Chapter 12Q of the S.F. Admin. Code is incorporated herein by reference, and Contractor agrees to comply with the HCAO in performing this contract. The text of the HCAO is available on the Living Wage/Living Health Division website at [www.sfgov.org/olse](http://www.sfgov.org/olse). The following is a general description of Contractor's responsibilities for providing health coverage to covered employees. See Chapter 12Q for specific requirements, exemptions, other obligations, etc.

a. For covered employees who live in San Francisco, or who provide covered services in San Francisco or at the S.F. Airport or at the San Bruno Jail, Contractor must do one of the following: (1) Offer health plan benefits that meet minimum standards set by the City; (2) Pay the City \$1.50 for each hour a covered employee works on this contract, not to exceed \$60 per week; (3) Participate in a health benefits program developed by the City.

b. For covered employees who do not live in San Francisco and who provide covered services outside of San Francisco, not at the S.F. Airport, and not at the San Bruno Jail, Contractor must do either of the following: (1) Offer health plan benefits that meet minimum standards set by the City; (2) Pay the covered employee \$1.50 for each hour a covered employee works on this contract, not to exceed \$60 per week.

29. **First Source Hiring Program** [if contract is greater than \$50,000 and if Contractor has an office in Alameda, San Francisco or San Mateo counties] a. **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapter 83 of the San Francisco Administrative Code ("this Chapter") are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. **First Source Hiring Agreement:** As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. The First Source Hiring agreement will set appropriate job notification and hiring goals for entry-level positions that occur at Contractor's local sites.

c. **Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. **Liquidated Damages.** Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
- (3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

(A) The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

(B) In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

e. **Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

30. **Prohibition on Political Activity with City Funds.** In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this contract. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this

section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this contract, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two years.

31. **Preservative-Treated Wood Containing Arsenic.** Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this contract unless an exemption from the requirements of Chapter 21G is obtained from the Department of Environment under Section 21G.5 of the Administrative Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

32. **Use of City Opinion.** Contractor shall not quote, paraphrase, or otherwise refer to or use any opinion of City, its officers or agents, regarding Contractor or Contractor's performance under this contract without prior written permission of Purchasing.

33. **Contract Interpretation; Choice of Law/Venue; Assignment.** Should any questions arise as to the meaning and intent of the contract, the matter shall be referred to Purchasing, who shall decide the true meaning and intent of the contract. This contract shall be deemed to be made in, and shall be construed in accordance with the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this contract shall be in San Francisco. This contract may be assigned only with the written approval of Purchasing.

34. **Proposal, Quotation and Attachments.** This contract incorporates by reference the provisions of any related bid request issued by City, any bid submitted by contractor, or both. This contract incorporates by reference the provision of any attachments.

35. **Provisions Controlling.** Contractor agrees that in the event of conflicting language between this contract and Contractor's printed form, the provisions of this contract shall take precedence. This section shall supersede any language in the contractor's terms and conditions attempting to nullify City terms and conditions or to resolve language conflicts in favor of the contractor's terms and conditions.

36. **Nondisclosure of Private Information.** Contractor has read and agrees to the terms set forth in SF Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

37. **Food Service Waste Reduction Requirements.** Contractor agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this agreement as though fully set forth. This provision is a material term of this agreement. By entering into this agreement, contractor agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that the sum of \$100 liquidated damages for the first breach, \$200 liquidated damages for the second breach in the same year, and \$500 liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of contractor's failure to comply with this provision.

38. **Slavery Era Disclosure.** [This paragraph applies if this contract is for financial services, insurance, or textiles.] a. Contractor acknowledges that this contract shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."

b. In the event the Director finds that Contractor has failed to file an affidavit as required by Section 12Y.4(a) and this contract, or has willfully filed a false affidavit, the Contractor shall be liable for liquidated damages in an amount equal to the Contractor's net profit on the Contract, 10% of the total amount of the Contract, or \$1,000, whichever is greatest, as determined by the Director. Contractor acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Contractor from any Contract with the City.

c. Contractor shall maintain records necessary for monitoring its compliance with this provision.

entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

b. **Compliance and Enforcement.** If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City.

Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

19. **Nondiscrimination; Penalties.** a. **Contractor Shall Not Discriminate.** In the performance of this contract, Contractor agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Contractor, in any of Contractor's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Contractor.

b. **Subcontracts.** Contractor shall incorporate by reference in all subcontracts the provisions of §12B.2(a), 12B.2(c)-(k), and 12C.3 of the S.F. Administrative Code and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this contract.

c. **Nondiscrimination In Benefits.** Contractor does not as of the date of this contract and will not during the term of this contract, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the S.F. Administrative Code.

d. **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the S.F. Administrative Code are incorporated in this Section by reference and made a part of this contract as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this contract under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §12B.2(h) of the S.F. Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this contract may be assessed against Contractor and/or deducted from any payments due Contractor.

20. **MacBride Principles--Northern Ireland.** The City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

21. **Tropical Hardwoods.** The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. If this order is for wood products or a service involving wood products: (a) Chapter 8 of the S.F. Environment Code is incorporated herein and by reference made a part hereof as though fully set forth. (b) Except as expressly permitted by the application of Environment Code Secs. 802(b) and 803(b), Contractor shall not provide any items to the City in performance of this contract which are tropical hardwoods, tropical hardwood product, virgin redwood or virgin redwood product. Failure of Contractor to comply with any part of Chapter 8 of the Environment Code shall be deemed a material breach of contract.

22. **Resource Conservation.** Contractor agrees to comply fully with the San Francisco Environment Code, Chapter 5 ("Resource Conservation"), as amended from time to time. Said provisions are incorporated herein by reference and made a part of this contract as though fully set forth. Failure by Contractor to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

23. **Drug-Free Workplace Policy.** Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents, or assigns will be deemed a material breach of this Contract.

24. **Compliance with Americans with Disabilities Act.** Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Contract in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Contract.

25. **Sunshine Ordinance.** In accordance with §67.24(e) of the S.F. Admin. Code, contracts, contractors' bids, responses to RFPs and all other records of communications between City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

26. **Limitations on Contributions.** Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services or for the furnishing of any material, supplies or equipment to the City, whenever such transaction would require approval by a City elective officer of the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for the contract until the later of either (1) the termination of negotiations for such contract or (2) three months after the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

27. **Minimum Compensation Ordinance ("MCO") -- Service Contracts only.**

a. Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at [www.sfgov.org/olse/mco](http://www.sfgov.org/olse/mco). A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor.

f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 in the fiscal year.

28. **Health Care Accountability Ordinance (HCAO)** [Service contracts including agreements between a Tenant or Subtenant lasting 1 year or more only].

8. **Material Safety Data Sheets.** Where required by law, contractor will include Material Safety Data Sheets (MSDSs) with delivery for applicable items. Failure to include the MSDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.
9. **Taxes.** City is exempt from federal taxes except on articles for resale. Contractor will enter state and local sales or use tax, and excise tax if applicable, on invoices.

## B. General Contract Conditions

10. **Budget and Fiscal Provisions.** This contract is subject to the budget and fiscal provisions of City's Charter. Charges will accrue only after prior written authorization certified by City's Controller and amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This section shall control against any and all other provisions of this contract.
11. **Guaranteed Maximum Costs.** The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by laws governing emergency procedures, officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Commodities or Services beyond the agreed upon contract scope unless the changed scope is authorized by amendment and approved as required by law. Officers and employees of the City are not authorized to offer or promise, nor is the City required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which the contract is certified without certification of the additional amount by the Controller. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.
12. **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.
13. **Hold Harmless and Indemnification.** Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and

all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, or loss of or damage to property, resulting directly or indirectly from contractor's performance of this contract, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law and except where such loss, damage, injury, liability or claim is the result of willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorney's fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this contract.

14. **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THE AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED UNDER THIS CONTRACT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

15. **Termination and Termination for Convenience.** In the event Contractor fails to perform any of its obligations under this contract, in addition to any other remedies available to City, this contract may be terminated and all of Contractor's rights hereunder ended. Termination will be effective after ten days' written notice to Contractor. No new work will be undertaken, and no new deliveries will be made, after the date of receipt of any notice of termination, or five days after the date of the notice, whichever is earlier. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, under this contract to the satisfaction of the City, up to the date of termination. However, City may offset from any such amounts due Contractor any liquidated damages or other costs City has or will incur due to Contractor's nonperformance. Any such offset by City will not constitute a waiver of any other remedies City may have against Contractor for financial injury or otherwise. City may terminate this Contract for City's convenience and without cause at any time by giving Contractor thirty days' written notice of such termination. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, pursuant to this contract, to the satisfaction of the City up to the date of termination. In no event will City be liable for costs incurred by Contractor after receipt of a notice of termination. Such nonrecoverable costs include, but are not limited to, anticipated profits on this contract, post-termination employee salaries, post-termination administrative expenses, or any other cost which is not reasonable or authorized under this section. This section shall not prevent Contractor from recovering costs necessarily incurred in discontinuing further work, or canceling further deliveries, under the contract after receipt of the termination notice.

16. **Proprietary or Confidential Information of City.** Contractor understands and agrees that, in the performance of the work or services under this Contract or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

17. **Earned Income Credit (EIC) Forms.** Administrative Code Chapter 12Q requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. Contractor shall provide the Earned Income Credit (EIC) Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which the applicable Contract or Contract Amendment becomes effective (unless Contractor has already provided such EIC Forms at least once during the calendar year in question); (ii) promptly after any Eligible Employee is hired by Contractor; and (iii) annually between January 1 and January 31 of each calendar year during the term of the Contract. Failure to comply with the foregoing requirement shall constitute a material breach by Contractor of the terms of the Contract. If within 30 days after the Contractor receives written notice of such a breach, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, Contractor fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under the terms of the Contract or under applicable law.

18. **Local Business Enterprise Utilization; Liquidated Damages.** a. The LBE Ordinance. Contractor shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provision of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall

WHEREAS, approval for this Agreement was obtained when the Civil Service Commission approved Contract number 4152-09/10 on June 10, 2010:

Now, THEREFORE, the parties agree as follows:

**1. Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation.** This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

**2. Term of the Agreement.** Subject to Section 1, the term of this Agreement shall be from October 1<sup>st</sup>, 2013 to June 30<sup>th</sup>, 2015.

The City shall have the sole discretion to exercise the following options to extend the Agreement term:

- Option 1 July 1, 2015 through June 30, 2016
- Option 2 July 1, 2016 through June 30, 2017
- Option 3 July 1, 2017 through June 30, 2018
- Option 4 July 1, 2018 through June 30, 2019
- Option 5 July 1, 2019 through June 30, 2020
- Option 6 July 1, 2020 through June 30, 2021

3. **Effective Date of Agreement.** This Agreement shall become effective when the Controller has certified to the availability of funds and Contractor has been notified in writing.

4. **Services Contractor Agrees to Perform.** The Contractor agrees to perform the services provided for in Appendix A, "Description of Services," attached hereto and incorporated by reference as though fully set forth herein.

5. **Compensation.** Compensation shall be made in monthly payments on or before the 30th day of each month for work, as set forth in Section 4 of this Agreement, that the **Director of the Department of Public Health**, in his or her sole discretion, concludes has been performed as of the 1st day of the immediately preceding month. In no event shall the amount of this Agreement exceed Two Million Nine Hundred Twenty Four Thousand Six Hundred Fifty Dollars (\$2,924,650). The breakdown of costs associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. No charges shall be incurred under this Agreement nor shall any payments become due to Contractor until reports, services, or both, required under this Agreement are received from Contractor and approved by **Department of Public Health** as being in accordance with this Agreement. City may withhold payment to Contractor in any instance in which Contractor has failed or refused to satisfy any material obligation provided for under this Agreement. In no event shall City be liable for interest or late charges for any late payments.

6. **Guaranteed Maximum Costs.** The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by laws governing emergency procedures, officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Commodities or Services beyond the agreed upon contract scope unless the changed scope is authorized by amendment and approved as required by law. Officers and employees of the City are not authorized to offer or promise, nor is the City required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which the contract is certified without certification of the additional amount by the Controller. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.

7. **Payment; Invoice Format.** Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller, and must include a unique invoice number and must conform to Appendix F. All amounts paid by City to Contractor shall be subject to audit by City. Payment shall be made by City to Contractor at the address specified in the section entitled "Notices to the Parties."

8. **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at

<http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

**9. Disallowance.** If Contractor claims or receives payment from City for a service, reimbursement for which is later disallowed by the State of California or United States Government, Contractor shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other Agreement. By executing this Agreement, Contractor certifies that Contractor is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Contractor acknowledges that this certification of eligibility to receive federal funds is a material terms of the Agreement.

**10. Taxes.** Payment of any taxes, including possessory interest taxes and California sales and use taxes, levied upon or as a result of this Agreement, or the services delivered pursuant hereto, shall be the obligation of Contractor. Contractor recognizes and understands that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

1) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest;

2) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

3) Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

4) Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

**11. Payment Does Not Imply Acceptance of Work.** The granting of any payment by City, or the receipt thereof by Contractor, shall in no way lessen the liability of Contractor to replace unsatisfactory work, equipment, or materials, although the unsatisfactory character of such work,

equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay.

**12. Qualified Personnel.** Work under this Agreement shall be performed only by competent personnel under the supervision of and in the employment of Contractor. Contractor will comply with City's reasonable requests regarding assignment of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to complete the project within the project schedule specified in this Agreement.

**13. Responsibility for Equipment.** City shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or by any of its employees, even though such equipment be furnished, rented or loaned to Contractor by City.

#### **14. Independent Contractor; Payment of Taxes and Other Expenses**

a. **Independent Contractor.** Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement.

b. **Payment of Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Contractor is an employee for any other purpose, then Contractor agrees to a reduction in City's financial liability so that City's total expenses under this Agreement are not greater than they would have been had the court, arbitrator, or administrative authority determined that Contractor was not an employee.

#### **15. Insurance**

a. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

1) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

2) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and

3) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

4) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with professional services to be provided under this Agreement.

b. Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

1) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

c. Regarding Workers' Compensation, Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

d. All policies shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in the "Notices to the Parties" section:

e. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

f. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

g. Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not

reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

h. Before commencing any operations under this Agreement, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

i. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

## **16. Indemnification**

Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, including employees of Contractor or loss of or damage to property, arising directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Agreement, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

**17. Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

**18. Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 5 OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

**19. Left blank by agreement of the parties. (Liquidated damages)**

**20. Default; Remedies.** Each of the following shall constitute an event of default (“Event of Default”) under this Agreement:

(1) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

- |   |                                       |
|---|---------------------------------------|
| 8. Submitting False Claims; Monetary Penalties.     | 37. Drug-free workplace policy,       |
| 10. Taxes   | 53. Compliance with laws              |
| 15. Insurance                                       | 55. Supervision of minors             |
| 24. Proprietary or confidential information of City | 57. Protection of private information |
| 30. Assignment                                      | 58. Graffiti removal                  |

And, item I of Appendix D attached to this Agreement

2) Contractor fails or refuses to perform or observe any other term, covenant or condition contained in this Agreement, and such default continues for a period of ten days after written notice thereof from City to Contractor.

3) Contractor (a) is generally not paying its debts as they become due, (b) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors’ relief law of any jurisdiction, (c) makes an assignment for the benefit of its creditors, (d) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor’s property or (e) takes action for the purpose of any of the foregoing.

b. On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor all damages, losses, costs or expenses incurred by City as a result of such Event of Default and any liquidated damages due from Contractor pursuant to the terms of this Agreement or any other agreement.

c. All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

**21. Termination for Convenience**

a. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

b. Upon receipt of the notice, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

- 1) Halting the performance of all services and other work under this Agreement on the date(s) and in the manner specified by City.
- 2) Not placing any further orders or subcontracts for materials, services, equipment or other items.
- 3) Terminating all existing orders and subcontracts.
- 4) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. - 5) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.
- 6) Completing performance of any services or work that City designates to be completed prior to the date of termination specified by City.
- 7) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

c. Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

- 1) The reasonable cost to Contractor, without profit, for all services and other work City directed Contractor to perform prior to the specified termination date, for which services or work City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for services or other work. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.
- 2) A reasonable allowance for profit on the cost of the services and other work described in the immediately preceding subsection (1), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all services and other work under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.
- 3) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

d. In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in the immediately preceding subsection (c). Such non-recoverable costs include, but are not limited to,

anticipated profits on this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under such subsection (c).

e. f. City's payment obligation under this Section shall survive termination of this Agreement.

**23. Conflict of Interest.** Through its execution of this Agreement, Contractor acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

**24. Proprietary or Confidential Information of City**

a. Contractor understands and agrees that, in the performance of the work or services under this Agreement or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or

confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

b. Contractor shall maintain the usual and customary records for persons receiving Services under this Agreement. Contractor agrees that all private or confidential information concerning persons receiving Services under this Agreement, whether disclosed by the City or by the individuals themselves, shall be held in the strictest confidence, shall be used only in performance of this Agreement, and shall be disclosed to third parties only as authorized by law. Contractor understands and agrees that this duty of care shall extend to confidential information contained or conveyed in any form, including but not limited to documents, files, patient or client records, facsimiles, recordings, telephone calls, telephone answering machines, voice mail or other telephone voice recording systems, computer files, e-mail or other computer network communications, and computer backup files, including disks and hard copies. The City reserves the right to terminate this Agreement for default if Contractor violates the terms of this section.

c. Contractor shall maintain its books and records in accordance with the generally accepted standards for such books and records for five years after the end of the fiscal year in which Services are furnished under this Agreement. Such access shall include making the books, documents and records available for inspection, examination or copying by the City, the California Department of Health Services or the U.S. Department of Health and Human Services and the Attorney General of the United States at all reasonable times at the Contractor's place of business or at such other mutually agreeable location in California. This provision shall also apply to any subcontract under this Agreement and to any contract between a subcontractor and related organizations of the subcontractor, and to their books, documents and records. The City acknowledges its duties and responsibilities regarding such records under such statutes and regulations.

d. The City owns all records of persons receiving Services and all fiscal records funded by this Agreement if Contractor goes out of business. Contractor shall immediately transfer possession of all these records if Contractor goes out of business. If this Agreement is terminated by either party, or expires, records shall be submitted to the City upon request.

e. All of the reports, information, and other materials prepared or assembled by Contractor under this Agreement shall be submitted to the Department of Public Health Contract Administrator and shall not be divulged by Contractor to any other person or entity without the prior written permission of the Contract Administrator listed in Appendix A.

**25. Notices to the Parties.** Unless otherwise indicated elsewhere in this Agreement, all written communications sent by the parties may be by U.S. mail, e-mail or by fax, and shall be addressed as follows:

To CITY:	Office of Contract Management and Compliance Community Behavioral Health Services 1380 Howard Street, 4 <sup>th</sup> Floor San Francisco, California 94103	FAX: (415) 252-3518 e-mail: luciana.garcia@sfdph.org
And:	Joseph Cecere Community Behavioral Health Services 1380 Howard Street, 5 <sup>th</sup> Floor San Francisco, California 94103	FAX: (415) 255-3931 e-mail: joseph.cecere@sfdph.org

**26. Ownership of Results.** Any interest of Contractor or its Subcontractors, in drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, computer files and media or

other documents prepared by Contractor or its subcontractors in connection with services to be performed under this Agreement, shall become the property of and will be transmitted to City. However, Contractor may retain and use copies for reference and as documentation of its experience and capabilities.

**27. Works for Hire.** If, in connection with services performed under this Agreement, Contractor or its subcontractors create artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, blueprints, source codes or any other original works of authorship, such works of authorship shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such works are the property of the City. If it is ever determined that any works created by Contractor or its subcontractors under this Agreement are not works for hire under U.S. law, Contractor hereby assigns all copyrights to such works to the City, and agrees to provide any material and execute any documents necessary to effectuate such assignment. With the approval of the City, Contractor may retain and use copies of such works for reference and as documentation of its experience and capabilities.

**28. Audit and Inspection of Records**

a. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its work under this Agreement. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any federal agency having an interest in the subject matter of this Agreement shall have the same rights conferred upon City by this Section.

b. Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$500,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Said requirements can be found at the following website address: <http://www.whitehouse.gov/omb/circulars/a133/a133.html>. If Contractor expends less than \$500,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

c. The Director of Public Health or his / her designee may approve of a waiver of the aforementioned audit requirement if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

d. Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

**29. Subcontracting.** Contractor is prohibited from subcontracting this Agreement or any part of it unless such subcontracting is first approved by City in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made in violation of this provision shall confer no rights on any party and shall be null and void.

**30. Assignment.** The services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by the Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement.

**31. Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

**32. Earned Income Credit (EIC) Forms.** Administrative Code section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. Contractor shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Agreement becomes effective (unless Contractor has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by Contractor; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Agreement. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by Contractor of the terms of this Agreement. If, within thirty days after Contractor receives written notice of such a breach, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, Contractor fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law. Any Subcontract entered into by Contractor shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

**33. Local Business Enterprise Utilization; Liquidated Damages**

**a. The LBE Ordinance.** Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

**b. Compliance and Enforcement**

If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement,

or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City.

Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

#### **34. Nondiscrimination; Penalties**

**a. Contractor Shall Not Discriminate.** In the performance of this Agreement, Contractor agrees not to discriminate against any employee, City and County employee working with such contractor or subcontractor, applicant for employment with such contractor or subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

**b. Subcontracts.** Contractor shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from Purchasing) and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

**c. Nondiscrimination in Benefits.** Contractor does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

**d. Condition to Contract.** As a condition to this Agreement, Contractor shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

**e. Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by

reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Contractor and/or deducted from any payments due Contractor.

**35. MacBride Principles—Northern Ireland.** Pursuant to San Francisco Administrative Code §12F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Contractor acknowledges and agrees that he or she has read and understood this section.

**37. Drug-Free Workplace Policy.** Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents or assigns will be deemed a material breach of this Agreement.

**38. Resource Conservation.** Chapter 5 of the San Francisco Environment Code (“Resource Conservation”) is incorporated herein by reference. Failure by Contractor to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

**39. Compliance with Americans with Disabilities Act.** Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Agreement.

**40. Sunshine Ordinance.** In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors’ bids, responses to solicitations and all other records of communications between City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

**41. Public Access to Meetings and Records.** If the Contractor receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Contractor shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Contractor agrees to open its meetings and records to the public in the manner set forth in §§12L.4 and 12L.5 of the Administrative Code. Contractor further agrees to make-good faith efforts to promote community membership on its Board of Directors in the manner set forth in §12L.6 of the Administrative Code. The Contractor

acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Contractor further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

**42. Limitations on Contributions.** Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Contractor further agrees to provide to City the names of each person, entity or committee described above.

**43. Requiring Minimum Compensation for Covered Employees**

a. Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at [www.sfgov.org/olse/mco](http://www.sfgov.org/olse/mco). A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor

f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 in the fiscal year.

**44. Requiring Health Benefits for Covered Employees.** Contractor agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at [www.sfgov.org/olse](http://www.sfgov.org/olse). Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

a. For each Covered Employee, Contractor shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Contractor chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission..

b. Notwithstanding the above, if the Contractor is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

c. Contractor's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Contractor if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to

completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

d. Any Subcontract entered into by Contractor shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Contractor shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Contractor shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Contractor based on the Subcontractor's failure to comply, provided that City has first provided Contractor with notice and an opportunity to obtain a cure of the violation.

e. Contractor shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Contractor's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

g. Contractor shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

h. Contractor shall keep itself informed of the current requirements of the HCAO.

i. Contractor shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

j. Contractor shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

k. Contractor shall allow City to inspect Contractor's job sites and have access to Contractor's employees in order to monitor and determine compliance with HCAO.

l. City may conduct random audits of Contractor to ascertain its compliance with HCAO. Contractor agrees to cooperate with City when it conducts such audits.

m. If Contractor is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Contractor later enters into an agreement or agreements that cause Contractor's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Contractor and the City to be equal to or greater than \$75,000 in the fiscal year.

#### **45. First Source Hiring Program**

a. **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and

made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. **First Source Hiring Agreement.** As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation

of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

- 6) Set the term of the requirements.
- 7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.
- 8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- 9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. **Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. **Exceptions.** Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. **Liquidated Damages.** Contractor agrees:

- 1) To be liable to the City for liquidated damages as provided in this section;
- 2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
- 3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.
- 4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- 5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

(a) The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

(b) In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

Therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. **Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

**46. Prohibition on Political Activity with City Funds.** In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Contractor's use of profit as a violation of this section.

**47. Preservative-treated Wood Containing Arsenic.** Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**48. Modification of Agreement.** This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

**49. Administrative Remedy for Agreement Interpretation – DELETED BY MUTUAL AGREEMENT OF THE PARTIES**

**50. Agreement Made in California; Venue.** The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

**51. Construction.** All paragraph captions are for reference only and shall not be considered in construing this Agreement.

**52. Entire Agreement.** This contract sets forth the entire Agreement between the parties, and supersedes all other oral or written provisions. This contract may be modified only as provided in Section 48, "Modification of Agreement."

**53. Compliance with Laws.** Contractor shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

**54. Services Provided by Attorneys.** Any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. No invoices for services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

**55. Supervision of Minors.** Contractor, and any subcontractors, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Contractor, or any subcontractor, in which he or she would have supervisory or disciplinary power over a minor under his or her care. If Contractor, or any subcontractor, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Contractor shall not hire, and shall prevent its subcontractors from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3). If Contractor, or any of its subcontractors, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Contractor shall comply, and cause its subcontractors to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Contractor shall provide, or cause its subcontractors to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian. Contractor shall expressly require any of its subcontractors with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subcontractor. Contractor acknowledges and agrees that failure by Contractor or any of its subcontractors to comply with any provision of this section of the Agreement shall constitute an Event of Default. Contractor further acknowledges and agrees that such Event of Default shall be grounds for the City to terminate the Agreement, partially or in its entirety, to recover from Contractor any amounts paid under this Agreement, and to withhold any future payments to Contractor. The remedies provided in this Section shall not limited any other remedy available to the City hereunder, or in equity or law for an Event of Default, and each remedy may be exercised individually or in combination with any other available remedy. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

**56. Severability.** Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the

validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

**57. Protection of Private Information.** Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

**58. Graffiti Removal.** Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti. Contractor shall remove all graffiti from any real property owned or leased by Contractor in the City and County of San Francisco within forty eight (48) hours of the earlier of Contractor's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Contractor to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure of Contractor to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

**59. Food Service Waste Reduction Requirements.** Effective June 1, 2007 Contractor agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Contractor agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this

Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Contractor's failure to comply with this provision.

**60. Left blank by agreement of the parties. (Slavery era disclosure)**

**61. Cooperative Drafting.** This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

**62. Dispute Resolution Procedure.** A Dispute Resolution Procedure is attached under the Appendix G to address issues that have not been resolved administratively by other departmental remedies.

**63. Additional Terms.** Additional Terms are attached hereto as Appendix D and are incorporated into this Agreement by reference as though fully set forth herein.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day first mentioned above.

**Program Code: 38H101**

**2. Nature of Document: New**

**3. Goal Statement**

The primary goal of the Benefits Counseling Program of Positive Resource Center through this contract is to represent eligible clients who are uninsured, underinsured, or at risk of losing insurance to pursue or maintain SSI/SSDI/CAP and corresponding Medi-Cal/Medicare, thus providing them with improved access to healthcare and the financial means to stabilize their living situation.

**4. Target Population**

Through this contract the program will serve clients of pre-assigned County DPH Mental Health Centers and people living with HIV/AIDS in San Francisco. For clients of DPH mental health sites, emphasis will be on reaching those with open episodes in the mental health system. For people living with HIV/AIDS in San Francisco, priority will be given to those eligible for disability benefits that are unable to work. For both populations, targeted clients will include those that have no income, low or very low incomes as defined by federal poverty standards, people who have time-limited income, and people receiving County Assistance CalWORKs or State Disability Insurance. Clients will be either uninsured, underinsured or at risk of losing public or private health insurance. These populations may include multiple diagnosed people, people who have been incarcerated, people with documented substance use, people who are homeless, single parents, people of color, immigrants, women, and the LGBT community.

**5. Modalities/Interventions**

Client Populations	UOS	UDC
Clients of DPH Mental Health Sites	5,514	386
Clients Receiving Cal WORKs	831	57
People Living with HIV/AIDS (PLWHA)	2,643	326
<b>Total</b>	<b>8,988</b>	<b>769</b>

**6. Methodology**

**Outreach, Recruitment, Promotion, and Advertisement**

Mental Health referrals, including CalWORKs clients, are made directly to the Benefits Counseling Program by DPH mental health programs that are pre-approved by DPH and PRC. People living with HIV/AIDS are most often referred by DPH funded public health clinics and hospitals, community-based organizations, county agencies and emergency service providers, as well as by individuals from San Francisco communities. The Managing Legal Director and Supervising Attorneys, in addition to benefits staff who have specific language proficiency, will provide training and technical assistance to staff of identified DPH County Mental Health sites and service providers who work with people living with HIV/AIDS on the mode of referral to the program and the disability process. PRC has a history of conducting outreach and trainings to physicians, public health staff, multi-disciplinary teams and other community-based organizations and clinics, and presents at state-wide and national conferences on effective SSI advocacy.

### Admission, Enrollment and Intake

Clients of DPH Mental Health Sites and Clients Receiving CalWORKs: DPH staff may identify and refer appropriate clients within the target population. After receiving a designated referral/release form in Spanish, English or Chinese, a PRC benefits staff member may schedule the client with an intake appointment.

People Living with HIV/AIDS: New clients seeking public disability benefits are screened by the benefits staff for program eligibility, and if eligible, are scheduled for an intake appointment after being prioritized for the following issues:

- clients who have no income or will have no income within the next month;
- clients who are currently on County Adult Assistance Program (GA) and are uninsured / underinsured.

Clients of the Benefits Counseling Program will be asked to sign relevant paperwork that may include an Appointment of Representative form, a HIPAA compliant Release of Information form, a copy of PRC's grievance procedure and other documents necessary within the scope of legal representation.

A case is considered opened once the following criteria are met:

- A client has signed an Appointment of Representative form and steps are being taken toward submission of an application for SSI/SSDI/CAP benefits or work is being done on the case at the Reconsideration or ALJ level of appeal, or
- Representation is being provided to mitigate barriers that impede qualifying for SSI/SSDI benefits or to mitigate barriers that cause SSI/SSDI eligibility to be terminated. Those barriers include Continuing Disability Reviews.

If clients are screened as ineligible for SSI, but eligible for Social Security Disability Insurance or Cash Assistance Program for Immigrants, the Benefits Counseling Program will represent on these issues, as well as facilitate the Medi-Cal application process with clients who meet non-medical eligibility and who have not already filed.

To maximize Medi-Cal coverage for clients and gain up to 3 months coverage prior to the SSI application's protected filing date – or to secure the earliest possible Medi-Cal application dates for clients who are determined eligible for SSDI, but not SSI – Benefits Counseling Program staff will follow the Medi-Cal expansion policies and procedures set forth by DPH after a client files an initial SSI application if the client does not already have a protective filing date for Medi-Cal.

Benefits Counseling Program staff submits an SSI/SSDI Medi-Cal Expansion Cover Letter to the State representative at the Medi-Cal Office housed within the SF Human Services Agency. This occurs after a claimant has had an intake appointment and has signed an Appointment of Representative Form. SSI-linked Medi-Cal Expansion forms are sent to the Medi-Cal Office on a monthly basis for all clients that received an intake during that month.

### Service Delivery Model

The principal site of service will be at 785 Market Street, 10th Floor in San Francisco. The program site is ADA compliant, centrally located and easily accessible from MUNI and BART. Office hours are maintained Monday through Friday, from 9:00 AM - 5:00 PM.

The Benefits Counseling Program will represent clients that:

- are at the initial stage of filing for SSI/SSDI/CAP benefits,
- are filing requests for reconsideration of a previous denial of benefits,
- are filing requests for hearings in front of an Administrative Law Judge,
- have filed a request for review with the Appeals Council, and/or
- have, or are facing benefits cessation at the initial level or above three levels of appeal due to Continuing Disability Reviews.

### Exit Criteria and Process

A client's case is considered active as long as Benefits Counseling Program staff is working to gain or maintain benefits for the client. Once a client case is won and all benefits are in effect, Benefits Counseling Program staff advises clients on future issues that may affect benefits. After this final review, the client's file is closed and the client's record is marked as closed in the benefits status database.

A client's case will be closed when the SSI/SSDI/CAPI application is awarded, or client becomes ineligible as follows:

- Client notifies PRC that they have moved out of SF County and the claim is closed.
- Claim is denied and all levels of administrative appeal are exhausted.
- Client has not worked enough to qualify for Social Security Disability Insurance, but their assets disqualify them for Supplemental Security Income or CAPI.
- Client returns to work earning above substantial gainful activity for more than six consecutive months during the first year of alleged disability.
- Clients served under the HSA Work Order must remain active on CalWORKs as defined by the client having his/her CalWORKs application open and passing HSA eligibility test for receiving cash assistance. PRC will stop providing services under the HSA Work Order after the client has not been active in CalWORKs for over two consecutive months.

Benefits Counseling Program staff will notify DPH when a case is closed, in accordance with the Closure Sheet. SSA Notice of Award documents will be submitted minimally to DPH on a bi-weekly basis.

### Program Staffing

The Benefits Counseling Program has a Managing Legal Director leading the project, with a team of Supervising Attorneys and Staff Attorneys representing clients. The Managing Legal Director and Supervising Attorneys hire, train, supervise and evaluate the work of the staff, conduct file reviews, research changes in disability benefits laws and regulations, help develop community linkages for the program, present at national conferences and continuing education symposiums, and prepare written materials for both clients and providers. They also act as benefits advocates and hearings representatives when needed. Other Benefits Counseling Program staff includes a Quality Assurance Manager and Legal Assistants. Administrative staff assigned to the contract includes Executive Director, Administrative Director, Front Office Coordinator, IT Manager and Finance Manager.

The Benefits Counseling staff has developed particular expertise working with dual, triple and quadruple diagnosed clients. Staff has extensive expertise in obtaining benefits for disabled clients who also have substance use and/or mental health issues and practices client-centered and harm reduction SSI advocacy. PRC has made it a priority for the agency to remain culturally and linguistically competent in order to ensure that monolingual clients have full access to services. Eight of our Benefits Counseling staff are bicultural and bilingual and provide in-house legal services in Spanish, Cantonese, Vietnamese, Russian and Tagalog.

## 7. Objectives and Measurements

All objectives, and descriptions of how objectives will be measured, are contained in the CBHS document entitled Performance Objectives FY 13-14.

## 8. Continuous Quality Improvement

The Benefits Counseling Program abides by the standards of care for services as described in Making the Connection: Standards of Care for Client-Centered Services. The Managing Legal Director trains all new staff at hire using the Benefits Counseling Policy and Procedures Manual which is available on the shared network for ongoing review. Any changes are discussed at Team Meetings. The Managing Legal Director and Supervising Attorneys ensure that staff follows policies and procedures during weekly Supervision Meetings to assure the provision of service delivery.

In order to document progress of client cases, files are created for new clients after an intake with an advocate is completed. File contents are organized into four sections to ensure uniformity: contact logs, administrative paperwork, correspondence, and medical records. The Managing Legal Director and/or Supervising Attorneys review client files as part of weekly supervision meetings when cases are discussed to ensure uniformity, proper organization of data, completion of required forms, progress toward achievement of the benefits plan and evidence of proper follow-up. Indicators for reviewing files include the completion of relevant administrative forms, including an initial or current registration on ARIES, a copy of the Grievance, ADA and Language Access Policies and Procedures, current and up-to-date contact logs, HIPAA compliant releases of information, DPH Notice of HIPAA Privacy Policy, a review of all eligible benefits, a plan to achieve benefits, a Representative form for Social Security, an attorney retainer agreement, relevant correspondence and medical records. During weekly Team Meetings and Case Conferences, advocates bring new intake files, give a brief case synopsis and pass the file around to the team. This further ensures that new client files are in order and appropriate action plans are created.

A Benefits Counseling Database is maintained which documents all clients enrolled and served, including relevant statistical information. When a benefits claim is initiated, information is entered into the Database in order to efficiently track the progress of the claim and create an additional level of quality assurance. The Database tracks filing dates, appeal deadlines, level of appeal, onset date of disability and relevant notes. All active claims/issues are marked as "Active" on the database. When cases are resolved, the award information is entered into the database, including the date of the award, amount obtained and retroactive amount. The Quality Assurance Manager is responsible for monitoring the Database, tracking claims, procuring and submitting documentation, reporting outcomes through spreadsheet development, ensuring that files are properly closed out and maintaining efficient and effective protocol to ensure compliance with contract objectives and legal duties.

Applicable DPH Privacy Policies are integrated into the program's adopted, approved and implemented policies and procedures. All required documentation for auditing is maintained and up-to-date, and all record-keeping complies with the timeline required by DPH and is submitted as follows:

Type of Documentation / Information	Timelines / Due Dates
I. SSI/SSDI Medi-Cal Expansion Forms and/or SSI/SSDI Cover Letters to Medi-Cal Office	I. By the end of each month for all clients that received an intake during that month
II. Closure Sheets to Medi-Cal Office	II. Monthly, as received and processed
III. SSA Award Letters to Medi-Cal Office	III. Monthly, as received and processed
IV. Contract Documents (App A and App B) to SFDPH Contract Development and Technical Assistance (CDTA) Unit	IV. Will comply with SFDPH deadlines
V. DPH Declaration of Compliance and Required Reports	V. As specified by the SFDPH Business Office Contract Compliance (BOCC) Unit
VI. DPH Contract Performance Tracking Report: A. Monitoring Protocol Response B. Client Demographics	VI. Will comply with SFDPH System of Care and BOCC requirements for reporting as requested

Although the Benefits Counseling Program is not funded with Ryan White dollars, PRC collects and submits unduplicated client and services data through the DPH HIV Client and Services Database for the Ryan White eligible HIV/AIDS clients served through DPH funds. PRC complies with HIV Health Services (HHS) policies and procedures for collecting and maintaining timely, complete and accurate unduplicated client and service information in the Database. New client registration data is entered within 48 hours or two working days after data is collected. Service data for the preceding month, including units of service, is entered by the 15th working day of each month. The deliverables are consistent with the information that is submitted to the appropriate DPH Budget and Finance section on the "Monthly Statements of Deliverables and Invoice."

Continuous staff training through continuing legal education, in-services and attendance at community workshops ensures program staff is aware of the latest information and tools for effectively advocating on behalf of clients. The Agency's cultural and linguistic competency will continue to improve through sending staff to trainings covering cultural competency issues relevant to underserved communities, hosting in-service presentations by agencies serving specific populations, providing outreach to agencies that serve targeted clients, and attending City sponsored cultural competency trainings whenever available. Benefits Counseling Program staff conduct cross training during weekly team meetings in areas which individuals have developed particular expertise.

Client Satisfaction Surveys are mechanisms used for identifying areas for quality improvement. Clients receive a Client Satisfaction Survey by mail four months after intake. In addition, surveys are displayed in each staff's office for clients to pick up, complete and anonymously drop in a box in the lobby. The survey tracks satisfaction with overall services, courtesy, accuracy and helpfulness of information, confidentiality, and cultural competency, and also gives clients an opportunity to submit written comments and suggest changes they would like to see. We particularly invite clients to give us feedback on areas where they feel we could improve. The Front Office Coordinator collects and tallies all completed surveys on a monthly basis for submission to the Managing Legal Director. Results of the surveys are analyzed by the Managing Legal Director and discussed with the Executive Director. The Managing Legal Director shares pertinent information gathered from the client satisfaction surveys as needed at weekly team meetings in order to continue to deliver state-of-the-art benefits advocacy.

The Managing Legal Director or Supervisors evaluate the performance of Program staff that they supervise after the completion of an initial 90-day probationary period and annually thereafter and record the findings of these evaluations in confidential personnel folders maintained for each staff member. The Executive Director reviews all performance evaluations before they are finalized.

Results of all quality improvement activities are discussed with Benefits Counseling Program staff at team meetings and case conferences to determine any program changes that could improve client services. The Executive Director and Managing Legal Director meet on a twice monthly basis to discuss program protocols, the need for any changes based upon client and provider feedback or staff recommendations, or possible program design or methodology changes needed to meet program objectives. The Managing Legal Director submits a written report to the Board of Directors prior to Board meetings summarizing advocacy results, programmatic changes and progress towards outcome and process objectives.

**Appendix B**  
**Calculation of Charges**

**I. Method of Payment**

A. Invoices furnished by CONTRACTOR under this Agreement must be in a form acceptable to the Contract Administrator and the CONTROLLER and must include the Contract Progress Payment Authorization number or Contract Purchase Number. All amounts paid by CITY to CONTRACTOR shall be subject to audit by CITY. The CITY shall make monthly payments as described below. Such payments shall not exceed those amounts stated in and shall be in accordance with the provisions of Section 5, COMPENSATION, of this Agreement.

Compensation for all SERVICES provided by CONTRACTOR shall be paid in the following manner. For the purposes of this Section, "General Fund" shall mean all those funds which are not Work Order or Grant funds. "General Fund Appendices" shall mean all those appendices which include General Fund monies.

(1) Fee For Service (Monthly Reimbursement by Certified Units at Budgeted Unit Rates)

CONTRACTOR shall submit monthly invoices in the format attached, Appendix F, and in a form acceptable to the Contract Administrator, by the fifteenth (15<sup>th</sup>) calendar day of each month, based upon the number of units of service that were delivered in the preceding month. All deliverables associated with the SERVICES defined in Appendix A times the unit rate as shown in the appendices cited in this paragraph shall be reported on the invoice(s) each month. All charges incurred under this Agreement shall be due and payable only after SERVICES have been rendered and in no case in advance of such SERVICES.

(2) Cost Reimbursement (Monthly Reimbursement for Actual Expenditures within Budget):

CONTRACTOR shall submit monthly invoices in the format attached, Appendix F, and in a form acceptable to the Contract Administrator, by the fifteenth (15<sup>th</sup>) calendar day of each month for reimbursement of the actual costs for SERVICES of the preceding month. All costs associated with the SERVICES shall be reported on the invoice each month. All costs incurred under this Agreement shall be due and payable only after SERVICES have been rendered and in no case in advance of such SERVICES.

B. Final Closing Invoice

(1) Fee For Service Reimbursement:

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those SERVICES rendered during the referenced period of performance. If SERVICES are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY. CITY'S final reimbursement to the CONTRACTOR at the close of the Agreement period shall be adjusted to conform to actual units certified multiplied by the unit rates identified in Appendix B attached hereto, and shall not exceed the total amount authorized and certified for this Agreement.

(2) Cost Reimbursement:

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those costs incurred during the referenced period of performance. If costs are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY.

C. Payment shall be made by the CITY to CONTRACTOR at the address specified in the section entitled "Notices to Parties."

D. Upon the effective date of this Agreement, contingent upon prior approval by the CITY'S Department of Public Health of an invoice or claim submitted by Contractor, and of each year's revised Appendix A (Description of Services) and each year's revised Appendix B (Program Budget and Cost Reporting Data Collection Form), and within each fiscal year, the CITY agrees to make an initial payment to CONTRACTOR not to exceed twenty-five per cent (25%) of the General Fund portion of the CONTRACTOR'S allocation for the applicable fiscal year.

CONTRACTOR agrees that within that fiscal year, this initial payment shall be recovered by the CITY through a reduction to monthly payments to CONTRACTOR during the period of October 1 through March 31 of the applicable fiscal year, unless and until CONTRACTOR chooses to return to the CITY all or part of the initial payment for that fiscal year. The amount of the initial payment recovered each month shall be calculated by dividing the total initial payment for the fiscal year by the total number of months for recovery. Any termination of this Agreement, whether for cause or for convenience, will result in the total outstanding amount of the initial payment for that fiscal year being due and payable to the CITY within thirty (30) calendar days following written notice of termination from the CITY.

**2. Program Budgets and Final Invoice**

A. Program Budget is listed below and is attached hereto.

Appendix B-1 SSI Advocacy Services and Benefits Counseling

**B. COMPENSATION**

Compensation shall be made in monthly payments on or before the 30<sup>th</sup> day after the DIRECTOR, in his or her sole discretion, has approved the invoice submitted by CONTRACTOR. The breakdown of costs and sources of revenue associated with this Agreement appears in Appendix B, Cost Reporting/Data Collection (CR/DC) and Program Budget, attached hereto and incorporated by reference as though fully set forth herein. The maximum dollar obligation of the CITY under the terms of this Agreement shall not exceed Two Million Nine Hundred Twenty Four Thousand Six Hundred Fifty Dollars (\$2,924,650) for the period of October 1, 2013 through June 30, 2015.

CONTRACTOR understands that, of this maximum dollar obligation, \$313,355 is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

(1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. CONTRACTOR shall create these Appendices in compliance with the instructions of the Department of Public Health. These Appendices shall apply only to the fiscal year for which they were created. These Appendices shall become part of this Agreement only upon approval by the CITY.

(2) CONTRACTOR understands that, of the maximum dollar obligation stated above, the total amount to be used in Appendix B, Budget and available to CONTRACTOR for the entire term of the contract is as follows, notwithstanding that for each fiscal year, the amount to be used in Appendix B, Budget and available to CONTRACTOR for that fiscal year shall conform with the Appendix A, Description of Services, and a Appendix B, Program Budget and Cost Reporting Data Collection form, as approved by the CITY's Department of Public Health based on the CITY's allocation of funding for SERVICES for that fiscal year.

October 1, 2013 through June 30, 2014	\$1,120,187
July 1, 2014 through June 30, 2015	\$1,491,108
Total	<u>\$2,611,295</u>
contingency	<u>\$313,355</u>
total	\$2,924,650

(3) CONTRACTOR understands that the CITY may need to adjust sources of revenue and agrees that these needed adjustments will become part of this Agreement by written modification to CONTRACTOR. In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.

C. CONTRACTOR agrees to comply with its Budget as shown in Appendix B in the provision of SERVICES. Changes to the budget that do not increase or reduce the maximum dollar obligation of the CITY are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. CONTRACTOR agrees to comply fully with that policy/procedure.

D. No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

E. In no event shall the CITY be liable for interest or late charges for any late payments.

F. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

Section 17935(d)(2); however, this prohibition shall not affect payment by CE to BA for services provided pursuant to the Contract.
- d.* **Appropriate Safeguards.** BA shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information otherwise than as permitted by the Contract or Addendum, including, but not limited to, administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Protected Information, in accordance with 45 C.F.R. Section 164.504(e)(2)(ii)(D); 45 C.F.R. Section 164.308(b)]. Sections 164.530(f) and 164.530(e)(1)).
- g.* **Access to Protected Information.** BA shall make Protected Information maintained by BA or its agents or subcontractors available to CE for inspection and copying within ten (10) days of a request by CE to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Information available to CE for amendment and incorporate any such amendment to enable CE to fulfill its obligation under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If any individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request. Any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors shall be the responsibility of CE [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

- i.* **Accounting Rights.** Within ten (10) calendar days of notice by CE of a request for an accounting for disclosures of Protected Information or upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents or subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935(c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to BA or its agents or subcontractors, BA shall within five (5) calendar days of a request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. BA shall not disclose any Protected Information except as set forth in Section's 2.b. of this Addendum [45 C.F.R. Sections 164.504(e)(2)(ii)(G) and 165.528]. The provisions of this subparagraph h shall survive the termination of this Agreement.
- j.* **Governmental Access to Records.** BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with the Privacy Rule [45 C.F.R. Section 164.504(e)(2)(ii)(H)]. BA shall provide to CE a copy of any Protected Information that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.
- k.* **Minimum Necessary.** BA (and its agents or subcontractors) shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use or disclosure. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)(3)] BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."
- l.* **Data Ownership.** BA acknowledges that BA has no ownership rights with respect to the Protected Information.

- m. **Business Associate's Insurance.*** BA shall maintain a sufficient amount of insurance to adequately address risks associated with BA's use and disclosure of Protected Information under this Addendum.
- n. **Notification of Breach.*** During the term of the Contract, BA shall notify CE within twenty-four (24) hours of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- o. **Breach Pattern or Practice by Covered Entity.*** Pursuant to 42 U.S.C. Section 17934(b), if the BA knows of a pattern of activity or practice of the CE that constitutes a material breach or violation of the CE's obligations under the Contract or Addendum or other arrangement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the Contract or other arrangement if feasible, or if termination is not feasible, report the problem to the Secretary of DHHS. BA shall provide written notice to CE of any pattern of activity or practice of the CE that BA believes constitutes a material breach or violation of the CE's obligations under the Contract or Addendum or other arrangement within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.
- p. **Audits, Inspection and Enforcement.*** Within ten (10) calendar days of a written request by CE, BA and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether BA has complied with this Addendum; provided, however, that (i) BA and CE shall mutually agree in advance upon the scope, timing and location of such an inspection, (ii) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA's facilities, systems, books, records, agreements, policies and procedures does not relieve BA of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify BA or require BA's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract or Addendum, BA shall notify CE within ten (10) calendar days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office for Civil Rights.

### 3. Termination

- a. **Material Breach.*** A breach by BA of any provision of this Addendum, as determined by CE, shall constitute a material breach of the Contract and shall provide grounds for immediate termination of the Contract, any provision in the Contract to the contrary notwithstanding, [45 C.F.R. Section 164.504(e)(2)(iii)].
- b. **Judicial or Administrative Proceedings.*** CE may terminate the

Contract, effective immediately, if (i) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

- c. **Effect of Termination.** Upon termination of the Contract for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections of Section 2 of this Addendum to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible[45 C.F.R. Section 164.504(e)(ii)(2)(I)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed.

#### 4. **Limitation of Liability**

Any limitations of liability as set forth in the contract shall not apply to damages related to a breach of the BA's privacy or security obligations under the Contract or Addendum.

#### 5. **Disclaimer**

CE makes no warranty or representation that compliance by BA with this Addendum, HIPAA, the HITECH Act, or the HIPAA Regulations will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

#### 6. **Certification**

To the extent that CE determines that such examination is necessary to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine BA's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which BA's security safeguards comply with HIPAA, the HITECH Act, the HIPAA Regulations or this Addendum.

#### 7. **Amendment**

- a. **Amendment to Comply with Law.** The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Contract or Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of HIPAA, the

HITECH Act, the Privacy Rule, the Security Rule or other applicable laws. CE may terminate the Contract upon thirty (30) calendar days written notice in the event (i) BA does not promptly enter into negotiations to amend the Contract or Addendum when requested by CE pursuant to this Section or (ii) BA does not enter into an amendment to the Contract or Addendum providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

#### **8. Assistance in Litigation or Administrative Proceedings**

BA shall make itself, and any subcontractors, employees or agents assisting BA in the performance of its obligations under the Contract or Addendum, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees based upon a claimed violation of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where BA or its subcontractor, employee or agent is a named adverse party.

#### **9. No Third-Party Beneficiaries**

Nothing express or implied in the Contract or Addendum is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

#### **10. Effect on Contract**

Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Contract shall remain in force and effect.

#### **11. Interpretation**

The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. This Addendum and the Contract shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule. The parties agree that any ambiguity in this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule.

#### **12. Replaces and Supersedes Previous Business Associate Addendums or Agreements**

This Business Associate Addendum replaces and supersedes any previous business associate addendums or agreements between the parties hereto.

### Dispute Resolution Procedure For Health and Human Services Nonprofit Contractors 9-06

#### Introduction

The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at [http://www.sfgov.org/site/npcontractingtf\\_index.asp?id=1270](http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270). The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit contractors. Any questions or concerns about this Dispute Resolution Procedure should be addressed to [purchasing@sfgov.org](mailto:purchasing@sfgov.org).

#### Dispute Resolution Procedure

The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services contractors.

Contractors and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department.

If informal discussion has failed to resolve the problem, contractors and departments should employ the following steps:

- Step 1 The contractor will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program,

reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the contractor or provide a written response to the contractor within 10 working days.

- Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the contractor may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to the contractor. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.
- Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the contractor may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the contractor. The Department will respond in writing within 10 working days.

In addition to the above process, contractors have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at [http://www.sfgov.org/site/npcontractingtf\\_index.asp?id=1270](http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270).

The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites contractors to submit concerns about a department's implementation of the policies and procedures. Contractors can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. The contractor must submit the request in writing to [purchasing@sfgov.org](mailto:purchasing@sfgov.org). This request shall describe both the nature of the concern and why the process to date is not satisfactory to the contractor. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

## Appendix H

### San Francisco Department of Public Health Privacy Policy Compliance Standards

As part of this Agreement, Contractor acknowledges and agrees to comply with the following:

In City's Fiscal Year 2003/04, a DPH Privacy Policy was developed and contractors advised that they would need to comply with this policy as of July 1, 2005.

As of July 1, 2004, contractors were subject to audits to determine their compliance with the DPH Privacy Policy using the six compliance standards listed below. Audit findings and corrective actions identified in City's Fiscal year 2004/05 were to be considered informational, to establish a baseline for the following year.

Beginning in City's Fiscal Year 2005/06, findings of compliance or non-compliance and corrective actions were to be integrated into the contractor's monitoring report.

**Item #1: DPH Privacy Policy is integrated in the program's governing policies and procedures regarding patient privacy and confidentiality.**

As Measured by: Existence of adopted/approved policy and procedure that abides by the rules outlined in the DPH Privacy Policy

**Item #2: All staff who handle patient health information are oriented (new hires) and trained in the program's privacy/confidentiality policies and procedures.**

As Measured by: Documentation showing individual was trained exists

**Item #3: A Privacy Notice that meets the requirements of the Federal Privacy Rule (HIPAA) is written and provided to all patients/clients served in their threshold and other languages. If document is not available in the patient's/client's relevant language, verbal translation is provided.**

As Measured by: Evidence in patient's/client's chart or electronic file that patient was "noticed." (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

**Item #4: A Summary of the above Privacy Notice is posted and visible in registration and common areas of treatment facility.**

As Measured by: Presence and visibility of posting in said areas. (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

**Item #5: Each disclosure of a patient's/client's health information for purposes other than treatment, payment, or operations is documented.**

As Measured by: Documentation exists.

**Item #6: Authorization for disclosure of a patient's/client's health information is obtained prior to release (1) to non-treatment providers or (2) from a substance abuse program.**

As Measured by: An authorization form that meets the requirements of the Federal Privacy Rule (HIPAA) is available to program staff and, when randomly asked, staff are aware of circumstances when authorization form is needed.

In a declared emergency, CONTRACTOR'S employees shall become emergency workers and participate in the emergency response of Community Programs, Department of Public Health. Contractors are required to identify and keep Community Programs staff informed as to which two staff members will serve as CONTRACTOR'S prime contacts with Community Programs in the event of a declared emergency.

## Appendix J

### THE DECLARATION OF COMPLIANCE

Each Fiscal Year, CONTRACTOR attests with a Declaration of Compliance that each program site has an Administrative Binder that contains all of the forms, policies, statements, and documentation required by Community Behavioral Health Services (CBHS).
