WHEREAS, City College of San Francisco is a leading educational institution for Fire Sciences, and teaches those who wish to be future Firefighters and First Responders; and,

WHEREAS, these thirty Self Contained Breathing Apparatus have been retired from service, even as spares; and,

WHEREAS, these Self Contained Breathing Apparatus would serve as teaching tools for donning and doffing and fire drills, and City College would benefit from these devices as training aids; now, therefore, be it

RESOLVED, that the San Francisco Fire Department may donate thirty obsolete Self Contained Breathing Apparatus to City College of San Francisco.
