MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

260 Golden Gate Family Shelter

In May 2019, the City acting through the Department of Homelessness and Supportive Housing (HSH) entered into a grant agreement with Hamilton Families, a non-profit, to provide emergency shelter and support services to families experiencing homelessness at the 260 Golden Gate Family Shelter for a three-year term beginning July 2019 and ending June 2022 and a not to exceed amount of \$8,943,966. In July 2020, the contract between HSH and Hamilton Families for family shelter services was combined with another existing agreement for services at the same shelter site that is funded by the federal Emergency Solutions Grant, for a not to exceed amount of \$9,866,240, with a term of July 1, 2020 through June 30, 2023.

Procurement

In 2019, HSH selected Hamilton Families, an existing provider, to provide emergency shelter and support services through a Request for Qualifications (RFQ) process. In 2020, HSH selected Hamilton Families for a federal U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) award under RFQ #127 to provide emergency shelter services.¹ This funding supported the same emergency shelter program as awarded in 2019. To streamline grant administration for the site, HSH combined the grant agreements into the current agreement.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the First Amendment to the grant agreement between HSH and Hamilton Families for shelter operations and services at the 260 Golden Gate Family Shelter, extending the grant term by three years through June 2026, and increasing the not-to-exceed amount by \$11,198,031, for a new, total not-to-exceed amount of \$21,064,271. The

¹ Hamilton Families was one of eleven community organizations evaluated to provide emergency shelter services in response to RFQ #127. Applicants were evaluated for meeting a set of minimum qualifications: (1) having nonprofit status and at least five years' experience providing services to people experiencing homelessness or at risk of homelessness, (2) exhibiting a minimum of two years' operating emergency shelter services, and (3) demonstrating that the organization has matching contributions to supplement the ESG award. Applicants were scored by two panelists, the Shelter Program Supervisor and Adult Shelter System Program Manager at HSH. Hamilton Families was one of multiple providers selected for an award from this RFQ.

resolution also authorizes HSH to enter into further immaterial amendments to the grant agreement.

Services

The grant agreement requires Hamilton Families to provide emergency shelter and support services to families experiencing homelessness. Families are defined as households that consist of at least one adult age 18 or older and at least one minor child under age 18, and people who are pregnant. The agreement includes 27 non-congregate rooms that have capacity for multiple guests per family and 46 congregate beds. However, according to HSH staff, one of the non-congregate rooms is being held for families that need to isolate from COVID-19; congregate shelter capacity is currently reduced from a total pre-COVID capacity of 46 beds to 40 beds. Twelve of the congregate beds are held for 14-day emergency placements for pregnant people. The shelter facility has a total site capacity of 54 families. Hamilton Families must operate the shelter in compliance with the Standards of Care for all City-funded shelters, which includes maintaining the shelter facility's cleanliness and safety; obtaining vendors to manage essential services like laundry, meals, and Wi-Fi; accepting reservations in accordance with the facility's hours of operation; providing a minimum standard of accommodation, including clean blankets, sheets, pillowcase, and mats, cots or beds; providing site security; providing meals to clients; and providing space for clients to store their belongings.

Shelter support services are also provided to families, which can include problem solving conversations (such as exploring housing options), orientation for shelter clients, intake and assessment, case management, case coordination, housing search and placement support, behavioral health resources, benefits advocacy and assistance, financial planning assistance, children and youth services, support groups, shelter community meetings, extension of stay, referrals and coordination of services, emergency response and conflict resolution, and wellness checks. The Emergency Solutions Grant provides funding for housing focused case management and emergency shelter services (including childcare, education services, employment assistance, outpatient health services, legal services to help participant's obtain housing, life skill training, mental health and substance abuse treatment services, transportation, and services for special populations) for 40 clients.

Referrals and Location

All families are required to go through the Coordinated Entry process and engage with Family Access Points, where staff assess families for service needs and eligibility and refer them to the 260 Golden Gate shelter as appropriate. There is also a pilot self-referral process for 14-day stays for the 12 beds for pregnant people. Shelter services are provided at 260 Golden Gate Avenue, 24 hours a day, seven days a week, including holidays whereas support services are provided 24 hours a day, seven days a week, except holidays.

System of Care

The 2022 Point-in-Time count found 4,397 unsheltered residents in San Francisco, including 25 families. According to HSH staff, there are 3,060 shelter beds or units available as of May 2023. According to HSH's Shelter Inventory dashboard, as of May 8, 2023, San Francisco has capacity

for 263 emergency shelter beds or units for families with 150 occupied (57 percent). So far in FY 2022-23 (from July 1, 2022 to May 21, 2023), 260 Golden Gate Emergency Shelter had an occupancy rate of 93 percent for the 26 non-congregate units, 60 percent for the 28 congregate beds in the general congregate program, and 23 percent for the 12 congregate beds held for emergency placements for pregnant people. Occupancy of emergency center's congregate beds fluctuates given many families have a short stay while awaiting placement in a non-congregate unit or housing.

Fiscal and Performance Monitoring

The proposed First Amendment to the grant agreement lists six service objectives.

- A. Grantee will provide emergency shelter services to families in the number of rooms listed in the budget (27 rooms)
- B. Grantee shall provide emergency shelter services to clients in the number of congregate beds listed in the budget (46 congregate beds)
- C. Grantee shall check in at least 95 percent of all beds reserved and maintain daily attendance in the ONE system.
- D. Grantee shall provide daily operations of the shelter, including meals.
- E. Grantee shall provide case management services to 100 percent of clients.
- F. 100 percent of shelter staff shall be trained in compliance with standards of care.

There are also four outcome objectives listed in the First Amendment:

- A. 100 percent of guests residing in shelter will receive housing advocacy support including gathering and uploading of vital documents document readiness, notifying households of housing opportunities and assistance with housing applications.
- B. A minimum of 60 percent of clients residing in the shelter will receive case management, including referrals, housing advocacy support, collaboration with Access Points and other service providers, such as, but not limited to, Rapid Rehousing and Permanent Supportive housing providers on housing search process and assist in gathering supplemental documents as applicable including but not limited to releases of information, benefits award letters, wage/pay stubs, records of self-employment.
- C. A minimum of 50 percent of guests exiting the program who have stayed in 60-day beds for 30 days or more will move into permanent housing such as rental by guest with subsidy, shared housing, market rate housing, transitional housing, or a residential treatment program.
- D. Grantee shall ensure that a minimum of 75 percent of guests participating in a Satisfaction Survey will rate the treatment by staff, quality of meals, connection to services and safety as good or excellent.

HSH conducted performance monitoring for FY 2022-23, including a site visit on May 4, 2023. Hamilton Families met or exceeded performance on all the service and outcome objectives. HSH found that Hamilton Families met all contractual service levels and that there were no corrective actions taken. According to HSH staff, in FY 2021-22, 53 unique households with 192 family members were served in non-congregate rooms by the program and 52 unique households with 131 family members were served in congregate rooms.

The Human Services Agency (HSA) reviewed Hamilton Families' financial documents as part of the FY 2021-22 Citywide Fiscal and Compliance Monitoring Process and identified no findings.

FISCAL IMPACT

The proposed First Amendment would increase the not-to-exceed amount of the grant agreement between HSH and Hamilton Families by \$11,198,031, for a total not to exceed \$21,064,271. HSH projects annual expenditures of approximately \$3,293,296 based on FY 2022-23 projected expenditures, which are show in Exhibit 1 below.

Exhibit 1: FY 2022-23 Project Grant Agreement Expenditures

Expenditures	Amount
Salaries & Benefits	\$2,178,415

Indirect Percentage (15%)	395,472
Other Expenses ³	300,000
Total Expenditures	\$3,293,296

Source: Proposed grant agreement amendment

Salaries and Benefits total \$2.2 million in FY 2022-23 and support 27.67 full-time equivalent staff.

The \$3,293,296 FY 2022-23 grant budget in the proposed amendment shown in Exhibit 1 is 12 percent greater than the FY 2022-23 budget in the original grant agreement of \$2,936,381. This is primarily because of increased salary costs due to cost of doing business increases, and higher security costs, which were budgeted at \$152,000 in the original agreement but are \$300,000 in the budget for the first amendment. According to HSH staff the increase in security costs is due to Hamilton Families adding a third shift to the overnight schedule in order to provide 24-hour security services.

Actual and projected expenditures by year are shown in Exhibit 2 below.

² Operating expenses include utilities, office supplies, building maintenance and repairs, insurance, staff training and travel, rental equipment, hiring expenses, kitchen supplies, food program, janitorial supplies and services, laundry services, fees and subscriptions, participant activities & services, program supplies, cook services, computer services and supplies, disaster preparedness supplies, payroll services, translation services, vehicle repairs, and conferences.

³ Other expenses include security services.

Funding Sources

Years one through three of the grant are supported by 94 percent City General Fund (\$9,164,900), three percent U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) funding (\$287,500), and three percent Proposition C funding for one-time COVID-19 bonus pay for staff (\$250,000).

In years four through six, the grant will be supported by 98 percent City General Fund (\$9,714,888) and 2 percent HUD ESG funds (\$165,000). This does not include the contingency amount which is supported by City General Funds.

Appendix A, Services to be Provided
by
Hamilton Families
260 Golden Gate - Family Shelter

I. Purpose of Grant

The purpose of the grant is to provide emergency shelter and support services to families who are experiencing homelessness.

II. Served Population

Grantee shall serve families who are experiencing homelessness and do not have a fixed, regular, or adequate nighttime residence. Families are defined as households consisting of at least one adult age 18 or older and at least one minor child under age 18, and people who are pregnant. Grantee shall determine accommodation of clients with service or companion animals at the shelter.

III. Referral and Prioritization

For regular shelter placements, all new families will be referred by the Department via the Coordinated Entry System (CES), which organizes the Homelessness Response System (HRS) with a common, population specific assessment, centralized data system, and prioritization method.

All families must go through the Coordinated Entry process and engage Family Access Points. The Access Point staff will assess families for service needs and eligibility and engage in Problem Solving.

For emergency placements, all new families will be referred via a referral process established by the Department. Families may be referred by the Department, approved referral entities, or via family self-referral.

Families in need of same day shelter may make a reservation or go directly to HSH's lowest barrier programs. See <http://hsh.sfgov.org/services/emergencysshelter/> for more information. In order to access other family shelter programs, all families must go through the Coordinated Entry process and engage Family Access Points. Access Points work to ensure those with the highest needs are able to access shelter and appropriate housing interventions.

IV. Description of Services

Grantee shall operate the shelter to serve guests in the number of rooms and congregate beds listed in the Appendix B, Budget. The City may require Grantee to serve fewer guests to maintain the health and safety of guests in accordance with City requirements. In the future, the City may request that Grantee serve additional guests to maximize capacity at the site.

Grantee shall adhere to the Shelter Standards of Care Legislation¹ unless otherwise directed by the City in cases of public health emergencies or other emergency situations.

 2. 3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
 4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
 5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
 6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.
- C. Line Item Variance: There shall be no variance from the line item budget submitted, which adversely affects Grantee's ability to provide services specified in the Appendix A(s), Services to be Provided of the Agreement; however, Grantee may invoice up to 110 percent of an **ongoing General Fund** line item, provided that total expenditures do not exceed the total budget amount, per the HSH Budget Revision Policy and Procedure: <http://hsh.sfgov.org/overview/provider-updates/>.

- E. Documentation and Record Keeping:
1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer

III. Advances or Prepayments: Advances or prepayments are allowable on certified annual ongoing General Fund or Prop C amounts (i.e., authorized by executed Agreements) in order to meet non-profit Grantee cash flow needs in certain circumstances. Requests for advance

Requests for greater than two months of the ongoing annualized budget amount may be considered on a case-by-case basis.

C. Advance Repayment Process:

1. If approved by HSH, the advanced sum will be deducted from the Grantee's monthly invoices at an equal rate each month that will enable repayment before the close of the fiscal year. For example, for a twelve-month grant the rate of repayment of the advance will be 1/10th per month from July to April. An alternative period of repayment may be calculated in order to ensure cash flow and repayment.
2. All advance repayments must be recovered within the fiscal year for which it was made.
3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall repay the outstanding balance via check in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Grantee shall make the repayment after the final invoice of the fiscal year has been approved to the address provided by the assigned HSH Contract Manager, as listed in CARBON.

IV. Timely Submission of Reports and Compliance: If a Grantee has outstanding items due to the City (e.g., Corrective Action Plans/report/document/data input), as specified in any written form from HSH (e.g., Letter of Correction, Corrective Action Plan, and/or Appendix A(s), Services to be Provided of the Agreement), Grantee shall submit and comply with such requirements prior to or in conjunction with invoices. Appendix E, Federal Requirements: Provisions for All Federal Funds Subawards and Matching Funds to Federal Funds

I. Definitions

These are Federal definitions that come from Federal Uniform Guidance, 2 CFR Part 200, and are in addition to and may vary from definitions provided in the City's Grant Agreement, Professional Services Contract and/or Amendment documents ("Agreement").

A. City. City means the City and County of San Francisco.

B. Subaward. Subaward means an award provided by a pass-through entity (e.g., the City) to a Subrecipient for the Subrecipient to carry out all or part of a Federal award. It does not include payments to an individual that is a beneficiary of a Federal program (2 CFR §200.1). Characteristics of Subawards, as opposed to Subcontracts, include but are not limited to that a Subrecipient:

- i. Has programmatic decision-making responsibility within the scope of services of the Agreement;
- ii. May determine client eligibility for the Federal program;
- iii. In accordance with its Agreement, uses the Federal funds to carry out all or part of a Federal program, as opposed to providing goods or services to help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

C. Third Party Subaward. Third Party Subaward means a Subaward at any tier entered into by a Subrecipient, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

D. Contract and/or Subcontract. Contract and/or Subcontract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award (2 CFR §200.1). Characteristics of Subcontracts, as opposed to Subawards include but are not limited to that a Subcontractor:

- i. Has little or no programmatic decision-making responsibility in how it carries out the purpose of the Agreement;
- ii. Does not determine client eligibility for the federal program; and
- iii. Provides goods or services that are ancillary to the operation of the Federal program and/or that help the City administer the Federal program.

See 2 CFR §200.331 for more guidance.

E. Third Party Subcontract. Third Party Subcontract means a Subcontract at any tier entered into by Contractor or Subcontractor, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

II. Federal Changes. Subrecipient shall at all times comply with all applicable regulations, policies, procedures and Federal awarding agency directives, including without limitation

those listed directly or by reference in the Recipient Agreement between the City and the Federal awarding agency or in this Agreement, as they may be amended or promulgated from time to time during the term of this Agreement. Subrecipient's failure to so comply shall constitute a material breach of this Agreement.

III. Requirements for Pass-Through Entities. (2 CFR §200.332)

- A.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient shall include the following:
- i. Federal award information as specified in 2 CFR §200.332(a)(1) to the best of its knowledge;
 - ii. Requirements imposed by the Federal awarding agency, the City, or itself in order to meet its own responsibility to the City under this Subaward as specified in 2 CFR §200.332(3);
 - iii. An approved federally recognized indirect cost rate negotiated between the Subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the Subrecipient and its Third Party Subrecipients, or a de minimis indirect cost rate as defined in §200.414 Indirect (Facilities and Administration¹) costs, paragraph (f);
 - iv. A requirement that the Third Party Subrecipient permit the Subrecipient, the City, higher level funders, and auditors to have access to the Subrecipient's records and financial statements as necessary for the Subrecipient to meet the requirements of this part (2 § CFR 200.332(5)); and
 - v. Appropriate terms and conditions concerning closeout of the Subaward per 2 § CFR 200.332(6).
- B.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient agrees to:
- i. Evaluate each Third Party Subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the Subaward for purposes of determining the appropriate Subrecipient monitoring described in paragraphs (3) of this section;
 - ii. Consider imposing specific Subaward conditions upon a Third Party Subrecipient if appropriate as described in 2 CFR §200.208 Specific conditions;
 - iii. Monitor the activities of the Third Party Subrecipient as necessary to ensure that the Subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the Subaward; and that Subaward performance goals are achieved. See 2 CFR §200.332(d) and (e) for specific requirements;
 - iv. Verify that every Third Party Subrecipient is audited as required by 2 CFR §200 Subpart F—Audit Requirements of this part when it is expected that the Subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR §200.501 Audit requirements;

¹ 2 CFR § 200.332(a)(1)(xiv)

- v. Consider whether the results of the Third Party Subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records; and
- vi. Consider taking enforcement action against noncompliant Third Party Subrecipients as described in 2 CFR §200.339 Remedies for noncompliance of this part and in program regulations.

IV. Procurement Compliance. *(2 CFR §200.318 through 200.326)*

- A. Subrecipient agrees to comply with the procurement standards set forth in 2 CFR § 200.318 through § 200.326. This includes but is not limited to the following:

 - ii. Providing full and open competition as per 2 CFR § 200.319; and
 - iii. Complying with standards of the five methods of procurement described in 2 CFR § 200.320: micro-purchases, small purchases, sealed bids (formal advertising), competitive proposals, and non-competitive (sole source) proposals.

V. Cost Principles Compliance. *(2 CFR §200 Subpart E)*

- A. Subrecipient agrees to comply with the Cost Principle specified in 2 CFR § 200 Subpart E for all costs that are allowable and included in this Agreement with the City. This includes but is not limited to compliance with §200.430 Compensation – personal services, including §200.430(i) regarding Standards for Documentation for Personnel Expense. Charges to Federal awards for salaries and wages must be based on records that accurately reflect the actual work performed. The requirements for these records include but are not limited to that they:
 - i. Be supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
 - ii. Be incorporated into the official records of the Subrecipient;
 - iii. Reasonably reflect the total activity for which the employee is compensated by the Subrecipient, not exceeding 100 percent of compensated activities;
 - iv. Encompass both federally assisted and all other activities compensated by the Subrecipient on an integrated basis, but may include the use of subsidiary records as defined in the Subrecipient's written policy;
 - v. Comply with the established accounting policies and practices of the Subrecipient;
 - vi. Support the distribution of the employee's salary or wages among specific activities or cost objectives if the employee works on more than one Federal award; a Federal award and non-Federal award; an indirect cost activity and a direct cost activity; two or more indirect activities which are allocated using different allocation bases; or an unallowable activity and a direct or indirect cost activity;

- vii. Budget estimates alone do not qualify as support for charges to Federal awards, but may be used for interim accounting purposes in certain conditions (see §200.430(i)(1)(viii));
- viii. In accordance with Department of Labor regulations implementing the Fair Labor Standards Act (FLSA) (29 CFR part 516), charges for the salaries and wages of nonexempt employees, in addition to the supporting documentation described in this section, must also be supported by records indicating the total number of hours worked each day;
- ix. Salaries and wages of employees used in meeting cost sharing or matching requirements on Federal awards must be supported in the same manner as salaries and wages claimed for reimbursement from Federal awards; and
- x. A Subrecipient whose the records may not meet the standards described in this section shall use personnel activity reports (also known as time studies), prescribed certifications for employees working 100 percent on the same Federal program, or equivalent documentation as supporting documentation.

VI. Equal Employment Opportunity Compliance. *Applicable to all construction agreements awarded in excess of \$10,000 by Grantees and their Contractors or Subgrantees; 2 CFR §200 Appendix II(C).* Subrecipient agrees to comply with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Part 60).

VII. Davis-Bacon Act Compliance. *Applicable to construction agreements in excess of \$2,000 awarded by Grantees and Subgrantees when required by Federal grant program legislation; 2 CFR §200 Appendix II(D).* Subrecipient agrees to comply with the Davis-Bacon Act (40 U.S.C. 3141-3148) as supplemented by Department of Labor regulations (29 CFR Part 5).

B. Overtime. No Subrecipient contracting for any part of the work under this Agreement which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic

receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

C. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the provisions of Paragraph B, the Subrecipient and any Subcontractor responsible therefore shall be liable to any affected employee for that employee's unpaid wages. In additions, such Contractor and Subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic employed in violation of the provisions of paragraph B in the sum of \$10 for each calendar day on which such employee was required or permitted to be employed on such work in excess of eight hours or in excess of his standard workweek of 40 hours without payment of the overtime wages required by paragraph B.

D. Withholding for unpaid wages and liquidated damages. - 4.1 Implementation of Grant Plan; Cooperation with Monitoring.** Grantee shall diligently and in good faith implement the Grant Plan on the terms and conditions set forth in this Agreement and, to the extent that they do not differ from this Agreement, the Application Documents. Grantee shall not materially change the nature or scope of the Grant Plan during the term of this Agreement without the prior written consent of City. Grantee shall promptly comply with all standards, specifications and formats of City, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and shall cooperate in good faith with City in any evaluation, planning or monitoring activities conducted or authorized by City.
- 4.2 Grantee's Personnel.** The Grant Plan shall be implemented only by competent personnel under the direction and supervision of Grantee.
- 4.3 Ownership of Results.** Any interest of Grantee or any subgrantee, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by Grantee or any subgrantee in connection with this Agreement or the implementation of the Grant Plan or the services to be performed under this Agreement, shall become the property of and be promptly transmitted to City. Notwithstanding the foregoing, Grantee may retain and use copies for reference and as documentation of its experience and capabilities.

all copyrights in such creations shall be the property of City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Grant.

4.5 Publications and Work Product.

- (a) Grantee understands and agrees that City has the right to review, approve, disapprove or conditionally approve, in its sole discretion, the work and property funded in whole or part with the Grant Funds, whether those elements are written, oral or in any other medium. Grantee has the burden of demonstrating to City that each element of work or property funded in whole or part with the Grant Funds is directly and integrally related to the Grant Plan as approved by City. City shall have the sole and final discretion to determine whether Grantee has met this burden.
- (b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.
- (c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. - (d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any

clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

- (e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.
- (f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds.

- (a) In no event shall the amount of Grant Funds disbursed hereunder exceed **Nine Million Eight Hundred Sixty Six Thousand Two Hundred Forty Dollars (\$9,866,240)**.
- (b) Grantee understands that, of the Maximum Amount Of Grant Funds listed under Article 5.1 (a) of this Agreement, **One Million Fifty Seven Thousand Ninety Seven Dollars (\$1,057,097)** is included as a contingency amount and is neither to be used in Budget(s) attached to this Agreement or available to Grantee without a modification to the Appendix B, Budget, which has been approved by the Department of Homelessness and Supportive Housing. Grantee further understands that no payment for any portion of this contingency amount will be made unless and until a modification or revision has been fully approved and executed in accordance with applicable City and Department laws, regulations, policies/procedures and

certification as to the availability of funds by Controller. Grantee agrees to fully comply with these laws, regulations, and policies/procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendices A and A-1, Services to be Provided and Appendix B, Budget and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

- (a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C, Method of Payment. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.
- (b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds as set forth in Appendix C, Method of Payment.

5.4 State or Federal Funds

- (a) **Disallowance.** With respect to Grant Funds, if any, which are ultimately provided by the State or Federal government, Grantee agrees that if Grantee claims or receives payment from City for an Eligible Expense, payment or reimbursement of which is later disallowed by the State or Federal government, Grantee shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to Grantee hereunder or under any other Agreement. Any such offset with respect to a portion of the disallowed amount shall not release Grantee from Grantee's obligation hereunder to refund the remainder of the disallowed amount.
- (b) **Grant Terms.** The funding for this Agreement is provided in full or in part by a

federal or state grant to the City. As part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement and include certain reporting requirements. The incorporated terms and requirements are stated in Appendix F, Federal Requirements: Provisions for All Federal Funds Subawards and Matching Fund to Federal Funds and Appendix G, Housing and Urban Development (HUD) Subrecipient Agreement.

If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.
- 6.5 Books and Records.** Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents,

payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.

6.7 Submitting False Claims Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendices A and A-1, Services to be Provided. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.
- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
- (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Withholding. Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with

the terms hereof.

- 8.2 Location.** Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.
- 8.3 No Misstatements.** No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- 8.4 Conflict of Interest.**
- (a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.
 - (b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and stepparents).
- 8.5 No Other Agreements with City.** Except as expressly itemized in Appendix D, Interest in Other City Grants, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.
- 8.6 Subcontracts.** Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.
- 8.7 Eligibility to Receive Federal Funds.** By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- 9.1 Indemnification.** Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.
- 9.2 Duty to Defend; Notice of Loss.** Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.
- 9.3 Incidental and Consequential Damages.** Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

10.1 Types and Amounts of Coverage. Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage.
- (c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
- (d) Professional liability insurance for negligent acts, errors or omission with respect to professional or technical services, if any, required in the performance of this Agreement with limits not less than one million dollars (\$1,000,000) each claim.

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

- (a) Name as Additional Insured City and its officers, agents and employees.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit

is brought, except with respect to limits of liability.

- 10.3 Additional Requirements for All Policies.** All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.
- 10.4 Required Post-Expiration Coverage.** Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.
- 10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs.** Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.
- 10.6 Evidence of Insurance.** Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.
- 10.7 Effect of Approval.** Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.
- 10.8 Insurance for Subcontractors and Evidence of this Insurance.** If a subcontractor will be used to complete any portion of this agreement, Grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and Grantee listed as additional insureds.
- 10.9 Worker's Compensation.** The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default.** The occurrence of any one or more of the following events shall

constitute an “Event of Default” under this Agreement:

- (a) **False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.
- (b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.
- (c) **Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.
- (d) **Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.
- (e) **Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).
- (f) **Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.
- (g) **Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

- (a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice,

this Agreement shall terminate, and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.

- (b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.
- (c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.
- (d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

- (a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;
- (b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and
- (c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be

exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City.** Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance.** Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections.** Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee.** Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially

all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.

13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

13.3 Subcontracting. If Appendix E, Permitted Subgrantees, lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E, Permitted Subgrantees, is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

(a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E, Permitted Subgrantees without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.

(b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for

the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

16.1 Reserved.

16.2 Nondiscrimination; Penalties.

- (a) **Grantee Shall Not Discriminate.** In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) **Subcontracts.** Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) **Non-Discrimination in Benefits.** Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses,

pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

- (d) **Condition to Contract.** As a condition to this Agreement, Grantee shall execute the “Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits” form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division.
- (e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

16.3 Reserved.

16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

- 16.7 Compliance with ADA.** Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with all or any portion of the Grant Plan and shall comply at all times with the provisions of the ADA.
- 16.8 Requiring Minimum Compensation for Employees.** Grantee shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. Grantee is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. Grantee is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing this Agreement, Grantee certifies that it complies with Chapter 12P.
- 16.9 Limitations on Contributions.** By executing this Agreement, Grantee acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10 percent in Grantee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Grantee certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the grant, and has provided the names of the persons required to be informed to the City department with whom it is contracting.
- 16.10 First Source Hiring Program.** Contractor must comply with all of the provisions of the First Source Hiring Program, Chapter 83 of the San Francisco Administrative Code, that apply to this Agreement, and Contractor is subject to the enforcement and penalty provisions in Chapter 83.
- 16.11 Prohibition on Political Activity with City Funds.** In accordance with San Francisco

Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, “Political Activity”). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this section. In the event Grantee violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.

16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term “preservative-treated wood containing arsenic” shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

16.13 Working with Minors. In accordance with California Public Resources Code Section 5164, if Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach, Contractor shall not hire, and shall prevent its subcontractors from hiring, any person for employment or a volunteer position in a position having supervisory or disciplinary authority over a minor if that person has been convicted of any offense listed in Public Resources Code Section 5164. In addition, if Grantee, or any subgrantee, is providing services to the City involving the supervision or discipline of minors or where Grantee, or any subgrantee, will be working with minors in an unaccompanied setting on more than an incidental or occasional basis, Grantee and any subgrantee shall comply with any and all applicable requirements under federal or state law mandating criminal history screening for such positions and/or

prohibiting employment of certain persons including but not limited to California Penal Code Section 290.95. In the event of a conflict between this section and Section 16.16, "Consideration of Criminal History in Hiring and Employment Decisions," of this Agreement, this section shall control. Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee. Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

16.14 Protection of Private Information. Grantee has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Grantee agrees that any failure of Grantee to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Grantee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Grantee.

16.15 Public Access to Meetings and Records. If Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Consideration of Criminal History in Hiring and Employment Decisions.

- (a) Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Contractor's or subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Reserved. (Slavery Era Disclosure).

16.19 Distribution of Beverages and Water.

(a) **Sugar-Sweetened Beverage Prohibition.** Grantee agrees that it shall not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

In seeking to collect information about clients' sexual orientation and gender identity, Contractor shall: (1) communicate to clients that the provision of sexual orientation and gender identity information is voluntary, and no direct services shall be denied to clients who decline to provide that

information; (2) solicit gender identity and sexual orientation data using questions and approaches consistent with the Department of Public Health's Policies and Procedures entitled "Sexual Orientation Guidelines: Principles for Collecting, Coding, and Reporting Identity Data," reissued on September 2, 2014, and "Sex and Gender Guidelines: Principles for Collecting, Coding, and Reporting Identity Data," reissued on September 2, 2014, or any successor Policies and Procedures; and (3) advise clients that they will protect personally identifiable information regarding clients' sexual orientation and gender identity from unauthorized disclosure, to the extent permitted by law. The duty to collect information about gender identity and sexual orientation shall not apply to the extent such collection is incompatible with any professionally reasonable clinical judgment that is based on articulable facts of clinical significance. Further, Contractor shall protect personally identifiable information from unauthorized disclosure, to the extent permitted by law and as required by the Health Insurance Portability and Accountability Act, the California Medical Information Act, Article 1 of the California Constitution, the California Health and Safety Code and regulations promulgated thereunder, the California Welfare and Institutions Code and regulations promulgated thereunder, and any other applicable provision of federal or state law.

16.21 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

17.12 Dispute Resolution Procedure.

- (a) The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.
- (b) The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt

this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit Grantees. Any questions for concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.

- (c) The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services Grantees. Grantees and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department. If informal discussion has failed to resolve the problem, Grantees and departments should employ the following steps:
- (1) Grantee will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with Grantee or provide a written response to Grantee within 10 working days.
 - (2) Should the dispute or concern remain unresolved after the completion of Step 1, Grantee may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to Grantee. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.
 - (3) Should Steps 1 and 2 above not result in a determination of mutual agreement, Grantee may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to Grantee. The Department will respond in writing within 10 working days.
- (d) In addition to the above process, Grantees have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at https://sfgov.org/ccsfgsa/sites/default/files/City%20Nonprofit%20Contracting%20Task%20Force/CNPCTF_BOS_RPT_06-26-03%281%29_3adc.PDF.
- (e) The Review/Appellate Panel oversees the implementation of the Task Force report.

The Panel is composed of both City and nonprofit representatives. The Panel invites Grantees to submit concerns about a department's implementation of the policies and procedures. Grantees can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. Grantee must submit the request in writing to purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to Grantee. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

17.13 Cooperative Drafting. This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

17.14 Services During a City-Declared Emergency. In case of an emergency as declared by the Mayor under Charter section 3.100, Grantee will make a good faith effort to continue to provide the services set forth in Appendices A and A-1, Services to be Provided. Any services provided beyond those listed in Appendices A and A-1, Services to be Provided must be approved by the Department.

17.15 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this section.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first specified herein. The signatories to this Agreement warrant and represent that they have the authority to enter into this agreement on behalf of the respective parties and to bind them to the terms of this Agreement.

Families in need of same day shelter may make a reservation or go directly to HSH's lowest barrier programs. See <http://hsh.sfgov.org/services/emergencysshelter/> for more information. Access Points work to ensure those with the highest needs are able to access shelter and appropriate housing interventions.

These are Federal definitions that come from Federal Uniform Guidance, 2 CFR Part 200, and are in addition to and may vary from definitions provided in the City's Grant Agreement, Professional Services Contract and/or Amendment documents ("Agreement").

A. City. City means the City and County of San Francisco.

B. Subaward. Subaward means an award provided by a pass-through entity (e.g., the City) to a Subrecipient for the Subrecipient to carry out all or part of a Federal award. It does not include payments to an individual that is a beneficiary of a Federal program (2 CFR §200.92). Characteristics of Subawards, as opposed to Subcontracts, include but are not limited to that a Subrecipient:

- i. Has programmatic decision-making responsibility within the scope of services of the Agreement;
- ii. May determine client eligibility for the Federal program;
- iii. In accordance with its Agreement, uses the Federal funds to carry out all or part of a Federal program, as opposed to providing goods or services to help the City administer the Federal program.

See 2 CFR §200.330 for more guidance.

C. Third Party Subaward. Third Party Subaward means a Subaward at any tier entered into by a Subrecipient, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

D. Contract and/or Subcontract. Contract and/or Subcontract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award (2 CFR §200.22). Characteristics of Subcontracts, as opposed to Subawards include but are not limited to that a Subcontractor:

- i. Has little or no programmatic decision-making responsibility in how it carries out the purpose of the Agreement;
- ii. Does not determine client eligibility for the federal program; and
- iii. Provides goods or services that are ancillary to the operation of the Federal program and/or that help the City administer the Federal program.

See 2 CFR §200.330 for more guidance.

E. Third Party Subcontract. Third Party Subcontract means a Subcontract at any tier entered into by Contractor or Subcontractor, financed in whole or in part with Federal assistance originally derived from the Federal awarding agency.

II. Federal Changes. Subrecipient shall at all times comply with all applicable regulations, policies, procedures and Federal awarding agency directives, including without limitation those listed directly or by reference in the Recipient Agreement between the City and the Federal awarding agency or in this Agreement, as they may be amended or promulgated from time to time during the term of this Agreement. Subrecipient's failure to so comply shall constitute a material breach of this Agreement.

III. Requirements for Pass-Through Entities. (2 CFR §200.331)

- A.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient shall include the following:
- i. Federal award information as specified in 2 CFR §200.331(a)(1) to the best of its knowledge;
 - ii. Requirements imposed by the Federal awarding agency, the City, or itself in order to meet its own responsibility to the City under this Subaward;
 - iii. An approved federally recognized indirect cost rate negotiated between the Subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the Subrecipient and its Third Party Subrecipients, or a de minimis indirect cost rate as defined in §200.414 Indirect (F&A) costs, paragraph (f);
 - iv. A requirement that the Third Party Subrecipient permit the Subrecipient, the City, higher level funders, and auditors to have access to the Subrecipient's records and financial statements as necessary for the Subrecipient to meet the requirements of this part; and
 - v. Appropriate terms and conditions concerning closeout of the Subaward.
- B.** For any Third Party Subawards that the Subrecipient enters into in the course of carrying out this Agreement, the Subrecipient agrees to:

 - ii. Consider imposing specific Subaward conditions upon a Third Party Subrecipient if appropriate as described in 2 CFR §200.207 Specific conditions;
 - iii. Monitor the activities of the Third Party Subrecipient as necessary to ensure that the Subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the Subaward; and that Subaward performance goals are achieved. See 2 CFR §200.331(d) and (e) for specific requirements;
 - iv. Verify that every Third Party Subrecipient is audited as required by 2 CFR §200 Subpart F—Audit Requirements of this part when it is expected that the Subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR §200.501 Audit requirements;
 - v. Consider whether the results of the Third Party Subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records; and

IV. Procurement Compliance. (2 CFR §200.318 through .326)

1. Background

A. Intent

The City and County of San Francisco (City) Department of Homelessness and Supportive Housing (HSH) invites applications from qualified nonprofit Applicants to deliver three components of its Homelessness Response System (HRS): 1. Homelessness Prevention; 2. Rapid Rehousing; and 3. Emergency Shelter. These interventions provide assistance to prevent households from entering the HRS or, if they are already experiencing homelessness, to quickly help households secure a stable housing solution.

This RFQ will serve two purposes:

1. To qualify Applicants whose responses conform to this RFQ and meet the City's requirements; and
2. To make multiple grant awards to the Applicants selected as the most qualified whose responses conform to this RFQ and meet the City's requirements for an initial two-year term, beginning July 1, 2020.

Selected Grantees are expected to provide all services described in under each service component, as listed in this RFQ, in compliance with the funding requirements. Applicants may submit an application for one or more service components.

At this time, it is estimated that \$1,240,000 million is available annually in U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) funding. Actual grant terms and amounts may vary based on funding availability, application contents, grant agreement negotiations, and Grantee performance, as well as future needs. HSH may extend agreements for a total term not to exceed ten years and change and/or increase funding amounts in accordance with City rules and regulations.

B. Terms and Acronyms Used in this RFQ

Term	Definition
Access Point (AP)	Access Points are localized community gateways into San Francisco's Homelessness Response System (HRS), which is the overall system of programs and housing opportunities for those experiencing homelessness. The Access Point staff will assess households for service needs and eligibility and provide Problem Solving, needs assessment, prioritization, and referrals to appropriate resources.

C. Overview of HSH’s Homelessness Response System (HRS)

The Homelessness Response System (HRS) is the overall network of services to address homelessness managed by HSH. The goal of this system is to prevent homelessness when possible and to make it rare, brief, and one-time. Core components of the HRS include: Coordinated Entry, Street Outreach, Problem Solving, Temporary Shelter, Housing, and Housing Ladder.

Coordinated Entry (CE) is a key component of this response system. CE is a consistent, community-wide intake process to match people experiencing homelessness to available community resources that are the best fit for their situation. CE includes a clear set of entry points, a standardized method to assess and prioritize people needing assistance, and a streamlined process for rapidly connecting people to the best type of housing intervention to address their needs.

CE will fully integrate into the Online Navigation and Entry (ONE) System, San Francisco’s Homeless Management and Information System (HMIS). The assessment will build upon the standard intake and be entered directly into ONE. Referrals to Rapid Rehousing, transitional and permanent housing will be made through the ONE System.

CE Access Points, which serve as the community connector to the HRS, offer direct services or provide referrals to services that assist eligible San Francisco households in resolving their homelessness or housing crisis. Access Points have four primary functions: 1. Eligibility screening for services; 2. Problem Solving to avoid entering the public shelter system; 3. Housing assessment and navigation to prioritize program participants based on living situation and vulnerabilities; and 4. Matching to determine eligibility for available housing opportunities and referral to a potential housing opportunity, based on eligibility and assessment results.

This coordinated process will dramatically reduce the burden placed on people experiencing homelessness by removing the necessity to seek assistance from every provider separately and instead streamline access to the resources in the HRS.

D. Overview of HSH’s Strategic Framework and Statement of Need

In October 2017, HSH published its Strategic Framework. The Framework outlines the Department’s top priorities for reducing homelessness by the end of 2022. It describes the key elements of a Homelessness

Response System designed to curb homelessness and looks at each of the three primary groups experiencing homelessness in San Francisco—adults, families with children, and youth—and what is needed to better meet the unique needs of each.

The Framework seeks to align existing and new programs within a system that treats homelessness as an emergency to be responded to quickly and effectively. To effectively implement this system-wide approach, all resources and programs must employ consistent, compassionate, and common-sense strategies with measurable goals. Using a system of CE, Problem Solving and prioritization, HSH and our partners will match resources to needs and ensure that those with the greatest challenges receive targeted assistance. Data and accountability will be built into the system. The strengths and dignity of people who are experiencing homelessness will be elevated throughout the system.

The Strategic Framework lays out our vision for significantly reducing homelessness in San Francisco and quickly getting house keys into as many hands as possible. Applicants are encouraged to familiarize themselves with the Framework, which can be found at hsh.sfgov.org. Through the provision of coordinated, compassionate, and high-quality services, HSH strives to make homelessness in San Francisco rare, brief, and one time.

E. Overview of HSH's Approach

Grantee shall incorporate applicable best practices in service provision to the population, as well as the concepts articulated in HSH's Strategic Framework, including, but not limited to:

1. **Housing Focused** - The system and all programs within it will use a Housing First, low barrier approach focused on ending homelessness for each household as quickly as possible.
2. **People Focused** - People should drive their solutions and the programs should focus on meeting their needs. Through shared assessment and a common front door, program participants should have a clear understanding of how to access services and what to expect from the system; participants should not be required to sign up for numerous waiting lists or approach multiple programs to receive help. Participant choice, strengths, and personal networks will be considered as part of finding the right solution.
3. **Accountability** - The system will be held accountable for results, using data to track to the goals and performance measures for each component and to ensure each participant is being well-served. HSH will evaluate progress and report to the community on a regular basis.
4. **Stakeholder Informed** - Decisions about design, implementation, and review of results will be carried out with collaboration and input from a broad range of unhoused and housed stakeholders.
5. **Respectful** - It is imperative that services be delivered in a respectful, appropriate manner. Best practices, such as strengths-based interviewing, trauma-informed care, and harm reduction, must be incorporated into all programs.
6. **Data-Driven** - Data will be used by all providers and the system as a whole to best serve each individual, assess the outcomes of programs, evaluate impact, inform changes, and guide investment to ensure we achieve maximum impact.
7. **Targeted** - The system will match people to the right level of assistance to end their homelessness. Not all people experiencing homelessness require the deepest level of intervention. HSH will focus on making the most efficient use of its resources by matching the right person to the right resource at the right time, using Prevention, Problem Solving, flexible subsidies, and Permanent Supportive Housing, depending on need.

8. Innovative - With the systems goals in mind, opportunities to adapt practices and innovative new strategies and approaches are encouraged and will be supported and evaluated.
9. Equitable - With mindfulness about the racism and bias that has disproportionately created homelessness among people of color and lesbian, gay, bisexual, transgender, and questioning (LGBTQ) people, HSH is committed to equity in the Department, system, and programs.
10. Urgent - Each household's homelessness should be treated as an emergency and the system will respond accordingly.

F. Funding Sources

The current source of funding for services provided under this RFQ is the HUD ESG program.

Future sources for services provided under this RFQ may include other federal, state, and local funds.

Payment for all services provided in accordance with provisions under this RFQ shall be contingent upon the availability of funds for providing these services. The City shall not be required to provide any definite units of service nor does the City guarantee any minimum amount of funding for the services described in this RFQ.

2. Scope of Work

This section is a general guide to the work the City expects to be performed under ESG funding, and is not a complete listing of all services or requirements.³

Eligibility for services under ESG depends on the housing or homeless status of the participant. All participants in ESG funded programs must meet the definition of homelessness or at-risk of homelessness, depending on the service category.

1. Homeless Prevention⁴

In order to be eligible for Homeless Prevention assistance, participants must meet the criteria under the "at-risk of homelessness" definition; or meet the criteria in paragraph (2), (3), or (4) of the "homeless" definition in 24 CFR § 576.2.

Homeless Prevention may be provided to households who are at-risk of homelessness and that meet one of the following conditions:

- f. Are exiting a publicly funded institution or system of care; or
- g. Otherwise live in housing that has characteristics associated with instability and an increased risk of homelessness.

³ Duration of assistance and requirements differ based on funding source.

⁴ See 24 CFR 576.103.

Grantee may also provide services to households who meet Category 2 or 4 of homelessness in the U.S. Department of Housing and Urban Development's (HUD) Final Definition of Homeless:

- Category 2: Households who will imminently lose their primary nighttime residence; and/or
- Category 4: Households who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

2. Rapid Rehousing⁵

In order to receive Rapid Rehousing services, participants must meet the criteria under paragraph (1) of the "homeless" definition in CFR 24 § 576.2; or meet the criteria under paragraph (4) of the "homeless" definition and live in an emergency shelter or other place described in paragraph (1) of the "homeless" definition.

Rapid Rehousing may be provided to households who meet Category 1, or 4 of homelessness in the U.S. Department of Housing and Urban Development's (HUD) Final Definition of Homeless:

- Category 1: Households who lack a fixed, regular, and adequate nighttime residence; this includes a subset for an individual who is exiting an institution where he or she resided for 90 or fewer days and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution; and/or
- Category 4: Households who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

3. Emergency Shelter⁶

Emergency Shelter may be provided to households who meet Category 1, or 4 of homelessness in the U.S. Department of Housing and Urban Development's (HUD) Final Definition of Homeless:

- Category 1: Households who lack a fixed, regular, and adequate nighttime residence; this and includes a subset for an individual who is exiting an institution where he or she resided for 90 or fewer days and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution; and/or
- Category 4: Households who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

B. Referrals and Prioritization

1. Homelessness Prevention

Currently, participants enter Homelessness Prevention programs by presenting at the agencies that offer this service component to prevent entry into the HRS.

2. Rapid Rehousing

⁵ See 24 CFR 576.104.

⁶ See 24 CFR 576.2.

All new participants will be referred by HSH via CE, which organizes the HRS. Grantee shall receive referrals from San Francisco's HRS. All program participants must be screened and assessed at an Access Point and referred for Rapid Rehousing by the San Francisco CE System.

All Rapid Rehousing referrals funded by HSH must be received solely from direct referrals through the CE System via the Online Navigation and Entry (ONE) System. Grantee shall work with any referred participant, regardless of barriers to housing or other challenges. This includes serving adults or families who may be unsheltered at the time of referral to or enrollment in the program.

3. Emergency Shelter

All new households (e.g. families) will be referred by HSH via CE through the Family Access Points. The Access Point staff assesses households for service needs and eligibility, and conduct Problem Solving conversations. Access Points work to ensure those with the highest needs are able to access shelter and appropriate housing interventions.

All single households (e.g. single adults) currently enter emergency shelter through HSH's current shelter reservation system. In order to enter, the single adult must be age 18 or over, and

- a. Have a CHANGES (or successor system) profile with basic demographic information, including photo and finger images, if available in the software system; and
- b. Have a current Tuberculosis (TB) screening clearance. This documentation must be updated annually, or as recommended by the Department of Public Health (DPH); and
- c. Be able to self-care, as defined by the DPH.

Participants must obtain one-night or weekend reservations through HSH-authorized agencies, such as Shelter Reservation Sites or Resource Centers. For extended, time-limited reservations, participants must get on the Citywide Waitlist administered by 311.

C. **Description of Services**

ESG provides funding to improve the number and quality of emergency shelters; help to operate shelters; provide essential services to shelter residents; rapidly rehouse individuals and families; and prevent families and individuals from becoming homeless.

Grantee shall assess, arrange, coordinate, and monitor the delivery of individualized services to facilitate housing stability to assist participants in overcoming immediate barriers to obtaining housing.

All service components shall include Housing-Focused Case Management and may include Mediation, Legal Services, and/or Credit Repair.
