Motion to Support File No. 221258 Hearing on the evictions in the City's Permanent Supportive Housing (PSH) project-based sites that receive city funds, and efforts to prevent and reduce evictions at PSH sites; and requisition the Department of Homelessness and Supportive Housing, Department of Public Health, and Mayor's Office of Housing and Community Development to report.

How many of those evicted were youth and if any attended schooling? What are the demographics?

How many are queer youth who were affected?

Were these individuals evicted due to deferred maintenance, safety, and poor living conditions?

Were any of these evictions met with temporary or new housing opportunities?

How was taxpayer funding was used to evict the residents in supporting housing?

Were those who were evicted given the resources and tools necessary to understand their eviction and any other supporting housing resources? Were they read their housing rights? Any mental health resources?

What is the criteria that constitutes having a tenant in supportive housing be evicted?

What were the impacts of those evicted during the height of the pandemic? Any physiological, psychological, and mental difficulties and implementation?
