16 Section 1. Findings.

17 (a) The Planning Department of the City and County of San Francisco applied for
18 funding from the Division of Transportation Planning of the California Department of
19 Transportation, and was awarded \$250,000 on August 16, 2010. The purpose of the grant
20 funding is to hire and continue funding for staff to complete the Central Corridor Growth
21 Strategy and Design Plan.

22 (b) The goals of the Central Corridor Growth Strategy and Design Plan are to
23 develop an integrated community vision for the Central Subway rail corridor that will achieve
24 regional goals for growth while meeting local needs. Using an extensive community
25 engagement process, the project will identify strategies to coordinate transit-supportive land

1 uses with public improvements. The final product will include land use recommendations,
2 urban design guidelines, and an enhanced public realm.

3 Section 2. Authorization to accept and expend grant funds.

4 (a) The Board of Supervisors hereby authorizes the San Francisco Planning
5 Department to accept and expend, on behalf of the City and County of San Francisco, funds
6 from the Division of Transportation Planning of the California Department of Transportation in
7 the amount of \$250,000 for the purpose of creating the Central Corridor Growth Strategy and
8 Design Plan.

9 (b) Whereas the Department proposes to maximize use of available grant funding
10 on direct services by not including indirect costs in the grant budget; now, therefore, be it
11 ordained that the Board of Supervisors hereby waives inclusion of indirect costs in the grant
12 budget.

13 (c) The grant provision includes a match of \$30,000, of which \$25,000 is provided
14 by the San Francisco Municipal Transportation Agency's operating budget and \$5,000 is
15 provided as in-kind support by the Municipal Transportation Agency.

16 (d) The term of the grant is from February 2, 2011 through February 28, 2013.
