6           Section 1. The San Francisco Campaign and Governmental Code is hereby amended  
7 by amending Sections 1.100, 1.104, 1.108, 1.112, 1.114, 1.116, 1.122, 1.126, 1.128, 1.130,  
8 1.135, 1.150, 1.161 and 1.170 to read as follows:

9           **SEC. 1.100. PURPOSE AND INTENT.**

10          (a)     Huge sums of moneys often are necessary to finance American election  
11 campaigns. Inherent to the high cost of election campaigning is the problem of improper  
12 influence, real or potential, exercised by campaign contributors over elected officials. In  
13 addition, this fundraising distracts public officials seeking reelection from focusing upon  
14 important public matters, encourages contributions which may have a corrupting influence,  
15 and gives incumbents an unfair fundraising advantage over potential challengers. These  
16 developments undermine the integrity of the governmental process, the competitiveness of  
17 campaigns and public confidence in local officials.

18          (b)     It is the purpose and intent of the People of the City and County of San  
19 Francisco in enacting this Chapter to:

20               (1)     Place realistic and enforceable limits on the amount individuals may contribute  
21 to political campaigns in municipal elections and to provide full and fair enforcement of all the  
22 provisions in this Chapter;

23               (2)     Ensure that all individuals and interest groups in our city have a fair opportunity  
24 to participate in elective and governmental processes;

- 1           (3)     Create an incentive to limit overall expenditures in campaigns, thereby reducing  
2 the pressure on candidates to raise large campaign war chests for defensive purposes  
3 beyond the amount necessary to communicate reasonably with voters;
- 4           (4)     Reduce the advantage of incumbents and thus encourage competition for  
5 elective office;
- 6           (5)     Allow candidates and officeholders to spend a smaller proportion of their time on  
7 fundraising and a greater proportion of their time dealing with issues of importance to their  
8 constituents' community;
- 9           (6)     Ensure that serious candidates are able to raise enough money to communicate  
10 their views and positions adequately to the public, thereby promoting public discussion of the  
11 important issues involved in political campaigns;
- 12          (7)     Limit contributions to candidates and committees, including committees that  
13 make independent expenditures, to eliminate or reduce the appearance or reality that large  
14 contributors may exert undue influence over elected officials;
- 15          (8)     Assist voters in making informed electoral decisions and ensure compliance with  
16 campaign contribution limits through the required filing of campaign statements detailing the  
17 sources of campaign contributions and how those contributions have been expended;
- 18          (9)     Make it easier for the public, the media and election officials to efficiently review  
19 and compare campaign statements by requiring committees that meet certain financial  
20 thresholds to file copies of their campaign statements on computer diskettes or other  
21 designated electronic media; *and*
- 22          (10)    Help restore public trust in governmental and electoral institutions; *and*  
23          (11)    Help ensure the integrity of the election process by prohibiting campaign advertisements  
24 that contain knowing false endorsements of current and former public officials, candidates, political  
25

1 clubs, and organizations. Such false endorsements undermine the integrity of the electoral process by  
2 misleading and confusing voters about the actual support for or opposition to candidates or ballot  
3 measures and it is too burdensome for individual voters, inundated with campaign messages, to verify  
4 the accuracy of such claims and for persons whose positions are misrepresented to correct the  
5 misrepresentations close in time to the election.

6 (c) This Chapter is enacted in accordance with the terms of Sections 5 and 7

2           **PERIODS FOR INITIATIVES, REFERENDA AND RECALLS.**

3           (a) In order to ensure that any person interested in the finances of any committee that is  
4 raising or spending funds to support or oppose a measure, such committees shall file their financial  
5 disclosure documents on dates that are within the time period in which signatures are gathered.

6           (b) For initiatives and recalls, campaign disclosure statements shall be filed on the 15th day  
7 of the signature gathering period covering days 1-10, on the 30th day covering days 11-25, and every

15  
16           **SEC. 1.115. COORDINATION OF EXPENDITURES**

17          (a) General. An expenditure is not considered independent and shall be treated as a  
18 contribution from the person making the expenditure to the candidate on whose behalf, or for whose  
19 benefit the expenditure is made, if the expenditure funds a communication that expressly advocates the  
20 nomination, election or defeat of a clearly identified candidate and is made under the following  
21 circumstance:

22           (1) the expenditure is made at the request, suggestion, or direction of, or in cooperation,  
23 consultation, concert or coordination with, the candidate on whose behalf, or for whose benefit, the  
24 expenditure is made; or

1 (2) the communication funded by the expenditure is created, produced or disseminated:

2 (A) after the candidate has made or participated in making any decision regarding the content,  
3 timing, location, mode, intended audience, volume of distribution, or frequency of placement of the  
4 communication; or

5 (B) after discussion between the creator, producer or distributor of a communication, or the  
6 person paying for that communication, and the candidate or committee regarding the content, timing,  
7 location, mode, intended audience, volume of distribution or frequency of placement of that  
8 communication, the result of which is agreement on any of these topics.

9 (b) Rebuttable presumption of coordination. In addition to subsection (a) of this section, there  
10 shall be a presumption that an expenditure funding a communication that expressly advocates the  
11 nomination, election or defeat of a clearly identified candidate is not independent of the candidate on  
12 whose behalf or for whose benefit the expenditure is made, when:

13 (1) it is based on information about the candidate or committee's campaign needs or plans  
14 provided to the spender by the candidate;

15 (2) it is made by or through any agent of the candidate in the course of the agent's involvement  
16 in the current campaign;

17 (3) the spender retains the services of a person, including a campaign consultant, who provides,  
18 or has provided, the candidate with professional services related to campaign or fundraising strategy  
19 for that same election;

20 (4) the communication replicates, reproduces, republishes or disseminates, in whole or in  
21 substantial part, a communication designed, produced, paid for or distributed by the candidate; or

22 (5) in the same election that the expenditure is made, the spender or spender's agent is serving  
23 or served in an executive or policymaking role for the candidate's campaign or participated in strategy  
24 or policy making discussions with the candidate's campaign relating to the candidate's pursuit of

1 election to office and the candidate is pursuing the same office as a candidate whose nomination or  
2 election the expenditure is intended to influence.

3 (c) Exceptions. Notwithstanding the foregoing, an expenditure shall not be considered a  
4 contribution to a candidate merely because:

5 (1) the spender interviews a candidate on issues affecting the spender;

6 (2) the spender has obtained a photograph, biography, position paper, press release, or similar  
7 material from the candidate;

8 (3) the spender has previously made a contribution to the candidate;

9 (4) the spender makes an expenditure in response to a general, non-specific request for support  
10 by a candidate, provided that there is no discussion with the candidate prior to the expenditure relating  
11 to details of the expenditures;

12 (5) the spender has invited the candidate or committee to make an appearance before the  
13 spender's members, employees, shareholders, or the families thereof, provided that there is no  
14 discussion with the candidate prior to the expenditure relating to details of the expenditure;

15 (6) the spender informs a candidate that the spender has made an expenditure provided that  
16 there is no other exchange of information not otherwise available to the public, relating to the details of  
17 the expenditure; or

18 (7) the expenditure is made at the request or suggestion of the candidate for the benefit of  
19 another candidate or committee.

20 (d) Definition. For purposes of this section, the terms "candidate" includes an agent of the  
21 candidate when the agent is acting within the course and scope of the agency.

1           **SEC. 1.118. PAYMENT OF ACCRUED EXPENSES**

2           (a) A candidate who accepts goods or services on credit shall pay for such accrued expenses in  
3 full no later than 180 calendar days after receipt of a bill or invoice and in no event later than 180  
4 calendar days after the last calendar day of the month in which the goods were delivered or the  
5 services were rendered, unless it is clear from the circumstances that the failure to pay is reasonably  
6 based on a good faith dispute. For purposes of this subsection, a good faith dispute shall be presumed  
7 if the candidate produces the following:

8           (1) evidence that the candidate protested the payment of a bill no later than 30 calendar days  
9 after the last calendar day of the month in which the goods were delivered or the services were  
10 rendered; and

11           (2) evidence that the protest was based on the time of delivery, quality or quantity of goods  
12 delivered or services rendered or the price of the goods delivered or the services provided.

13           (b) The provisions of subsection (a) do not apply to debt owed to a financial institution for an  
14 outstanding credit card balance.

15           (c) Each and every calendar day any accrued expense remains partially or wholly unpaid after  
16 the time periods set forth in subsection (a) constitutes a separate violation.

17  
18           **SEC. 1.162.5. DISCLOSURE REQUIREMENTS – CAMPAIGN ADVERTISEMENTS**

19           (a) Disclosure. Any campaign advertisement that urges support for or opposition to one or  
20 more candidates for City elective office shall include a disclosure statement identifying the person who  
21 paid for the advertisement. Such disclosure statement shall, at a minimum, contain the following  
22 words, "paid for by \_\_\_\_\_ (insert the name of the person who paid for the communication)" and  
23 appear at least once on the advertisement.

1           (1) Any disclosure statement required by this section to be in printed form shall be printed  
2 in a type and color so as to be easily legible to the intended public. Such disclosure statement shall be  
3 printed in at least 14-point type and in a color or print that contrasts with the background so as to be  
4 easily legible to the intended public.

5           (2) Any disclosure statement required by this section to be in spoken form shall be spoken at  
6 the same volume and speed as the rest of the communication so as to be clearly audible and understood  
7 by the intended public and otherwise appropriately conveyed for the hearing impaired.

8           (b) Definitions. For the purposes of this section, the term "campaign advertisement"  
9 means:

10           (1) programming received by a television or radio;

11           (2) a communication placed in a newspaper; periodical or magazine of general circulation;

12           (3) posters, door hangers, and yard signs produced in quantities of 200 or more; and

13           (4) a billboard.

14  
15           **SEC. 1.163.5. DISTRIBUTION OF CAMPAIGN ADVERTISEMENTS CONTAINING**  
16 **FALSE ENDORSEMENTS.**

17           (a) Prohibition. No person may sponsor any campaign advertisement that is distributed within  
18 90 days prior to an election and that contains a false endorsement, where the person acts with  
19 knowledge of the falsity of the endorsement or with reckless disregard for the truth or falsity of the  
20 endorsement. A false endorsement is a statement, signature, photograph, or image representing that a  
21 person expressly endorses or conveys support for or opposition to a candidate or measure when in fact  
22 the person does not expressly endorse or convey support for or opposition to the candidate or measure  
23 as stated or implied in the campaign communication.

1 (b) Definitions. Whenever in this section the following words or phrases are used, they shall  
2 mean:

3 (1) "Campaign advertisement" is any mailing, flyer, doorhanger, pamphlet, brochure, card,  
4 sign, billboard, facsimile, printed advertisement, broadcast, cable, satellite, radio, internet, or recorded

17 not include web blogs, listserves sent to persons who have contacted the sender, discussion forums, or  
18 general postings on web pages.

19 (3) "Sponsor" means to pay for, direct, supervise or authorize the production of campaign  
20 advertisement.

21 (c) Enforcement and penalties. The penalties under section 1.170(a) of this Chapter do not  
22 apply to violations of this section. Notwithstanding the 60-day waiting period in section 1.168 of this  
23 Chapter, a voter may bring an action to enjoin a violation of this section immediately upon providing

1 written notice to the City Attorney. A court may enjoin a violation of this section only upon a showing  
2 of clear and convincing evidence of a violation.

3  
4 **SEC. 1.172 EXTENSION OF DEADLINES THAT FALL ON WEEKENDS AND**  
5 **HOLIDAYS.**

6 The Ethics Commission may, by regulation, extend any deadline imposed by this Chapter that  
7 falls on a Saturday, Sunday or holiday on which the Ethics Commission is authorized by law to close.

14 ~~(a) For purposes of the expenditure ceilings for the offices of Assessor and Public Defender,~~  
15 ~~qualified campaign expenditures made at any time on or before the date of the primary shall be~~  
16 ~~considered primary election expenditures, and qualified expenditures made after the date of the~~  
17 ~~primary election shall be considered general election expenditures. However, in the event that~~  
18 ~~payments are made but the goods or services are not used during the period purchased, the payments~~  
19 ~~shall be considered qualified campaign expenditures for the time period in which they are used.~~  
20 ~~Payments for goods or services used during both time periods shall be prorated.~~

21 ~~(b) For purposes of the expenditure ceilings for the offices of City Attorney, District Attorney,~~  
22 ~~Treasurer, Sheriff and Supervisor, qualified campaign expenditures made at any time before the~~  
23 ~~general election shall be considered general election expenditures, and qualified expenditures made~~  
24 ~~after the general election shall be considered run-off election expenditures. However, in the event that~~

1 ~~payments are made but the goods or services are not used during the period purchased, the payments~~  
2 ~~shall be considered qualified campaign expenditures for the time period in which they are used.~~  
3 ~~Payments for goods or services used during both time periods shall be prorated.~~

4  
5 **~~SEC. 1.200. PROHIBITION ON MULTIPLE CAMPAIGN ACCOUNTS.~~**

6 ~~An officer of the City and County of San Francisco, or any person or committee on behalf of an~~  
7 ~~officer of the City and County of San Francisco, is hereby prohibited from establishing any account,~~  
8 ~~other than a campaign fund, for the solicitation and expenditure of funds. Nothing in this section shall~~  
9 ~~prohibit an officer from spending personal funds on official or related business activities.~~

10 ~~(a) — An account established by an officer or on behalf of an officer of the City and County of~~  
11 ~~San Francisco is defined as any account used to pay expenses incurred directly in connection with~~  
12 ~~carrying out the usual and necessary duties of holding office, including but not limited to, travel~~  
13 ~~between an officer's residence and public office, meetings with constituents which are not campaign~~  
14 ~~related meetings, salary payments to staff for other than campaign activities, office promotional~~  
15 ~~materials, advertising, mailings, postage, and paid radio or television airtime.~~

16 ~~(b) — Any and all monies or services accepted or received by an officer or on behalf of an~~

5 ~~Campaign literature that falsely represents the endorsement of current and former public~~  
6 ~~officials, candidates, political clubs, and organizations has been distributed in recent local elections.~~  
7 ~~These false representations undermine the integrity of the electoral process by misleading and~~  
8 ~~confusing voters about the actual support for or opposition to candidates or ballot measures. It is too~~  
9 ~~burdensome for individual voters, inundated with campaign messages, to verify the accuracy of such~~  
10 ~~claims and for persons whose positions are misrepresented to correct the misrepresentations.~~  
11 ~~Prohibiting knowingly false representations in campaign literature during the limited period when~~  
12 ~~effectively responding to them is most difficult will serve the City's paramount interest in ensuring the~~  
13 ~~integrity of the electoral process.~~
