Position elimination savings (\$0.5M)

Reduce operating and project-based FTEs by 5.21 FTEs

2

Attrition savings (\$0.5M)

Increase attrition savings

3

Non-Personnel budget savings (\$0.6M)

Reduce citywide Systems professional services

4

Work order project savings (\$0.6M)

General Fund savings from City Services Auditor

Budget Priorities and Key Projects

Public Integrity, Transparency & Accountability

- Promote accountability and transparency through compliance and performance audits and whistleblower investigations.

Government Operations Initiatives & Performance

- Implement system and user interface improvements to reduce redundancy and streamline financial, hiring, and contracting processes.
- Support efforts of the City Administrator, Department of Human Resources, and Controller's Office to implement initiatives to reduce barriers to hiring and contracting processes.

Public Financing

- Implement the City's new Infrastructure Financing District (IFD) policy.
- Coordinate with OEWD on the formation of the Power Station Enhanced Infrastructure Financing District (EIFD) and the evaluation and potential formation of other EIFDs.
 - Provide ongoing management of formed EIFDs and the Public Financing Authority (PFA), a new governing body for EIFDs consisting of three members of the Board of Supervisors and two members of the public.
- Assist with the issuance of \$1.5 billion General Obligation Bonds, Commercial Paper and Certificates of Participation, as needed, over FY25 and FY26 to meet project funding requirements and/or to provide refunding savings.

Refuse Rates Administration

- In 2022, voters approved Proposition F, that included making the Controller the Refuse Rates Administrator, replacing the Director of Public Works as the party responsible for monitoring and proposing new rates to the Refuse Rates Board.
- In 2023, the Refuse Rates Administrator conducted its inaugural rate-setting process and proposed a new Rate Order for Rate Years 2023-24 and 2024-25, approved by the Refuse Rate Board in August 2023 – 36% lower than Recology's proposed rate increases saving Ratepayers \$8.7 million.

Financial Professionals Development and Training Programs

- Implement expansion of Controller's Office programs for financial standards and proficiency training.
- Create pipelines of financial professionals with key skills and knowledge for senior-level accounting managers and budget analyst professionals.

Racial Equity, Gender Equity, Inclusion and Diversity

- Provide and support citywide reporting for Workforce and Contracts reporting.
- Support the Citywide Contracts Report, Supplier Inclusion Implementation Plan.
- FY 2024-25 focus: Departmental Racial Equity Framework, Racial Equity Staff Survey and Barriers to Employment.

Planning & Measuring Results

Office of the Controller

ANNUAL PERFORMANCE PLAN
FY 2023-24

CITY AND COUNTY OF SAN FRANCISCO, CALIFORNIA

Annual Comprehensive Financial Report
Year ended June 30, 2023

Promote Best Practices and Accountability in City Government

- Together with the City Administrator's Office and the Department of Human Resource, drive the Government Recovery Project, designed to make hiring, contracting, and financial operations faster and easier.
- Implement policy changes around contracting, equitable wages and funding, monitoring and capacity building to improve \$1.6B of annual spending for nonprofit-delivered services.
- Support budget working groups established to monitor and improve police hiring and overtime

Inform Policies and Increase Public Access to Timely Information

- Publish a suite of public reporting products that track the performance of city services, including the Performance Scorecard dashboards and updated annual reports on the conditions of City streets, sidewalk and parks.
- Finalize a plan to migrate CON's report portal to SF.GOV and improve accessibility elements like organization, tagging, and searchability.
- Update publication templates to improve readability of our work.
- Develop and implement changes to our internal communication systems.

Provide High-Quality City Financial

- Prepare the City's Annual Comprehensive Financial Report by November 2023.
- Issue \$500M of bonds to fund major capital projects like street and transit improvements, and other infrastructure.
- Provide timely payroll services for over 35,000 employees and accurately report time and improve the adoption of new systems.
- Complete the SF Financials & SF Procurement system improvements to the City's core business systems.
- Finalize a new supplier portal design, in collaboration with vendors, to improve the experience for suppliers providing goods and services.

Safeguard the City's Long-Term Financial

- Review the impacts on the City's tax base and services from the recommendations for the City's general fund.
- Produce bimonthly updates of key economic indicators and regular public reports regarding the City's financial health.
- Help the Mayor and Board of Supervisors prepare the 2026 budget, closing a forecasted deficit expected to exceed \$100 million.
- Complete cost recovery claiming of the City's City of San Francisco (FEMA) emergency response grant funds.
- Support stalled large-scale development projects like the Potrero Bay development plan.
- Maintain current high ratings of the City's general fund.
