[Planning Code - Landmark Designation - 2778-24th Street]

Ordinance amending the Planning Code to designate 2778-24th Street (aka Casa Sanchez Building), Assessor's Parcel Block No. 4210, Lot No. 018, as a Landmark consistent with the standards set forth in Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

Under Article 10, Section 1004 of the Planning Code, the Board of Supervisors may, by ordinance, designate an individual structure that has special character or special historical, architectural or aesthetic interest or value as a City landmark. Unless prohibited by state law, once a structure has been named a landmark, any construction, alteration, removal or demolition for which a City permit is required necessitates a Certificate of Appropriateness from the Historic Preservation Commission. (Planning Code § 1006; Charter of the City and County of San Francisco, § 4.135.) Thus, landmark designation generally affords a high degree of protection to historic and architectural structures of merit in the City. There are currently more than 290 individual landmarks in the City under Article 10, in addition to structures and districts in the downtown area that are protected under Article 11. (See App. A to Article 10.)

Amendments to Current Law

This ordinance amends the Planning Code to add a new historic landmark to the list of individual landmarks under Article 10: 2778 24th Street (aka Casa Sanchez Building), Assessor's Parcel Block No. 4210, Lot No. 018.

The ordinance finds that Casa Sanchez is eligible for local designation as it is associated with events that have made a significant contribution to the broad patterns of San Francisco history. Specifically, designation of 2778 24th Street is proper given its association with Latinx history, culture and business community in San Francisco. Casa Sanchez is the longest-operating tamale and tortilla factory in San Francisco, and was the first mechanized tortilla factory in the city and a popular "Mexicatessen" that sold a variety of prepared Mexican foods.

As required by Section 1004, the ordinance lists the particular features that shall be preserved, or replaced in-kind as determined necessary.
