Hello!

My name is Calder Lorenz, I am the Director of Operations at the Gubbio Project and a resident of District 9.

Thank you to the Budget & Finance Committee members for hearing agenda item #12 today.

The Gubbio Project **supports** the acquisition of 835 Turk Street to add more supportive housing to our City's portfolio. **Item #12**

We know that housing solves homelessness and that there is no medicine as powerful as housing.

We encourage the City and HSH and the full Board of Supervisors to continue to acquire units and buildings throughout the entire City to support the needs of our unhoused community so that we can continue to build equitable access to housing for all.

In Community, Calder
