Dear Ms. Short:

This letter addresses the proposed acceptance of public improvements on Yerba Buena Island, located on the following Assessor’s Blocks/Lots: 1939/016, 019, 084, 085, 087, 090, 091; 8953/006; and 8954/003. The public improvements are shown in the plans (“Plans”) for the following:

- Street Improvement Permit (SIP), approved by Public Works Street Use and Mapping on May 31, 2018, under Permit No. 18IE-0330;
- Encroachments located on the above referenced streets that will be Treasure Island Development Authority (TIDA) assets;
- Water Storage and Pump System (WTS), approved by Department of Building Inspection on July 11, 2017, under Building Permit No. 201603111785; and
- Water Storage and Pump System (WTS), approved by Department of Building Inspection on June 13, 2018, under Building Permit No. 201706300838.

On April 21, 2011, the San Francisco Planning Commission issued a series of approvals for the Treasure Island/Yerba Buena Island Project (Planning Department Records 2007.0903BEMRTUWZ). These approvals actions included certification of the Final Environmental Impact Report (FEIR) through Motion No. 18325, adoption of California

Environmental Quality Act (“CEQA”) findings through Motion No. 18326, and adoption of General Plan and Planning Section 101.1 consistency findings through Motion No. 18328.

Planning Department Staff has reviewed the Plans and considered the other actions comprising the Board of Supervisors legislation and finds them consistent with the Planning Commission’s approvals. Therefore, the Planning Department Staff finds that the Board of Supervisors and TIDA Board actions are covered with the scope of the FEIR and the CEQA findings of Planning Commission Motion Nos. 18325 and 18326 and, on balance, consistent with General Plan and Planning Code Section 101.1 Consistency Findings of Motion No. 18328. For purposes of the Board of Supervisors and TIDA Board actions identified in this letter, the Planning Department Staff relies on and incorporates by reference these Planning Commission Motions and their associated findings.

Sincerely,

*Nicholas Foster*
