RE: Proposed Resolution for the agreement with San Francisco In-Home Supportive Services Public Authority for the provision of Independent Provider (IP) Mode In-Home Supportive Services

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors' consideration and approval, please find a resolution which will authorize the agreement between the City and County of San Francisco and San Francisco In-Home Supportive Services Public Authority for the provision of Independent Provider (IP) Mode In-Home Supportive Services (IHSS) for an amount not to exceed \$991,313,916 for the period from July 1, 2026 to June 30, 2031.

The purpose of this agreement is to support the overall operations of the San Francisco IHSS Public Authority, including the administration of health and dental benefits to independent providers of IHSS, maintenance of an independent provider registry, processing of criminal background checks for the independent provider workforce, including providing LiveScan services, operating a mentorship program, and staffing the activities of the IHSS Public Authority Governing Body.

Because the contract is over \$10,000,000, the Department is requesting approval from the Board of Supervisors in accordance with the Section 9.118 of the Charter.

If you need additional information, please contact Tara Alvarez, Contract Manager at Tara.Alvarez@sfgov.org.

Attached please find a copy of the proposed resolution and supporting documents. Please calendar this item at the Board's earliest convenience and advise us of the date of introduction.

Thank you for your assistance.
