The contract also provides for a 12 percent contingency to allow for contingent fees exceeding the above amounts if Toyon collects additional Medi-Cal or Medicare revenue. • The total contract budget will increase by 14.4 percent from \$1.4 million in FY 2021-22 to \$1.6 million in FY 2022-23 due largely to an increase of approximately 41 percent for “Fee for Service” services offset by a reduction in the Contingent Fee. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> • Approve the proposed resolution. 	

MANDATE STATEMENT

City Charter Section 9.118(a) states that contracts entered into by a department, board, or commission that (i) have anticipated revenues of \$1 million or more, or (ii) have anticipated revenues of \$1 million or more and require modifications, are subject to Board of Supervisors approval.

BACKGROUND

On January 11, 2022, the Department of Public Health (DPH) issued a new Request for Proposals (RFP) for a contract to provide regulatory reporting, financial reimbursement, and revenue optimization consulting services for Medi-Cal and Medicare programs. Toyon Associates Inc. (Toyon) was the only vendor who submitted a proposal. In February 2022, a DPH selection panel¹ evaluated the proposal based on relevant health care professional experience, qualifications, proposed scope of work, and proposed budget. Toyon, the existing vendor to DPH, received a score of 94 out of 100. On February 28, 2022, DPH determined that Toyon met solicitation requirements and was awarded the contract for a maximum term of up to five years.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a new contract between Toyon Associates, Inc. and DPH in an amount not to exceed \$6,714,114 for a total term of October 1, 2022 through September 30, 2027. The proposed resolution would also allow DPH to enter into any contract amendments or modifications prior to its final execution between the Department and the vendor that do not increase the obligations or liabilities to the City.

Services Provided

Under the proposed contract, Toyon provides financial reimbursement, regulatory reporting, and revenue optimization consulting services for Zuckerberg San Francisco General Hospital/Community Primary Care² (ZSFGH/CPC), Laguna Honda Hospital (LHH), and Health at Home Agency (HAH)³ through the following payment mechanisms:

¹ Selection panelists include the following DPH staff: Cash Management Manager, Patient Accounting Director, Director of Managed Care, Acting Reimbursement Manager and Zuckerberg San Francisco General Hospital Budget Director.

² Community Primary Care (CPC) is the clinical service of the San Francisco Health Network comprised of the community-based primary care health centers.

³ Health at Home is an agency that provides care and support to individuals in San Francisco who are homebound and require skilled medical and rehabilitative care. Home Health services include physical therapy, occupational therapy, home health aide, etc.

1. **Fee for Service:**⁴ This includes Toyon’s review and filing of required regulatory reports with federal and state agencies to maximize revenue reimbursements to the City from Medicare and Medi-Cal programs with ZSFGH/CPC, LHH, and HAH on a fee for service basis. This also includes the preparation and filing of Medicare and Medi-Cal cost report appeals⁵ for ZSFGH/CPC and LHH to be paid on a fee for service basis.
2. **Contingent Fee:**⁶ This includes Toyon filing appeals pertaining to Medicare and Medi-Cal report audits for ZSFGH/CPC and LHH on behalf of DPH, paid to Toyon contingent on the outcome of the appeal. Toyon receives 15 percent of Medicare or Medi-Cal revenues generated from successful appeals if services were delivered by DPH on or after April 1, 2014, or 20 percent if services were delivered prior to April 1, 2014, with DPH receiving 80 to 85 percent of recovered revenues (depending on the service delivery date).

Performance Monitoring

According to Appendix A of the proposed contract, two performance measures will be tracked and monitored annually: (1) file federal and state financial reports on time, and (2) resolve federal and state audits with no significant findings. Metrics collected for these measures include the number of reports filed on time and total number of reports, as well as the number of audits without significant findings and the total number of audits.

FISCAL IMPACT

As shown in Exhibit 1 below, the maximum contract amount paid by DPH to Toyon for the first four years from October 1, 2022 through September 30, 2026 is \$6,714,114. The total maximum amount to be paid by DPH to Toyon for the fee for service revenue reimbursements over the first four years of the contract is \$3,014,350 for ZSFGH/CPC, \$959,720 for LHH, and \$120,675 for HAH.

The proposed resolution states that the contract has a five-year term through September 2027, however the underlying contract in the legislative file shows a four-year term through September 2026. DPH intends to request an amendment to the proposed resolution at the September 21, 2022 Budget & Finance meeting to increase the not to exceed amount to \$8,492,339 to account for the fifth year of the contract and related 12 percent contingency. We present the four-year fiscal impact information in Exhibit 1 below.

The total maximum amount to be paid by DPH to Toyon for appealing cost audits on a contingency basis over the first four years of the contract is \$1,500,000 for ZSFGH/CPC and \$400,000 for LHH. As previously mentioned, this is paid to Toyon contingent on the outcome of the appeals pertaining to Medicare and Medi-Cal report audits for ZSFGH/CPC and LHH. Also, as

⁴ “Fee for service” entails services being performed at an hourly rate by level of staff, specific tasks, and number of hours.

⁵ This entails developing and researching issues and developing documentation on viable Medicare and Medi-Cal appeals related to open cost report settlements to recover entitled reimbursement funds through the appeal process.

⁶ In contrast to an hourly fee, a “contingent fee” is a form of payment in which the vendor will receive a percentage of the Medicare or Medi-Cal revenues received by DPH when they win and/or settle Medicare and Medi-Cal appeals.

noted below, the contract provides for a 12 percent contingency to allow for contingent fees exceeding the above amounts if Toyon collects additional Medi-Cal or Medicare revenue.

According to DPH Reimbursement Director Matthew Sur, the “Fee for Service” expenditures were determined by increasing the hourly rates by an average of approximately four to five percent annually from the existing contract with Toyon. The number of hours for staff were estimated based on historical data, along with expected workload projections. The “Fee for Service” expenditures also include \$90,000 in annual expenses for ZSFGH/CPC, \$5,000 in annual expenses for LHH, and \$1,000 in annual expenses for HAH. These expenses include travel, postage, ordered reports, cost report/Office of Statewide Health Planning and Development (OSHPD) related software and eligibility lookup fees, and procurement of cyber insurance for all facilities.⁷

According to DPH Reimbursement Director Sur, a 12 percent contingency is also included per DPH’s policy for contracts and represents a portion of the approved spending authority in case

⁷ According to Appendix B of the proposed contract, the City shall contribute 50 percent of the additional five million in excess cyber insurance coverage above \$10 million (total \$15 million coverage). Total cost shall not exceed \$50,000 annually.

the Department must procure additional services allowable under the Request for Proposal or pay an additional amount based on the contingent fee if the vendor collects additional revenue above the maximum contractually allowable amount. The funding source for the proposed contract and 12 percent contingency amount is the General Fund.

Change in Contract Costs

The total contract budget will increase by 14.4 percent from \$1.4 million in FY 2021-22 to \$1.6 million in FY 2022-23, as shown in Exhibit 2 below, due largely to an increase of approximately 41 percent for “Fee for Service” services offset by a reduction in the Contingent Fee. The proposed contract shows cost increases of approximately 23 percent for ZSFGH and 37 percent for LHH and a decrease of 79 percent for HAH, summarized below in Exhibit 2.

Source: Appendix B of Current and Proposed Contracts

According to DPH Reimbursement Director Sur, the increase in “Fee for Service” expenditures for ZSFGH/CPC and LHH reflect the actual utilization of services in 2021, as well as hourly rate increases by an average of approximately four to five percent annually. In addition, according to DPH Reimbursement Director Sur, in 2016, the Centers for Medicare and Medicaid Services

changed policy on how to calculate payments for Medicare Disproportionate Share Hospitals (DSH).⁸ Calendar Year 2018 was the first year when hospitals were required to identify the specific services provided to low-income individuals. Because of this change, DPH Reimbursement Director Sur stated that the number of hours the vendor spent on both cost report filing and audits increased. DPH Reimbursement Director Sur noted that the increase in “Fee for Service” proposed expenditures for LHH is also because of the transition in August 2019 to a new electronic medical records system, which impacted the amount of time needed for the vendor to complete quarterly contractual allowance reviews.⁹

Actual Expenditures and Revenues of Current Contract

From April 2014 through July 2022 of the current contract,¹⁰ DPH paid Toyon a total of \$5,239,926 for financial reimbursement, regulatory reporting, and revenue optimization consulting services on a fee for service and contingent fee basis for ZSFGH/CPC, LHH, and HAH. According to DPH Reimbursement Director Sur, from FY 2015-16 through FY 2021-22, Toyon’s work on appealing cost audits generated a total of approximately \$20,893,907 in recovered reimbursement funds from ZSFGH and LHH, as shown in the Appendix below.

RECOMMENDATION

Approve the proposed resolution.

⁸ Disproportionate Share Hospitals are defined to be hospitals that serve a significantly disproportionate number of low-income patients and receive payments from the Centers for Medicaid and Medicare Services to cover the costs of providing care to uninsured patients.

⁹ These reviews involve assessment of the adequacy of contractual allowance reserves and cost report settlements recorded on the general ledger for financial reporting purposes

¹⁰ File 18-1073 with a contract term of April 1, 2014 through March 31, 2022. A third amendment was approved March 8, 2022 for a no-cost extension from April 1, 2022 to September 30, 2022.

Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. Said requirements can be found at the following website address: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

3.4.2 If Contractor expends less than \$750,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.3 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.2 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next

subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 Submitting False Claims. The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. 3.7.2 City Revisions to Program Budgets: The City shall have authority, without the execution of a Formal Amendment, to purchase additional Services and/or make changes to the work in accordance with the terms of this Agreement (including such terms that require Contractor's agreement), not involving an increase in the Compensation or the Term by use of a written City Revision to Program Budget.

3.7.3 City Program Scope Reduction. In order to preserve the Agreement and enable Contractor to continue to perform work albeit potentially on a reduced basis, the City shall have authority during the Term of the Agreement, without the execution of a Formal Amendment, to reduce scope, temporarily suspend the Agreement work, and/or convert the Term to month-to-month (Program Scope Reduction), by use of a written Revision to Program Budgets, executed by the Director of Health, or his or her designee, and Contractor. Contractor understands and agrees that the City's right to effect a Program Scope Reduction is intended to serve a public purpose and to protect the public fisc and is not intended to cause harm to or penalize Contractor. Contractor provides City with a full and final release of all claims arising from a Program Scope Reduction. Contractor further agrees that it will not sue the City for damages arising directly or indirectly from a City Program Scope Reduction

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services stated in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Personnel

4.2.1 **Qualified Personnel.** Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.2.2 **Contractor Vaccination Policy.**

(a) Contractor acknowledges that it has read the requirements of the 38th Supplement to Mayoral Proclamation Declaring the Existence of a Local Emergency ("Emergency Declaration"), dated February 25, 2020, and the Contractor Vaccination Policy for City Contractors issued by the City Administrator ("Contractor Vaccination Policy"), as those documents may be amended from time to time. A copy of the Contractor Vaccination Policy can be found at: <https://sf.gov/confirm-vaccine-status-your-employees-and-subcontractors>.

(b) A Contract subject to the Emergency Declaration is an agreement between the City and any other entity or individual and any subcontract under such agreement, where Covered Employees of the Contractor or Subcontractor work in-person with City employees in connection with the work or services performed under the agreement at a City owned, leased, or controlled facility. Such agreements include, but are not limited to, professional services contracts, general services contracts, public works contracts, and grants. Contract includes such agreements currently in place or entered into during the term of the Emergency Declaration. Contract does not include an agreement with a state or federal governmental entity or agreements that do not involve the City paying or receiving funds.

(c) In accordance with the Contractor Vaccination Policy, Contractor agrees that:

(i) Where applicable, Contractor shall ensure it complies with the requirements of the Contractor Vaccination Policy pertaining to Covered Employees, as they are defined under the Emergency Declaration and the Contractor Vaccination Policy, and insure such Covered Employees are either fully vaccinated for COVID-19 or obtain from Contractor an exemption based on medical or religious grounds; and

(ii) If Contractor grants Covered Employees an exemption based on medical or religious grounds, Contractor will promptly notify City by completing and submitting the Covered Employees Granted Exemptions Form ("Exemptions Form"), which can be found at <https://sf.gov/confirm-vaccine-status-your-employees-and-subcontractors> (navigate to "Exemptions" to download the form).

(d) The City reserves the right to impose a more stringent COVID-19 vaccination policy for the San Francisco Department of Public Health, acting in its sole discretion.

4.3 **Subcontracting.**

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 City's execution of this Agreement constitutes its approval of the subcontractors listed below.

Contractor will not employ subcontractors.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Section 4.4, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor’s performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor’s work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor’s compliance with this Section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor’s receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 **Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys’ fees, arising from this Section.

4.5 **Assignment.** The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner, (collectively referred to as an “Assignment”) unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the

Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.6 **Warranty.** Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

(d) Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. 5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

5.2.3 Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED

TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 **Contractor to Pay All Taxes.** Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code Section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code Section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(b) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

This Section 8.2.3 shall survive termination of this Agreement.

8.2.4 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.5 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

Task 5 – Medicare and Medi-Cal Cost Report Analysis

Based on results of the cost report preparations (Task 3), Toyon will prepare and present a management report. Our report will include a quantitative analysis and recommendations that will assist in the following:

1. Develop appropriate Medicare cost report receivable/payable (filed vs. reserved)
2. Prepare for intermediaries' audits of all cost reports yet to be audited, including wage pass-through Medi-Cal audits, and uncompensated care, Medicare wage index, occupational case mix survey and other necessary audits, upon request
3. Assist in improving its records for preparation of the FYE June 30, 2022 through June 30, 2026 cost reports and improve future reimbursements

Task 6 – Medicare and Medi-Cal Cost Report Audit Support

Toyon will reply to questions from the MAC or State Agencies concerning the cost reports filed and support the audit process performed on the cost reports. Toyon will evaluate the impact of proposed audit adjustments relative to LHH's Medicare and Medi-Cal cost reports for all fiscal years yet to be audited, review intermediary audit workpapers and determine the propriety of proposed adjustments. Toyon will work to minimize the audit adjustments and identify issues for potential appeal.

Task 7 – Interim Rate Review

Toyon will prepare interim rate reviews and cost settlement analyses for review by LHH's external financial auditors as part of their year-end audit process for FYEs June 30, 2022 through June 30, 2026. The review will be completed in collaboration with LHH's Revenue/Reimbursement manager.

Task 8 – Medicare and Medi-Cal Cost Report Appeals (Hourly)

Toyon will pursue all viable Medicare and Medi-Cal appeals related to all open cost report settlements. Toyon will research all issues and develop documentation for preparation of position papers to Medicare and Medi-Cal. The purpose is to recover entitled reimbursement dollars through the appeal process. If settlement agreements are proposed, Toyon will provide a summary of the agreements to LHH and the City Attorney, along with its recommendations. If Toyon decides to retain an attorney or a law firm to perform any services under this Agreement, including services related to administrative or legal proceedings, Toyon will notify the City Attorney in writing, in the manner described in the Notices Section (Section 11.1) of this Agreement. Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or

attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services.

Task 9 – DP/NF Supplemental Claim Preparation

Toyon will review the DP/NF supplemental claims methodology to ensure conformity with regulations and optimize allowable reimbursement under the guidelines of the program, including the consideration of any subsequent impact to/from other reimbursement programs and related adjustments.

Task 10 – AB915 Supplemental Claim Preparation

Toyon will prepare the AB915 Medi-Cal outpatient fee-for-service supplemental claims covering FYEs June 30, 2022 through June 30, 2026. The purpose of the review is to ensure compliance with and accuracy in the reported filing. Upon request, Toyon will respond to and resolve audit inquiries.

Task 11 – Contractual Allowance Review

Toyon will prepare quarterly contractual allowance reviews for LHH, covering FYEs June 30, 2022 through June 30, 2026 and subsequent calendar quarters ending in September, November, February and June. The review will involve assessing the adequacy of contractual allowance reserves on the general ledger for financial reporting purposes.

Task 12 – General Consulting Services

Toyon will assist LHH with various other projects that will increase reimbursement upon request from LHH management. Toyon will also assist LHH with other reimbursement programs and/or supplemental claims submitted by the hospital, in the event of any disallowances by the State or federal agencies, to research on related legislations and perform financial analysis in order to appeal or resubmit claims to optimize reimbursements. This may include by not limited to:

1. Review the ability to change the life of the new building for depreciation calculation and refile Medi-Cal Cost Report if necessary.
2. Review the ability to change the number of years used for amortization of the capitalized interest.
3. Create schedules to remove depreciation and interest associated with the bond funding that were reimbursed under SB1128 program from Medi-Cal Cost Report, but include the amortized capitalized interest.
4. Recalculate and refile Medi-Cal Cost Reports as needed.
5. Recalculate the revenue reserve for the periods prior to correct filing.
6. Note: basic cost report analysis work should be covered by Task 3, and other activities related to the refiling of Medi-Cal Cost Reports should be charged Fee-for-Service under Task 12.

Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services. If a settlement is proposed, Toyon will provide a summary of such settlement to the City Attorney along with its recommendations.

TOYON will advise LHH of appeal issue(s) that it believes should be pursued. If LHH agrees to pursue the issue(s), DPH will sign and execute an Amendment to this Agreement with TOYON, in the same manner and upon the same essential terms as this Agreement, for each of the appeals which it wishes to participate on a contingency fee basis. If LHH agrees to pursue the issues(s) on a fee-for-service basis, those fees will fall under Section B, Task 8 above. This will include all appeals that are formed prior and during the length of this agreement for which LHH wishes to participate.

Compensation For Services On A Contingency Fee Basis & No Fees Or Expenses Are Due TOYON Unless Additional Reimbursement Is Realized

Period when appeal was originally filed	Cumulative Additional Reimbursement Generated Each Contract Year April Through March	Contingency Fee Percentage
Prior to 4/1/2014	\$1 though \$666,666	20%
On or After 4/1/2014	\$1 though \$666,666	No more than 15%

Payments for these services will be calculated per the above schedule as a percentage of the additional reimbursement realized as a result of Toyon's work. The additional reimbursement will either be a payment to LHH by the Intermediary or a reduction of an outstanding liability.

Individual or Group appeal services provided by Toyon (not related to DSH), prior to 4/1/2014 as defined in this contract, will be paid under the agreed upon Contingency Fee Percentage Rate during the contract period for which the original appeal was filed.

Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. If a settlement is proposed, Toyon will provide a summary of such settlement to the City Attorney along with its recommendations.

D. PROFESSIONAL SERVICES

There are times when DPH will require additional professional services. LHH shall submit a written request to TOYON with a Scope of Service. TOYON and DPH shall sign and execute an Amendment to this Agreement, in the same manner and upon the same essential terms as this Agreement, and agree on number of hours and the estimated fees required to complete the project(s). DPH will supplement this contract with additional funds to cover the additional services.

Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Appendix A-6

MEDICARE APPEAL SERVICES for the “TWO-MIDNIGHT RULE/POLICY” DISPUTE

Pursuant to the provisions of Section D of Appendix A-1 of the Agreement, Toyon proposes to provide Medicare Program appeal related services for the Two-Midnight Rule/Policy Dispute.

1. Background

Within the FY 2014 IPPS Final Rule published on August 19, 2013, CMS instituted a 0.2 percent rate cut. CMS justified this rate cut as necessary in order to ensure that the application of the new "two-midnight" rule / policy did not lead to an aggregate increase in yearly IPPS payments for the Medicare program. During the notice and comment period for the FY 2014 IPPS rule, comments were made that identified the existence of statistical errors in CMS' underlying calculations that supported the rate cut. CMS justified the rate cut on the basis that the two-midnight rule (which presumes that hospital inpatient stays of two days are longer are medically necessary) would lead to a net increase of 40,000 inpatient cases per year. However, an independent analysis of CMS's own data has been made and the overwhelming conclusion is the two-midnight rule would lead to a substantial decrease in inpatient stays and a large increase in outpatient encounters. Many hospital systems have analyzed the impact on their own reimbursement and have reached the same conclusion. In other words, the financial impact of the two midnight rule on providers should result in a payment *increase*, not a payment decrease. There is no substantial evidence to support CMS' conclusion, thus making the rule legally invalid.

The Medicare Program allows hospitals to appeal final determinations that originate through Medicare Administrative Contractor (MAC) determinations and *Federal Register* notifications. The regulation is 42 C.F.R. § 405.1835. The services set forth in this agreement are for the purpose of increasing the hospital's Medicare reimbursement through the Medicare appeal process.

2. Scope of Services

Medicare Appeal Services

TOYON will pursue Medicare cost report appeals, cost report reopenings and/or appeals of final determinations issued by CMS on behalf of San Francisco General Hospital (ZSFGH) in pursuit of its challenge to CMS' implementation of the two-midnight rule/policy. Toyon's services will include, but are not limited to the following:

- Review the audited cost reports, Intermediary Workpapers, and *Federal Register* notices to determine the issues to be appealed and/or reopened. All issues that impact Medicare reimbursement may be pursued. The issues to be appealed / reopened may include, but are not limited to, disproportionate share, bad debts, wage index, PPS standardized amounts, allowable costs, cost finding statistics, and cost apportionment statistics. Issues may be pursued even if the time period for administrative appeal rights has been exhausted.
- Prepare and file appeal letters to the Provider Reimbursement Review Board (PRRB) to establish Medicare appeals (if not already done), to add issues to existing appeals, and/or to transfer issues to group appeals.

- Develop appeal strategy, perform research, and obtain documentation needed to pursue disputed issues.

- Perform all follow up needed with the Medicare Program with respect to appeals and reopening requests.
- Review any revised settlements resulting from appeals or reopenings and any hearing decisions and provide recommendations to ZSFGH.
- Should an unfavorable PRRB decision be issued, Toyon will notify ZSFGH and provide a recommendation as to whether to institute litigation. However, before any lawsuit is filed, Toyon must first advise the City Attorney and obtain approval from the City Attorney both for the filing of the lawsuit and for the selection of the law firm to be used. Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services. If a settlement is proposed, Toyon will provide a summary of such settlement to the City Attorney along with its recommendations.
- Pursue issues directly to court or use expedited jurisdictional review if, in TOYON'S opinion, such action is deemed warranted.

3. San Francisco General Hospital Fiscal Periods

This Appendix applies to the dispute described in Section 1 and the appeal services described in Section 2 for San Francisco General Hospital, federal fiscal periods beginning 10/1/2013 through 3/31/2019. Additional federal fiscal years may be added to this agreement by written amendment executed by both parties.

4. Compensation

Payment for Medicare appeal services set forth in this Agreement will be calculated as 10% of the additional Medicare reimbursement realized by ZSFGH as a result of Toyon's work. Any previously executed Medicare appeal agreements that overlap this agreement remain in full force and effect and are not superseded or modified by the parties' execution of this agreement.

The additional reimbursement resulting from a successful appeal will either be a payment to ZSFGH by the Medicare Program or a reduction of an outstanding liability. Payment is due to Toyon within 30 days of ZSFGH'S receipt of additional reimbursement or notification that its liability has been decreased. No fees or expenses are due to Toyon unless additional reimbursement is realized.

5. Term

The terms in this Agreement will be effective from April 1, 2014 until the expiration or earlier termination of the professional services Agreement of which this Appendix is made a part of.

Appendix A-8

IPPS STANDARDIZED RATE APPEAL

Pursuant to the provisions of Section D of Appendix A-1 of the Agreement, Toyon proposes to pursue additional reimbursement through the Medicare appeals process by disputing CMS' IPPS Standardized Rate.

1. **Background**

The U.S. Court of Appeals for the District of Columbia Circuit invalidated the Centers for Medicare and Medicaid Services' (CMS) longstanding prohibition on appealing "predicate facts," opening the door for providers to appeal additional issues relating to significant reimbursement opportunities. In *Saint Francis Medical Center, et al. v. Azar*, 894 F.3d 290 (D.C. Cir. 2018), the court interpreted 42 CFR 405.1885(a)(1), the regulation governing reopening a contractor determination or reviewing entity decision. The regulation sets a three-year limit for requesting "reopenings" of determinations, and CMS has long used that regulation as grounds for its position that providers cannot challenge "predicate facts" in either reopenings or appeals. A predicate fact is a "factual underpinning of a specific determination of the amount of reimbursement due to a provider [that] may first arise in, or be determined for, a different fiscal period than the cost reporting period under review." 78 Federal Register 74826, 75162 (Dec. 10, 2013).

CMS has always argued that 42 CFR 405.1885(a)(1) bars providers from challenging in a reopening or an appeal any predicate facts that involve determinations outside of the three-year limit. However, the D.C. Circuit Court has held 42 CFR 405.1885(a)(1) does NOT bar providers from appealing predicate facts that are outside of the three year limit even if they may affect reimbursement of closed years.

One such predicate fact is the Inpatient Prospective Payment System (IPPS) Standardized Rate. Since 1983, the amount of Medicare reimbursement provided to hospitals for inpatient services has been based on fixed and prospectively determined rates, and CMS' calculation begins with a figure called the "standardized amount," or average cost incurred by hospitals nationwide for each patient they treat and discharge. 42 U.S.C. § 1395ww(d)(2). CMS established a standardized amount for a 1983 "base year," using actual hospital cost report data submitted by hospitals for federal fiscal year 1981. That standardized amount is then adjusted for geographic wage variations and then multiplied by a factor intended to account for the varying costs of treating patients with different acuities. In 1981, hospitals were reimbursed the "reasonable cost" of providing care to Medicare patients, but that cost calculation did not differentiate the transfer of a patient with true "discharges." The PPS final rule established that "in cases where a patient is transferred to another hospital paid under the prospective payment system, the transfer will not be considered a discharge." 48 Federal Register 39759, (September 1, 1983). Thus, the 1981 cost report data used to calculate the

1983 base year standardized amount overstated discharges and effectively reduced the per discharge standardized amount payment. Subsequently, because the standardized rate is simply carried forward year after year and only updated for inflation, CMS has wrongfully perpetuated that arbitrary and flawed calculation of the 1983 standardized rate year after year. While the Secretary has acknowledged since 1983 that the “treatment of transfers in the discharge count is problematic,” 56 Federal Register 43358, 43387 (Aug. 30, 1991), the rate has not been corrected, nor have hospitals been permitted to appeal the rate under CMS improper interpretation of 42 CFR 405.1885(a)(1). Toyon contends that CMS’ calculation of the 1983 base year rate is incorrect and unlawfully results in a negative financial impact to PPS hospitals.

2. Scope of Services

TOYON will file and pursue Medicare appeals on behalf of HOSPITAL in pursuit of its challenge to CMS’ calculations of the IPPS STANDARDIZED RATE. TOYON’S services will include, but are not limited to the following:

- Prepare and file appeals with the Provider Reimbursement Review Board (PRRB) on the IPPS Standardized Rate issue, to add the issue to existing appeals if applicable, and to transfer the issue to group appeals.

- Prepare and file cost report reopening requests if appropriate.
- Prepare and file preliminary and final position papers.
- Review the Intermediary’s preliminary and final position papers.

- Engage an attorney to assist in handling the case at the PRRB and in court. If Toyon decides to retain an attorney or a law firm to perform any services under this Appendix, including services related to administrative or legal proceedings, Toyon will notify the City Attorney in writing, in the manner described in the Notices Section (Section 11.1) of the Agreement. Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services.
- Perform all follow up needed with the Medicare Program with respect to appeals and reopening requests.
- Should an unfavorable PRRB decision be issued or if Toyon intends to seek expedited jurisdictional review, Toyon will notify ZSFGH and provide a recommendation as to whether to institute litigation. However, before any lawsuit is filed, Toyon must first advise the City Attorney and obtain approval from the City Attorney both for the filing of the lawsuit and for the selection of the law firm to be used. Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services.

- Negotiate a settlement with CMS, if appropriate, after consulting with HOSPITAL. If a settlement is proposed, Toyon will provide a summary of such settlement to the City Attorney along with its recommendations.
- Provide periodic status reports to HOSPITAL regarding pursuit of the issue.

3. Data Requirements

Toyon will need to receive copies of Notices of Medicare Program Reimbursement (NPRs) as soon as they are received by Hospital in order to make sure the proper appeal is filed within 180 days of its receipt. Other documents will be requested on an as-needed basis.

4. Reliance upon Facility Records

Toyon will rely upon the accuracy of all information provided to Toyon by HOSPITAL. Toyon will not audit this information.

5. Fiscal Periods

This Appendix applies to all cost reporting periods where Medicare appeal rights exist and will continue until expiration or termination of the Agreement.

6. Compensation

Payment for Medicare appeal services set forth in this Appendix will be calculated as 15% of the additional Medicare reimbursement realized by HOSPITAL resulting from the appeal services set forth in this Appendix.

The additional reimbursement resulting from a successful appeal will either be a payment to HOSPITAL by the Medicare Program or a reduction of an outstanding liability. Payment is due to TOYON within 30 days of HOSPITAL's receipt of additional reimbursement or notification that its liability has been decreased. No fees or expenses are due to TOYON unless additional reimbursement is realized.

7. Cooperation of San Francisco General Hospital

HOSPITAL shall cause their agents and employees to comply with all reasonable requests for information and documents from TOYON in connection with TOYON fulfilling its obligation to complete services set forth under this agreement.

8. Access to Books and Records

Until the expiration of five years after final payment under this Agreement or until after final audit, whichever is later, Toyon will make available to the Secretary, U.S. Department of Health and Human Services, and the U.S. Comptroller General, and their representatives, this Agreement and all books, documents, and records necessary to certify the nature and extent of the costs of those services.

9. Term

The term included in this Appendix are effective when signed by both parties and will remain in effect until the expiration or earlier termination of the professional services Agreement of which this Appendix is made part of.

Appendix A-9

MEDICARE APPEAL SERVICES for the “ATRA/MACRA 0.7% ADJUSTMENT” DISPUTE

Pursuant to the provisions of Section D of Appendix A-1 of Amendment 2 to the Agreement, TOYON proposes to pursue additional reimbursement through the Medicare appeals process by disputing CMS’ ATRA/MACRA 0.7% Adjustment.

1. Background

Under the American Taxpayer Relief Act (“ATRA”) of 2012, the Centers of Medicare and Medicaid Services (“CMS”) was required to project and implement an \$11 billion documentation and coding reduction to hospital Medicare Inpatient Prospective Payment System (“IPPS”) payments over four years based on estimated discharges. In accordance with ATRA, CMS implemented between 2014 and 2017 an annual 0.8 percent negative adjustment, which should have resulted in a total negative adjustment of 3.2 percent in 2017. The entire negative ATRA adjustment was then required to be eventually eliminated through a one-time increase in IPPS payments to hospitals in FFY 2018. However, in FFY 2017, CMS implemented an additional 0.7 percent negative adjustment, effecting a total negative adjustment of 1.5 percent, in a last-minute attempt to meet Congress’s required \$11 billion documentation and coding reduction amount. This increased the total negative adjustment to 3.9 percent in FFY 2017. Meanwhile, the Medicare Access and Childrens Health Insurance Program (“CHIP”) Reauthorization Act of 2015 (“MACRA”) instructed CMS to delay restoration of the negative adjustments and instead implemented a schedule of restorative adjustments over six years. At the time the Medicare Access and CHIP Reauthorization Act of 2015 (“MACRA”) was enacted, CMS had not yet proposed increasing the FFY 2017 negative adjustment to 1.5 percent, and as a result, MACRA’s language expressly identified that the adjustment requiring restoration was the original (outdated) 3.2 percent negative adjustment proposed by CMS. In addition, Congress enacted the 21st Century Cures Act (“Cures Act”) in late 2016 that reduced the FFY 2018 standard adjustment to IPPS payment rates by 0.0412 percent. Again, the Cures Act in its discussion of the documentation and coding reduction referenced the original (outdated) 3.2 percent negative adjustment amount proposed by CMS.

As a result, CMS wrongfully contended in the IPPS Final Rule for FFY 2018 that MACRA and the Cures Act prohibit it from restoring the extra 0.7 percent negative adjustment it implemented in FFY 2017. (Federal Register, Vol. 82, No. 155, 38009 (August 14, 2017)). CMS has not provided sufficient rationale for its decision to retain the 0.7 percent negative adjustment for FFY 2018 forward, and TOYON believes the 0.7 percent adjustment must be properly restored to hospitals. TOYON contends that CMS’ interpretation of the MACRA is incorrect and unlawful and results in reduced reimbursement.

The services set forth in this agreement are for the purpose of assisting the hospital in receiving appropriate reimbursement from the Medicare IPPS program through pursuing an appeal of the IPPS Rate with respect to the ATRA/MACRA adjustment.

2. Scope of Services

TOYON will pursue Medicare appeals on the ATRA/MACRA Adjustment Issue. TOYON's services will include, but are not limited to the following:

1. Prepare and file appeals with the Provider Reimbursement Review Board ("PRRB") on the IPPS Rate issue, to add the issue to existing appeals if applicable, and to transfer the issue to group appeals
2. Develop appeal strategy, perform research, and obtain documentation needed to pursue the issue
3. Prepare and file cost report reopening requests if appropriate
4. Prepare and file preliminary and final position papers
5. Review the CMS fiscal intermediary's preliminary and final position papers
6. Respond to any jurisdictional challenges
7. Engage an attorney to assist in handling the case at the PRRB and in court
8. Perform all follow up needed with the Medicare Program with respect to appeals and reopening requests
9. Pursue issues directly to court using expedited jurisdictional review if, in TOYON'S opinion, such action is deemed warranted
10. Pursue unfavorable or overturned PRRB decisions to court if, in TOYON'S opinion, there is sufficient likelihood of success and sufficient reimbursement value in relation to the cost of pursuing the case
11. Negotiate a settlement with CMS if appropriate after consulting with HOSPITAL, subject to the HOSPITAL obtaining all requisite final City approvals including formal adoption of legislation approving the settlement by the San Francisco Board of Supervisors
12. Provide periodic status reports to HOSPITAL regarding pursuit of the issue.

3. Timing of Project

TOYON will work with HOSPITAL to identify what cost reporting periods can be appealed as soon as it receives a copy of the executed formal contract Amendment and will begin filing appeals as soon as practical thereafter.

4 Data Requirements

TOYON will need to receive copies of Notices of Medicare Program Reimbursement ("NPRs") as soon as they are received by HOSPITAL in order to make sure the proper appeal is filed within 180 days of its receipt. Other documents will be requested on an as-needed basis.

5. Fiscal Periods

This agreement applies to federal fiscal periods beginning 10/1/17 and continues through all future periods until the issue is resolved.

6. Compensation – Contingency Fee (Section D of Appendix A-1 of the Agreement)

Payment for Medicare appeal services set forth in this contract will be calculated as 15% of the additional Medicare reimbursement realized by HOSPITAL resulting from the appeal services set forth in this agreement.

The additional reimbursement resulting from a successful appeal will either be a payment to HOSPITAL by the Medicare Program or a reduction of an outstanding liability. Payment is due to

TOYON within 30 days of HOSPITAL's receipt of additional reimbursement or notification that its liability has been decreased. No fees or expenses are due to TOYON unless additional reimbursement is realized.

7. Services Provided by Attorneys (Appendix A Section 3 of the Agreement)

Pursuant to Appendix A Section 3 of the Agreement, any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will not be paid unless the attorney or law firm received advance written approval from the City Attorney for such services.

The terms included in this agreement are effective beginning on October 1, 2017 and will remain in effect until the expiration or earlier termination of the professional services Agreement of which this Appendix is made part of.

Appendix B Calculation of Charges

1. Method of Payment

A. Contractor shall submit monthly invoices by the fifteenth (15th) working day of each month, in the format attached in Appendix F, based upon the number of units of service that were delivered in the immediately preceding month. All deliverables associated with the Services listed in Section 2 of Appendix A, times the unit rate as shown in the Program Budgets listed in Section 2 of Appendix B shall be reported on the invoice(s) each month

2. Program Budgets and Final Invoice

A. Program Budgets are listed below and are attached hereto.

Budget Summary

Appendix B-1 Zuckerberg San Francisco General Hospital / Community Primary Care Clinics

Appendix B-2 Laguna Honda Hospital

Appendix B-3 Health at Home

B. Contractor understands that, of the maximum dollar obligation listed in section 3.3.1 of this Agreement, **\$719,370** is included as a contingency amount and is neither to be used in Program Budgets attached to this Appendix, or available to Contractor without a modification to this Agreement as specified in Section 3.7 Contract Amendments; Budgeting Revisions. Contractor further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable City and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by Controller. Contractor agrees to fully comply with these laws, regulations, and policies/procedures.

D. A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of the Agreement, and shall include only those Services rendered during the referenced period of performance. If Services are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to City. City's final reimbursement to the Contractor at the close of the Agreement period shall be adjusted to conform to actual units certified multiplied by the unit rates identified in the Program Budgets attached hereto, and shall not exceed the total amount authorized and certified for this Agreement.

3. No invoices for Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

Any Revision to Scope of Access shall be considered a part of and incorporated into this Agreement, governed by all its terms, by reference.

1.2 Primary and Alternate Agency Site Administrator.

Before System(s) access is granted, Agency must appoint a primary and alternate Agency Site Administrator responsible for System(s) access tasks, including but not limited to the following:

1.2.1 Completing and obtaining City approval of the Account Provisioning Request documents and/or Data Set Request documents;

1.2.2 Communicating with the SFDPH IT Service Desk;

1.2.3 Providing Agency Data User(s) details to the City;

1.2.4 Ensuring that Agency Data User(s) complete required SFDPH trainings annually;

1.2.5 Ensuring that Agency Data User(s) understand and execute SFDPH's data access confidentiality agreement; and

1.2.6 Provisioning and deprovisioning Agency Data Users as detailed herein. To start the process, the Agency Site Administrator must contact the SFDPH IT Service Desk at 628-206-7378, dph.helpdesk@sfdph.org.

1.3 SFDPH IT Service Desk.

For new provisioning requests, only Agency Site Administrators are authorized to contact the SFDPH IT Service Desk. The City reserves the right to decline any call placed by other than the Agency Site Administrator. Individual Agency Data Users are not authorized to contact the SFDPH IT Service Desk.

1.4 Deprovisioning Schedule.

Agency, through the Agency Site Administrator, has sole responsibility to deprovision Agency Data Users from the System(s) as appropriate on an ongoing basis. Agency must immediately deprovision an Agency Data User upon any event ending that Data User's need to access the System(s), including job duty change and/or termination. Agency remains liable for the conduct of Agency Data Users until deprovisioned. When deprovisioning employees via the SFDPH IT Service Desk, Agency must maintain evidence that the SFDPH IT Service Desk was notified.

1.5 Active Directory.

Agency Data Users will need an SFDPH Active Directory account in order to access each System(s). These Active Directory Accounts will be created as part of the provisioning process.

1.6 Role Based Access.

Each Agency Data User's access to the System(s) will be role-based and access is limited to that necessary for treatment, payment, and health care operations. The City will assign Agency Data User roles upon provisioning and reserves the right to deny, revoke, limit, or modify Agency Data User's access acting in its sole discretion.

1.7 Training Requirements.

Before System(s) access is granted, and annually thereafter, each Agency Data User must complete SFDPH compliance, privacy, and security training. Agency must maintain written records evidencing such annual training for each Agency Data User and provide copies upon request to the City. For questions about how to complete SFDPH's compliance, privacy, and security training, contact Compliance.Privacy@sfdph.org, (855) 729-6040.

Before Agency Data User first access to System(s), system-specific training must be completed. For training information, Agency Site Administrator may contact the SFDPH IT Service Desk,

1.8 Agency Data User Confidentiality Agreement.

Before System(s) access is granted, as part of SFDPH's compliance, privacy, and security training, each Agency Data User must complete SFDPH's individual user confidentiality, data security and electronic signature agreement form. The agreement must be renewed annually.

1.9 Corrective Action.

Agency shall take corrective action, including but not limited to termination and/or suspension of any System(s) access by any Agency Data User who acts in violation of this Agreement and/or applicable regulatory requirements.

1.10 User ID and Password.

Each Agency Data User will be assigned or create a User ID and password. Agency and each Agency Data User shall protect the confidentiality of User IDs and passwords and shall not divulge them to any other person(s). Agency is responsible for the security of the User IDs and passwords issued to or created by Agency Data Users and is liable for any misuse.

1.11 Notification of Compromised Password.

In the event that a password assigned to or created by an Agency Data User is compromised or disclosed to a person other than the Agency Data User, Agency shall upon learning of the compromised password immediately notify the City, at Compliance.Privacy@sfdph.org, (855) 729-6040. Agency is liable for any such misuse. Agency's failure to monitor each Agency Data User's ID and/or password use shall provide grounds for the City to terminate and/or limit Agency's System(s) access.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

Agency shall allow only qualified personnel under Agency's direct supervision to act as Agency Data Users with access to the System(s).

All workstations and laptops that process and/or store City Data must be encrypted using a current industry standard algorithm. The encryption solution must be full disk unless approved by the SFDPH Information Security Office.

1.15 Server Security.

Servers containing unencrypted City Data must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

1.16 Removable media devices.

All electronic files that contain City Data must be encrypted using a current industry standard algorithm when stored on any removable media or portable device (i.e. USB thumb drives, CD/DVD, smart devices tapes etc.).

1.17 Antivirus software.

1.18 Patch Management.

All workstations, laptops and other systems that process and/or store City Data must have operating system and application security patches applied, with system reboot if necessary. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

The system must provide an automatic timeout, requiring reauthentication of the user session after no more than 20 minutes of inactivity.

1.20 Warning Banners.

All systems containing City Data must display a warning banner each time a user attempts access, stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.

1.21 Transmission encryption.

All data transmissions of City Data outside the Agency's secure internal network must be encrypted using a current industry standard algorithm. of the City.

1.24 Security of PHI.

Agency is solely responsible for maintaining data security policies and procedures, consistent with those of the City that will adequately safeguard the City Data and the System. Upon request, Agency will provide such security policies and procedures to the City. The City may examine annually, or in response to a security or privacy incident, Agency's facilities, computers, privacy and security policies and procedures and related records as may be necessary to be assured that Agency is in compliance with the terms of this Agreement, and as applicable HIPAA, the HITECH Act, and other federal and state privacy and security laws and regulations. Such examination will occur at a mutually acceptable time agreed upon by the parties but no later than ten (10) business days of Agency's receipt of the request.

1.25 Data Security and City Data

Agency shall provide security for its networks and all internet connections consistent with industry best practices, and will promptly install all patches, fixes, upgrades, updates and new versions of any security software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. In no case shall the safeguards of Agency's data privacy and information security program be less stringent than the safeguards and standards recommended by the National Institute of Standards and Technology (NIST) Cybersecurity Framework and the Health Information Technology for Economic and Clinical Health Act (HITECH).

1.27 Disaster Recovery.

Agency must establish a documented plan to protect the security of electronic City Data in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this agreement for more than 24 hours.

1.28 Supervision of Data.

City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an Agency Data User authorized to access the information. City Data in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

1.29 As Is Access.

The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency and each Agency Data User understands that any inappropriate access or use of patient information, as determined by the City, may result in the temporary and/or permanent termination of Agency's or such Agency Data User's access to the System(s). Agency remains liable for all inappropriate System(s) access, misuse and/or breach of patient information, whether in electronic or hard-copy form.

1.32 Minimum Necessary.

Agency and each Agency Data User shall safeguard the confidentiality of all City Data that is viewed or obtained through the System(s) at all times. Agency and each Agency Data User shall access patient information in the System(s) only to the minimum extent necessary for its assigned duties and shall only disclose such information to persons authorized to receive it, as minimally necessary for treatment, payment and health care operations.

1.33 No Re-Disclosure or Reporting.

Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data

breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.
