Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I have been living and working in the Excelsior for more than five years, and continue to see my self living and serving the community in this neighborhood for the years to come. I am also a part of the Filipino Community Center, and have organized in grassroots organizations such as Migrante San Francisco, Active Leadership to Advance the Youth (ALAY), and was a former student organizer at the League of Filipino Students in San Francisco State University. These organizations gave breath to the meaning of "home" for me, and many other Filipino immigrants like me that live in this neighborhood, often alone, longing for something that resembles our homeland. I also live in a queer household, co-parenting my god daughter, a Longfellow Elementary student, and we all choose to nurture our chosen family in this beautiful neighborhood. My god daughter goes to school with our neighbor who are also working-class, immigrant, and single-parent families just like our household, and it is exactly these kinds of families that deepen my commitment to tirelessly struggle for this community.
