records and financial statements as necessary for the Subrecipient to meet the requirements of this part; and
 - v. Appropriate terms and conditions concerning closeout of the Subaward.
- B. For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient agrees to:
- i. Evaluate each Third Party Subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the Subaward for purposes of determining the appropriate Subrecipient monitoring described in paragraphs (3) of this section;
 - ii. Consider imposing specific Subaward conditions upon a Third Party Subrecipient if appropriate as described in 2 CFR §200.207 Specific conditions;
 - iii. Monitor the activities of the Third Party Subrecipient as necessary to ensure that the Subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the Subaward; and that Subaward performance goals are achieved. See 2 CFR §200.331(d) and (e) for specific requirements;
 - iv. Verify that every Third Party Subrecipient is audited as required by 2 CFR §200 Subpart F—Audit Requirements of this part when it is expected that the Subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR §200.501 Audit requirements;
 - v. Consider whether the results of the Third Party Subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records; and

- vi. Consider taking enforcement action against noncompliant Third Party Subrecipients as described in 2 CFR §200.338 Remedies for noncompliance of this part and in program regulations.

IV. Procurement Compliance. (2 CFR §200.318 through .326)

Charges to Federal awards for salaries and wages must be based on records that accurately reflect the actual work performed.  - iii. Reasonably reflect the total activity for which the employee is compensated by the Subrecipient, not exceeding 100 percent of compensated activities;

- A. Timelines: Grantee shall submit all invoices and any related required documentation in the format specified below, after costs have been incurred, and within 15 days after the month the service has occurred. All final invoices must be submitted 15 days after the close of the fiscal year or project period.

B. Invoicing System:

1. Grantee shall submit invoices and all required supporting documentation demonstrating evidence of the expenditure through the Department of Homelessness and Supportive Housing (HSH)'s web-based Contracts Administration, Reporting, and Billing Online (CARBON) System at: <https://contracts.sfhsa.org>.
2. Grantee's Executive Director or Chief Financial Officer shall submit a letter of authorization designating specific users, including their names, emails and phone numbers, who will have access to CARBON to electronically submit and sign for invoices, submit program reports, and view other information that is in CARBON.

3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.

C. Line Item Variance: There shall be no variance from the line item budget submitted, which adversely affects Grantee's ability to provide services specified in the Appendix A(s), Services to be Provided of the Agreement; however, Grantee may invoice up to 110 percent of an **ongoing General Fund** line item, provided that total expenditures do not exceed the total budget amount, per the HSH Budget Revision Policy and Procedure: <http://hsh.sfgov.org/overview/provider-updates/>.

D. Spend Down

1. Grantee shall direct questions regarding spend down and funding source prioritization to the assigned HSH Contract and Program Managers, as listed in CARBON.
2. Generally, Grantee is expected to spend down ongoing funding proportionally to the fiscal year or project period. Grantee shall report unexpected delays and challenges to spending funds, as well as any lower than expected spending to the assigned Contract and Program Managers, as listed in CARBON prior to, or in conjunction with the invoicing period.
3. Failure to spend significant amounts of funding, especially non-General Fund dollars, may result in reductions to future allocations. HSH may set specific spend down targets and communicate those to Grantees.

E. Documentation and Record Keeping:

1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer

than five years after final payment under this Agreement, and shall provide to the City upon request.

- a. HSH reserves the right to modify the terms of this Appendix in cases where Grantee has demonstrated issues with spend down, accuracy, and timeliness of invoices.

An alternative period of repayment may be calculated in order to ensure cash flow and repayment.
2. All advance repayments must be recovered within the fiscal year for which it was made.
3. Appendix E, Federal Requirements: Provisions for All Federal Funds Subawards and Matching Funds to Federal Funds

I. Definitions

These are Federal definitions that come from Federal Uniform Guidance, 2 CFR Part 200, and are in addition to and may vary from definitions provided in the City's Grant Agreement, Professional Services Contract and/or Amendment documents ("Agreement").

A. City. City means the City and County of San Francisco.

B. Subaward. Subaward means an award provided by a pass-through entity (e.g., the City) to a Subrecipient for the Subrecipient to carry out all or part of a Federal award. It does not include payments to an individual that is a beneficiary of a Federal program (2 CFR §200.1). Characteristics of Subawards, as opposed to Subcontracts, include but are not limited to that a Subrecipient:

- i. Has programmatic decision-making responsibility within the scope of services of the Agreement;
- ii. May determine client eligibility for the Federal program;
- iii. In accordance with its Agreement, uses the Federal funds to carry out all or part of a Federal program, as opposed to providing goods or services to help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

C. Third Party Subaward. Third Party Subaward means a Subaward at any tier entered into by a Subrecipient, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

D. Contract and/or Subcontract. Contract and/or Subcontract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award (2 CFR §200.1). Characteristics of Subcontracts, as opposed to Subawards include but are not limited to that a Subcontractor:

- i. Has little or no programmatic decision-making responsibility in how it carries out the purpose of the Agreement;
- ii. Does not determine client eligibility for the federal program; and
- iii. Provides goods or services that are ancillary to the operation of the Federal program and/or that help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

E. Third Party Subcontract. Third Party Subcontract means a Subcontract at any tier entered into by Contractor or Subcontractor, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

II. Federal Changes. Subrecipient shall at all times comply with all applicable regulations, policies, procedures and Federal awarding agency directives, including without limitation

those listed directly or by reference in the Recipient Agreement between the City and the Federal awarding agency or in this Agreement, as they may be amended or promulgated from time to time during the term of this Agreement. Subrecipient's failure to so comply shall constitute a material breach of this Agreement.

III. Requirements for Pass-Through Entities. (2 CFR §200.332)

- A.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient shall include the following:
- i. Federal award information as specified in 2 CFR §200.332(a)(1) to the best of its knowledge;
 - ii. Requirements imposed by the Federal awarding agency, the City, or itself in order to meet its own responsibility to the City under this Subaward as specified in 2 CFR CFR §200.332(3);
 - iii. An approved federally recognized indirect cost rate negotiated between the Subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the Subrecipient and its Third Party Subrecipients, or a de minimis indirect cost rate as defined in §200.414 Indirect (Facilities and Administration¹) costs, paragraph (f);
 - iv. A requirement that the Third Party Subrecipient permit the Subrecipient, the City, higher level funders, and auditors to have access to the Subrecipient's records and financial statements as necessary for the Subrecipient to meet the requirements of this part (2 § CFR 200.332(5)); and
 - v. Appropriate terms and conditions concerning closeout of the Subaward per 2 § CFR 200.332(6).
- B.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient agrees to:
- i. Evaluate each Third Party Subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the Subaward for purposes of determining the appropriate Subrecipient monitoring described in paragraphs (3) of this section;
 - ii. Consider imposing specific Subaward conditions upon a Third Party Subrecipient if appropriate as described in 2 CFR §200.208 Specific conditions;
 - iii. Monitor the activities of the Third Party Subrecipient as necessary to ensure that the Subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the Subaward; and that Subaward performance goals are achieved. See 2 CFR §200.332(d) and (e) for specific requirements;
 - iv. Verify that every Third Party Subrecipient is audited as required by 2 CFR §200 Subpart F—Audit Requirements of this part when it is expected that the Subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR §200.501 Audit requirements;

¹ 2 CFR § 200.332(a)(1)(xiv)
Appendix E to G-150
FSP#: 1000019042

- v. Consider whether the results of the Third Party Subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records; and
- vi. Consider taking enforcement action against noncompliant Third Party Subrecipients as described in 2 CFR §200.339 Remedies for noncompliance of this part and in program regulations.

IV. Procurement Compliance. *(2 CFR §200.318 through 200.326)*

 - ii. Providing full and open competition as per 2 CFR § 200.319; and

V. Cost Principles Compliance. *(2 CFR §200 Subpart E)*

- A. Subrecipient agrees to comply with the Cost Principle specified in 2 CFR § 200 Subpart E for all costs that are allowable and included in this Agreement with the City. This includes but is not limited to compliance with §200.430 Compensation – personal services, including §200.430(i) regarding Standards for Documentation for Personnel Expense. Charges to Federal awards for salaries and wages must be based on records that accurately reflect the actual work performed. The requirements for these records include but are not limited to that they:
 - i. Be supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
 - ii. Be incorporated into the official records of the Subrecipient;
 - iii. Reasonably reflect the total activity for which the employee is compensated by the Subrecipient, not exceeding 100 percent of compensated activities;
 - iv. Encompass both federally assisted and all other activities compensated by the Subrecipient on an integrated basis, but may include the use of subsidiary records as defined in the Subrecipient's written policy;
 - v. Comply with the established accounting policies and practices of the Subrecipient;

Support the distribution of the employee's salary or wages among specific activities or cost objectives if the employee works on more than one Federal award; a Federal award and non-Federal award; an indirect cost activity and a direct cost activity; two or more indirect activities which are allocated using different allocation bases; or an unallowable activity and a direct or indirect cost activity;

- vii. Budget estimates alone do not qualify as support for charges to Federal awards, but may be used for interim accounting purposes in certain conditions (see §200.430(i)(1)(viii));
- viii. In accordance with Department of Labor regulations implementing the Fair Labor Standards Act (FLSA) (29 CFR part 516), charges for the salaries and wages of nonexempt employees, in addition to the supporting documentation described in this section, must also be supported by records indicating the total number of hours worked each day;
- ix. Salaries and wages of employees used in meeting cost sharing or matching requirements on Federal awards must be supported in the same manner as salaries and wages claimed for reimbursement from Federal awards; and
- x. A Subrecipient whose the records may not meet the standards described in this section shall use personnel activity reports (also known as time studies), prescribed certifications for employees working 100 percent on the same Federal program, or equivalent documentation as supporting documentation.

B. Overtime. No Subrecipient contracting for any part of the work under this Agreement which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic

A. Intent

The City and County of San Francisco (City) Department of Homelessness and Supportive Housing (HSH) invites applications from qualified nonprofit Applicants to deliver three components of its Homelessness Response System (HRS): 1. Homelessness Prevention; 2. Rapid Rehousing; and 3. Emergency Shelter. These interventions provide assistance to prevent households from entering the HRS or, if they are already experiencing homelessness, to quickly help households secure a stable housing solution.

This RFQ will serve two purposes:

1. To qualify Applicants whose responses conform to this RFQ and meet the City's requirements; and
2. To make multiple grant awards to the Applicants selected as the most qualified whose responses conform to this RFQ and meet the City's requirements for an initial two-year term, beginning July 1, 2020.

Selected Grantees are expected to provide all services described in under each service component, as listed in this RFQ, in compliance with the funding requirements. Applicants may submit an application for one or more service components.

At this time, it is estimated that \$1,240,000 million is available annually in U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) funding. Actual grant terms and amounts may vary based on funding availability, application contents, grant agreement negotiations, and Grantee performance, as well as future needs. HSH may extend agreements for a total term not to exceed ten years and change and/or increase funding amounts in accordance with City rules and regulations.

C. Overview of HSH’s Homelessness Response System (HRS)

The Homelessness Response System (HRS) is the overall network of services to address homelessness managed by HSH. The goal of this system is to prevent homelessness when possible and to make it rare, brief, and one-time. Core components of the HRS include: Coordinated Entry, Street Outreach, Problem Solving, Temporary Shelter, Housing, and Housing Ladder.

Coordinated Entry (CE) is a key component of this response system. CE is a consistent, community-wide intake process to match people experiencing homelessness to available community resources that are the best fit for their situation. CE includes a clear set of entry points, a standardized method to assess and prioritize people needing assistance, and a streamlined process for rapidly connecting people to the best type of housing intervention to address their needs.

CE will fully integrate into the Online Navigation and Entry (ONE) System, San Francisco’s Homeless Management and Information System (HMIS). The assessment will build upon the standard intake and be entered directly into ONE. Referrals to Rapid Rehousing, transitional and permanent housing will be made through the ONE System.

CE Access Points, which serve as the community connector to the HRS, offer direct services or provide referrals to services that assist eligible San Francisco households in resolving their homelessness or housing crisis. Access Points have four primary functions: 1. Eligibility screening for services; 2. Problem Solving to avoid entering the public shelter system; 3. Housing assessment and navigation to prioritize program participants based on living situation and vulnerabilities; and 4. Matching to determine eligibility for available housing opportunities and referral to a potential housing opportunity, based on eligibility and assessment results.

This coordinated process will dramatically reduce the burden placed on people experiencing homelessness by removing the necessity to seek assistance from every provider separately and instead streamline access to the resources in the HRS.

D. Overview of HSH’s Strategic Framework and Statement of Need

In October 2017, HSH published its Strategic Framework. The Framework outlines the Department’s top priorities for reducing homelessness by the end of 2022. It describes the key elements of a Homelessness

Response System designed to curb homelessness and looks at each of the three primary groups experiencing homelessness in San Francisco—adults, families with children, and youth—and what is needed to better meet the unique needs of each.

The Framework seeks to align existing and new programs within a system that treats homelessness as an emergency to be responded to quickly and effectively. To effectively implement this system-wide approach, all resources and programs must employ consistent, compassionate, and common-sense strategies with measurable goals. Using a system of CE, Problem Solving and prioritization, HSH and our partners will match resources to needs and ensure that those with the greatest challenges receive targeted assistance. Data and accountability will be built into the system. The strengths and dignity of people who are experiencing homelessness will be elevated throughout the system.

The Strategic Framework lays out our vision for significantly reducing homelessness in San Francisco and quickly getting house keys into as many hands as possible. Applicants are encouraged to familiarize themselves with the Framework, which can be found at hsh.sfgov.org. Through the provision of coordinated, compassionate, and high-quality services, HSH strives to make homelessness in San Francisco rare, brief, and one time.

E. Overview of HSH's Approach

Grantee shall incorporate applicable best practices in service provision to the population, as well as the concepts articulated in HSH's Strategic Framework, including, but not limited to:

1. **Housing Focused** - The system and all programs within it will use a Housing First, low barrier approach focused on ending homelessness for each household as quickly as possible.
2. **People Focused** - People should drive their solutions and the programs should focus on meeting their needs. Through shared assessment and a common front door, program participants should have a clear understanding of how to access services and what to expect from the system; participants should not be required to sign up for numerous waiting lists or approach multiple programs to receive help. Participant choice, strengths, and personal networks will be considered as part of finding the right solution.
3. **Accountability** - The system will be held accountable for results, using data to track to the goals and performance measures for each component and to ensure each participant is being well-served. HSH will evaluate progress and report to the community on a regular basis.
4. **Stakeholder Informed** - Decisions about design, implementation, and review of results will be carried out with collaboration and input from a broad range of unhoused and housed stakeholders.
5. **Respectful** - It is imperative that services be delivered in a respectful, appropriate manner. Best practices, such as strengths-based interviewing, trauma-informed care, and harm reduction, must be incorporated into all programs.
6. **Data-Driven** - Data will be used by all providers and the system as a whole to best serve each individual, assess the outcomes of programs, evaluate impact, inform changes, and guide investment to ensure we achieve maximum impact.
7. **Targeted** - The system will match people to the right level of assistance to end their homelessness. Not all people experiencing homelessness require the deepest level of intervention. HSH will focus on making the most efficient use of its resources by matching the right person to the right resource at the right time, using Prevention, Problem Solving, flexible subsidies, and Permanent Supportive Housing, depending on need.

8. Innovative - With the systems goals in mind, opportunities to adapt practices and innovative new strategies and approaches are encouraged and will be supported and evaluated.
9. Equitable - With mindfulness about the racism and bias that has disproportionately created homelessness among people of color and lesbian, gay, bisexual, transgender, and questioning (LGBTQ) people, HSH is committed to equity in the Department, system, and programs.
10. Urgent - Each household's homelessness should be treated as an emergency and the system will respond accordingly.

The current source of funding for services provided under this RFQ is the HUD ESG program.

Future sources for services provided under this RFQ may include other federal, state, and local funds.
