

1 [Grant Acknowledgement - California Energy Commission - Charging Infrastructure for
2 Government Fleets GFO-23-606 - Not to Exceed \$4,996,695]

3 **Resolution acknowledging requirements for the 2024 grant application to the State of**
4 **California Energy Commission Charging Infrastructure for Government Fleets for a**
5 **grant in an amount not to exceed \$4,996,695.**

6
7 WHEREAS, Under the State of California Energy Commission ("CEC") 2023 GFO-23-
8 606 Charging Infrastructure for Government Fleets grant application (GFO-23-606), the City
9 and County of San Francisco (the "City") is eligible to submit a funding application for funds
10 not to exceed \$4,996,695 to procure and install electric vehicle charging infrastructure for its
11 light-duty government fleet to support the electrification of government fleets in California by
12 providing reliable and readily accessible electric vehicle charging infrastructure for the San
13 Francisco fleet; and,

14 WHEREAS, The 2023 CEC grant application GFO-23-606 ("2023 NOFO") was
15 released on December 21, 2023, a copy of which is on file with the Clerk of the Board of
16 Supervisors in File No. 250321; and,

17 WHEREAS, The CEC required submittal of the application by April 30, 2024, and a
18 copy of the City's application package is on file with the Clerk of the Board; and,

19 WHEREAS, In order for the CEC to issue the final grant award letter, the CEC requires
20 acknowledgement by the City's Board of Supervisors that if awarded grant funds, the City and
21 County of San Francisco will enter into an agreement with the CEC to support local
22 government charging infrastructure; and,

23 WHEREAS, The 2023 NOFO requires that the City provide Letters of Commitment for
24 matching funds equal to 30% of the project cost, and copies of those letters are included as
25 Attachment 13 in the City's application package on file with the Clerk of the Board; and,

WHEREAS, If the 2023 CEC grant application GFO-23-606 is successful, the Office of the City Administrator, through the Fleet Management Division, will return to the Board of Supervisors to seek approval to accept and expend the grant funds; and,

WHEREAS, Funds awarded by the CEC Charging Infrastructure for Government Fleets grant will be used to support the City's Fleet Charging Infrastructure Project ("the Project"), that will install 403 Level 2 (L2) charging ports to serve municipal fleet vehicles from 17 City departments across 36 City-owned properties; and,

WHEREAS, The Project will accelerate the transition of the City's light-duty vehicle fleet from internal combustion engine ("ICE") vehicles to electric vehicles ("EVs"), support the City's emissions and pollution reduction goals, and accelerate implementation of local Ordinances and the City's Climate Action Plan ("CAP"); now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors acknowledges that if the 2023 CEC grant application GFO-23-606 is successful, the City and County of San Francisco will enter into an agreement with the CEC to support local government charging infrastructure, and that the City Administrator's Office, through the Fleet Management Division, will provide all supporting documentation in order to support the grant CEC Application funds in an amount not to exceed \$4,996,695.
