Hello,

I am writing to you in support of Leuwam Tesfai's nomination to fill a seat on the Sunshine Ordinance Task Force.

I have known Leuwam for over 5 years, and know that she will be a dedicated and invaluable member of the Task Force. In her role as an attorney for the Public Utilities Commission, and through her work on the board of the League of Women Voters of San Francisco, she has shown a great dedication to public service which I believe the Sunshine Ordinance would benefit greatly from. Throughout her time working with for the state, she has demonstrated extensive skills in and deep knowledge of public records law, further qualifying her for the position.

Supervisors and others:

I write to express my support for the appointment of my friend and colleague, Leuwam Tesfai, to the open seat on the Sunshine Ordinance Task Force. She has been put forth as a candidate by the League of Woman Voters. I understand her hearing before the Rules committee is next Tuesday.

I hired Leuwam as a legal intern many years ago while she was in law school. She then joined my (state regulatory) agency full time, where she has served in our Administrative Law Division, in our Energy Division and as a legal advisor to a Gov. Brown-appointed Commissioner. I have seen or talked to Leuwam at least twice weekly for approximately 8 years. Leuwam is scrupulously ethical, hard working, honest, smart, politically savvy and kind. My agency deals extensively with the state public records law, and Leuwam is deeply familiar with the law, its details, purpose and permutations.

I am a 4th generation San Franciscan (Glen Park, Denman, Lowell), lawyer (UC Berkeley), and former administrative law judge. I have practiced law for 30 years, during which I have worked for the state for almost 17 years, for an AIDS legal charity, a large San Francisco corporation, and a national SF law firm. Leuwam ranks among the best people I have ever had the privilege to hire, and I have helped hire dozens of interns and lawyers.

I am happy to furnish any other information you need.

Hello,

I'm writing in support of Leuwam Tesfai's nomination by The League of Women Voters for appointment to the Sunshine Ordinance Task Force.

Leuwam has been a good friend for more than 8 years. We met while she was attending law school and I've always known her to be active and informed about events and issues in San Francisco. She's worked for the California Public Utilities Commission for many years, now as an attorney, and has served on the Board of Directors for The League of Women Voters in San Francisco, helping to raise awareness and funds. She'll bring warmth, poise, and grace along with her impressive skill set and knowledge of public records law, and is a person who's fair-minded, serves with a clear sense of purpose, and always responds kindly and with diplomacy. She'll be a wonderful addition to the task force.

I am pleased to support the nomination of Leuwam Tesfai to the Sunshine Ordinance Task Force.

I currently work with Leuwam at the California Public Utilities Commission. She is an extremely bright young woman with a passion for helping the public. I work closely with her and see how she considers the public impact on the issues that come before us. Her dedication to the public is also demonstrated by her work with the League of Women Voters.

Because we both work at a public agency, we are quite used to receiving Public Records Act requests. We both comply with those requests, however, her superior organizational skills allow her to be much more efficient than me.

It is without hesitation that I respectfully request that you consider and approve the nomination of Leuwam Tesfai.

I am writing in support of Leuwam Tesfai and to encourage you to appoint her to the open seat of the Sunshine Ordinance Task Force.

I have known Leuwam for 2+ years through our association with the League of Women Voters SF on both the communications committee as well as on our board of directors. Her ongoing dedication to our community and the goals of our organization where her expertise and experience in public records law through her role as an attorney for the Public Utilities Commission have proven invaluable. Attachment for Dave Maass application for Sunshine Ordinance Task Force

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

San Francisco's diversity is one of the reasons I feel so privileged to work here. It's a place where it goes without question that you can marry who you love regardless of gender; where immigrants and refugees are human beings deserving dignity and civil rights; where your gender identity is met with acceptance instead of hostility; where language shouldn't be a barrier to government services; where there are active religious and ethnic communities who not only organize together but support each other. While my personal demographics aren't particularly noteworthy, I would approach this role knowing that I am accountable not only to my community, but to every community.

Geographically, I live in Western Addition, work in the Tenderloin, and rely on my feet and public transportation everywhere else I need to go. I was raised in Phoenix and moved to San Francisco three years ago from San Diego. However, in the years in between, I have lived in every state along the U.S.-Mexico border, as well as in Japan, England, and Ghana.

While I certainly belong to a privileged demographic, I have dedicated much of my professional career to covering a broad array of community concerns, including LGBTQ issues, indigenous rights, the plights of refugees, mental health and homelessness, and juvenile justice reform. I hold a master's degree in social anthropology, having graduated from a program that involved researching and understanding a globally diverse range of cultures and communities, with a specific focus on inmate populations.

I was a recipient of the 2014 "Unsung Hero Award" from the Youth Law Center for my work on juvenile justice and the 2015 Neil Morgan Community Impact Award from the Society of Professional Journalists San Diego Chapter for my work on deaths in jail custody.

Business and/or professional experience:

I have worked at the Electronic Frontier Foundation since the beginning of 2013, most recently as an investigative researcher on the activism team. EFF is a San Francisco-based international non-profit that defends civil liberties, privacy, and innovation in the increasingly digital world. This often includes standing up for users by exposing and criticizing invasive and irresponsible practices by corporations. In my case, specifically, I have done much work on the relationships

between government agencies and tech vendors and how these interactions impact the public.

My core strength on this committee would be my knowledge and experience with government transparency in many different jurisdictions, but especially with the California Public Records Act and the Brown Act. I have attended public meetings and filed public-records requests across the state and across the country, so I have context with which to evaluate what works and what doesn't.

Prior to EFF, I worked professionally as a journalist since 1998, with much of my career as an investigative reporter utilizing public records laws to uncover injustice, waste, and corruption.

Among my personal experience and accomplishments:

- Organized grassroots activism campaigns to prevent the California legislature from weakening the California Public Records Act and to strengthen the law through Proposition 42.
- Partnered with MuckRock News to file more than 200 public records requests around the country to learn how local law enforcement agencies use mobile biometrics devices.
- Coordinated Sunshine Week activities and coverage for EFF (2014-2015), San Diego CityBeat (2010-2012), and the Santa Fe Reporter (2008).
- Created government data indexes in Arizona, New Mexico and California, including Open San Diego's "Flashlight" project.
- Written extensively on transparency issues, including live streaming of legislatures, public-records appeal processes, and public records lawsuits and court rulings.
- Successfully challenged the Texas Department of Corrections rejection of public records requests related to death row inmates.
- My public-records investigations helped lead to the conviction of a public official for embezzlement, the dissolution of an overspending local agency, and state divestment of \$45 million from corporations working in the Sudan.
- One of the first journalists in the country to begin live-blogging state and local meetings, including New Mexico legislative sessions and San Diego's annual "Election Central" events.

- Led and participated in workshops on access to public records at Dragon Con, Sunlight Foundation's Transparency Camp, "News Foo," and Occupy San Diego.
- Recipient of the 2014 Contribution to Oversight Award from the National Association for Civilian Oversight of Law Enforcement for my work on deaths in jail custody.
- Recipient of the 2015 Sol Price Prize for Responsible Journalism from the Society of Professional Journalists San Diego Chapter for my work on deaths in jail custody.
- Recipient of the 2014 First Place Investigative Reporting Award from the Association of Alternative News Media, for my work on deaths in jail custody.
- Close working relationship with some of the state's most influential transparency organizations, such as Californians Aware, First Amendment Coalitions, and several ACLU chapters, as well as national organizations, such as the Sunlight Foundation and MuckRock News.

Civic Activities:

As an employee of a non-profit, I work full time in the public interest. This includes interfacing with communities and policymakers around the country.

Outside of EFF, I have dedicated my free time to using public records to reveal problems in county jails and the juvenile justice system in California. This has included work to liberate data on deaths in custody from local agencies and the California Department of Justice, ultimately influencing the Attorney General's decision to use this data as one of the first projects on openjustice.doj.ca.gov.

My work related to juvenile detention resulted in the passage of a law in 2015 reforming how strip searches are conducting with juveniles. My work has also led to the State Advisory Committee on Juvenile Justice and Delinquency Prevention making the use of pepper spray on juveniles in detention a priority issue.

April 19, 2016

Dear Chair Tang & Supervisors Mar and Cohen,

Please accept this as an addendum to my application for reappointment to the SOTF. I believe you are hearing this next thursday, april 28, 2016?

This would be my third term on the task force, and with the current Chair stepping down we do not have many members on board that have the institutional knowledge that i have acquired over the past 4 years. I currently serve as the Vice Chair of the task force as well as the Chair of the EOTC sub-committee. I was nominated for Chair when i first joined 4 years ago, and again 2 years ago but deferred to Allyson Washburn whom i felt was the correct choice.

If appointed again and asked to run for Chair i will give it serious consideration.

I wanted to highlight a few things which i believe continue to make me a valuable member of this team:

- I wanted to underscore my diverse background. I am from a mixed race and mixed nationality background - my mother is Turkish, i speak several languages, and i live in the heart of the Mission. I promise not to "speak in tongues" as i did 2 years ago (i believe Chair Tang and i had a nice conversation afterwards regarding the beauty of the French language)!
- My father (American) was an Ambassador for the United Nations and we lived in many different countries growing up including Turkey, Sudan, Bangladesh, Oman and Yemen. This exposure to different cultures early on has allowed me to interact well with people from all backgrounds and walks of life and has proved directly useful at the SOTF.
- My Information Technology background will continue to be an asset, as will my background as a paralegal.
- my 4 years of parliamentary experience be will useful in running well managed meetings and staying on agenda.

In summary going back to my opening point about it would be a shame to lose any part of the institutional capital we have worked so hard to build over the past 4 years.

I appreciate your continued consideration,
Sincerely,

Chris Hyland
Vice Chair, SOTF

Mr Evans,
please add this to the packet along with my application
Thank you in advance

We are recommending and support Frank for appointment to the commission as he is a great leader. Having served on the Board of The Middle Polk Neighborhood Association for over 5 years I have learned a lot from Frank about civics and being involved in the community.

Stepping into any organization can be a daunting task. Frank made my learning curve with the MPNA a lot easier. He is a pragmatic and energetic person that understands both sides of an issue. Keep in mind he is vocal and he expresses himself very well.

Frank has been a superstar for the Middle Polk Neighborhood and he will be a great leader for the Sunshine Ordinance Task Force. His energy and experience put him head and shoulders above the rest.

I urge you to appoint Frank to the commission.

Kindly,

Brian Wallace

Re: Appointment of Frank Cannata to the Sunshine Ordinance Task Force

Dear Supervisors:

Cathedral Hill Neighborhood Association (CHNA), supports the appointment of Frank Cannata to SOTF.

As a long time neighborhood leader for Middle Polk Neighborhood Association (MPNA), Frank has been a strong advocate for residents and merchants for the Middle Polk area, as well as working with other neighborhood associations on common concerns over public health, safety, housing, transportation and commercial planning for the larger area.

Frank has worked closely with Cathedral Hill Neighborhood Association to mitigate the environmental and transportation impacts of the CPMC Cathedral Hill Hospital Campus on all the Van-Ness Corridor neighborhoods, as well as on other major projects affecting the Cathedral Hill neighborhood.

Frank has the commitment and the experience to be an asset to SOTF and we urge you to appoint him to the vacant position on the Task Force.

Hello Supervisors Tang, Mar and Cohen,

I'm writing to express my support for Frank Cannata's appointment to the Sunshine Ordinance Task Force. As a small business owner and resident of the same community which Frank resides, I've seen his passion for citizen participation in local government first hand. He has been a neighborhood advocate for over 10 years working alongside residents, merchants and city officials. His experience gives me confidence we citizens will be well represented by his appointment to the task force ensuring the City's operations continue to remain open to the people's review.

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

With regard to residency, I resided in San Francisco from 1985 to 2002 for 17 years residing in the Tenderloin, Nob Hill, Twin Peaks and Potrero Hill, before settling down in the Inner Richmond for more than a decade. I finished my BA and earned an MA at San Francisco State University, so I have deep roots in the City, although I could not return to residency after a brief sojourn in Chicago from 2002 to 2004 due to rising rents. Professionally I have directed a nonprofit for more than seven years that focuses on democratic communications with an emphasis on diversity of perspectives and the communication rights and needs of marginalized communities including people of color, the disabled, youth and low income folks, I must request a residency waiver from the Board, but I am now working in San Francisco and expect to be fully engaged in the life of the City going forward.

Business and/or professional experience:

Prior to my nonprofit work, I worked in education (after-school programs), did accounting gigs to get through school and then did marketing communications for a variety of exhibition companies and corporate clients. I also finished an interrupted BA and went on to an MA at San Francisco State University, attending in the evenings while working full time. In 1995, I transitioned into freelance journalism and I have worked in the communications field ever since, the last seven years directing Media Alliance, a venerable nonprofit that advocates for responsive media and communications policy and just returned to San Francisco after 6 years in Oakland. For the past decade, I have written and spoken widely, testified at numerous public meetings and regulatory agencies, and coached numerous community groups in effective communications. I blog on media policy at the Huffington Post and am published frequently in newspapers and blogs around the country. I sit on the board of the Alliance for Community Media, Western Region, the steering committee of the National Lawyers Guild Committee on Democratic Communications and the anchor committee of the Media Action Grassroots Network. I have done extensive consumer advocacy in the telecommunications arena and worked consistently on digital divide issues, which address two of the requested areas of interest for the vacant seat.

Civic Activities:

While I have a demanding job, my volunteer activities have included animal welfare and training with the East Bay Humane Society and the Milo Foundation, work with Amnesty International on human rights and extensive volunteer work with community radio throughout the Bay Area.

Subject: Nomination of Leuwam Tesfai to Sunshine Ordinance Task Force

To the Rules Committee:

Hello,

Thank you for the opportunity to weigh in on the nomination of Leuwam Tesfai to the Sunshine Ordinance Task Force.

As a resident of San Francisco, I believe Leuwam has the qualities, experience, and shared vision of our city that exemplify the ideal Task Force member. During the ten years I have known Leuwam, I have been consistently impressed by her honesty, sincerity, and pursuit of truth. She has shown a dedication to public service in both her career, as an attorney for the Public Utilities Commission, and her volunteer work, serving on the board of the League of Women Voters of San Francisco. Additionally, Leuwam's education and experience working for the state of California have provided the background, insight, and integrity required of this position.

I am honored to call Leuwam a close friend. Thank you for your consideration of Leuwam Tesfai for this position. She could not be more excited for this opportunity.

Sincerely,

Subject: Comments on the application by David Pilpel for the SF Sunshine Taskforce to BOS Rules Committee

Dear Mr. Evans, Rules Committee Assistant Clerk

Please make this part of the file for the relevant Rules meeting to discuss David Pilpel's application to the SF Sunshine Taskforce. And please distribute this in real-time to the relevant Supervisor's offices.

I am active in San Francisco open government matters and the Northern California chapter of the Society of Professional Journalism's Freedom of Information Committee. I have been before the San Francisco Sunshine Taskforce many times and won most of my cases.

Other local activity: resulted in San Francisco capturing an additional \$3.5Million in property taxes.
<http://calaware.org/whistleblower-rights/a-35-million-tweet-from-an-amazing-whistle>

I wish to warn the Supervisors on the Rule Committee about my opinion regarding David Pilpel's bias against open government and frequent tendency to disrupt proceedings during his prior time on the taskforce. I type slowly, so I don't have time to get into all the meetings in which we've crossed paths but would strongly recommend that Mr. Pilpel not be selected for a seat on the taskforce. I feel it would be better to leave the seat open for future appointments than to appoint him. I think if you ask most San Francisco Open Government citizens and many members on the taskforce you will hear similar feedback.

Thank you for dedicating a portion of your life to give back to the community by being in government. Let's make choices that can improve the operation and transparency of San Francisco!

Sincerely,

Subject: Sunshine Taskforce Ordinance Nomination - In Support of Leuwam Tesfai

To whom it may concern,

I am writing this email in support of Leuwam Tesfai for a seat on the Sunshine Ordinance Task Force. I have known Leuwam Tesfai for over ten years and during that time she has consistently shown dedication to public service. We attended college together and I recall her spending her summers advocating for workers rights and serving as a legal intern focusing on environmental and social issues. Since moving to San Francisco and attending law school, Leuwam has been a leading advocate for public service in her tireless dedication to the League of Women Voters of San Francisco and work with the California Public Utilities Commission. Apart from her dedication to service she is uniquely qualified in public records law which makes her a very strong candidate for the position.

Subject: Letter in support of Leuwam Tesfai's nomination to the City's Sunshine Ordinance Task Force

To the members of the San Francisco Board of Supervisors Rules Committee:

I am writing to express my strong support for the San Francisco League of Women Voters' nominee, Leuwam Tesfai, for a seat on the City's Sunshine Ordinance Task Force. Leuwam's demonstrated leadership, resourcefulness, personal integrity, and dedication to public service are among the key attributes that highly recommend her for a post with the Sunshine Ordinance Task Force.

I have known Leuwam for nearly two decades, from our days in high school in Texas to now, when we both very happily call San Francisco home. While I have known Leuwam for many years as a friend, I also recently had the great privilege of serving with Leuwam on the Board of the San Francisco League of Women Voters. Leuwam's unwavering adherence to the highest standards of personal integrity in her work, in addition to her leadership, professionalism, and resourcefulness, make her a critical member of the League's Board.

As well as being an active Board member, Leuwam is an attorney for the California Public Utilities Commission. Her service with the state not only means she has an extensive understanding of public records law, but it also demonstrates an inspiring dedication to public service.

Leuwam certainly has the requisite skills for the seat on the City's Sunshine Ordinance Task Force, and she would be a tremendous asset to the Task Force, bringing her breadth of experience, resourcefulness, and integrity to her work on the Task Force. As a San Francisco resident, I would be proud to know that someone like Leuwam was sitting on the City's Sunshine Ordinance Task Force.

Please do not hesitate to reach out to me with any questions regarding my letter of support. Many thanks for your time and for your consideration of Leuwam's nomination.

Subject: Rules Committee appointment consideration

Dear Supervisors:

It is my understanding that the Rules Committee will be considering appointments to the Sunshine Task Force this Thursday, April 28. It is also my understanding that David Pilpel has submitted his application for reappointment to that task force.

I have known David for more than 25 years. He was a teenager when I used to have to physically extract him from offices at MUNI headquarters (on Presidio at Geary in those days). He was regularly rifling through desks of managers and other employees and also going through our file cabinets for "information" on various objects and issues. He would often come in after hours when those managers would have gone home for the day. This was not a once or twice occurrence. It was a regular practice for a very long time. He was reported, but he continued to do this as long as the doors of the building were not locked. Later, security measures were taken and he could not easily access our building after hours. So, he would come in and "visit" with various managers at the end of the day but not leave the building at closing.

Mr. Pilpel has continued to probe/snoop into City business and City offices over the years. As a retired City employee with nearly 40 years of service behind me, I found and continue to find Mr. Pilpel's methods despicable and his motives questionable. While I support transparency and the public's right to know, I also understand the need for files and work products to remain protected. There is a time and place for everything.

All this is to say that I don't believe Mr. Pilpel is appropriate for reappointment to the Sunshine Task Force. Colleagues of mine have told me of his ongoing unorthodox methods in seeking information and also his harassment of both City employees and elected/appointed individuals. These are unprofessional methods and behaviors that should not be rewarded by appointment to an official City body, especially the Sunshine Task Force.

Please reject the reappointment of David Pilpel to the Sunshine Task Force.

Thank you very much for your consideration of this request.

Supervisors Tang, Cohen and Mar,

I am writing in support of Leuwam Tesfai to join San Francisco's Sunshine Ordinance Task Force. I have worked with Leuwam for five years at the CA Public Utilities Commission and I know her to consistently demonstrate the highest values of public service.

Over the last year, I've had the pleasure of serving along side Leuwam as advisors to Commissioner Randolph. Leuwam handles public records act requests for our office and ensures timely compliance with all requirements, in addition to excelling at a host of many other professional assignments in her capacity as advisor to the Commissioner. Leuwam's legal training, procedural prowess and acumen while working with diverse stakeholders makes Leuwam uniquely qualified for the Sunshine Ordinance Task Force.

I would be happy to answer any follow up questions you may have when considering candidates for this position.

Re: Application of Dave Maass for the Sunshine Task Force – Support

Dear Supervisor Tang,

This letter is written in support of the application of Dave Maass to be on the San Francisco Sunshine Task Force. He is exceptionally well-qualified for that position.

I am a long time juvenile justice advocate, formerly as an attorney with the Youth Law Center, and now with the Pacific Juvenile Defender Center. I met Dave years ago, when his investigation into disturbing practices in the San Diego juvenile system brought the issues and Dave to the attention of Youth Law Center. As a reporter for City Beat, Dave obtained county records that revealed extremely high levels of pepper spray use in San Diego facilities. His reporting on the issues resulted in my office doing further investigation, eventually resulting in a complaint to the U.S. Department of Justice. His work has resulted in increased interest in the issue both in San Diego and in state level agencies. He was honored as a Youth Law Center Unsung Hero for his resourcefulness and persistence in bringing pepper spray use to public light.

Dave's pepper spray work is only one example in a long career in which he has used the Public Records Act or the Brown Act to obtain records and speak out on issues of public interest. He understands the law, and the important public policy values it embodies. Dave has also been a champion for the cause of transparency in government, including leading opposition to proposed limitations to the Public Records Act several years ago. His position at the Electronic Frontiers Foundation often calls for him to investigate and bring to light practices of government and corporations that violate civil liberties and privacy interests.

Although his resume speaks for itself, it should be mentioned that much of Dave's work in assuring transparency in government has been on behalf of people who would have had difficulty using the laws themselves to gain access to public records – including juveniles, prisoners, and families of people injured by a particular practice. This seems an especially important characteristic for someone helping San Francisco to assure that the workings of government are open to public view.

I strongly recommend Dave Maass for this position. Please let me know if I can provide further information or insights as you consider his application.

Sincerely yours,

Sue Burrell

Dear Supervisor Tang --

Hi! I had planned on meeting with you this week before the meeting but due to a death in the family that has taken me out of town I am writing you today. I will be back in town for the Rules Committee meeting on Thursday.

I wanted to check in and clear the air of any concerns that you may still have about my interest in serving on the Sunshine Ordinance Task Force. I remember well your concerns the last time around. I want to assure you that my interests are pure and to assure that the Ordinance is interpreted and carried out properly and balanced with my colleagues on the SOTF and advice of legal counsel.

As you know, attendance on this body has been a concern. During my previous time on SOTF my attendance was very regular. My full-time job allows me a flexible schedule. While condensed work that takes some time, luckily, not full-time, attendance for two meetings a month should not be difficult for any member that seeks this position. I appreciated your insistence on this in your interviews in past Rules Committee meetings on this appointment.

Further, with technology pervading our government system, especially, with information systems there has been a continual dearth of savvy in this area. As a chief information officer and IT administrator for over two decades, I frequently get inquiries about this from the Open Government community and SOTF members. I am very familiar with the work of our own IT department as having conversed with Miguel Gamino and Jay Nath, attended many COIT meetings plus Sunlight Foundation, EFF, Maplight and other organizations that seek to help normalize how data and public information is accessible to the general public which is the keystone of our state laws and the Sunshine Ordinance. SOTF desperately needs someone who has a good understanding in this area. I believe at this time my presence on the SOTF would be beneficial.

Finally, open meetings and public information disclosure is something I have solid interest in as having worked in consumer advocacy, being a social worker, and in civic

I legislative advocacy for many years. I have studied and learned in all its machinations and manifestations from federal, state and local levels including other municipalities. I know from hearing from several current members of the SOTF that they

wished for my presence as I bring a certain professionalism and focus that affords well understood and balanced discussions and process. Their words.

I hope we can look towards the future and continued efforts to help streamline the Sunshine process, reduce staff time with technology and, ultimately, fairness in the process.

If you have any questions please do not hesitate to contact me.

Thank you for your indulgence of this lengthy message.

Sincerely,

Bruce Wolfe, M.S.W.

Subject: Sunshine Ordinance Task Force (Leuwam Tesfai)

Dear Rules Committee,

I write to express my support for Leuwam Tesfai to be appointed to a seat on the Sunshine Ordinance Task Force.

I am a litigation attorney at Lombardi, Loper & Conant, LLP and my family and I are longtime residents of San Francisco, where I was also raised. I met Ms. Tesfai in 2009 during our first year of law school at University of San Francisco School of Law, where we both graduated in 2012. I also had the pleasure of serving as one of her Article Editors when Ms. Tesfai led the University of San Francisco Intellectual Property Bulletin as its Editor-in-Chief in law school.

Ms. Tesfai is a fair leader, hard worker, and has shown dedication to public service in her role as an attorney for the California Public Utilities Commission and her work on the Board of the League of Women Voters of San Francisco. I believe that her skills and knowledge in public records law working for the State of California qualifies her as an excellent candidate to protect public interest in my hometown of San Francisco.

Very truly yours,

Jacob Rossman

To whom it may concern,

I am writing this email in support of Leuwam Tesfai for a seat on the Sunshine Ordinance Task Force. I have known Leuwam for over a decade and can speak to her long-standing dedication to public service. Currently I serve on the Board of the League of Women Voters of San Francisco with Leuwam and she approaches her position of Communications Chair with passion and drive. Additionally, Leuwam is an attorney with the California Public Utilities Commission where she has developed skills and knowledge in public records law that would serve her well on the Sunshine Ordinance Task Force. Also, her time spent working for the state has strengthened her commitment to an open and transparent government.

Other public service roles Leuwam has undertaken include being a member of her Neighborhood Emergency Response Team with the San Francisco Fire Department, mentoring high school students with the California Law Academy, and coordinating volunteer work for her office at the San Francisco Food Bank.

I truly believe Leuwam's background and steadfast commitment to public service make her a very strong candidate for this appointment and I hope you will consider her nomination.

To whom it may concern,

I am writing to express my support of Leuwam Tesfai, League of Women Voters of San Francisco nominee for the Sunshine Ordinance Task Force seat. I have known Leuwam for over 10 years as an undergraduate at Emory University in Atlanta, Georgia to her now position serving as an attorney at the CPUC in San Francisco, CA. Leuwam is steadfast and smart; a hard worker who excels in everything she touches. She has an amazing knowledge of the law and shows true passion for protecting the ideals of an open government. I work with her weekly as a volunteer and member of the LWVSF and I can truly attest to her skill set. Not only would she be a quality candidate, but also she would be a true asset to the task force. It would be a clear miss to not support her appointment to this position. Thank you and have a good evening.

I respectfully urge you to consider Frank Cannata for the Sunshine Ordinance Task Force.

Over a decade ago Frank co-founded the Middle Polk Neighborhood Association (MPNA), originally to address the spread of prostitution along the Polk Street corridor. He rallied neighbors, strengthened ties with the police and, by dint of ongoing monitoring, the problem was contained.

As important, however, was the fact that Frank and the MPNA leadership team, provided a forum for the residents of Middle Polk and an opportunity for them to begin participating in the "body politic". By establishing monthly meetings where City leaders from the DPW, SFMTA, Park and Rec, Police, etc. would come to talk with and listen to the residents of Middle Polk, Frank helped empower the community. As you would no doubt agree, that is quite a contribution to community development.

When I asked Frank why he wanted to be on the Sunshine Ordinance Task Force, his answer was typically forthright:

"I want to be on the task force because I believe that open and transparent government and citizen participation in government makes for better government."

I couldn't agree more and for this reason respectfully support Frank Cannata for a seat on the Sunshine Ordinance Task Force.

Subject: Support Leuwam Tesfai for Sunshine Ordinance Task Force

Dear San Francisco Board of Supervisors,

I am writing to give my strong support for Leuwam Tesfai as a nominee to the San Francisco Sunshine Ordinance Task Force. I have known and worked with Leuwam at the California Public Utilities Commission since 2013, and have been her direct supervisor for the past year. Leuwam is a person and an employee of strong moral character who is highly committed to public service. She has been working with me on several sunshine initiatives to improve the public accessibility of the California Public Utilities Commission, and she executes her duties with attention to fairness, transparency, and pragmatism. She is professionally and personally very well suited to be a member of San Francisco's Sunshine Ordinance Task Force, given her knowledge of public records law in California, the fact that she is an attorney, and the fact that she holds herself to high ethical standards.

Thank you for the opportunity to provide this note of support, and I am happy to answer any further questions about Leuwam.

Leuwam's dedication to her community is evident in everything she does, including her ongoing work on the board of the League of Women Voters of San Francisco. Dear Rules Committee Members,

Please see attached for my personal statement for seat 5 on the Sunshine Ordinance Task Force. I regret that I cannot appear before you in person tomorrow because I am in Los Angeles for work.

I hope to have a colleague from the League of Women Voters of San Francisco read my statement into the record tomorrow.

Personal Statement for Leuwam Tesfai
Seat 5 nominee for Sunshine Ordinance Task Force

Dear Rules Committee,

Thank you for bringing my nomination to seat 5, designated for a League of Women Voters of San Francisco member, on the Sunshine Ordinance Task Force for your consideration today. I regret not being able to attend. I had previously scheduled work travel in Los Angeles that could not be moved at short notice.

I am a member of the League of Women Voters of San Francisco and have served on the board of directors for almost two years. When the current League member in seat 5, Chair Allyson Washburn, expressed a desire to our board to step down from her seat after almost 8 years of service, I was asked by our past President, Chief Administrative Law Judge Karen Clopton, to prepare for a transition into her seat. Over the last year and a half I have shadowed Chair Washburn by regularly attending Sunshine Ordinance Task Force meetings and learning about the breadth of issues that come before the Task Force.

Beyond my work with the League, I have built ties to my community through my work with the Fire Department's Neighborhood Emergency Response Team in District 5, California Law Academy high school mentorship program, and the San Francisco Bicycle Coalition.

I believe my professional experience has also prepared me to work on the Sunshine Ordinance Task Force. I am an attorney, currently working as a legal advisor to Commissioner Liane Randolph at the California Public Utilities Commission and public records and open meeting law are a part of my practice.

I regularly advise on the California Public Records Act, the Bagley-Keene Act, and the Brown Act and work on initiatives to bring effective transparency protocols and technologies to the Commission.

My legal experience as well as advisory experience to prepare my Commissioner for public meetings has helped me to build the skills to be a Task Force member that is prepared for meetings (by reading and researching packet materials), is proficient in Robert's Rules of Procedure, and has the temperament to treat all complainants and respondents appearing before the Task Force with respect.

I hope to use this expertise to help the Task Force more effectively and efficiently enforce the Sunshine Ordinance.

Kindly,
Leuwam Tesfai

Re: **Opposition to Re-Appointment of David Pilpel to Sunshine Ordinance Task Force**

Dear Rules Committee Members,

Please do not approve recommending applicant David Pilpel to another term on the SOTF for the following reasons.

Prior Disruptive Behavior Prevented His Re-Appointment to Two CAC's

Mr. Pilpel's behavior as a member of other policy bodies has been totally disruptive.

Despite Pilpel's claim on his application that he has served on the SFMTA CAC, SFPUUC CAC, and on the Redistricting Task Force, he was not re-appointed to the MTA CAC in 2009 or earlier, reportedly due to his disruptive behavior and badgering of MTA CAC members and MTA staff. Similarly, within approximately the past year Pilpel was not re-appointed to the PUC CAC for the largely the same reason, as Supervisor Tang must be aware. And by report, Pilpel was extremely disruptive when he served on the Redistricting Task Force.

Poor Attendance Record

Between October 2, 2013 and August 24, 2014 the SOTF held 15 meetings. Pilpel was absent four times — 26.7% — of those 14 meetings.

Refusal to Recuse Himself vs. Recusal From Hearing Complaints

- On May 5, 2015 a Sunshine complaint filed by Brian Browne against the SF PUC was calendared for a hearing before the Sunshine Task Force. Browne — aware that Pilpel was then serving on the PUC's CAC — requested that Pilpel recuse himself from hearing Browne's complaint due to a potential conflict of interest. Pilpel refused, and announced that although he was a member of the PUC's CAC, he should NOT have to recuse himself. Browne's complaint was continued to a future meeting of the Task Force.
- On April 6, 2016, an hour-and-a-half into the Sunshine Task Force's meeting, Pilpel suddenly requested being recused from hearing a complaint filed by Ray Hartz, Jr. involving the Ethics Commission. Pilpel admitted he had attended the Ethics Commission's January 25 meeting and had testified several times that the Commission was making a mistake because he felt an item on the Ethics Commission's agenda "was not framed properly for public discussion." Pilpel felt the Ethics Commission was not conducting themselves appropriately. Subsequently Hartz filed a Sunshine complaint concerning the Ethics Commission's January 25 meeting.

Pilpel claimed he had been speaking as a "private citizen" but it was obvious he was providing advice to the Ethics Commission in his role as a member of the Sunshine Task Force.

Hartz's complaint that was supposed to be heard on April 6 involved the new Executive Director of Ethics, LeeAnn Pelham. The draft minutes of the Task Force's April 6 minutes only reported that Pilpel wanted to avoid the appearance of bias.

April 27, 2016

Opposition to Re-Appointment of David Pilpel to Sunshine Ordinance Task Force

Page 2

Pilpel requested to be recused from hearing the matter. The MP3 audio file of the April 6 Task Force meeting shows that Pilpel stated during the meeting that “my view is that I have either bias, or the appearance thereof” [for having spoken during the Ethics Commission’s meeting on January 25]. But there should have been no need for him to recuse himself if he had, in fact, been speaking as a private citizen. And there should have been no question about whether Pilpel was engaging in “bias” if he had been speaking as a member of the public.

The MP3 audio also shows that Task Force Member Mark Rumold — a lawyer who holds a Task Force seat reserved for nominations from the Society of Professional Journalists — noted that potentially the Task Force may want to eventually have a discussion about whether Pilpel has abused his duties as a member of the Task Force often, and that, if so, the Task Force we could take some action later.

There doesn’t seem to be much rhyme or reason as to when Pilpel decides whether or not to request being recused from hearing items on the agenda.

Ex Parte Communications

On May 5, 2015 following the hearing on Brian Browne’s Sunshine complainant, Pilpel raced up to the SFPUC representative who had attended the hearing and who was enroute to the elevator, and began speaking with the PUC rep. Browne reportedly said “Mr. Pilpel, I hope you are not talking to her about my case.” It’s one of many examples — not an isolated occurrence — of Pilpel having sidebar — *ex parte* — conversations with respondents regarding Sunshine complaints prior to hearing the merits of a complainant’s formal complaint.

Undermining Sunshine Complainants

Also in 2015, Pilpel submitted a letter to the Ethics Commission prior to an Ethics Commission hearing involving a Sunshine complaint Paula Datesch had filed against the Art Commission that the Task Force had referred to the Ethics for enforcement. Pilpel intentionally interfered with the Ethics Commission’s deliberations by offering his so-called “personal opinion” on a matter that the Task Force had already ruled on and had concluded. Pilpel has no compulsion about trying to overturn Sunshine Task Force decisions that he doesn’t agree with, and is brazen enough to show up at Ethics hearings to intentionally undercut official Orders of Determination the Task Force had issued.

It is thought Pilpel has interfered with other concluded Orders of Determination issued by the Task Force after-the-fact, and this is not an isolated incident.

Two Ethics Complaints Involving Violations of the Statement of Incompatible Activities Applicable to the Board of Supervisors and SOTF Members

In 2014 I filed two Ethics complaints against Mr. Pilpel alleging that he had violated the SIA applicable to SOTF members. In the first Ethics complaint, I noted Pilpel had identified himself during public comment at a meeting of the Ethics Commission as “David Pilpel, Member of SOTF,” rather than as a member of the public, as if he were authorized to speak on behalf of the full Task Force.

After I filed my complaints, Pilpel became somewhat more careful to claim he addresses policy bodies as a member of the public, although he has been reported by other observers as having continued to identify himself as a member of SOTF when addressing other policy bodies.

Mr. Pilpel had *not* sought an Advance Written Determination that testifying to the Ethics Commission about a Sunshine Complaint adjudicated and finalized by the full Task Force is *not* incompatible with his official duties.

In my second Ethics complaint, the underlying issue was not whether Mr. Pilpel is permitted to speak before other policy bodies on issues *outside* the scope of his duties as a member of the Sunshine Task Force (for example speaking during a meeting of a Commission considering a land use matter that might affect Mr. Pilpel’s neighborhood). Instead, the underlying issue was whether Pilpel is permitted to speak to another policy body on issues that are *inside* the scope of his duties as a Sunshine Task Force member (i.e., speaking about a matter inside the scope of his duties, *after* the full Task Force had concluded the matter and referred it to the Ethics Commission for enforcement).

April 27, 2016

Opposition to Re-Appointment of David Pilpel to Sunshine Ordinance Task Force

Page 3

When Mr. Pilpel voluntarily became a member of the Task Force, he was automatically bound under the governing SIA to restrict his testimony on matters falling *inside* the scope of his duties before other bodies. As a member of the Task Force, he has a duty to support and abide by decisions reached by a majority of Task Force members.

Pilpel's *ex parte* communications with other Policy Bodies and his testimony during other Policy Body meetings are a ruse when he claims to be speaking as a private citizen. His claims are a sham, when not a pretense or pretext, since it is clear he is trying to provide testimony in his role as a member of the Task Force, not so much as a member of the public.

His ruse needs to stop, and the Rules Committee can do so by refusing to advance him for consideration for re-appointment to the Task Force. Please refuse to support him application; it's long overdue that you dump him off of SOTF.

Pilpel Withheld Key Information from Rules Committee in May 2014

To the extent that Pilpel sought to sway the Rules Committee into re-appointing him to the Sunshine Task Force on May 15, 2014 by blabbing his wild assertion that members of the SOTF didn't understand where "due process attaches," he may have gamed re-appointment to the Task Force by withholding informing Supervisors Yee and Tang on May 15 that just 17 days earlier when Pilpel had raised the "due process" issue during the Sunshine complaint hearing involving Phil Ginsburg before the Ethics Commission, Deputy City Attorney Josh White who advises the Ethics Commission, had to interject and inform Ethics Commissioners that "due process" didn't apply.

It is completely egregious that Pilpel — who must have fully understood DCA White's clear City Attorney advice — withheld DCA White's advice from Tang and Yee in 2014, and repeated the "due process" misinformation that White had shot down, during his testimony seeking re-appointment to the Task Force. Indeed, it could be argued that by ignoring DCA White's "City Attorney opinion," and repeating due process misinformation, Pilpel had failed Katy Tang's "litmus test" of undying fealty to City Attorney "advice" as a condition of appointment to the Task Force.

Conclusion

The Rules Committee should not make the same mistake twice by referring Mr. Pilpel for re-appointment to the Task Force again, after he duped you in May 2014.

After all, leopards rarely change their spots, and tigers rarely change their stripes. Both animals rarely change their behavior. So, too, with David Pilpel. It's time to get rid of him as being too disruptive.

RE: David Pilpel's Re-Appointment to Sunshine Committee

Greetings Supervisors-

My name is Steffen Franz and I write today to voice support for David Pilpel's re-appointment to the Sunshine Committee. I am currently the Chair of Park, Recreation and Open Spaces Advisory Committee, as well as President of Friends of Lafayette Park, and I have served on PROSAC for the past 6 years representing District 2.

I have been at many city meetings, including dozens of PROSAC meetings, where David contributed important information and has helped research many issues and potential breaches of the Sunshine Ordinance. He has also provided support to our committee in the form of a volunteer "secretary" for our committee, when our committee didn't have someone to fill that position.

Overall, I feel he is helpful, knowledgeable and he is an asset to this committee. Please reappoint him to the Sunshine Committee.

Thank You for your time and consideration in this matter-

Subject: endorsement of David Pilpel for SOTF

Hi,

I support David Pilpel's reappointment to the SOTF. I have attended numerous meetings of the Task Force, Complaints Committee and Compliance and Amendments Committee. David is always there when he is supposed to be. He is engaged, questioning and dedicated. He puts in the hard work to understand the cases in the detail required to make informed decisions. He is quite outspoken. This is a tremendous virtue since many of the hearings I have witnessed involve people who seem intent on stonewalling and obfuscating.

David's positions contribute a great deal to the dynamic of discussions at the Task Force. He considers arguments by other task force members and will change his position in response.

It would be a shame not to accept David's offer to continue to serve on the Task Force.

Dear Supervisors and Mr. Evan; I wish to go on record in support of David Pilpel to continue in the position he has held on the Sunshine Committee. I have observed David over the years at many meetings and have been impressed with his competence and fairness in his role on this committee. He has a huge knowledge base of city laws and regulations that have been useful to many neighborhood groups and officials as they try to administer codes efficiently and fairly. He is rare talent in that area and I would support his continuation on the committee
