We do work with a variety of external vendors and subcontractors and have listed some of these third parties and the different capacities in which we interact with them. Due to the broad spectrum of UnitedHealth Group businesses and variations in the contractual relationships we have with each vendor or subcontractor, this list is subject to change and should not be considered exhaustive. We will be responsible for holding our vendors to the same standards and requirements to which we agree. We will accept responsibility to the extent that our subcontracted vendor fails to meet any contractual obligation assumed by us.

5. In California, corporate contributions are legal, and all of our political giving is through the United HealthCare Services, Inc. corporate entity, which registers as a major donor committee with the state.
