EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would authorize an amendment to the existing lease, between the City, as tenant, and SFOC LLC, as landlord, for the City to continue to occupy the approximately 9,800 square feet of office space and five parking spaces at 711 Van Ness for the Department of Emergency Management and the Assessor-Recorder's Office, by extending the existing lease for 14 ½ months to June 30, 2015.

Key Points

- On July 17, 2012 the Board of Supervisors approved a new lease (File 12-0675) between the City, as tenant and SFOC LLC, as landlord for approximately 9,800 square feet of office space at 711 Van Ness for the Department of Emergency Management and the Assessor-Recorder's Office for approximately 20 ½ months, beginning August 1, 2012 and ending on April 14, 2014.
- The existing lease provides for: (a) fixed rent of \$22 per square foot per year, or approximately \$215,600 per year for 9,800 square feet; (b) five parking spaces rented by the City at a rate of \$1,200 per month, or approximately \$14,400 per year; and (c) all utilities, insurance, taxes and custodial services to be paid by the landlord.
- Under the proposed amendment to the existing lease, the term of the lease is extended for 14 ½ months to June 30, 2015. Therefore, the total term of the amended lease is approximately two years and eleven months, beginning August 1, 2012 and ending on June 30, 2015. Except for the proposed lease term extension of 14½ months the other provisions of the lease remain the same.

Fiscal Impacts

- The total rent for the amended lease agreement, including parking, over the extended term of the lease is \$670,833. Of the \$670,833, \$491,167 or 73.2% would be paid by the Department of Emergency Management's Bay Area Urban Areas Security Initiative (BAUASI) grant funds and \$179,667 or 26.8% would be paid by General Fund monies.
- The BAUASI currently has been awarded Department of Homeland Security grant funds Federal through May 31, 2015 and possibly may be able to extend by one additional month through June 30, 2015.
- The Assessor-Recorder's Office has carried-forward unexpended General Fund monies, previously appropriated by the Board of Supervisors for rent, sufficient to pay the proposed rent in FY 2013-14. The rent in FY 2014-15 will be paid with General Fund monies and has been requested in the FY 2014-15 proposed budget of the Assessor-Recorder.

Recommendation

- Approve the proposed resolution.

2 terms and conditions until June 30, 2015 in order to have the Lease termination coincide with

14 commencing upon August 1, 2012. The Lease shall be at a base rent of \$17,966.67 per
15 month (\$22.00 per square foot per year) and shall be fully serviced. The base rent will not

24 City or its agents, in, on or about the premises or the property on which the premises are
25 located, excluding those claims, costs and expenses incurred as a result of the

1 negligence or willful misconduct of Landlord or its agents; and, be it

2 FURTHER RESOLVED, That all actions heretofore taken by the officers of the City
3 with respect to such lease extension are hereby approved, confirmed and ratified; and, be it

6 Extension Agreement (including without limitation, the exhibits) that the Director of Real
7 Estate determines, in consultation with the City Attorney, are in the best interest of the
8 City, do not increase the rent or otherwise materially increase the obligations or liabilities
9 of the City, are necessary or advisable to effectuate the purposes of the Lease and/or
10 Lease Extension Agreement or this resolution, and are in compliance with all applicable
11 laws, including City's Charter; and, be it

12 FURTHER RESOLVED, That the City shall occupy the entire Premises for the full term
13 of the lease unless funds for rental payments are not appropriated in any subsequent fiscal
14 year. Said lease shall be subject to certification as to funds by the Controller, pursuant to
15 Section 3.105 of the Charter.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

In accordance with Sections 23.26 and 23.27 of the City's Administrative Code, leases of \$5,000 or more per month that extend for more than one year in which the City is the tenant are subject to Board of Supervisors approval by resolution.

Background

In late 2011 the Department of Emergency Management and the Assessor-Recorder's Officer separately requested the Real Estate Division to find temporary office space for their respective departments. The Real Estate Division proposed a short-term lease for new temporary office space at 711 Van Ness Avenue, to be shared by the Assessor-Recorder's Office and Department of Emergency Management.

On July 17, 2012 the Board of Supervisors approved a new lease (File 12-0675) between the City, as tenant and SFOC LLC, as landlord for approximately 9,800 square feet of office space at 711 Van Ness for the Department of Emergency Management and the Assessor-Recorder's Office for approximately 20 ½ months, beginning August 1, 2012 and ending on April 14, 2014.

Department of Emergency Management

The Department of Emergency Management required new office space to house the Bay Area Urban Areas Security Initiative (BAUASI), which is funded by a federal Department of Homeland Security grant, because the Department's two lease agreements for Port-owned property at 10 Lombard Street expired on July 13, 2012 and July 14, 2012 respectively.

According to Mr. William Lee, Director of Finance and Administration for the Department of Emergency Management, the 711 Van Ness Avenue lease site is suitable due to the proximity to the Department of Emergency Management offices at 1011 Turk Street. According to Mr. Lee, the current federal Department of Homeland Security BAUASI grant for Federal Fiscal Year 2012 (October 1, 2011 through September 30, 2012) expires in May 31, 2014. The Department of Emergency Management was recently notified of new grant funding that will extend through May 2015, as noted below and therefore, will continue to need this office space for the BAUASI program.

Assessor-Recorder's Office

The Assessor-Recorder's Office's FY 2011-12 budget included funding for temporary and limited term staff to process the backlog in real property assessment appeals, as well as funding for office space rental and associated costs. These rental and other funds were not expended in FY 2011-12 and were carried forward to FY 2012-13.

According to Ms. Kimberlee Kimura, Assessor-Recorder's Office Director of Finance and Administration, the Assessor-Recorder's Office did not have sufficient space in the department's City Hall offices for the 13 temporary and limited term staff assigned to assessment appeals processing, and therefore, required the additional office space at 711 Van Ness Avenue. According to Ms. Kimura, the Assessor-Recorder's Office initially anticipated that processing of the backlog in assessment appeals would be completed by 2014; however, the Assessor-Recorder's Office renewed the project in response to the still very high appeals caseload at the Assessment Appeals Board. In July 2012, when the existing lease was initiated, the Assessor-

Recorder's Office had 7,729 outstanding appeals, and 4,943 additional appeals have been filed since July 2012, for a total of 12,672 appeals. According to Ms. Kimura, from FY 2000-01 through FY 2008-09, the average total number of appeals filed was 1,500 per year, as compared to 4,943 to date in FY 2012-13. Ms. Kimura reports that approximately 8,131 appeals are currently open, and therefore the Assessor-Recorder's Office will request funding for the project through FY 2014-15 and will continue to need the office space at 711 Van Ness Avenue.

The existing lease provides for: (a) fixed rent of \$22 per square foot per year, or approximately \$215,600 per year for 9,800 square feet; (b) five parking spaces rented by the City at a rate of \$1,200 per month, or approximately \$14,400 per year; and (c) all utilities, insurance, taxes and custodial services to be paid by the landlord.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize an amendment to the existing lease, between the City, as tenant, and SFOC LLC, as landlord, for the City to continue to occupy the approximately 9,800 square feet of office space and five parking spaces at 711 Van Ness for the Department of Emergency Management and the Assessor-Recorder's Office, by extending the existing lease for 14 ½ months to June 30, 2015. Therefore, the total term of the amended lease is approximately two years and eleven months, beginning August 1, 2012 and ending on June 30, 2015. Except for the proposed lease term extension of 14½ months the other provisions of the lease remain the same. A summary of the proposed amended lease is shown in Table 3 below:

Term	Two years and eleven months (August 1, 2012 through June 30, 2015)
Square feet (approximate)	9,800
Average rent per square foot per month	Approximately \$1.83 (or \$22 per year)
Total rent per month	\$17,967
Total annual rent for office space	<u>Approximately \$215,600</u>
Rent per month for five parking spaces	\$1,200
Total annual rent for parking space	<u>\$14,400</u>
Total Annual Rent including five parking spaces	Approximately \$230,000
Annual rent increases	None
Utilities and services	The lease is fully serviced and utilities, insurance, taxes and custodial service are paid by the landlord
Options to further extend	None

According to Mr. Andrico Penick, Assistant Director of Real Estate, the proposed rent of \$22 per square foot per year is below market rate for comparable office space, which is approximately \$40 per square foot per year, because the landlord desires to keep the option to repurpose or sell the building, depending on the economy. The proposed amended lease provides no additional opportunity to extend or hold-over past the June 30, 2015 expiration date. The proposed amended lease provides the option for the landlord to terminate prior to June 30, 2015, provided the landlord provides the City: (i) six months' notice and (ii) two months' rent credit if early termination notice is given prior to April 14, 2014 and one month rent credit if early termination notice is given after April 14, 2014.

Parking

In addition to the office space, the amended lease continues to provide for five parking spaces, to be used by the Department of Emergency Management. According to Mr. Lee, the BAUASI work involves regular meetings with local law enforcement and other partners throughout 12 counties in the greater Bay Area, including in areas without ready access to public transit, which necessitate the availability of vehicles for the use of BAUASI staff and the associated parking spaces.

FISCAL IMPACTS

The total rent for the amended lease agreement, including parking, is \$670,833 over the extended term of the lease, as shown in Table 2 below. Of the \$670,833, \$491,167 or 73.2% would be paid by the Department of Emergency Management's Bay Area Urban Areas Security Initiative (BAUASI) grant funds and \$179,667¹ or 26.8% would be paid by General Fund monies..

The current Federal Department of Homeland Security grant for BAUASI expires in May 31, 2014. Mr. Tristan Levarado, Chief Financial Officer for the BAUASI Program, states that BAUASI received new grant funding during the week of May 23, 2013 for Federal Fiscal Year 2013 (October 1, 2012 through September 30, 2013), which extends grant funds through May 31, 2015 and possibly by one additional month through June 30, 2015. Additional Department of Homeland Security grant funds are expected for the Federal Fiscal Year 2014 (October 1, 2013 through September 30, 2014) and information about the next grant cycle will become available in September 2013, allowing BAUASI to adjust its space needs accordingly at the expiration of the lease.

According to Ms. Kimura, the Assessor-Recorder's Office has carried-forward unexpended General Fund monies, previously appropriated by the Board of Supervisors for rent, sufficient to pay the proposed rent in FY 2013-14. The rent in FY 2014-15 will be paid with General Fund monies and has been requested in the FY 2014-15 proposed budget of the Assessor-Recorder. Ms. Kimura states that currently the project to process the appeal backlogs is funded only through FY 2014-15, coinciding with the termination of the proposed amended lease. According to Ms. Kimura, if sufficient funding is not approved by the Board of Supervisors for future years, the temporary and limited term employees will be terminated; however, if funding is approved, then the Assessor-Recorder's Office will work with the Department of Real Estate to relocate the project team to another space.

RECOMMENDATION

Approve the proposed resolution.
