Dear Eugene,

Thank you for your grant application for the Cannabis Equity Grants Program for Local Jurisdictions. Based on our review of your application and pursuant to the point-based scoring system and funding formula outlined in the Grant Solicitation, we are pleased to inform you that the City and County of San Francisco is eligible for a grant award of \$4,995,000.00 We intend on issuing our press release announcing all of the jurisdictions receiving funding on Monday, April 20, 2020.

As indicated in the Grant Solicitation, all grant agreements must be signed via our electronic signature platform, DocuSign. As a result, we will need the name, title, and email address for the individual that will be signing the grant agreement. Lastly, to receive grant funding, a resolution is required from the City and County of San Francisco's governing body authorizing the jurisdiction to enter into the grant agreement with GO-Biz and designating by title the individual who is authorized to sign the agreement on behalf of the jurisdiction. It is important to place a resolution request on the governing body's agenda immediately to avoid funding delays. A sample resolution is available at www.business.ca.gov/CEG. The approved resolution must contain all of the components found in the sample resolution.

Thank you very much and please let me know if you have any questions.

Best Regards,

Conrad W. Crump
