Hello,

I am a Certified Public Accountant (CPA) and I began my working career as a cashier at McDonalds. With limited resources and my starting salary was very small, I learned how to manage my life very efficiently. I incorporated this philosophy into my 16 years as the owner and manager of Club 93. Our most famous item was having free pizza for customers. This allowed customers not only to enjoy a free meal but also relax with their family or colleagues. Upon completion of our lease in July 2022, we started looking for a better location and a reasonable priced rent. I am very lucky to lease a property at 1250 Market Street, suite 101 as our new location and will be using DBA of AJ'S Bar. We are moving approximately a block away (from 93 9th street) and we will be in the same district.

The main reason of the move was because of the Illegal activities around the previous location and degradation condition of the building. Over the years we have followed the laws also made sure we do not allow any illegal activities in our premise. AJ'S bar will be following the 2010 pricing model since we are surprised to see that drinks cost around \$12 to \$25. Our house drinks and personal pan pizza will be costing around \$6 plus tax. We will be serving breakfast sandwiches for \$4 plus tax and coffee/tea for \$2 plus tax. With this pricing our business will be a necessity for middle class residents of San Francisco.

Proposed Hours of operations are as follows.

10 OPERATING HOURS:	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Opening Time	11:00 AM	07:00AM	07:00AM	07:00AM	07:00AM	07:00AM	07:00AM
Closing Time	10:00PM	12:00AM	12:00AM	12:00AM	01:45 AM	01:45 AM	01:45 AM

I was not aware that we must request permission to move the bar within the same district. Based on these rules I am requesting this meeting/permission. We have applied for license 48 transfer with ABC(Premise to premise) around September 22nd and posted the transfer sign on the premise on 09/09/2024.

Looking forward to any suggestions, input, and ideas.

Thank you,

AJ Syed
