# Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND APPLICATION

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

- A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<a href="http://www.sfbos.org/vacancy">http://www.sfbos.org/vacancy</a>). Please review this list for positions of interest.
- 2. Submit an application (<a href="http://www.sfbos.org/vacancy\_application">http://www.sfbos.org/vacancy\_application</a>)
  (List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)
  - Applicants may also need to submit a Form 700, Statement of Economic Interests (<a href="https://www.fppc.ca.gov/Form700.html">https://www.fppc.ca.gov/Form700.html</a>), along with their application for all bodies listed in <a href="mailto:Campaign and Governmental Conduct Code">Campaign and Governmental Conduct Code</a>, Section 3.1-103(a)(1).
- 3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing. (There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)
- 4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
- 5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

	I have been working as a community organizer for several years, and I am a co-chair for the Yaseen Women's Commitee that benefits residents of San Francisco and San Mateo. I have been actively involved in mobilizing community members, building coalitions, and working to address community needs, connecting people with resources, and developing initiatives that benefit the community. My responsibilities include planning projects/events and facilitating meetings. As an immigrant myself I believe it is important to recognize and understand the diversity in immigrant communities, the diversity within countries of origin, and the reasons for immigration as well as the immense challenges that immigrant communities face. I have an undergraduate degree in International Relations, and my research was primarily focused on the driving forces that create Immigrants and refugees, as well as possible solutions to counteract the worldwide rising tide of immigration/refugees. I will bring my experiences to the table and work with peers to address the issues that immigrants and refugees face in San Francisco.
