16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. Findings. The Board of Supervisors of the City and County of San Francisco
18 hereby finds and determines that:

19 (a) Pursuant to Planning Code Section 302, this Board of Supervisors finds that this
20 Ordinance will serve the public necessity, convenience and welfare for the reasons set forth in
21 Planning Commission Resolution No. 17494 and incorporates said Resolution
22 herein by reference. A copy of said resolution is on file with the Clerk of the Board of
23 Supervisors in File No. 080339.

24 (b) This Board of Supervisors finds that this Ordinance is consistent with the General
25 Plan and Priority Policies of Section 101.1(b) of the Planning Code for the reasons set forth in

1 the Planning Commission Resolution No. 17494 and incorporates said Resolution
2 herein by reference. A copy of said resolution is on file with the Clerk of the Board of
3 Supervisors in File No. 080339.

4 (c) Environmental Findings. The Planning Department has determined that the actions
5 contemplated in this Ordinance are in compliance with the California Environmental Quality
6 Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file
7 with the Clerk of the Board of Supervisors in File No. 080339 and is incorporated
8 herein by reference.

9 Section 2. The San Francisco Planning Code is hereby amended by adding Sections
10 121.5, 121.7, 230 and 249.32 to read as follows:

11 **SEC. 121.5. USE SIZE LIMITS (NON-RESIDENTIAL), PDR DISTRICTS.**

12 In order to preserve land and building space for light industrial activities, non-accessory retail
13 and office uses that exceed the square footage stated in the table below shall not be permitted in PDR
14 Districts. The use area shall be measured as the occupied floor area of all retail or offices activities on
15 a lot, as defined in the land use controls for PDR Districts in Section 218 (Retail Sales and Personal
16 Services) and Section 219 (Offices) of this Code. Additionally, a cumulative use size maximum applies
17 in PDR Districts, such that the combined floor area of any and all uses permitted by Sections 218 and
18 219 may not exceed the limits stated in the table below for any given lot.

19 These use size maximum limits shall not apply to accessory uses, as defined in Section 204.3 of
20 this Code.

21

1 **SEC. 121.7. SUBDIVISION OF LARGE LOTS, PDR DISTRICTS.**

2 In order to promote, protect, and maintain viable space for a wide range of light
3 industrial uses in PDR Districts, in furtherance of Objective 4 of the Commerce and Industry Element
4 and Policies 1.5 and 8.1 of the Bayview Hunters Point Area Plan, any proposal to subdivide,
5 resubdivide, or perform a lot line adjustment to a parcel that is equal to or greater than 10,000 square
6 feet, into one or more smaller parcels, shall be permitted only with conditional use approval.

7 Additionally, all proposals for the subdivision, resubdivision, or lot line adjustments of parcels
8 in PDR Districts shall be evaluated in consideration of the following criteria in order to further
9 Objective 4 of the Commerce and Industry Element and Policies 1.5 and 8.1 of the Bayview Hunters
10 Point Area Plan:

11 (1) The proposed parcelization will support light industrial activities in the district.

12 (2) If the resulting parcelization will require demolition of a structure, the demolition of the
13 structure complies with the replacement requirement per Section 230.

14 (3) The uses proposed for the parcels, if any, comply with the cumulative use size limits per
15 Section 121.5, and other requirements of this Code.

16 **SEC. 230. DEMOLITION OF INDUSTRIAL BUILDINGS IN PDR DISTRICTS,**
17 **REPLACEMENT REQUIREMENTS.**

18 (a) In order to preserve the existing stock of buildings suitable for industrial activities and to
19 create new viable space for industrial operations in PDR Districts, ~~proposals to demolish an~~
20 industrial buildings that is not unsound and is proposed for demolition must be replaced by a
21 new building that complies with the criteria set forth below: are subject to the following
22 replacement requirements.

23 (1) If the building proposed for demolition represents greater than 0.4 FAR, then the
24 replacement building shall include at least one square foot of industrial use for each square
25 foot of industrial use in the building proposed for demolition.

1 (2) If the building proposed for demolition represents 0.4 FAR or less, then the
 2 replacement building shall include at least two square feet of industrial use for each square
 3 foot of industrial use in the building proposed for demolition.

4 (b) Definitions. For the purpose of this subsection, the following definitions shall
 5 apply:

6 (1) Unsound shall refer to buildings in which rehabilitation would cost fifty percent
 7 (50%) or more to construct a comparable building.

8 (2) Industrial use shall refer to any legally authorized use of a building or portion of
 9 a building that is included in Planning Code Section 220 or 222 through 227.

10 (3) An industrial building shall mean any building containing any industrial use.

	Demolition	Replacement requirement	Ratio applied (3)
Unsound Structure (1)	P	Yes	None Applicable
Sound Structure	P if primary proposed use is industrial (2)	Yes	If all buildings proposed for demolition represent greater than 0.3 FAR, then 1:1 For lots less than, or equal to, 0.4 FAR then 2:1

19 (1) If the cost of rehabilitation exceeds 50% of the replacement cost of a
 20 comparable structure.

21 (2) A principally permitted use per Sections 220, or 222-227 of this Code.

22 (3) Ratio given refers to the square footage of building space required in the
 23 replacement project versus the square footage of the demolished structures.

24 **SECTION 249.32. SOUTH BASIN DESIGN AND DEVELOPMENT SPECIAL USE DISTRICT**

1 In recognition of existing large parcels where a limitation on office square footage per lot
2 would be proportionally inappropriate, to accommodate office space for activities that require space
3 outside of downtown, to provide affordable office space to small firms and organizations which may be
4 engaged in incubator businesses and microenterprises, and to accommodate office space in relation to
5 the agglomeration of internet, telecommunications and related utility uses in the immediate area, there
6 shall be a Design and Development Special Use District applied to certain portions of the South Basin
7 area west of Third Street, and to parcels on Third Street near the intersections of Cargo Way, Custer
8 Avenue, Davidson Avenue, Evans Avenue, and Egbert Avenue, as shown on Sectional Map 10 SU of the
9 Zoning Map. The following provisions shall apply within such special use district:

10 (a) Except as described below, the specific use definitions and controls for PDR-1 and PDR-2
11 Districts, as detailed in Sections 213-277 of this Code, shall apply to lots within this Design and
12 Development SUD, including the accessory use provisions contained in Section 204.3.

13 (b) Any office use is permitted, limited to a floor area ratio of 0.25 of gross floor area to 1
14 square foot of lot area notwithstanding the office use size limitations of the PDR-2 District. In no case
15 shall office use be limited to less than the size allowed in a PDR-2 District under Planning Code
16 Section 219; nor shall it exceed a total of 50,000 square feet of gross floor area per lot.

17 (c) An office use above the amount permitted in Section 249.32(b) is permitted provided that
18 it shall be limited to the following activities:

19 (1) design activities, including but not limited to architectural, graphic, interior, product, and
20 industrial design;

21 (2) business service as defined in Planning Code Section 890.111;

22 (3) ancillary office activities related to internet, telecommunications, electronic networking
23 or data storage service and maintenance;

24 (4) digital media and arts.
25

1 (d) For all office use square footage greater than the amount permitted under 249.32(b), a
2 Notice of Special Restriction shall be executed by the Zoning Administrator and recorded in the Office
3 of the County Recorder, specifying that the office activities are limited to the uses permitted under
4 Planning Code Section 249.32(c).

5 (e) For all office use square footage greater than the amount permitted under 249.32(b), each
6 individual business shall be limited to 5,000 square feet of gross floor area.

7 (f) Off-street parking spaces shall be provided in the minimum amounts as follows:

8 (1) for office uses permitted under Section 249.32(b), according to Table 151 of this Code;

9 (2) for office uses permitted under Section 249.32(c), 1 space for every 2,500 square feet of
10 occupied floor area.

11 Section 3. The San Francisco Planning Code is hereby amended by amending
12 Sections 204.3, 204.4, 210, and 210.6 to read as follows:

13 **SEC. 204.3. ACCESSORY USES IN C, ~~AND M~~, AND PDR DISTRICTS.**

14 (a) No use shall be permitted as an accessory use to a lawful principal or
15 conditional use in any C-1 or C-2 District which involves or requires any of the following:

16 (1) The total employment for such accessory use of more than five persons in a C-1
17 District, or more than 10 persons in a C-2 District;

18 (2) The use of any single machine of more than one horsepower in a C-1 District, or
19 more than 2 1/2 horsepower in a C-2 District;

20 (3) The use of machines in any one establishment in an aggregate of more than five
21 horsepower in a C-1 District, or more than 10 horsepower in a C-2 District;

22 (4) The use of more than 1/4 of the total floor area occupied by such use and the
23 principal or conditional use to which it is accessory, except in the case of accessory off-street
24 parking or loading; or

1 (5) The production of goods not intended primarily for retail sale or use on the
2 premises.

3 (b) No use shall be permitted as an accessory use to a lawful principal or
4 conditional use in any C-3 District which involves or requires the use of any single machine of
5 more than five horsepower; or the use of more than 1/4 of the total floor area occupied by
6 such use and the principal or conditional use to which it is accessory, except in the case of
7 accessory off-street parking and loading. These limitations shall not apply to equipment or
8 machines pertaining integrally to the lawful principal use itself.

9 (c) Notwithstanding the provisions of Sections 227(h) and (i) and 260(b)(2)(I) and
10 (M) of this Code, an accessory use to a lawful principal or conditional use in any C or M
11 District which involves or requires the installation of a tower or antenna solely for the reception
12 of radio and television broadcasts for the exclusive benefit of the residents or occupants in the
13 building on which the antenna is placed shall be permitted without regard to the height of such
14 tower or antenna and without regard to the proximity of such tower or antenna to any R
15 District.

16 (d) No use shall be permitted as an accessory use to a lawful principal or conditional use in
17 any PDR District which involves or requires the use of more than one-third (1/3) of the total floor area
18 occupied by such use and the principal or conditional use to which it is accessory, except in the case of
19 accessory off-street parking and loading.

20 **SEC. 204.4. DWELLING UNITS ACCESSORY TO OTHER USES.**

21 (a) In any R, NC, or C District, one dwelling unit to serve as the residence of a
22 manager and the manager's family shall be permitted as an accessory use for any permitted
23 hotel, motel or group housing structure, without any such structure being classified as a
24 dwelling for purposes of this Code due to the presence of such dwelling unit.

1 (b) In any NC, C, ~~or~~ M, or PDR District, dwelling units which are integrated with the
2 working space of artists, artisans and other craftspersons shall be permitted as an accessory
3 use to such working space, when such dwelling units are occupied by a group of persons
4 including no more than four adults, and where the occupancy meets all applicable provisions
5 of the Building Code and Housing Code.

6 (1) In PDR Districts, dwelling units permitted by Section 204.4(b) may not represent more
7 than one-fourth (1/4) of the total floor area occupied by such use and the principal use to which it is
8 accessory.

9 (c) In any M or PDR District, one dwelling unit or other form of habitation to serve as
10 the residence of a caretaker and the caretaker's family shall be permitted as an accessory use
11 for any permitted principal or conditional use in such district, where the operation of such use
12 necessitates location of such residence in such district.

13 **SEC. 210. DESCRIPTION AND PURPOSE OF COMMERCIAL, ~~AND~~ INDUSTRIAL,**
14 **AND PRODUCTION/DISTRIBUTION/REPAIR DISTRICTS.**

15 The following statements of description and purpose outline the main functions of the C
16 (Commercial), ~~and~~ M (Industrial), and PDR (Production, Distribution, and Repair) Districts in the
17 zoning plan for San Francisco, supplementing the statements of purpose contained in Section
18 101 of this Code. The emphasis, in the case of these districts, is upon the allocation of
19 adequate areas in proper locations for the carrying on of business and industry to serve City,
20 regional and national needs and provide San Francisco with a sound and growing economic
21 base.

22 The description and purpose statement for Neighborhood Commercial Districts are
23 listed in Article 7, Sections 710.1 through 728.1. The description and purpose statements for
24 South of Market Districts are listed in Article 8, Sections 813 through 818 of this Code.

25 **SEC. 210.6. M-2 DISTRICTS: HEAVY INDUSTRIAL.**

1 These districts are the least restricted as to use and are located at the eastern edge of
2 the City, separated from residential and commercial areas. The heavier industries are
3 permitted, with fewer requirements as to screening and enclosure than in M-1 Districts, but
4 many of these uses are permitted only as conditional uses or at a considerable distance from
5 Residential Districts. Most of the land zoned M-2 is controlled by the Port of San Francisco.

6 Section 4. The San Francisco Planning Code is hereby amended by adding Sections
7 210.7, 210.8 and 210.9 to read as follows:

8 **SEC. 210.7. PDR DISTRICTS: PURPOSE.**

9 These districts provide space for a wide variety of PDR (production, distribution and repair)
10 and other non-residential activities in districts where these uses are free from inherent economic and
11 operational competition and conflicts with housing, large office developments, and large-scale retail,
12 which are not permitted in these districts. Other uses that share operational characteristics with PDR
13 uses are permitted in these districts, as they require large flexible spaces and prefer separation from
14 intensive housing districts. PDR-zoned land is also an important reservoir of space in San Francisco
15 for new and evolving industry and activity types that cannot be foreseen today and cannot practically
16 function or compete for space in a typical downtown office or neighborhood commercial environment.
17 Businesses and activities allowed in PDR districts generally share a need for flexible operating space
18 that features large open interior spaces, high ceilings, freight loading docks and elevators, floors
19 capable of bearing heavy loads, and large (often uncovered exterior) storage areas. These uses are
20 often not ideally compatible with housing for operational reasons, including the need for significant
21 trucking and delivery activities, 24-hour operation, and emission of noise, odors and vibrations.
22 Importantly, PDR uses are limited in the amount of rent they can afford relative to office, retail, and
23 residential uses, yet are important sectors of the City's economy.

24 **SEC. 210.8 PDR-1 DISTRICTS: LIGHT INDUSTRIAL BUFFER.**

1 These districts are intended to create a buffer area between residential neighborhoods and light
2 industrial areas, primarily in the Bayview Hunters Point neighborhood. This zone allows for less
3 intensive PDR activities that will not compromise the quality of life of nearby residents. These uses
4 generate less external noise, odors, and vibrations and engage in fewer trucking activities than those
5 permitted in PDR-2 districts. Uses in this district are generally conducted completely within enclosed
6 structures. Small-scale retail and office uses are permitted, as are other activities that may serve well
7 to buffer existing residential neighborhoods from areas of concentrated industrial operations.

8 **SEC. 210.9. PDR-2 DISTRICTS: PRODUCTION, DISTRIBUTION, AND REPAIR.**

9 These districts encourage the introduction, intensification, and protection of a wide range of
10 light and contemporary industrial activities, while prohibiting new housing, large office developments,
11 large-scale retail, and the heaviest of industrial uses, such as incinerators. The conservation of
12 existing flexible industrial buildings is also encouraged. These districts permit certain non-industrial,
13 non-residential uses, including small-scale retail and office, entertainment, certain institutions, and
14 similar uses that would not create conflicts with the primary industrial uses or are compatible with the
15 operational characteristics of businesses in the area. Light industrial uses in these districts may be
16 conducted entirely within an enclosed structure, partly within enclosed structures, or some functions
17 may occur entirely in open areas. These uses may require trucking activity multiple times per day,
18 including trucks with up to 18 wheels or more, and occurring at any time of the day or night. As part of
19 their daily operations, PDR activities in these areas may emit noises, vibrations, odors, and other
20 emissions, as permitted by law. Within the requirements of local, state, and federal health and safety
21 regulations, and within the stipulation of this code, which may impose additional use size maximums
22 and minimum distance requirements on certain activities, raw materials used for production,
23 manufacturing, repair, storage, research, and distribution may be stored on site and may include
24 chemical, biological, and other hazardous, explosive, or flammable materials.

1 Section 5. The San Francisco Planning Code is hereby amended by amending
2 Sections 213 through 227 to read as follows:

3 **SEC. 213. USES PERMITTED IN C, ~~AND M,~~ and PDR DISTRICTS.**

4 (a) The uses listed in Sections 215 through 227 are permitted in C, ~~and M,~~ and PDR
5 Districts as indicated by the following symbols in the respective columns for each district:

6 P: Permitted as a principal use in this district.

7 C: Subject to approval by the City Planning Commission as a conditional use in this
8 district as provided in Section 303 of this Code.

9 NA: This listing not applicable to this district, as the same use is listed subsequently
10 for the district with fewer restrictions.

11 Blank Space: Not permitted in this district.

12 (b) The Section titles are intended only as an aid to use of this Code and are not
13 binding as to interpretation of these Sections. In general, but not in all cases, uses that are
14 more widely permitted in C, ~~and M,~~ and PDR Districts are listed in earlier Sections. Uses listed
15 in an earlier Section shall not include any use first specifically listed in a later Section. Where
16 the same use is listed as permitted two or more times for the same district, with different
17 restrictions, the permitted listing with the fewest restrictions shall prevail for that district.

18 (c) Determinations as to the classification of uses not specifically listed shall be
19 made in the manner indicated in Sections 202 and 307(a) of this Code.

20 (d) Reference should be made to Sections 204 through 204.5 for regulations
21 pertaining to accessory uses permitted for principal and conditional uses listed in Sections
22 215 through 227.

23 (e) Reference should also be made to the other Articles of this Code
24 containing provisions relating to definitions, off-street parking and loading, dimensions, areas
25

and open spaces, nonconforming uses, height and bulk districts, signs, historic preservation, and other factors affecting the development and alteration of properties in these use districts.
