EXECUTIVE SUMMARY

Legislative Objective

- The proposed resolution would approve the exercise of a five-year option to extend the sublease of 52,200 square feet of office space at 1440 Harrison Street between the City, on behalf of the Human Services Agency (HSA) as the sublessee, and 1440 Harrison Street Development Group, LLC, as the sublessor, from July 1, 2012 through June 30, 2017.

Key Points

- In 1983, the City subleased 52,200 square feet of office space from 1440 Harrison Street Development Group, LLC for HSA's Medi-Cal, housing and homeless services and Food Stamps programs.
- Under the current sublease agreement which expires on June 30, 2012, HSA pays a monthly flat rental rate of \$58,725 or approximately \$1.13 per square foot (\$704,700 annually or \$13.50 per square foot per year) for 52,200 square feet of office space. The utilities, janitorial services, and security services are paid by the City. The current sublease includes four five-year options and one additional eight-year option to renew at rental rates that are 95 percent of the prevailing market rates, as determined by three comparable leases or an independent appraiser.
- Under the first five-year sublease extension, which is the subject of the proposed resolution, the City would pay a monthly flat rental rate of \$101,268 or \$1.94 per square foot (\$1,215,216 annually or \$23.28 per square foot per year), which is \$42,543, or 72.4 percent more than the current monthly rent of \$58,725. According to the Senior Real Property Officer of the Real Estate Division, this increase in the rental rate is primarily due to the relocation of various technology companies in the Western South of Market area. The City will continue to be responsible for utilities, janitorial services, and security services.
- The proposed five-year extended sublease commenced on July 1, 2012 and would expire on June 30, 2017. Therefore, the proposed resolution should be amended to provide for retroactive approval to July 1, 2012.

Fiscal Impacts

- Including the costs of utilities, janitorial services and security services, over the five year term of the proposed sublease extension, the total estimated costs to HSA would be \$8,486,178, which would be funded from 35 percent in Federal funds, 15 percent in State funds, and 50 percent from the City's General Fund, subject to the Board of Supervisors appropriation approval.

Recommendations

- Amend the proposed resolution to provide for retroactive approval to July 1, 2012.
- Approve the proposed resolution, as amended.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

In accordance with Administrative Code Section 23.27, leases, in which the City is a lessee, are subject to Board of Supervisors approval.

Background

The San Francisco Unified School District (SFUSD), as the lessor, currently owns an office building at 1440 Harrison Street, between 10th and 11th Streets, which is leased by 1440 Harrison Street Development Group, LLC, as the lessee. In 1983, the City, as the sublessee, subleased the office space at 1440 Harrison Street from 1440 Harrison Street Development Group, LLC, for the HSA's Medi-Cal, housing and homeless services and Food Stamps programs. In 2005, the Board of Supervisors approved renewing the sublease agreement with 1440 Harrison Street Development Group, LLC for 52,200 square feet of office space at 1440 Harrison Street for HSA for seven years from August 12, 2005 through June 30, 2012 (File 05-1124), which provided for:

- Flat monthly rent of \$58,725 or approximately \$1.13 per square foot (\$704,700 annually or \$13.50 per square foot per year) over the seven-year period. Utilities, janitorial services and security services are paid by the City.
- Four five-year options and one additional eight-year option to renew at rental rates of 95 percent of the prevailing market rates, as determined by three comparable leases or by an independent appraiser if disagreement over the rental rates arises between the sublessor and the sublessee.
- Initial tenant improvement allowance of up to \$783,000 to be paid by the sublessor for carpeting, repainting, improved lighting system, and reconfiguration of space based on HSA needs.

Currently, HSA operates a Medi-Cal program, the Medi-Cal Healthy Connections Program, and conducts eligibility screenings for families under the Food Stamps Program, currently known as the CalFresh Program, at 1440 Harrison Street. According to Ms. Debra Solomon, Budget Analyst at HSA, the housing and homeless programs were previously relocated from the 1440 Harrison Street building. According to Mr. Derek Chu, Budget Director at HSA, HSA serves approximately 107,000 clients each year at the 1440 Harrison Street building, with 184 HSA employees.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the exercise of the first five-year option from July 1, 2012 through June 30, 2017 to extend the existing 52,200 square feet sublease at 1440 Harrison Street between the City, on behalf of HSA as the sublessee, and 1440 Harrison Street Development Group, LLC, as the sublessor. The proposed five-year lease option provides for:

- Flat monthly rent of \$101,268 or \$1.94 per square foot (\$1,215,216 annually or \$23.28 per square foot per year) over the five-year option period.
- Utilities, janitorial services and security services to be paid by the City.

- Additional tenant improvements at an estimated cost of \$205,500 to be paid by the sublessor for carpeting and repainting.
- All other lease obligations in the sublease agreement remain the same as the current sublease provisions.

According to Ms. Claudine Venegas, Senior Real Property Officer of the Real Estate Division (RED), the effective date of this first option period is July 1, 2012, such that the rent for July 2012 would be at the new higher rental rate. Therefore, the Budget and Legislative Analyst recommends that the proposed resolution be amended to provide for retroactive approval to July 1, 2012.

Under the proposed five-year lease extension, HSA will continue to operate the Medi-Cal Healthy Connections Program and the CalFresh Program at 1440 Harrison Street. According to Mr. Chu, as a result of the implementation of the Federal Affordable Care Act and the State's elimination of the Healthy Families Program, HSA expects to serve approximately 154,000 clients annually, an increase of 47,000 clients or 43.9 percent more than the approximately 107,000 clients currently served.

FISCAL IMPACTS

The monthly rent for the proposed 52,200 square foot five-year option term would be \$101,268 per month or \$1.94 per square foot per month, which reflects a \$42,543 or 72.4 percent increase from the current monthly rent of \$58,725. On an annual basis, HSA currently pays total rent payments of \$704,700 annually, which would increase to a flat rental rate of \$1,215,216 annually over the proposed five year extension sublease, an increase of \$510,516 per year.

According to Ms. Venegas, the proposed monthly rent represents 95 percent of the current fair market rate established by an independent appraisal conducted by John Clifford Advisory, who was retained by 1440 Harrison Street Development Group, LLC. Ms. Venegas states that the proposed rental rate increase of 72.4 percent reflects the recent escalating rents in the Western South of Market area, primarily due to the relocation of various technology companies, including Twitter and Zynga.

In addition to the annual rent of \$1,215,216, according to Mr. Chu, HSA is responsible for paying annual utilities, janitorial services, and security services, at an estimated cost of \$440,546 in FY 2012-13. Such costs are estimated to increase by approximately 4.5 percent annually. As shown in the Table below, the total estimated cost of the proposed five year sublease extension to the City would be \$8,486,178, including the costs of utilities, janitorial services, and security services.

Table: Total Costs by Fiscal Year
under Proposed Five Year Sublease Extension

FY	Annual Rent	Utilities, janitorial services and security services with 4.5% inflation	Total Cost
2012-13	\$1,215,216	\$440,546	\$1,655,762
2013-14	\$1,215,216	\$460,370	\$1,675,586
2014-15	\$1,215,216	\$481,087	\$1,696,303
2015-16	\$1,215,216	\$502,736	\$1,717,952
2016-17	\$1,215,216	\$525,359	\$1,740,575
Total	\$6,076,080	\$2,410,098	\$8,486,178

According to Mr. Chu, the funding sources for the proposed sublease and costs of related services are comprised of 35 percent in Federal funds, 15 percent in State funds, and 50 percent from the City's General Fund, and would be included in HSA's annual operating budgets, subject to appropriation approval by the Board of Supervisors.

POLICY CONSIDERATION

As noted above, HSA currently serves approximately 107,000 clients each year at the 1440 Harrison Street facility, with 184 HSA employees. The 1440 Harrison Street lease includes a total of 52,200 square feet, or an average of approximately 284 square feet per employee. As discussed above, Mr. Chu advises that as a result of the implementation of the Federal Affordable Care Act and the elimination of the State's Healthy Families Program, HSA expects to serve approximately 154,000 clients annually, an increase of 47,000 clients or 43.9 percent more than the approximately 107,000 clients currently served.

Because of the anticipated number of additional clients, Ms. Solomon states that additional employees will be needed in the future. Ms. Solomon advises that HSA plans to reconfigure the space at 1440 Harrison Street to accommodate the additional employees.

RECOMMENDATIONS

1. Amend the proposed resolution to provide for retroactive approval to July 1, 2012.
2. Approve the proposed resolution, as amended.

Re: Exercise of option term under the Sublease for 1440 Harrison Street

Dear Board Members:

On behalf of the Human Services Agency (HSA), attached for your consideration is a Resolution authorizing the exercise of City's option to extend the term of the Sublease for the subject property (the "Premises") authorized by Board of Supervisors Resolution No. 599-05 for five (5) years as set forth in the Sublease provisions for the Premises.

The exercise of such option to extend the term is subject to enactment of a resolution by the Board of Supervisors and Mayor in their respective sole and absolute discretion.

Since 2005, the Premises comprising approximately 52,200± square feet have been used for general offices for HSA's Cal-Win and other public programs.

The HSA currently pays \$58,725 (approximately \$1.13/psf) per month for the Premises. The fair market rental rate for the option term is \$101,268 per month (\$1.94 psf). All other lease obligations as set forth in the Sublease remain the same.

The HSA and the Real Estate Division recommend approval and authorization to exercise the option as set forth in the Sublease. We are advised that funds are available in Index Code No. 45ADOH/03011. If you have any questions in this regard, please contact Claudine Venegas of my staff at 554-9872 or David Curto, Director of Contracts, with the HSA at 557-5581.

Sincerely,

John Updike
Acting Director of Property
