

[Expressing Intent to Establish the Sunset Irish Cultural District]

Resolution expressing the intent of the City and County of San Francisco to establish the Sunset Irish Cultural District to recognize and preserve the history, legacy, and living cultural traditions of the Irish and Irish American community in San Francisco's Sunset District.

WHEREAS, Irish immigrants arrived in San Francisco in significant numbers during the Gold Rush era of the 1840s and 1850s, driven from their homeland by the catastrophic Great Famine - a disaster that killed over one million people and forced the emigration of millions more; and

WHEREAS, By 1870, Irish immigrants constituted approximately 13% of San Francisco's total population and more than 21% of its labor force, making them one of the City's largest and most significant immigrant communities; and

WHEREAS, Irish immigrants arriving in San Francisco in the mid-19th century faced documented nativist discrimination, including prejudice in housing and employment, stereotyping in the press and popular culture, and organized anti-Catholic hostility that explicitly sought to exclude Irish Catholics from civic participation; and

WHEREAS, Despite these hardships, Irish immigrants in San Francisco built community institutions, labor organizations, and civic infrastructure that shaped the character of the City, making enduring contributions to the founding of the City's labor movement, public safety institutions, and political infrastructure; and

WHEREAS, The Sunset District has been home to a significant Irish and Irish American community since the 1920s and 1930s, when Irish Catholic working-class families

1 settled throughout the Outer and Central Sunset, establishing the neighborhood's residential
2 and civic character; and

3 WHEREAS, The United Irish Cultural Center of San Francisco (UICC), located at 2700
4 45th Avenue in the Outer Sunset, was established in 1975 as a permanent home for the Irish
5 and Irish American community of San Francisco, built entirely by volunteer labor and
6 community contributions; and

7 WHEREAS, The UICC houses the Patrick J. Dowling Library, the first all-Irish special
8 collection library and archive in the United States, holding over 6,000 titles including books,
9 memorabilia, artifacts in both Irish and English languages, and organizational records related
10 to Ireland, the Irish American experience, and Irish history in the Bay Area; and

11 WHEREAS, The United Irish Cultural Center has served as the primary gathering
12 space for the Irish and Irish American community of San Francisco for over fifty years, hosting
13 events ranging from Gaelic sports and competitive feiseanna to céilís, concerts, lectures, and
14 civic forums; and

15 WHEREAS, The United Irish Cultural Center currently supports a growing range of
16 youth-focused cultural programming, including Irish traditional music education, youth piping
17 and drumming instruction, Irish step dance schools, and seasonal Irish cultural summer
18 camps, serving hundreds of young people from diverse backgrounds across San Francisco
19 each year and ensuring that the traditions of Irish music, dance, and cultural heritage continue
20 to thrive among new generations in the City; and

21 WHEREAS, The Sunset District is home to Irish-identified commercial establishments
22 along the Taraval, Irving and Noriega Street corridors, and the UICC hosts ongoing Irish
23 cultural programming including traditional Irish music sessions through Comhaltas Ceoltóirí
24 Éireann and competitive Irish dance instruction through various schools including the Kennelly
25

1 School of Irish Dance, Murphy Irish Dance, and the Whelan Academy of Irish Dance,
2 providing the District with an active and concentrated center of Irish cultural life; and

3 WHEREAS, As the Sunset District has evolved demographically and economically over
4 successive generations, the preservation of Irish and Irish American cultural heritage in San
5 Francisco requires active institutional support and public recognition to ensure that living
6 traditions, community memory, and cultural programming endure for future generations; and

7 WHEREAS, The San Francisco Cultural Districts program, established under
8 Administrative Code Chapter 107, reflects the City's commitment to preserving the cultural
9 heritage of communities that have contributed to the City's diversity and identity; now,
