### EASEMENT AGREEMENT

(Phase 3 - Sunnydale Avenue Extension)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the HOUSING AUTHORITY OF THE CITY AND COUNTY OF SAN FRANCISCO, a public body corporate and politic ("**Grantor**"), grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and its successors and assigns ("**City**"), a perpetual easement for public street and utility purposes, over, across, and under Grantor's certain real property, which is located in San Francisco, California and described and depicted in attached Exhibit A (the "**Easement Area**"), which shall be referred to hereafter as the "**Easement**."

1. Nature of Easement. The Easement is a perpetual, non-exclusive easement in gross for the right to use, and guarantee availability for use, of the Easement Area for public street and utility purposes. The Easement Area connects the new Sunnydale Avenue street alignment constructed within Lot K on Final Map No. 12077 to the existing Sunnydale Avenue street alignment located outside of the Final Map boundary. If the public street within the Easement Area is realigned as part of future phases of the redevelopment of the Sunnydale HOPE SF Project, the Easement may be terminated on the conditions specified in Section 5 below.

2. Use. The Easement is part of City's dedicated right of way until terminated (if at all) on the conditions specified in Section 5 below. City's Easement rights shall include all public street and utility uses, including but not limited to the same City activities and uses in the portion of the City dedicated right of way abutting the Easement Area or are otherwise necessary for the full enjoyment and accomplishment of the purposes of the Easement. City's Easement rights may be exercised by City's agents, contractors, subcontractors, suppliers, consultants, employees, or representatives, or by other authorized persons acting for or on behalf of City.

3. Right to Trim and Cut Trees and Vegetation; Full Enjoyment. City shall have the right, but not the obligation, to trim and cut trees and vegetation, if any, that may affect City's Easement rights or pose a hazard to any existing or future City-owned or requested utilities or improvements, and the right to do such other things as are necessary for the full enjoyment and

accomplishment of the purposes of the Easement, which shall include, where applicable, but are not be limited to, paving, street base, signage, traffic controls, striping, parking meters, water, sewer, power, gas, and communications facilities or any accessories or appurtenances thereto.

4. Non-City Use. Until the Easement is terminated (if at all) pursuant to Section 5 below, any non-City party must obtain all required permits from City's Department of Public Works before installing improvements or performing work within the Easement Area.

5. Termination. The Easement will terminate on issuance of a notice of termination or executed quitclaim deed by the City Public Works Director ("**PW Director**") (i) following City acceptance of replacement street improvements for the realigned street included within the Easement Area; or (ii) on such earlier date in the PW Director's discretion, in consultation with the affected City departments, if the Easement is no longer needed by the City due to adequate alternative public street and utility access.

6. Exhibit. The exhibit referenced in and attached to this Easement Agreement is incorporated into and made a part of this Easement Agreement.

7. HUD Requirements. The parties acknowledge and agree that this Agreement is subject to the review and approval of the United States Department of Housing and Urban Development ("HUD").

a. Conflict Clause. To the extent that any of the foregoing is in conflict with the requirements of the United States Housing Act of 1937 (1937 Act), as amended, federal regulations, and the Annual Contributions Contract ("ACC"), as amended, and other HUD requirements, the HUD requirements shall control and govern in such instances of conflict.

b. Indemnification Clause. It is acknowledged and agreed that the Grantor (Owner) has no authority to provide guarantees, indemnifications, rights of set off, or other pledges involving the assets of any Public Housing Project (as the term 'Project' is defined in the ACC between Grantor and HUD (the "Public Housing Project") or other assets of the Grantor, including and Housing Choice Voucher ("HCV") related assets of the Grantor. Accordingly, except as approved by HUD in writing, it is acknowledged that there is no legal right of recourse against: (1) any Public Housing Project of Grantor; (2) any operating receipts (as the term "operating receipts" is defined in ACC), HCV receipts or Capital or Operating Funds of Grantor; (3) any public housing operating reserve of Grantor reflected Grantor's annual operating budget and required under the ACC, or (4) any other asset of the Grantor related to the 1937 Act. Should any assets of the Grantor be identified at a later date as meeting the criteria set forth above, any guarantees, indemnifications, right of set off, or other pledges involving those assets will be deemed null, void, and unenforceable.

c. Termination Clause. If HUD approves the termination of the ACC at the public housing project and/or release of the DOT/DORC (e.g., through a disposition under Section 18 of the 1937 Act, the Rental Assistance Demonstration ("RAD") program or any other removal action of the SAC), the Grantor may terminate this agreement. In addition, if HUD determines that the agreement does not comply with federal public housing requirements, the Grantor may terminate this Easement.

d. HUD is not a Guarantor. HUD is not a Guarantor of the Grantor and is not liable for the actions of the Grantor under this Easement.

e. No Assignment Rights or Rights of Mortgage or Security Interests. The agreement does not include any assignment rights or rights of mortgage or security interests unless HUD approval under section 30 of the 1937 Act has been obtained.

The conditions and covenants contained in this Easement Agreement shall run with the land, burden the Easement Area, and be binding on and benefit Grantor and City and their respective agents, successors and assigns unless earlier terminated by written agreement of the parties or their respective successors and assigns.
