9 Be it ordained by the People of the City and County of San Francisco:

10 Section 1. A special election is hereby called and ordered to be held in the City and
11 County of San Francisco (the "City") on Tuesday, November 2, 2004, for the purpose of
12 submitting to the qualified voters of the City a proposition to incur bonded indebtedness of the
13 City for the projects hereinafter described in the amount and for the purposes stated:

14 "SUPPORTIVE AND AFFORDABLE RENTAL HOUSING AND
15 HOMEOWNERSHIP BONDS, 2004. \$200,000,000 to finance the costs of the acquisition,
16 construction and/or rehabilitation of supportive and affordable rental housing for low and very
17 low income individuals and families, to finance the costs of construction of homeownership
18 developments for qualifying low and moderate income individuals and families, and to provide
19 financial assistance for a home ownership program for qualifying low and moderate income
20 individuals and/or families."

21 The special election hereby called and ordered shall be referred to herein as the "Bond
22 Special Election."

23 Section 2. The estimated cost of the project described in Section 1 was fixed by the
24 Board of Supervisors of the City (the "Board of Supervisors") by the following resolution in the
25 amount specified below:

1 Resolution No. ___-04, \$200,000,000.

2 Such resolution was passed by two-thirds or more of the members of the Board of
3 Supervisors and approved by the Mayor of the City (the "Mayor"). In such resolution, it was
4 recited and found that the sum of money specified is too great to be paid out of the ordinary
5 annual income and revenue of the City in addition to the other annual expenses thereof or
6 other funds derived from taxes levied for those purposes and will require expenditures greater
7 than the amount allowed therefor by the annual tax levy.

8 The method and manner of payment of the estimated costs described herein are by the
9 issuance of bonds or other forms of indebtedness of the City not exceeding the principal
10 amount specified in Resolution No. ___-04; provided however, that the indebtedness
11 authorized thereunder and hereunder (\$200,000,000) shall be allocated (less allocable
12 issuance costs) as follows:

- 13 a. \$90,000,000 of such amount shall be allocated to the acquisition,
14 construction, rehabilitation of supportive housing, such housing to be
15 made available for homeless individuals and families or persons at risk of
16 becoming homeless who are extremely low income (defined as
17 households earning not more than 30% of the area median income,
18 adjusted for household size);
- 19 b. \$60,000,000 of such amount shall be allocated to the acquisition,
20 construction, rehabilitation of rental housing affordable to low and very
21 low income households (defined as households earning not more than
22 60% of the area median income, adjusted for household size);
- 23 c. \$50,000,000 of such amount shall be allocated to the development of a
24 program to provide funds for homeownership programs for qualifying low
25 and moderate income households allocated as follows: (i) one-half of

1 such amount shall be used for home purchase assistance for qualifying
 2 low and moderate income households (defined as households earning
 3 between 60% and 100% of the area median income, adjusted for
 4 household size); and (ii) one-half of such amount shall be used to provide
 5 financial assistance for the development of affordable housing for
 6 qualifying low and moderate income households (defined as households
 7 earning between 60% and 90% of the area median income, adjusted for
 8 household size);

9 Notwithstanding the foregoing, the Board of Supervisors shall review, at such times as
 10 the Board of Supervisors shall determine, the progress of applying funds for the purposes set
 11 forth in subdivision (a) above in accordance with the following timetable:

Years from the date of certification of this measure by the Department of Elections	Percentage of bond funds committed under subdivision (a)
3 years	30%
4 years	40%
5 years	50%

19 At the direction of the Board of Supervisors, the Mayor's Office of Housing shall prepare a
 20 report about the progress of applying funds for the purposes set forth in subdivision (a). Such
 21 report shall include recommendations to achieve the housing objectives as set forth herein. In
 22 the event that the percentage of bond funds committed to the purposes set forth under
 23 subdivision (a) does not equal or exceed the minimum percentage commitment, within the
 24 periods specified in the table immediately above, the Board of Supervisors, upon the receipt
 25 of the report with recommendations from the Mayor's Office of Housing, may elect by

1 Ordinance to apply some or all of the unused portion of funds allocated under subdivision (a)
2 to the purposes authorized in subdivision (b), except that the rental housing so assisted in
3 such event shall serve households earning not more than 30% of average area median
4 income, adjusted for household size. The estimate of costs as set forth in Resolution No. ____
5 04 is hereby adopted and determined to be the estimated cost of such improvements and the
6 financing.

7 Section 3. The Bond Special Election shall be held and conducted and the votes
8 thereafter received and canvassed, and the returns thereof made and the results thereof
9 ascertained, determined and declared as herein provided, and in all particulars not herein
10 recited such election shall be held and the votes canvassed according to the applicable laws
11 of the State of California and the Charter of the City (the "Charter") and any regulations
12 adopted pursuant thereto, providing for and governing elections in the City, and the polls for
13 such election shall be and remain open during the time required by the laws and regulations.

14 Section 4. The Bond Special Election hereby called shall be and hereby is
15 consolidated with the General Election of the City to be held Tuesday, November 2, 2004, and
16 the voting precincts, polling places and officers of election for the General Election are hereby
17 adopted, established, designated and named, respectively, as the voting precincts, polling
18 places and officers of elections for the Bond Special Election hereby called, and reference is
19 hereby made to the notice of election setting forth the voting precincts, polling places and
20 officers of election for the November 2, 2004 General Election by the Director of Elections to
21 be published in the official newspaper of the City on the date required under the laws of the
22 State of California.

23 Section 5. The ballots to be used at the Bond Special Election shall be the ballots to
24 be used at the General Election. The word limit for ballot propositions imposed by San
25 Francisco Municipal Code Elections Section 510 is hereby waived. On the ballots to be used

1 at the Bond Special Election, in addition to any other matter required by law to be printed
2 thereon, shall appear the following proposition:

3 "SUPPORTIVE AND AFFORDABLE RENTAL HOUSING AND
4 HOMEOWNERSHIP BONDS, 2004. Shall the City issue bonds and/or other forms of
5 indebtedness in a principal amount not to exceed \$200,000,000, to finance the costs of the
6 acquisition, construction and/or rehabilitation of supportive and affordable rental housing for
7 qualifying low and very low income individuals and/or families, to finance the costs of
8 construction of homeownership developments for qualifying low and moderate income
9 individuals and families, and to provide financial assistance to qualifying low and moderate
10 income homebuyers?"

11 Each voter to vote for the proposition hereby submitted shall mark the ballot in the
12 location corresponding to a "YES" vote for the proposition, and to vote against the proposition
13 shall mark the ballot in the location corresponding to a "NO" vote for the proposition.

14 Section 6. If at the Bond Special Election it shall appear that two-thirds of all the voters
15 voting on the proposition voted in favor of and approving the proposition, then such
16 proposition shall have been authorized by the electors, and bonds may be issued and sold for
17 the purposes and up to the amounts set forth above upon the order of the Board of
18 Supervisors, and landlords are thereupon authorized to passthrough fifty percent (50%) of the
19 resulting property tax increase resulting from the issuance of such bonds to residential tenants
20 in accordance with Chapter 37 of the San Francisco Administrative Code. Such bonds shall
21 not bear interest at a rate or rates exceeding applicable legal limits.

22 The vote cast for and against the proposition shall be counted separately and when
23 two-thirds of the qualified electors, voting on the proposition, vote in favor thereof, the
24 proposition shall be deemed adopted.

25

1 Section 7. For the purpose of paying the principal of and interest on the bonds and any
2 premiums upon the redemption thereof, the Board of Supervisors, at the time of fixing and in
3 the manner for the general tax levy provided, shall levy and collect annually each year until
4 the bonds are paid, or until there is a sum in the Treasury of the City, or account held on
5 behalf of the Treasurer of the City, set apart for that purpose to meet all sums coming due for
6 the principal of and interest on the bonds, a tax sufficient to pay the annual interest on the
7 bonds as the same becomes due and also any part of the principal of the bonds that shall
8 become due before the proceeds of a tax levied at the time for making the next general tax
9 levy can be made available for the payment of the principal.

10 Section 8. The Board of Supervisors having reviewed the proposed legislation, finds
11 and declares (i) That the proposed project is in conformity with the priority policies of Section
12 101.1(b) of the City Planning code and (ii) in accordance with Section 2A.53(f) of the City
13 Administrative Code, that the proposed project is consistent with the City's General Plan, and
14 hereby adopts the findings of the City Planning Department, as set forth in the General Plan
15 Referral Report dated May 21, 2004 and incorporates said findings by reference.

16 Section 9. Pursuant to Section 53410 of the California Government Code, the bonds
17 shall be for the specific purpose authorized herein and the proceeds of such bonds will be
18 applied only to the project described herein. The City and County will comply with the
19 requirements of Sections 53410(c) and 53410(d) of the California Government Code.

20 Section 10. Pursuant to Proposition F approved by the voters of the City and County in
21 November 2001, the bonds are subject to, and incorporate by reference, the provisions of
22 Article V of Chapter 5 of the Administrative Code of the City and County ("Proposition F
23 Requirements"). Pursuant to Proposition F Requirements, to the extent permitted by law,
24 one-tenth of one percent (0.1%) of the gross proceeds of Supportive and Affordable Rental
25 Housing and Homeownership Bonds shall be deposited in a fund established by the

1 Controller's Office and appropriated by the Board of Supervisors at the direction of the
2 Citizen's General Obligation Bond Oversight Committee established by Proposition F
3 Requirements to cover the costs of said committee.

4 Section 11. This ordinance shall be published in accordance with any State law
5 requirements, and such publication shall constitute notice of the Bond Special Election and no
6 other notice of the Bond Special Election hereby called need be given.

7 Section 12. The appropriate officers, employees, agents and representatives of the
8 City and County of San Francisco are hereby authorized and directed to do everything
9 necessary or desirable to the calling and holding of the Special Election, and to otherwise
10 carry out the provisions of this ordinance.

11 Section 13. Loans or grants funded by the proceeds of these bonds shall require that
12 all contracts funded by bond funds be awarded through an open and competitive selection
13 process. The selection process shall be competitive bids, competitive request for
14 qualifications, or other competitive process, that are (a) consistent with industry standards for
15 obtaining services and (b) appropriate for services being procured. Sole source contracting
16 shall not be permitted; provided however, if the Mayor of the City makes a finding that only
17 one source exists for a product or service, this provision may be waived by the Mayor. Any
18 such waiver shall be reported to the Board of Supervisors in the annual report.

19 Section 14. To the maximum extent feasible, projects funded with the proceeds of
20 bonds authorized hereunder shall be required to obtain funding from non-City sources for
21 substantial portion of the cost of the project. Priority shall be given to projects that provide a
22 high degree of leveraging of outside funds. The Mayor's Office of Housing shall include an
23 analysis of the leveraging of outside funds for each project in its annual report to the Board of
24 Supervisors.

25

1 Section 15. No proceeds of these bonds or program income generated from any
2 bond-funded projects shall be used for lobbying elected officials or for any other political
3 purposes.

4 Section 16. Upon certification of the passage of this measure by the Director of
5 Elections, the Mayor's Office of Housing, in consultation with the Department of the
6 Environment, shall develop standards for sustainable building methods to be used in ranking
7 or selecting projects to be constructed, acquired or rehabilitated with the proceeds of bonds
8 authorized hereunder. Such standards shall meet or exceed one or more generally
9 recognized standards for sustainable building methods, including but not limited to, the
10 Leadership in Energy and Environmental Design (LEED) standards developed by the U.S.
11 Green Building Council, or the regulations set forth by the California Tax Credit Allocation
12 Committee.

13 Section 17. The City shall urge all entities receiving housing bond proceeds for the
14 development of affordable housing units to utilize responsible employment practices with
15 respect to building service workers and/or sub-contractors who will work in the buildings after
16 construction and once operations of such affordable housing units begin. Specifically, the City
17 urges that direct (and sub-contracted) janitorial, maintenance, security and other residential
18 building service jobs created in projects receiving housing bonds proceeds should be jobs
19 paying living wages, family health benefits, and where employees' rights under the law to form
20 unions are respected.
