11 (u) Medical cannabis dispensaries that prepare, dispense or sell food must comply with and are
12 subject to the provisions of all relevant State and local laws regarding the preparation, distribution and
13 sale of food.

14 (v) The medical cannabis dispensary shall meet any specific, additional operating procedures
15 and measures as may be imposed as conditions of approval by the Director in order to insure that the
16 operation of the medical cannabis dispensary is consistent with protection of the health, safety and
17 welfare of the community, qualified patients with a valid identification card and primary caregivers
18 with a valid identification card, and will not adversely affect surrounding uses.

19
20 **SEC. 3209. PROHIBITED OPERATIONS.**

21 All medical cannabis dispensaries operating in violation of California Health and Safety Code
22 Sections 11362.5 and 11326.7 et seq., or this Article are expressly prohibited. No entity that
23 distributed medical cannabis prior to the enactment of this Article shall be deemed to have been a
24
25

1 legally established use under the provisions of this Article, and such use shall not be entitled to claim
2 legal nonconforming status for the purposes of permitting.

3
4 **SEC. 3210. DISPLAY OF PERMIT.**

5 Every permit to operate a medical cannabis dispensary shall be displayed in a conspicuous
6 place within the establishment so that the permit may be readily seen by individuals entering the
7 premises.

8
9 **SEC. 3211. SALE OR TRANSFER OF PERMITS.**

10 (a) Upon sale, transfer or relocation of a medical cannabis dispensary, the permit and license
11 for the establishment shall be null and void unless another permit has been issued pursuant to this
12 Article; provided, however, that upon the death or incapacity of the permittee, the medical cannabis
13 dispensary may continue in business for six months to allow for an orderly transfer of the permit.

14 (b) If the permittee is a corporation, a transfer of 25 percent of the stock ownership of the
15 permittee will be deemed to be a sale or transfer and the permit and license for the establishment shall
16 be null and void unless a permit has been issued pursuant to this Article; provided, however, that this
17 subsection shall not apply to a permittee corporation, the stock of which is listed on a stock exchange in
18 this state or in the City of New York, State of New York, or which is required by law to file periodic
19 reports with the Securities and Exchange Commission.

20
21 **SEC. 3212. RULES AND REGULATIONS.**

22 (a) The Director shall issue rules and regulations regarding the conduct of hearings
23 concerning the denial, suspension or revocation of permits and the imposition of administrative
24 penalties on medical cannabis dispensaries.

1 (b) The Director may issue regulations governing the operation of medical cannabis
2 dispensaries. These regulations shall include, but need not be limited to:

3 (1) A requirement that the operator provide patients and customers with information regarding
4 those activities that are prohibited on the premises;

5 (2) A requirement that the operator prohibit patrons from entering or remaining on the
6 premises if they are in possession of or are consuming alcoholic beverages, or are under the influence
7 of alcohol;

8 (3) A requirement that the operator require employees to use protective gloves when handling
9 cannabis;

10 (4) A description of the size and type of notice of hearing to be posted in a conspicuous place
11 on the property at which the proposed medical cannabis dispensary is to be operated and the number of
12 days said notice shall remain posted; and

13 (5) A description of the size and type of sign posted near the entrances and exits of medical
14 cannabis dispensaries providing notice that no medical cannabis shall be smoked, ingested or
15 otherwise consumed in the public right of way within fifty (50) feet of a medical cannabis dispensary
16 and that any person violating this policy shall be deemed guilty of an infraction and upon the
17 conviction thereof shall be punished by a fine of \$100.

18 (c) Failure by an operator to do either of the following shall be grounds for suspension or
19 revocation of a medical cannabis dispensary permit: (1) comply with any regulation adopted by the
20 Director under this Article, or (2) give free access to areas of the establishment to which patrons have
21 access during the hours the establishment is open to the public, and at all other reasonable times, at the
22 direction of the Director, or at the direction of any City peace, fire, planning, or building official or
23 inspector for inspection with respect to the laws that they are responsible for enforcing.

1 **SEC. 3213. INSPECTION AND NOTICES OF VIOLATION.**

2 (a) The Director may inspect each medical cannabis dispensary regularly and based on
3 complaints, but in no event fewer than two times annually, for the purpose of determining compliance
4 with the provisions of this Article and/or the rules and regulations adopted pursuant to this Article. If
5 informal attempts by the Director to obtain compliance with the provisions of this Article fail, the
6 Director may take the following steps:

7 (1) The Director may send written notice of noncompliance with the provisions of this Article to
8 the operator of the medical cannabis dispensary. The notice shall specify the steps that must be taken
9 to bring the establishment into compliance. The notice shall specify that the operator has 10 days in
10 which to bring the establishment into compliance.

11 (2) If the Director inspector determines that the operator has corrected the problem and is in
12 compliance with the provisions of this Article, the Director may so inform the operator.

13 (3) If the Director determines that the operator failed to make the necessary changes in order
14 to come into compliance with the provisions of this Article, the Director may issue a notice of violation.

15 (b) The Director may not suspend or revoke a permit issued pursuant to this Article, impose an
16 administrative penalty, or take other enforcement action against a medical cannabis dispensary until
17 the Director has issued a notice of violation and provided the operator an opportunity to be heard and
18 respond as provided in Section 3216.

19 (c) If the Director concludes that announced inspections are inadequate to ascertain
20 compliance with this Article (based on public complaints or other relevant circumstances), the Director
21 may use other appropriate means to inspect the areas of the establishment to which patrons have
22 access. If such additional inspection shows noncompliance, the Director may issue either a notice of
23 noncompliance or a notice of violation, as the Director deems appropriate.

1 (d) Every person to whom a permit shall have been granted pursuant to this Article shall post a
2 sign in a conspicuous place in the medical cannabis dispensary. The sign shall state that it is unlawful
3 to refuse to permit an inspection by the Department of Public Health, or any City peace, fire, planning,
4 or building official or inspector, conducted during the hours the establishment is open to the public and
5 at all other reasonable times, of the areas of the establishment to which patrons have access.

6 (e) Nothing in this Section shall limit or restrict the authority of a police officer to enter
7 premises licensed or permitted under this Article (i) pursuant to a search warrant signed by a
8 magistrate and issued upon a showing of probable cause to believe that a crime has been committed or
9 attempted, (ii) without a warrant in the case of an emergency or other exigent circumstances, or (iii) as
10 part of any other lawful entry in connection with a criminal investigation or enforcement action.

11
12 **SEC. 3214. VIOLATIONS AND PENALTIES.**

13 (a) Any person who or dispensary that violates any provision of this Article or any rule or
14 regulation adopted pursuant to this Article may, after being provided notice and an opportunity to be
15 heard, be subject to an administrative penalty not to exceed \$1,000 for the first violation of a provision
16 or regulation in a 12-month period, \$2,500 for the second violation of the same provision or regulation
17 in a 12-month period, and \$5,000 for the third and subsequent violations of the same provision or
18 regulation in a 12-month period.

19 (b) The Director may not impose an administrative penalty or take other enforcement action
20 under this Article against a medical cannabis dispensary until the Director has issued a notice of
21 violation and provided the operator an opportunity to be heard and respond as provided in Section
22 3216.

1 (c) Nothing herein shall prohibit the District Attorney from exercising the sole discretion vested
2 in that officer by law to charge an operator, employee, or any other person associated with a medical
3 cannabis dispensary with violating this or any other local or state law.

4
5 **SEC. 3215. REVOCATION AND SUSPENSION OF PERMIT.**

6 (a) Any permit issued for a medical cannabis dispensary may be revoked, or suspended for up
7 to 30 days, by the Director if the Director determines that:

8 (1) the operator or any employee has violated any provision of this Article or any regulation
9 issued pursuant to this Article;

10 (2) the operator has violated any other local law, or any State law;

11 (3) the operator has engaged in any material misrepresentation when applying for a permit;

12 (4) the medical cannabis dispensary is being managed, conducted, or maintained without
13 regard for the public health or the health of patrons;

14 (5) the operator has refused to allow any duly authorized City official to inspect the premises
15 or the operations of the medical cannabis dispensary;

16 (6) based on a determination by another City department, including the Department of Building
17 Inspections, the Fire Department, the Police Department, and the Planning Department, that the
18 medical cannabis dispensary is not in compliance with the laws under the jurisdiction of the
19 department.

20 (b) The Director may not suspend or revoke a permit issued pursuant to this Article or take
21 other enforcement action against a medical cannabis dispensary until the Director has issued a notice
22 of violation and provided the operator an opportunity to be heard and respond as provided in Section
23 3216.

1 (c) Notwithstanding paragraph (b), the Director may suspend summarily any medical cannabis
2 dispensary permit issued under this Article pending a noticed hearing on revocation or suspension
3 when in the opinion of the Director the public health or safety requires such summary suspension. Any
4 affected permittee shall be given notice of such summary suspension in writing delivered to said
5 permittee in person or by registered letter.

6 (d) If a permit is revoked, no application for a medical cannabis dispensary may be submitted
7 by the same person for three years.

8
9 **SEC. 3216. NOTICE AND HEARING FOR ADMINISTRATIVE PENALTY AND/OR**
10 **REVOCAION OR SUSPENSION.**

11 (a) If the Director determines that a medical cannabis dispensary is operating in violation of
12 this Article and/or the rules and regulations adopted pursuant to this Article, he or she shall issue a
13 notice of violation to the operator of the medical cannabis dispensary.

14 (b) The notice of violation shall include a copy of this Section and the rules and regulations
15 adopted pursuant to this Article regarding the conduct of hearings concerning the denial, suspension or
16 revocation of permits and the imposition of administrative penalties on medical cannabis dispensaries.
17 The notice of violation shall include a statement of any informal attempts by the Director to obtain
18 compliance with the provisions of this Article pursuant to Section 3213(a). The notice of violation shall
19 inform the operator that:

20 (1) The Director has made an initial determination that the medical cannabis dispensary is
21 operating in violation of this Article and/or the rules and regulations adopted pursuant to this Article;
22 and

23 (2) The alleged acts or failures to act that constitute the basis for the Director's initial
24 determination; and

1 (3) That the Director intends to take enforcement action against the operator, and the nature of
2 that action including the administrative penalty to be imposed, if any, and/or the suspension or
3 revocation of the operator's permit; and

4 (4) That the operator has the right to request a hearing before the Director within fifteen (15)
5 days of receipt of the notice of violation in order to allow the operator an opportunity to show that the
6 medical cannabis dispensary is operating in compliance with this Article and/or the rules and
7 regulations adopted pursuant to this Article.

8 (c) If no request for a hearing is filed with the Director within the appropriate period, the
9 initial determination shall be deemed final and shall be effective fifteen (15) days after the notice of
10 initial determination was served on the alleged violator. The Director shall issue an Order imposing
11 the enforcement action and serve it upon the party served with the notice of initial determination.
12 Payment of any administrative penalty is due within 30 days of service of the Director's Order. Any
13 administrative penalty assessed and received in an action brought under this Article shall be paid to
14 the Treasurer of the City and County of San Francisco. The alleged violator against whom an
15 administrative penalty is imposed also shall be liable for the costs and attorney's fees incurred by the
16 City in bringing any civil action to enforce the provisions of this section, including obtaining a court
17 order requiring payment of the administrative penalty.

18 (d) If the alleged violator files a timely request for a hearing, within fifteen (15) days of receipt
19 of the request, the Director shall notify the requestor of the date, time, and place of the hearing. The
20 Director shall make available all documentary evidence against the medical cannabis dispensary no
21 later than fifteen (15) days prior to the hearing. Such hearing shall be held no later than forty-five (45)
22 days after the Director receives the request, unless time is extended by mutual agreement of the affected
23 parties.

1 (e) At the hearing, the medical cannabis dispensary shall be provided an opportunity to refute
2 all evidence against it. The Director shall conduct the hearing. The hearing shall be conducted
3 pursuant to rules and regulations adopted by the Director.

4 (f) Within twenty (20) days of the conclusion of the hearing, the Director shall serve written
5 notice of the Director's decision on the alleged violator. If the Director's decision is that the alleged
6 violator must pay an administrative penalty, the notice of decision shall state that the recipient has ten
7 (10) days in which to pay the penalty. Any administrative penalty assessed and received in an action
8 brought under this Article shall be paid to the Treasurer of the City. The alleged violator against
9 whom an administrative penalty is imposed also shall be liable for the costs and attorney's fees

11 obtaining a court order requiring payment of the administrative penalty.

12

14 (a) Right of Appeal. The final decision of the Director to grant, deny, suspend, or revoke a
15 permit, or to impose administrative sanctions, as provided in this Article, may be appealed to the Board
16 of Appeals in the manner prescribed in Article I of the San Francisco Business and Tax Regulations
17 Code. An appeal shall stay the action of the Director.

18 (b) Hearing. The procedure and requirements governing an appeal to the Board of Appeals

2 certificate from the City in compliance with Article 12 of the Business and Tax Regulations Code.

3
4 **SEC. 3219. DISCLAIMERS AND LIABILITY.**

5 By regulating medical cannabis dispensaries, the City and County of San Francisco is assuming
6 an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its
7 officers and employees, an obligation for breach of which it is liable in money damages to any person
8 who claims that such breach proximately caused injury. To the fullest extent permitted by law, the City
9 shall assume no liability whatsoever, and expressly does not waive sovereign immunity, with respect to
10 the permitting and licensing provisions of this Article, or for the activities of any medical cannabis
11 dispensary. To the fullest extent permitted by law, any actions taken by a public officer or employee
12 under the provisions of this Article shall not become a personal liability of any public officer or

14 state or federal law.

15
16 **SEC. 3220. SEVERABILITY.**

17 If any provision of this Article or the application of any such provision to any person or
18 circumstance, shall be held invalid, the remainder of this Article, to the extent it can be given effect, or
19 the application of those provisions to persons or circumstances other than those to which it is held
20 invalid, shall not be affected thereby, and to this end the provisions of this Article are severable.
