1 [Authorization to Join the Firefighter Property Program - Acceptance of Gifts of Equipment to
2 the Fire Department]

3 **Resolution authorizing the San Francisco Fire Department to enter into a Local**
4 **Cooperator Agreement to join the Firefighter Property Program, under which the**
5 **Department may receive gifts of equipment for use in fire suppression or pre-**
6 **suppression activities, providing emergency medical services, or supporting disaster**
7 **relief activities for an initial term of three years.**

8
9 WHEREAS, Title 10, United States Code, Section 257b authorizes the United States
10 Secretary of Defense to transfer to firefighting agencies personal property that is no longer
11 needed by the Department of Defense that may be suitable for use in fire protection,
12 emergency medical services, and disaster relief activities; and

13 WHEREAS, Pursuant to this authority, the Department of Defense has established the
14 Firefighter Property Program (“FFP Program”) to effectuate the transfer of excess Department
15 of Defense property to state and local firefighting agencies for use in fire suppression or pre-
16 suppression activities, providing emergency medical services, or supporting disaster relief
17 activities; and

18 WHEREAS, The property available through the FFP Program may include items such
19 as vehicles and other fixed assets; fabricating materials; warehouse equipment; tools; and
20 other items needed to distribute, maintain, and prepare the property to be used in fire
21 suppression or emergency services; and

22 WHEREAS, A local firefighting agency that acquires property through the FFP Program
23 takes custody of, or in some cases title to, the property free of charge, but is responsible for
24 costs associated with picking up and transporting the property, preparing the property for use;
25 maintenance, and insurance; and

1 WHEREAS, A local firefighting agency that receives property through the FFP Program
2 must place the property into service and use the property for firefighting or emergency needs
3 for at least one year before the property may be disposed of, or returned to the FFP Program,
4 depending on the classification of the property; and

5 WHEREAS, The State of California, through the Department of Forestry and Fire
6 Protection (CAL Fire), has been approved by the federal government to administer the FFP
7 Program in California; and

8 WHEREAS, As the administrator of the FFP Program in California, CAL Fire enlists
9 local firefighting and emergency service cooperators and assists them in acquiring property
10 through the FFP Program; and

11 WHEREAS, To be eligible to receive property and equipment from CAL Fire through
12 the FFP Program, a firefighting agency must enter into a Local Cooperator Agreement with
13 CAL Fire and the agency's governing board or council must approve of its participation in the
14 FFP Program by Resolution; and

15 WHEREAS, The San Francisco Fire Department has evaluated the FFP Program and
16 determined that the Department could significantly benefit from joining as a local cooperator
17 so that it would have access to such property for use in the Department's fire suppression and
18 pre-suppression activities, emergency medical services, and disaster relief preparedness; and

19 WHEREAS, The Fire Department believes that the benefits of having access to and
20 acquiring ownership of the property for these purposes outweigh any costs associated with
21 transporting, remediating, and insuring the property; and

22 WHEREAS, By entering into the Local Cooperator Agreement, the Department is not
23 obligated to receive any property, but will have the ability to review and submit requisitions to
24 obtain property available through the FFP Program that it believes would be of use to the
25 Department; and

1 WHEREAS, Administrative Code, Section 10.100-305 generally requires the Board of
2 Supervisors to approve the acceptance and expenditure of any gift of cash or good with a
3 value of \$10,000 or more; and the Fire Department anticipates that its participation in the FFP
4 Program under the Cooperative Agreement could result in the acceptance and use of
5 equipment valued at \$10,000 or more; and

6 WHEREAS, The Fire Department recommends that the Board of Supervisors approve
7 the Fire Department's participation in the FFP Program and authorize it to execute the Local
8 Cooperator Agreement for an initial term of three years and to accept property under the FFP
9 Program during this period that may be use of in its firefighting and emergency medical
10 service activities; and

11 WHEREAS, A copy of the Cooperative Agreement is on file in Board of Supervisors
12 File No. 220297; now, therefore, be it

13 RESOLVED, That the Board of Supervisors approves the San Francisco Fire
14 Department's participation in the FFP Program; and, be it

15 FURTHER RESOLVED, That the Board of Supervisors authorizes the Fire Department
16 to enter into the FFP Program Local Cooperator Agreement with CAL Fire, on file with the
17 Clerk of the Board of Supervisors in File No. 220297, and approves the Department's
18 acceptance and use of equipment as provided under that agreement without further approval
19 by the Board; and, be it

20 FURTHER RESOLVED, That within 30 days of the Local Cooperator Agreement being
21 fully executed by all parties, the Fire Department shall provide a copy of the final agreement to
22 the Clerk of the Board for inclusion in File No. 220297.

23 n:\govern\as2022\0700304\01588514.docx

A silhouette of a person wearing a jacket, standing on a mountain trail and looking out over a vast mountain range under a sunset sky. The person is positioned in the center of the frame, facing away from the camera. The background features rolling mountains and a valley filled with mist or low clouds, all bathed in the warm, golden light of the setting sun. The overall mood is serene and contemplative.

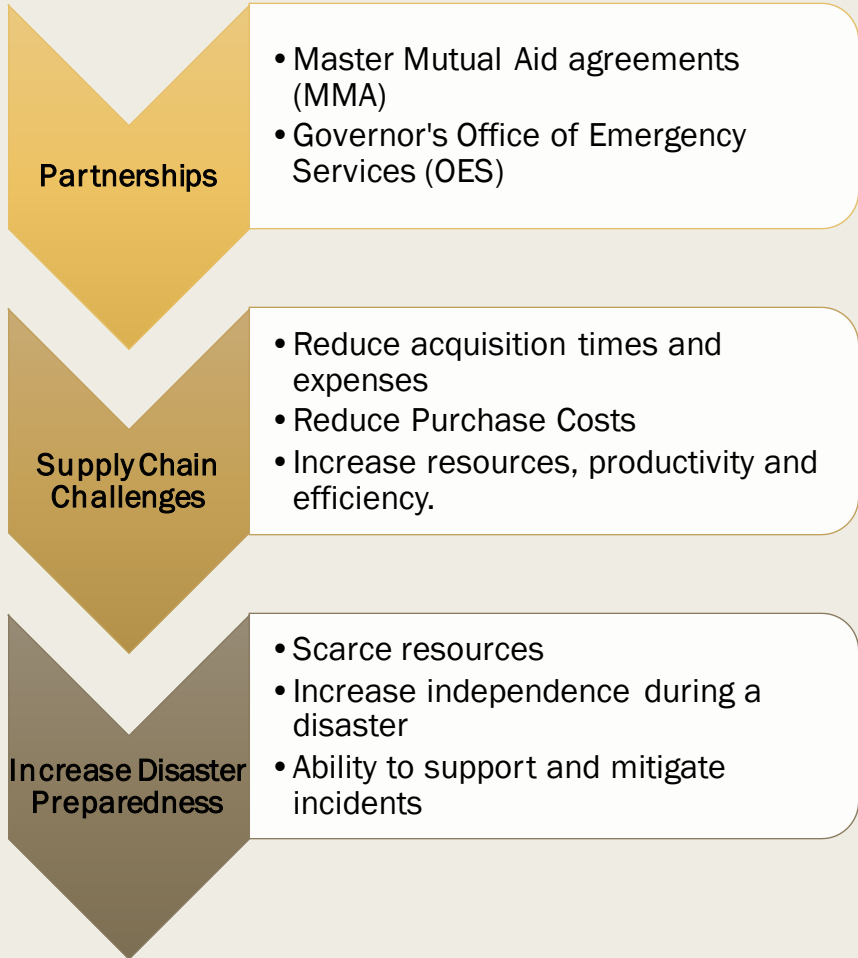

FEDERAL EXCESS/FIREFIGHTER PROPERTY PROGRAM FEPP/FFPP

Assistant Deputy Chief, Shayne Kaialoa, Director of
Training, San Francisco Fire Department

WHAT IF?

Decrease dependability on divisions

- Increase agility, proficiency, efficiency in all divisions
- How can we reduce acquisition times
- Decrease budgetary expenses

Federal Excess Personal Property (FEPP) and Firefighter Property (FFP)

Both programs are very similar, one for the State, one for the Federal Government.

Make use of existing equipment/assets deemed excess or surplus. (DoD), CALFIRE or USFW property to cooperators within fire and emergency services.

Common items: apparatus, support vehicles, generators, forklifts, lighting, pumps, fire hoses, breathing apparatus, PPE.

We seek BOS approval to participate is a one-time and a no cost action for approval to both programs.

How the Program Works at a Glance

Cooperators screen for property through the Federal Excess Property Management System (FEPMIS).

Acquire FFP property only for the uses allowed in the program

Create acquisitions, reports, input, change or modify property recorded in FEPMIS

Bear the full cost of transporting, retrofitting, modifying, maintaining and operating property

Place property in service before one year of pick up and receipt of property

Carry full insurance coverage for property

Benefits to the San Francisco Fire Department and the Citizens

Secure Needed Resources	To support disaster relief, while resources are limited across the city. Support day to day operations. Increase training efforts.
Reduce Acquisition Time and Costs	Due to supply chain challenges. Ability to search national data base and acquire resources to meet our mission.
Reduce Budgetary Impact	Entering programs at NO COST Obtaining FEPP/FFP equipment at NO COST .
Reduce Storage Space and Costs of Housing Old Equipment	Ability of returning equipment to the programs when no longer needed or cost of maintenance exceeds feasibility, reduces the need to store equipment in rental spaces.
Increase Resources	Allows for agility, efficiency, proficiency, and effectiveness. Reducing dependability on city agencies.
Increase Public Safety	

A person wearing a red jacket is using a tool to work on a suitcase. The scene is dimly lit, with a dark background. The person's hands are visible, and they appear to be focused on the task. The suitcase is light-colored and has dark straps and buckles. The overall mood is one of concentration and craftsmanship.

THANK YOU

STATE OF CALIFORNIA
THE NATURAL RESOURCES AGENCY
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

COOPERATIVE AGREEMENT FOR THE
DEPARTMENT OF DEFENSE
FIREFIGHTER PROPERTY (FFP) PROGRAM
Under Title 10 United States Code § 2576b

This agreement is entered into by and between

THE STATE OF CALIFORNIA
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

AND

SAN FRANCISCO FIRE DEPARTMENT

This agreement made and entered into this ____ day of ____, 20__, by and between the State of California acting by and through the Director of the Department of Forestry and Fire Protection (CAL FIRE), hereinafter referred to as the STATE and the **San Francisco Fire Department**, hereinafter referred to as the COOPERATOR, covenants as follows:

I. PURPOSE

The STATE has been approved as an agent of the United States Department of Agriculture (USDA) Forest Service for administering excess Department of Defense (DoD) personal property as part of the Firefighter Property (FFP) program, which allows the COOPERATOR to take custody and use FFP property in providing fire and emergency medical services, including disaster relief activities.

II. MUTUAL INTEREST OF PARTIES

Both the STATE and the COOPERATOR have a mutual interest in the prevention, protection, and suppression of all fires near and adjacent to the property and the people of California, including providing medical emergency services and disaster relief.

III. AUTHORITIES

The Secretary of Defense is authorized by Title 10 United States Code § 257b to transfer to firefighting agencies, personal property that is excess to the needs of the DoD and that the Secretary of Defense determines is suitable to be used by such agencies in fire protection, emergency medical services and disaster relief activities.

IV RESPONSIBILITIES
THE COOPERATOR AGREES:

1. To only screen and acquire FFP property that are designed for or can be modified for direct use in fire pre-suppression or suppression activities, provide emergency medical services associated with the COOPERATOR's fire service responsibilities, or items that can be used to support disaster relief activities.
2. FFP property cannot be requested or issued for: cannibalization, parts, for speculative/possible future use, warehousing/stockpiling, or to sell, lease, rent, exchange, barter, secure a loan, or to otherwise supplement normal budget.

3. Warehousing/stockpiling is only authorized for disaster response accommodations. FFP property such as generators, cots, tents, etc. that are obtained to support potential disaster relief or other contingency operations will be considered to have been placed into use if they are readily available to support emergency contingencies.
4. To send the STATE a copy of the signed receipt (1348-1A) for each FFP property item removed from the DoD Defense Logistics Agency (DLA) upon return from property pick up. This is a mandatory requirement as identified by the DoD and the USDA Forest Service.
5. To bear the entire cost of transportation, retrofit, modification, maintenance, repair, (including painting, as necessary) and operation of acquired FFP property while in the COOPERATOR'S possession, and relieve the STATE of all responsibility and liability in matters related to FFP property.
6. Acquired FFP property must be placed into use or ready for use within one (1) year of receipt. If the property is not placed for use in the one (1) year timeline, the property must be returned to the DoD Defense Logistics Agency (DLA) at the COOPERATOR's expense.
7. To ensure add on tanks, pumps, hose reels, modification of property (e.g.: converting fuel tanker to a water tanker) etc. will not cause an acquired FFP vehicle to exceed the manufacturer's Gross Vehicle Weight (GVW) rating. This could compromise the safe use of the FFP vehicle.
8. To obtain prior to operation of any FFP property, the minimum liability insurance in the amount required by State law to cover the operation of FFP rolling stock. The COOPERATOR must maintain adequate insurance to cover damages or injuries to cover persons or property relating to the use of the FFP property.
9. Insurance is not required on any FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) along with other property with special handling requirements that remain titled to the DoD.
10. The COOPERATOR must paint any FFP rolling stock that has distinct military colors or markings.
11. The COOPERATOR shall be responsible for the proper care, maintenance, security, and storage of the FFP property.
12. The COOPERATOR is required to keep the FFP property operational for a minimum of one (1) year after "In Service" date before normal disposal can take place.
13. Identify and track all FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) which require special handling. These FFP property items will not transfer ownership to the COOPERATOR and will remain titled to the DoD.
14. COOPERATOR will contact the STATE for FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) that is no longer needed and to be returned to the DLA at the COOPERATOR's expense.
15. The DoD reserves the right to recall DEMIL property issued through the FFP program at any time tracked by the USDA Forest Service for accountability purpose until the COOPERATOR requests disposal of the FFP property item.
16. FFP property that has not been used for firefighting or emergency services for a minimum of one year must be reported to the STATE and USDA Forest Service for disposal authority. Supporting documentation must be provided on why the property needs to be disposed prior to the one year of use. Possible documentation includes:
 - a. A police report for items lost or stolen.

- b. An accident report for items that have been damaged, destroyed or rendered uneconomical to repair due to an accident.
 - c. A mechanics report for items that have suffered mechanical damage and are now considered uneconomical to repair.
 - d. A statement (email is acceptable if it includes the person's name, title and contact information) from a Fire Chief explaining why the item cannot be placed into service.
17. The COOPERATOR shall report lost, missing, stolen or destroyed FFP property to the STATE. FFP property with a DEMIL code of B, C, D, F and Q (other than Q6) must be reported within 24 hours. FFP property with a DEMIL Code of A or Q6 must be reported within seven (7) days.
18. When FFP property is lost, damaged, or stolen, a determination is required whether there was negligence on the part of the COOPERATOR. The STATE shall make a recommendation to the USDA Forest Service PMO whether there was negligence or gross negligence.
- a. Negligence: The failure to abide by Federal rules and regulations.
 - i. Repeated instances of negligent damage to FFP property by employees of the COOPERATOR may be cause for the STATE to suspend further acquisitions by the COOPERATOR until the reasons for the negligence are identified and steps taken to prevent further instances.
 - b. Gross negligence: The intentional, willful, or wanton failure to exercise a reasonable degree of care to protect FFP property in one's custody in reckless disregard of the consequences of the actions.
 - i. If the STATE determines that there is apparent gross negligence on the part of a COOPERATOR employee, Recipient or a User of FFP property, the findings plus all supporting documentation shall be forwarded by the STATE to the USDA Forest Service Property Management Officer (PMO) for a final determination.
 - ii. If the final determination is one of gross negligence, the COOPERATOR shall be suspended from acquiring any additional FFP property for SIX (6) months.
 - iii. A second case of Gross Negligence will cause the COOPERATOR to lose all privileges of participating in the FFP program, indefinitely.
19. To perform/participate in the physical inventory process on FFP property with a DEMIL code of B, C, D, F and Q (other than Q6) in the COOPERATOR'S possession every two (2) years.
20. The STATE and the USDA Forest Service will periodically conduct joint reviews of the FFP program to ensure compliance with the DoD, USDA Forest Service and other applicable statutes, regulations and policies are being followed. The COOPERATOR must participate and provide access to all physical FFP property tracked in the Federal Property Management Information System (FEPMIS) along with access to all FFP documentation during the review. Any FFP property removed and closed in FEPMIS will not be inventoried during the review process.
21. The STATE is authorized to perform audits and reviews by STATE personnel, in between joint reviews, to provide the USDA Forest Service information for FFP program improvements.
22. To retain all documentation on all FFP property for six (6) years and three (3) months after acquisition; starting with the date of pick up through the property's disposal. Copies of final disposition paperwork shall be sent to the STATE.
23. The COOPERATOR must provide access to and the right to examine all records, books, or documents relating to FFP property transferred to the COOPERATOR under Title 10 U.S.C. 2576b to the USDA Forest Service, the Department of Defense, the Office of the Inspector General, and the Comptroller General of the United States, the STATE or their authorized representatives.
24. The proceeds from the sale of any FFP vehicle and/or other FFP property must be earmarked for "Fire/Emergency Services."

25. FFP Property with a DEMIL Code of A or Q6, after the one (1) year conditional holding and utilization period, may be sold or transferred to non-FFP participants in compliance with the United States Export Control Regulations. Under no circumstances will FFP property be sold or transferred to non-United States persons or exported.

V. OTHER AGREEMENT TERMS
IT IS MUTUALLY AGREED THAT:

1. Title and ownership of FFP property does not pass to any private individual in their private capacity.
2. The COOPERATOR shall complete a resolution, or a statement from their governing board/council approving participation in the FFP Program. The resolution must be received with this Cooperative Agreement as a requirement of the terms and conditions before the STATE will prepare the COOPERATOR's access to screen and manage FFP property.
3. The STATE will transfer ownership of said property. In the case of vehicles and other titled property, the Certificate of Title will transfer to the COOPERATOR under the terms of this agreement, once the property has become operational and is ready to be placed into service by the COOPERATOR.
 - a. The COOPERATOR which puts FFP property into use will accept ownership of equipment.
 - b. Title must be in the entity's name and cannot have an individual's name on the title.
 - c. COOPERATOR is responsible for any cost of obtaining title.
4. The STATE will not be responsible for furnishing spare parts for FFP property and the COOPERATOR accepts all FFP property "as is" without any warranties of any kind, either expressed or implied.
5. Owners of FFP property will cooperate with Federal and State parties to ensure compliance with Federal and State regulations, program and property management requirements. Additional FFP Program information may be requested and provided by the STATE.
6. COOPERATORS with any FFP property will cooperate with regulatory agencies to ensure compliance with Federal and State regulations, program and property management requirements.
7. In the event of any dispute over FFP property or any terms or conditions contained herein, the dispute shall be decided by the STATE and its decision shall be binding and final.
8. The parties hereto agree that the COOPERATOR, their officers, employees, agents, servants, contractors, volunteers, paid firefighters, and all others acting on behalf of the COOPERATOR, performing under the terms of this agreement, are not acting as officers, employees or agents of the State or the Federal Government.
9. The COOPERATOR agrees to defend, indemnify, save, and hold harmless the STATE as defined herein, and the Department of Forestry and Fire Protection (CAL FIRE), their officers, agents and employees against all claims, demands, causes of action or liability of any kind whatsoever arising out of the acts of the COOPERATOR, its agents or employees in the performance of any function provided for under the terms of this agreement or the use of property transferred.
10. The STATE and COOPERATOR will provide appropriate assurances of complying with the following federal anti-discrimination statutes:
 - a. On the basis of race, color, or national origin, in Title VL of the Civil Rights Act of 1964 (42 USC 2000d et seq.) as implemented by DOD regulations 32 CR Part 195.

- b. On the basis of age, in the Age Discrimination Act of 1975 (42 USC 6101, et seq.) as implemented by Department of Health and Human Services regulations in 45 CFR Part 90.
 - c. On the basis of handicap, in Section 504 of the Rehabilitation Act of 1973, P.L. 93-112, as amended by Department of Justice regulations in 28 CFR Part 41 and DOD regulations at 32 CFR Part 56.
11. The period of this agreement is for three (3) years from the date of last signature on page six (6) and entered on page one (1), if no violations or signatory changes occur. Thereafter, the agreement shall be reviewed annually for compliance by the STATE during the agreement review process and extended if no violations or changes have occurred, not to exceed a three (3) year term renewal.
 12. During the three (3) year term of this agreement, at the option of the STATE, this agreement may be terminated for any material breach by the COOPERATOR for any terms herein.
 13. Either party may terminate this agreement by providing written notice to the other party 60 days prior to the termination date. If the agreement is terminated, the COOPERATOR shall be ineligible to continue participation in the FFP program. Upon termination of the Cooperative agreement, all FFP property as identified as assigned in FEPMIS to the COOPERATOR shall be returned to the DLA. Prior to terminating a COOPERATOR's eligibility for cause, the STATE shall attempt alternative solutions.
 14. Any information provided to the STATE under this Cooperative agreement is subject to the Freedom of Information Act (5 USC §§ 551 et seq.).
 15. The primary contact information of the parties hereto, for all notices, payments, repayments, or any other activity required or contemplated under the terms of this Cooperative agreement are:

RESOLUTION AUTHORIZING APPLICATION
FOR FIREFIGHTER PROPERTY (FFP) PROGRAM
IN ACCORDANCE
Under Title 10 United States Code § 2576b

_____ Date

The City Council of the _____ Fire Department finds:

WHEREAS, there is a need for excess personal property from the Department of Defense (DoD) through the Firefighter Property (FFP) program to help actively engage in prevention, protection and suppression of all fires and medical emergency response services in the City of _____, and

WHEREAS, the acquisition of certain Firefighter Property as described in the United States Department of Agriculture (USDA), Forest Service Firefighter Property Standard Operating Procedures, in accordance with Title 10 United States Code § 2576b is available for local fire agencies.

THEREFORE, be it resolved that the City Council of the _____ Fire Department accepts the agreement between the State of California, Department of Forestry and Fire Protection (CAL FIRE) and the _____ Fire Department, _____ Dated

and, authorizes Fire Chief _____ to sign the agreement on behalf of the City Council.

A. Program Description

The Firefighter Property (FFP) program awards excess Department of Defense (DoD) property to CAL FIRE and its cooperators for use in fire and emergency services. Through the FFP program, CAL FIRE Business Services Office (BSO) assists state and local firefighting and emergency service organizations to acquire the property. CAL FIRE works with the United States Department of Agriculture (USDA) Forest Service to implement the program. In the FFP program, certain property passes ownership after it has been in use for a specified period.

B. Authority

The FFP program is authorized through a cooperative agreement between CAL FIRE and USDA Forest Service. When CAL FIRE assists a fire department or agency, a separate cooperative agreement is required. The agreement holds the cooperator responsible for following federal and state guidelines. Agreements are renewed every three (3) years or whenever there is a change in signatory. All cooperative agreements are processed through BSO.

C. Property Acquisition Federal Guidelines

The following federal guidelines govern the acquisition of FFP property:

1. FFP property must directly support the fire protection program and emergency services. Property could include vehicles and other fixed assets, plus fabricating materials, warehouse equipment, tools, and other items needed to distribute, maintain, and prepare the property for fire use or emergency use.
2. All acquisitions must be justified by how the acquisition will support this purpose. CAL FIRE and the USDA Forest Service Regional Office must approve the justification of any item screened. Cooperators screen for property in the DoD Reutilization, Transfer and Donation (RTD) website: (<https://businessportal.dla.mil/consent/consent.jsp>).
3. FFP property must not be acquired for warehouse/stockpiling, sale, lease, rent, exchange, barter, or to secure a loan.
4. All acquisitions will be reviewed and approved by the USDA Forest Service. CAL FIRE authorized local cooperators may acquire FFP property under specific state guidelines.
5. Cooperators must maintain adequate records necessary for FFP property:
 - Non-Trackable Property (Demil A & Q6): Keep adequate records until the property is dropped from FEPMIS. Then follow your own processes for record keeping of property.

(Cont. on next page)

- Trackable Property (All other Demil codes): Documents must be held for seven years and three months from the date of pick-up. These records must provide an audit trail for all excess DoD property from receipt to transfer, turn in, or disposal.

The documents required to be kept with the cooperator are:

- DD1348-1A - pick-up authorization document;
 - Shipping Document - needed if property transfers location;
 - Items shipped as a "Lot" - documentation showing where items were distributed;
 - SF-97 Vehicle Title - as Needed;
 - Any disposal documents
 - Only for Sensitive or Demil Items
 - i. Demil Statements
 - ii. Vehicle Title
 - iii. Mutilization/Cannibalization Authority
6. Cooperators must provide adequate insurance to cover damage or injuries to persons or property relating to the use of the property. At a minimum, liability insurance must be maintained.
7. To the extent permitted by federal law, cooperators awarded the property shall indemnify and hold the U.S. government harmless from any and all actions, claims, debts, demands, judgments, liabilities, arising out of, claimed or account of, or in any manner predicated upon loss of or damage to property, or injuries, illness or death of any person or political entity including state, local and interstate bodies, in any manner caused by or contributed to by the state, its agents, employees upon or about the sale site and/or site on which the property is located or while the property is in possession of, used by, or submitted to the control of the state, its agents or employees after the property has been removed from U.S. government control.

D. Property Acquisition State Guidelines

The following state guidelines govern the acquisition of FFP property:

1. Only Demil Code A and Demil Code Q with an Integrity Code 6 can be acquired in FFP. Other categories may be acquired but cannot be owned. Demil A and Q6 pertain to non-critical Federal Supply Class (FSC)/Federal Supply Group (FSG) Munitions List Items (MLI) or non-sensitive Commerce Control List Items (CCLI). These are items that do not require demilitarization and can be transferred to the ownership of the recipient after completing the FFP program requirements.

(Cont. on next page)

When acquiring Demil Q6 property, the cooperator will need to sign a statement saying they will not sell the property to a foreign entity. Contact the state FFP Helpdesk before acquiring any Demil Q6 property.

2. Authorized cooperators can directly screen for FFP property in the DoD RTD website, utilizing access codes provided by BSO. Once approved by CAL FIRE and the USDA Forest Service, the property request is submitted for approval by DoD through a competitive allocation process. Once allocated the recipient must immediately pick up, receipt for the equipment, and make it operational (place “in-service”). The recipient has a deadline of 14 calendar days to pick up the property from the DoD Defense Logistics Agency (DLA) site.
3. For ownership to transfer, the recipient must meet the following criteria:
 - a. Place the property “in-service” within one calendar year of pick up or immediately after pick up.
 - b. Record the placed “in-service” date in Federal Excess Property Management Information System (FEPMIS). This date must not exceed one calendar year after pick up. The property must be used for its intended purpose of firefighting or emergency service for a continuous period of one calendar year after the placed “in-service” date.
 - c. The maximum period allowed for both procedures (a) and (b) is two calendar years. Both procedures could be accomplished in less amount of time.

Within this period:

- I. All FFP property will be tracked in FEPMIS and assigned an FFP property number upon receipt and identification in FEPMIS.
- II. FFP property may be modified for fire protection and emergency purposes. The modification can be performed by vocational or technical schools, fire organizations, inmate crews, and/or commercial contractors.
- III. All FFP property must be maintained and protected using the same standard as purchased equipment.
- IV. When FFP property is lost, damaged, or stolen, CAL FIRE will investigate and determine whether there was negligence on the part of the authorized recipient and submit a recommendation to the USDA Forest Service.

(Cont. on next page)

After this period:

- I. FFP Demil A and Demil Q6 are no longer reportable to the USDA Forest Service once placed in service and thereafter used for a minimum of one year.
 - II. FFP property that has not been used for firefighting or emergency services for a minimum of one year must be reported to the USDA Forest Service for disposal authorization. (Returned to DoD/DLA site)
4. All costs related to pick up, repair or retrofit, painting, maintenance, titling, transfer, or disposal of property will be the responsibility of the recipient. The recipient has an obligation to inspect and reject the property prior to transfer. Once property is allocated, the recipient is responsible to complete all transactions related to receipt, identification, and tracking of the item in FEPMIS.
 5. Demilitarized equipment, other than Demil A and Q6, may be acquired with restrictions. These pieces of property will *a/ways* be owned by the DoD and recorded in FEPMIS. Each piece of property will require the state to perform biannual inventories and be returned to the nearest DLA site when no longer needed. For further information on these exceptions and restrictions refer to *Attachment A*.
 6. FFP property may be transferred to another authorized cooperator within the state. Only usable or repairable property may be transferred.
 7. Persons selected to screen (search and request items) for cooperators need to be knowledgeable in wildland and structural fire control programs and the types of equipment needed. Screeners should have internet access.
 8. In the case of vehicles, the following steps must be taken by the recipient, after the vehicle has been picked up:
 - a. Request a Certificate to Obtain Title to a Vehicle SF-97 from the state FFP Helpdesk to provide to the DLA site.
 - I. **This must be done within 48 hours** of picking up the vehicle, or the title will be defaulted to CAL FIRE, thus complicating the final ownership transfer.
 - II. You will need this document for the Department of Motor Vehicles (DMV) after the vehicle has been inspected.
 - b. The vehicle must be inspected immediately to make sure that it can be serviced and that the cooperator or CAL FIRE has the financial means to complete any repairs necessary.

(Cont. on next page)

- I. If the vehicle is unable to be repaired and put into service, the recipient can schedule an appointment with the DLA site to return the items stating that the item was uneconomical to put into service. At this point, do not register the vehicle with the DMV. Inform the state FFP HelpDesk prior to returning to DLA.
 - II. The recipient should not apply for the title (with the DMV) until confirmation has been made that the allocated vehicle can be put into service. ***DLA will not take a vehicle back after the title is issued.***
- c. Ownership will be issued to the state or local cooperator to which the vehicle was allocated. Title shall not be issued to an individual.

E. Procedural Flow Chart

Procedure Guide

Acquisition of FFP Property:

1. Logging into the DLA website:

Login to DLA at: <https://businessportal.dla.mil/consent/consent.jsp>;

Select **“I Accept”** button (This button may have to be selected **twice**):

U. S. Government (USG) Information System (IS) - Use and Consent

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE, or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communication and work product are private and confidential. See User Agreement for details.

After you accept the terms and condition, **enter your username and password:**

Welcome to the Enterprise External Business Portal

Enter your Enterprise External Portal user name and password.

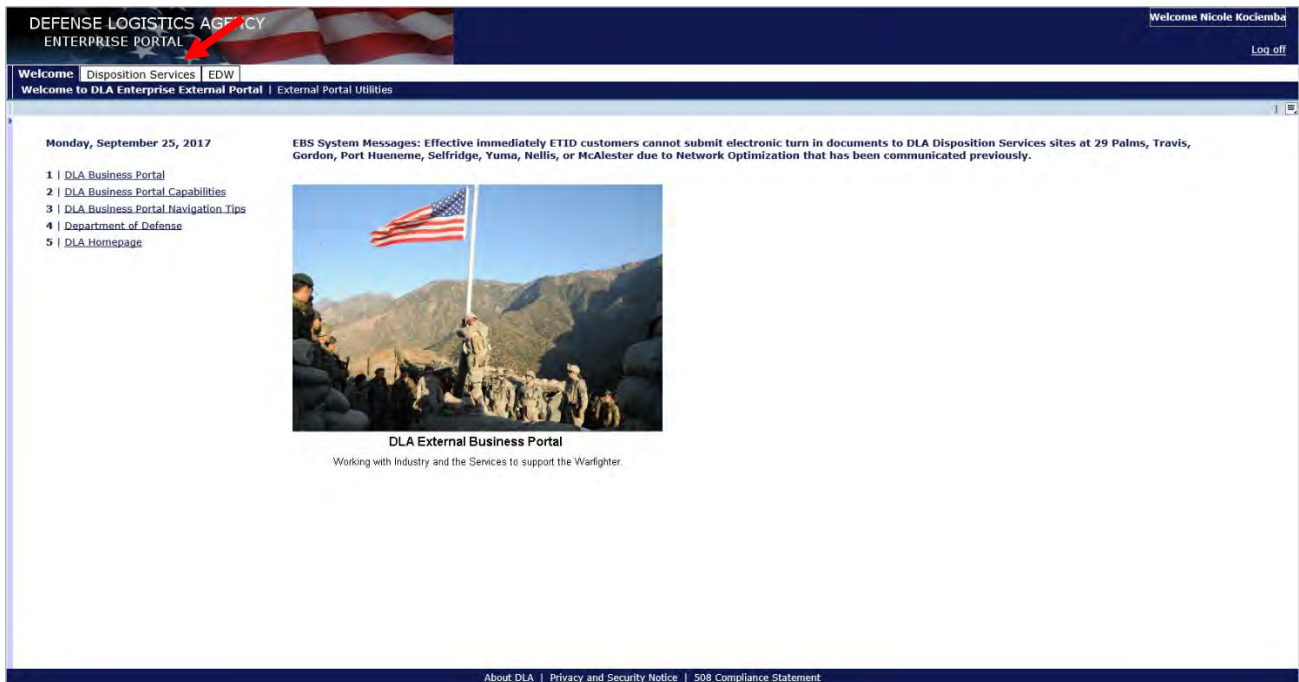

User *

Password *

(Cont. on next page)

2. Navigating to the search page:

After logging in select **Disposition Services Tab**:

Select **Reutilization / Transfer / Donation (RTD)** for available DoD property;

(This page is a new window; you will need to allow pop-ups)

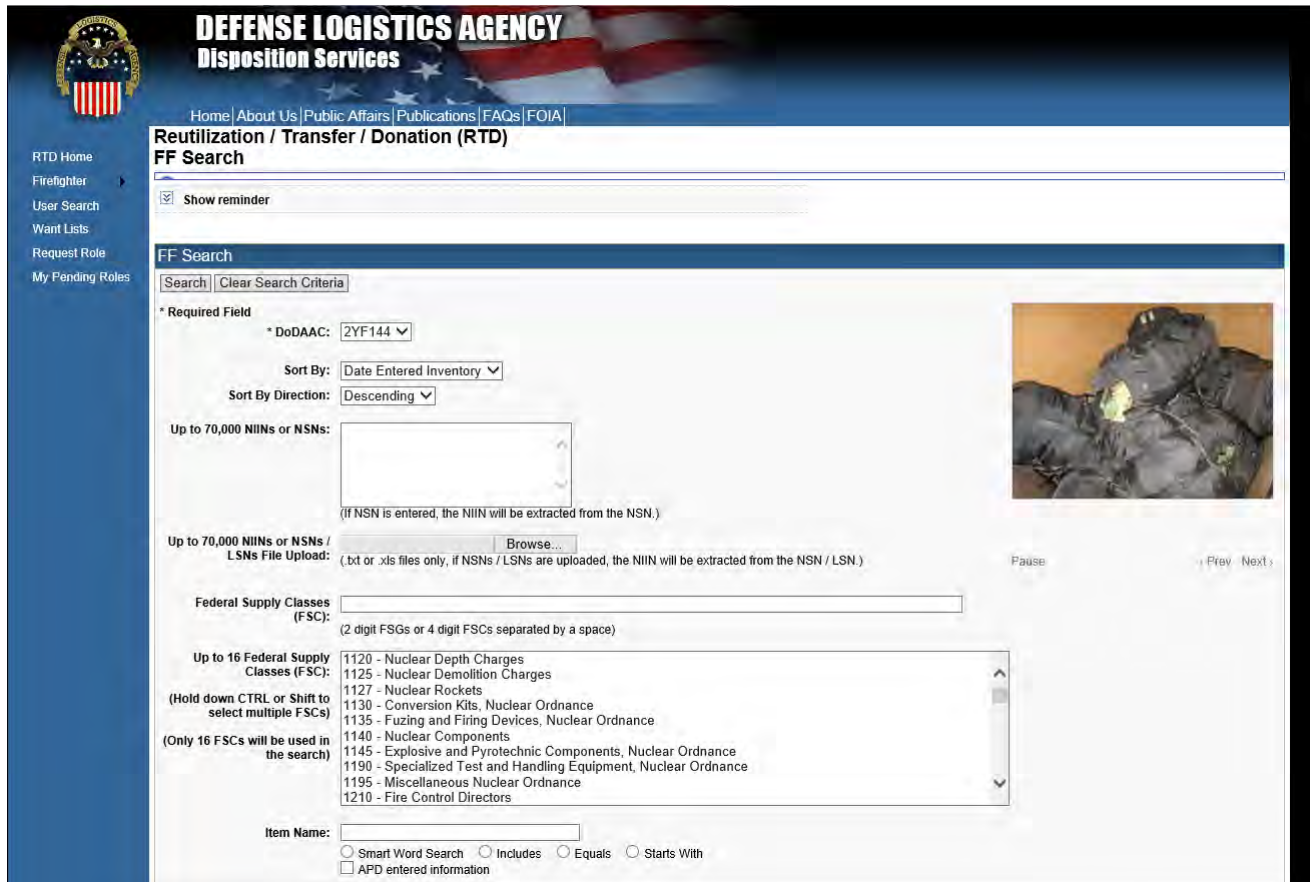

(Cont. on next page)

3. Screening for DoD property:

Select Firefighter > FF Search:

FF Search will open this page:

Enter your unique DoDAAC:

* DoDAAC:

You can search/sort for property in a variety of ways, the following examples are how to make your search match your preferences:

a. Sort by various preferences:

b. Search by **NSN (National Stock Number)**:

Up to 70,000 NIINs or NSNs:

(If NSN is entered, the NIIN will be extracted from the NSN.)

(Cont. on next page)

c. Search by **FSC code**:

(hold down CTRL or Shift to select multiple FSC codes.)

Up to 16 Federal Supply Classes (FSC):	4140 - Fans, Air Circulators, and Blower Equipment
(Hold down CTRL or Shift to select multiple FSCs)	4150 - Vortex Tubes and Other Related Cooling Tubes
(Only 16 FSCs will be used in the search)	4210 - Fire Fighting Equipment
	4220 - Marine Lifesaving and Diving Equipment
	4230 - Decontaminating and Impregnating Equipment
	4235 - Hazardous Material Spill Containment and Clean-up Equipment and Material
	4240 - Safety and Rescue Equipment
	4250 - Recycling and Reclamation Equipment
	4310 - Compressors and Vacuum Pumps
	4320 - Power and Hand Pumps

d. Search by **FSG or FSC code manually**:

Federal Supply Classes (FSC):

(2 digit FSGs or 4 digit FSCs separated by a space)

e. Search by **buzzwords or item names**:

(i.e. Truck)

Item Name:

Smart Word Search Includes Equals Starts With

APD entered information

f. Search by **screening cycle**

RTD Screening Cycle: DOD EXP DOD FEPP RTD2

g. Search by **condition codes**:

(select "Supply Condition Code" to show definitions)

Supply Condition Code: A B C D E F G H

(Cont. on next page)

h. Search by **location**:

(all of CA, close to home, etc.)

Search by Location:
(Hold down the CTRL or Shift key to select multiple items from the list.)

DLA DS Sagami	
DLA DS San Antonio	
DLA DS San Diego	
DLA DS San Joaquin	
DLA DS Schweinfurt	
DLA DS Scott	
DLA DS Selfridge	
DLA DS Sierra	
DLA DS Sigonella	
DLA DS Sill	

i. Search by **miles from location or zip code**:

Miles from DoDAAC Location:

Zip Code:

(Enter Zip Code and Miles to search from the Zip location.)

After entering your search parameters - **Select Search Button**

(Cont. on next page)

Search Results Screen:

A list will be provided of all available property within your search criteria.

For CALFIRE screeners ONLY –

Any item that has an acquisition cost of \$5,000.00 or more, a screenshot of the item must be sent to state FFP Helpdesk FederalProperty@fire.ca.gov, **AND** your Units Forestry Logistics Officer (FLO) before any further approvals will be made. The FLO and State FFP will need to approve this item because it will become State Property and need to be inventoried as such.

(Cont. on next page)

Picking up FFP property:

1. The DoD has eight Disposition Logistics Agency (DLA) sites in California where FFP property can be acquired and picked up. See Attachment E.
2. After requested property has been checked out, the screener must check the RTD main page daily for the Requisition Status.

12/02/17 20:29:18	MICHAEL ALARCON	1	Request submitted	Request submitted by EMA0896

- For a vehicle request, the screener must complete the DoD Firefighter Program SF-97 (U.S. Government Certification to Obtain Title to a Vehicle Customer Identification Notice) form and email it to the state FFP Helpdesk. This must be done after checkout or the request for the vehicle will not be approved. This prevents the title of the vehicle being placed under CAL FIRE if the vehicle acquisition is meant for a local cooperater. See Form on page #84.
- Screeners must contact the DLA Point of Contact for the property once the Requisition Action shows that US Forest Service PMO, Cynthia Sanderson, has approved and sent the Request to EBS. **Screeners will not receive emailed notifications confirming the property approval and allocation.**

NIIN 015544224: TOOL KIT,GENERAL MECHANIC'S				
END ITEM IDENTIFICATION: TOOLS AND SHOP SET				

6. Once the screener has confirmed property is allocated to them, they must make an appointment with the DLA site to pick up the property.
7. Screeners will need to complete a Letter of Authorization to Remove (LOAR) the property for **every** requisition and send it to the DLA location via fax or email prior to the scheduled pick up date. LOARs will need to include:
 - Requisition Number;
 - DTID;
 - Item description in the text body.

LOARs are completed for every requisition even if the screener will be the individual picking up the property on site. *See Form on page #86*

8. Screeners must pick up the property from the DLA site within the 14-calendar day deadline from the allocation date; otherwise the request expires and will be cancelled.
9. The DLA site will provide the screener or individual picking up the property a completed DD1348-1A form and SF-97 (if applicable). If the property condition and or description does not meet the expectations of the screener at the time of pick up, they may choose not to acquire the property and cancel their request on site with the DLA site. *See Form on page #82*
10. After the property is picked up from a DLA site, the screener will receive a confirmation email confirming their property requisition had been picked up or shipped.
11. Screeners will have 30 days to complete the receipting process for the property in FEPMIS. Please refer to the Receipting Process in the FFP Program Guide for direction.

Property Pick-Up Flow Chart

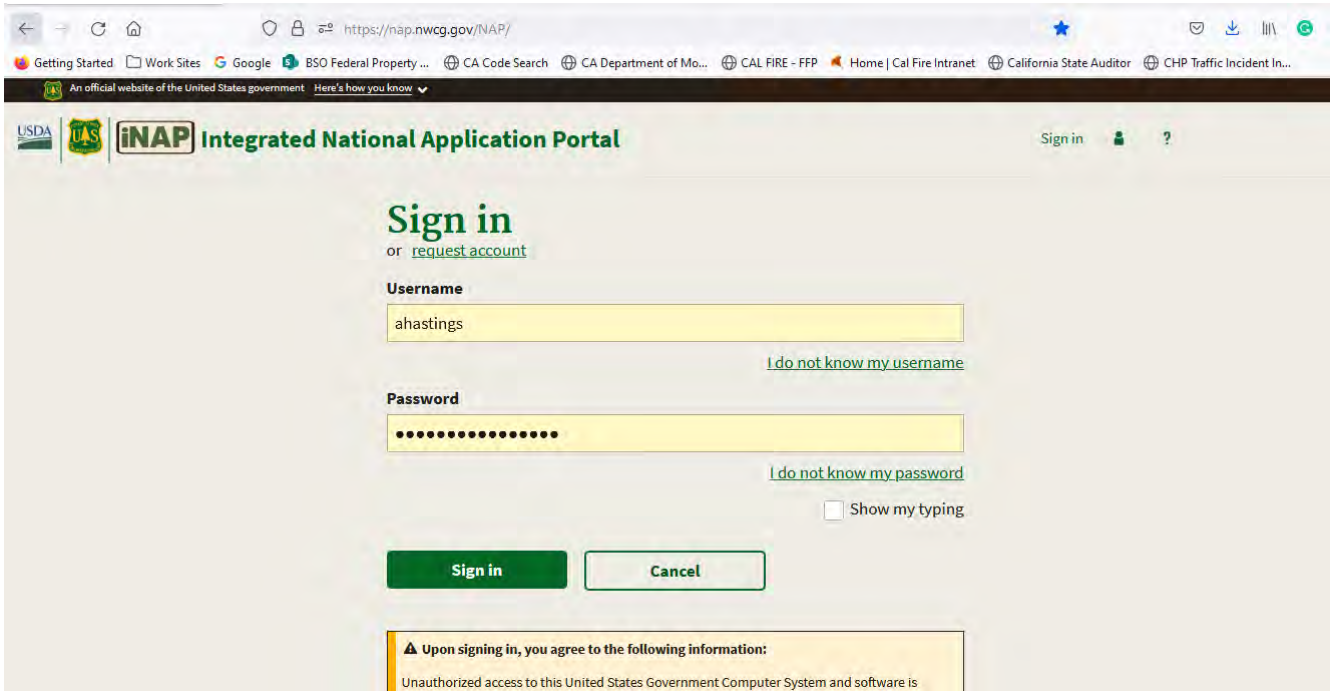

Entering FFP Property in FEPMIS.

1. Log in to iNAP to access FEPMIS; <https://nap.nwcg.gov/NAP/> and click Sign In in the upper right corner.

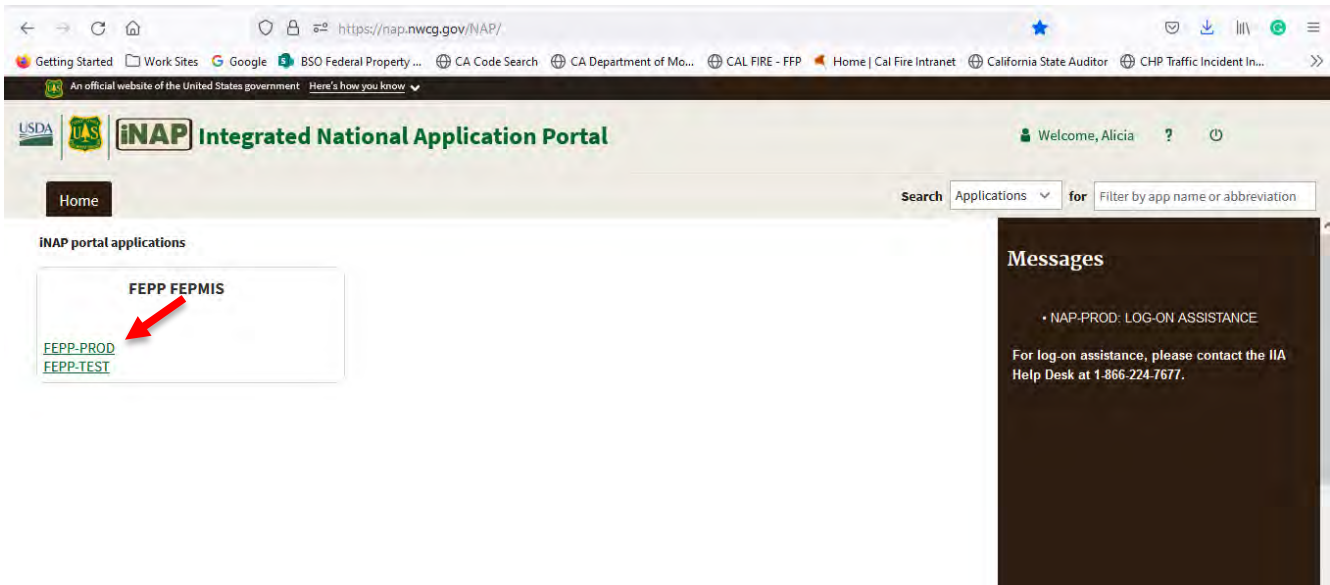

The screenshot displays the iNAP (Integrated National Application Portal) website. The browser's address bar shows the URL <https://nap.nwcg.gov/NAP/>. The page header features the USDA logo, the iNAP logo, and the text "Integrated National Application Portal". A "Sign in" link with a user icon and a question mark is located in the top right corner, highlighted by a red arrow. Below the header, there is a "Request account" link. The main content area is titled "Supported applications" and contains a grid of application tiles: Data Warehouse, e-ISuite Enterprise, F&AM, FEPP FEPMIS, INCIWEB Administration, Interagency Cache Business System, Interagency Resource Ordering Capability, LESO FEPMIS, Organization Information System, SIT-209, and Weather Information. On the right side, there is a "Messages" section with the text: "• NAP-PROD: LOG-ON ASSISTANCE" and "For log-on assistance, please contact the IIA Help Desk at 1-866-224-7677."

(Cont. on next page)

Key in your Username and Password. Select “Sign In button”.

Select FEPP-PROD to open FEPMIS.

(Cont. on next page)

2. Click on **Receipts Module**;

Welcome to FAMWEB

FEPMIS

FEPMIS is an automated property management system that is used to provide full accountability and management for property acquired through the Federal Excess Personal Property (FEPP) program. FEPMIS was designed to meet all audit requirements imposed upon the States by law and regulation, as well as to provide a tool for the States to improve and assist in the effective management of FEPP. Under the FEPP program, the USDA FS Fire and Aviation Management (F&AM) staff is granted the authority to acquire excess property from other Federal agencies and loan it to the various State Foresters for use in their rural and wildland fire programs. FEPMIS interfaces with the General Services Administration (GSA) Federal Disposal System (FEDS) so that any property allocated to the FS State partners generates an entry in FEPMIS, thereby preventing any 'lost' property. FEPMIS is used to create, approve, and process the Standard Form 122 (SF-122), "Transfer Order Excess Personal Property." An SF-122 allows property managers to keep track of property owned by a Federal agency on loan to a state agency.

Receipt Property List | Receipt Property Items | Receipt Property Breakdown | Receipt Filter Screen | Receipt Item

Click the order number you want to receipt for. You can find the order number on form 1348-1A that was used to pick up the item.

Your order number is made up of the following items: your DoDAAC, last digit of the calendar year, Julian Date of the screening, and the last 4 digits of your Requisition Number.

- EXAMPLE: 2YF00061171234
- Order number > Requisition Number > MILSTRIP = Different names for the same number.

Receipt all property in FEPMIS within 30 calendar days on the date of the DoD Form 1348-1A

3. *Receipt* for your items;

FEPMIS: Receipt Property Items User ID: jblackburn

5. Item *description/type*;

Make sure that the correct FSC code is selected;

The property can be categorized further by selecting from the drop down FEPP Type;

Add any additional comments about the product that may not have been included in the initial description.

Click **submit**.

6. Entering *Property Details and Assigning Property Number*;

Enter all fields that have an * next to them and any others that you can.

Property Number - All FFP Property are assigned a 12-digit tracking number in FEPMIS in the following format:

- a. DD (for Department of Defense);
- b. CA (for the State of California);
- c. 8 (last number for the year 2018),
- d. 117 (Julian date),
- e. 1234 (Last 4 digits of the Requisition number).
- f. EXAMPLE: DDCA81171234

Multiple Property Numbers - Assigning tracking numbers when breaking down one item into multiple items:

- a. DD (for Department of Defense); - Drop the first “D”
- b. CA (for the State of California);
- c. 8 (last number for the year 2018),
- d. 117 (Julian date),
- e. 1234 (Last 4 digits of the Requisition number).
- f. A, B, C, etc., depending on how many items you are breaking the single item into.
- g. EXAMPLE: DCA81171234A

7. Submitting *Receipt for approval*;

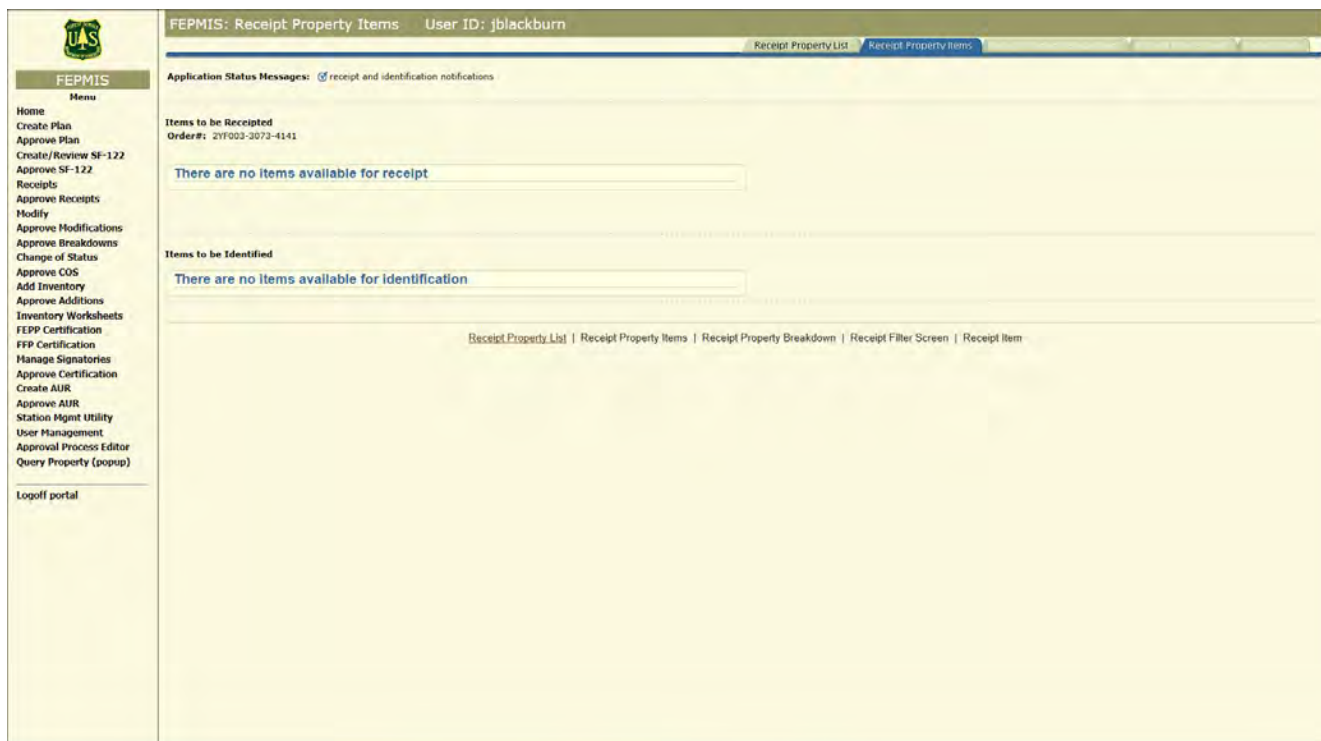

The screenshot shows the 'FEPMIS: Receipt Property Breakdown' interface for user 'jblackburn'. The page title is 'FEPMIS: Receipt Property Breakdown' and the user ID is 'jblackburn'. The breadcrumb trail is 'Receipt Property List | Receipt Property Items | Receipt Property Breakdown'. The total unit cost of items being identified is \$1,833.00. A table lists the items:

FSC	FEPP Type	Total Unit Cost	Original Unit Cost	Target Unit Cost	Quantity	Original Unit of Issue	Target Unit of Issue	Tracked
6220 - ELECTRIC VEHICULAR L...	HEADLIGHT	\$1,833.00	\$13.00	\$13.00	141	EACH	EA - EACH	Y

Below the table, there is a 'Submit' button with a red arrow pointing to it, and a 'Back' button. A message states: 'all property must be identified before submission for approval'. The breadcrumb trail at the bottom is 'Receipt Property List | Receipt Property Items | Receipt Property Breakdown | Receipt Filter Screen | Receipt Item'.

Click **submit** to finish processing the receipt.

The screenshot shows the 'FEPMIS: Receipt Property Items' summary page for user 'jblackburn'. The page title is 'FEPMIS: Receipt Property Items' and the user ID is 'jblackburn'. The breadcrumb trail is 'Receipt Property List | Receipt Property Items'. The 'Application Status Messages' section shows 'receipt and identification notifications'. The 'Items to be Receipted' section shows 'Order#: 2YF003-3073-4141' and a message: 'There are no items available for receipt'. The 'Items to be Identified' section shows a message: 'There are no items available for identification'. The breadcrumb trail at the bottom is 'Receipt Property List | Receipt Property Items | Receipt Property Breakdown | Receipt Filter Screen | Receipt Item'.

Summary page shows any pending receipts or items to identify.

8. **Uploading Documents and Photos** into FEPMIS;

After receipting property, upload documents and photos using **Query Property (popup)**.

Required documents/photos to upload and naming conventions are:

- a. Form DD1348-1A
 - The title of this document should be “PropertyNumber-DD1348-1A”
- b. Photos
 - The title of all photos should be “PropertyNumber-Date”.
 - If more than 1 photo title with A, B, C, etc. after the date. “PropertyNumber-Date-A/B/C”
- c. SF-97 (if applicable)
 - The title of this document should be “PropertyNumber-SF97”
- d. CA DMV Title for Vehicles
 - The title of this document should be “PropertyNumber-CADMVTITLE”

(Cont. on next page)

This window will pop-up when you select **Query Property (popup)**.

Enter search criteria for the property you are uploading a document/photo for:

- If property number is known, enter in top box.
- You can also search by location: division #, Subdivision, station, etc.
- Select property type (FFP)
- Enter Property Status – Assigned
- Click **submit**

Note There are different steps for uploading photos versus uploading documents*

9. Adding ***In-Service Dates*** in FEPMIS;

- Screeners must enter an “in-service” date for any property that can be used right away.
- Property that needs repair, modification, painting, retrofitting, or servicing before it is operational, will not receive an “in-service” date until it can be made operational.
- You will not be able to put an “in-service” date until all receipts have been approved. A *Pending* status will not allow you update the “in-service” date.
- **All cooperators have one year* from the day the property has been picked up to make it serviceable and update FEPMIS with an “in-service” date.**

**If more time is needed, the cooperator must contact the state FFP Helpdesk to request more time.*

Log in to FEPMIS; Select ***Modify***;

The screenshot shows the FEPMIS Property Search interface. The search criteria are: Search For: Tracked (selected), CPAIS-PPP: Yes (selected), Property #: [redacted], State: ARKANSAS, Division: 103, Subdivision: 1, Station: 1, Property Type: [redacted], DTID: [redacted], Acquisition Dec #: [redacted], GSA Control #: [redacted], DMIL Code: [redacted], FSC: [redacted], FEPP Type: [redacted], State Property #: [redacted], Serial #: [redacted], Disposal Report Number (COS): [redacted]. The Submit button is highlighted with a red arrow.

- If property number is known, enter in top box.
- You can also search by location: division #, Subdivision, station, etc.
- Select property type (FFP)
- Keep Search For: “Tracked” selected
- Click ***submit***

Click the property number link under Property # column for the item you are putting “in -service”;

Select the **calendar date** that the property was put into service;

Note* Property will be able to be dropped from FEPMIS and from inventory 1 year from this date.

Click **submit**;

The screenshot shows the FEPMIS (Fire Equipment Property Management Information System) interface. On the left is a navigation menu with options like 'Home', 'Create Plan', 'Approve Plan', 'Create/Review SF-122', 'Approve SF-122', 'Receipts', 'Approve Receipts', 'Modify', 'Approve Modifications', 'Approve Breakdowns', 'Change of Status', 'Approve COS', 'Add Inventory', 'Approve Additions', 'Inventory Worksheets', 'FFP Certification', 'FFP Certification', 'Manage Signatories', 'Approve Certification', 'Create AUR', 'Approve AUR', 'Station Mgmt Utility', 'User Management', 'Approval Process Editor', and 'Query Property (popup)'. At the bottom of the menu is 'Logout portal'. The main content area shows a form for a property with DMIL: A- NON-MLI DEMILITARIZATION NOT REQUIRED and DMIL Integrity Code: NA. National Stock# is 6230-00-268-3034 with a note 'of approval required'. There is an 'Additional Comments:' text area. Below that are 'vehicle attributes' with fields for 'Vehicle License#:', 'Miles or Hours:', 'Fuel Type:', 'Number of Cylinders:', 'Transmission Type:', and 'Model Name:'. There are three 'Comment' boxes, each with a 500 max character limit. At the bottom of the form are two buttons: 'Submit' (with a red arrow pointing to it) and 'Remove'. The 'Submit' button has a tooltip that says 'of submit property modifications for update and approval'. The 'Remove' button has a tooltip that says 'of Remove FFP property from inventory'. At the bottom right of the form are links for 'Property Search', 'Property Search Results', and 'Modify Property'.

Once an ‘in-service’ date has been entered, you will need to set a reminder to go back into FEPMIS exactly 1 year from the “in-service” date. You will be required to remove the item out of FEPMIS so that we do not have to complete a Federal inventory for this item.

- Demil B, C, D, F & Q (other than Q6) are required to have Federal inventory for their entire lifespan, regardless of “in-service” date.

You will be contacted by the state FFP Helpdesk for any item’s that need Federal inventory. The state FFP Helpdesk will provide guidelines and worksheets at that time.

10. ***Dropping an item*** from FEPMIS;

To drop an item from FEPMIS follow the steps for *Adding “in-service” dates* so you can get to the screen below, BUT click **Remove**;

(Cont. on next page)

Disposal Process for FFP Property:

1. Non-Demil Property, ownership has transferred to the cooperator/recipient;

Demil A and Demil Q6 FFP property that has been **placed “in-service”** and **used for one year**, does not need to be reported to the USDA Forest Service for disposal. This property has been removed from FFP Inventory in FEPMIS and the cooperator/recipient is now the owner. If the recipient determines the property is no longer needed or is uneconomical to repair, they may then transfer, sell, donate, exchange, or trade it per the entity’s disposal guidelines.

Receipts from the sale may be collected by the authorized recipient for their files.

For Local Cooperatives disposals, refer to entity’s disposal guidelines.

For CAL FIRE disposals, refer to the 2800 Handbook.

2. Inventoried Non-Demil Items, property has not changed ownership yet;

FFP property that has not been placed “in-service” or used for firefighting or emergency services for a minimum of one year, must be reported to the USDA Forest Service for disposal authorization. The USDA Forest Service will authorize the recipient to dispose of the item by cannibalization for usable parts, sale, exchange or trade.

Contact the state FFP Helpdesk for assistance with these disposals and provide the following supporting documentation:

- i. Police report for items lost or stolen;
- ii. Accident report for items damaged or destroyed;
- iii. Mechanic’s report for items that have suffered mechanical damage and considered uneconomical to repair;

- iv. Statement explaining why the item cannot be placed “in-service” or used for one year.

3. *Inventoried Demil and Sensitive Property;*

Demil Required C, D, and F and Sensitive B and Q property require special procedures and written approval of CAL FIRE and the USDA Forest Service for disposal. Direction will be given to authorize disposal by transferring to another FFP participant, returning the item to a DoD Disposition Site, or total destruction of the property.

Contact the state FFP Helpdesk for assistance with these disposals.

Attachment A

Demilitarized Equipment

Firefighter Property (FFP) with Demil codes B, C, D, F and Q (other than Q6) require special handling but may also be acquired. However, there are strict procedures and controls involved in disposing of these types of equipment.

Ownership of these items stay vested in the Department of Defense (DoD) and must be accounted for until they are returned to a Defense Logistics Agency (DLA) Disposition Services site or have been demilitarized per guidelines established by the DoD and USDA Forest Service. Any cost for disposal would be the responsibility of the recipient of the FFP property.

All Demil B, C, D, F and Q (other than Q6) FFP require written approval of the state and Forest Service Property Management Officer (PMO) for disposal. One of the following methods will be authorized:

1. Transfer to another FFP participant
2. Return to a DLA Disposition Services site (DLA Site)
3. Destruction

The list below details how all property with the assigned Demil code must be handled:

1. Demil A: Do not have any special requirements for the disposal; items can go to the public.
2. Demil B: Cannot go out to the public since it is required to be mutilated after use within Federal Agency programs. Demil B items cannot be disposed of without a Demil Certification with two signatures stating the item is destroyed beyond use or repair. All parts on a Demil B item must be destroyed. Demil certs and pictures are a requirement for these items.
3. Demil C: There are key components in Demil C items that must be destroyed. Contact the DLA Demil Coordinator to identify all Key Components of a Demil C item to ensure all is/will be destroyed. Demil certs and pictures are a requirement for these items.
4. Demil D: Must be destroyed to render the item completely unusable. No portion of a Demil D can be recognizable as the original piece. Demil certs and pictures are a requirement for these items.
5. Demil F: Normally these items will have hazardous materials involved; most of the time the hazardous material was removed prior to turn in to the DLA site. If acquiring a Demil F item, make sure to have the DLA site provide a copy of a statement saying there are no hazardous materials in the item. Otherwise the item

must be treated as a Demil F containing hazardous material, title will not transfer and it must be inventoried every two years.

6. Demil Q6: Will no longer need an End Use Certificate. Instead the cooperator acquiring Demil Q6 will sign a statement saying they will not sell the property to a foreign entity.
7. Demil Q other than Q6: Must be returned to the DLA site, these items may be destroyed and treated as Demil B if the items can be destroyed. Demil certs and pictures are a requirement for these items.

All above Demil B, C, D, F and Q property items can be returned to a DLA site. Before a Demil property is returned, the proper FEPMIS disposal guidelines must be followed.

Attachment B

Frequently Asked Questions

What is the FFP program?

The Firefighter Property (FFP) Program transfers excess Department of Defense (DoD) property to cooperators within fire and emergency services. In California, the Department of Forestry and Fire Protection (CAL FIRE) administers the FFP Program. The State enlists local firefighting and emergency service cooperators and assists them in acquiring property. Authority for the Program is defined in Title 10 U.S. Code § 2576b and FFP Cooperative Agreement between USDA Forest Service and CAL FIRE.

What is FEPMIS?

The Federal Excess Property Management Information System (FEPMIS) is a proprietary web-based electronic database that allows users to search and input, change or modify data, create reports, query information, locate property, and perform all operations in federal property programs implemented by the USDA Forest Service. Access to FEPMIS is provided by CAL FIRE and the USDA Forest Service.

What can be acquired in the FFP program?

Excess DoD property designed for, or which can be modified for, direct use in fire pre-suppression or suppression activities or needed for emergency services associated with the cooperators' responsibilities.

How does acquiring DoD approved property differ from acquiring FEPP property?

We receive property directly from DoD. Getting property directly from DoD allows us to get a better choice of property. DoD does not keep ownership of the property once it is acquired.

What is prohibited in the FFP program?

Property cannot be obtained for:

- Warehousing/stockpiling
- Sale
- Lease
- Rent
- Exchange
- Barter
- To secure a loan
- Supplement normal State/local government entities' budgets

Within its service life, the property cannot be authorized for:

- Cannibalization
- Parts
- Speculative use/possible future use

What are the steps to apply as an FFP Cooperator?

- STEP 1. Contact a FFP Analyst at: FederalProperty@fire.ca.gov to ask for additional information and a FFP Cooperative agreement/application packet, if needed.

The application packet includes the following:

1. FFP application form
2. Cooperative Agreement for FFP
3. Resolution from governing board approving FFP participation

*Note: Resolution **must** be submitted along with a completed Cooperative agreement. If the resolution is not received, the agreement will not be sent on for further processing and will be considered an incomplete agreement packet.*

4. Screener Request Form
- STEP 2. Send application packet with original signature to:

CALFIRE
Business Services Office
FFP Helpdesk
PO Box 944246,
Sacramento, CA 94244-2460

- STEP 3. Application packet will be reviewed by CAL FIRE for approval or further verification.
- STEP 4. The state FFP Helpdesk will prepare and send an approval to participate in the FFP program as a Cooperator. The FFP Cooperator will receive the following for their file:
 1. Copy of CAL FIRE signed Cooperative Agreement
 2. Copy of FFP Program Guide
 3. Screener Commitment Form
- STEP 5. FFP Cooperator returns Screener Commitment Form the state FFP Helpdesk at FederalProperty@fire.ca.gov
- STEP 6. FFP Help Desk will provide a username and temporary password to begin screening for property.

What is the Cooperator's role and tasks in the FFP program?

1. Acquire FFP property only for the uses allowed in the program
2. Create acquisitions, reports, input, change or modify property records in FEPMIS
3. Bear the full costs of transporting, retrofitting, modifying, maintaining, repairing, and operating the property
4. Place the property in service for a period not to exceed one year after pick up and receipt of the property
5. Carry full insurance coverage for the property
6. Properly, care for, maintain and secure the property
7. Keep the property operational and in use for one year after it has been placed in service; prior to this, provide a written report to the state if the FFP property has become inoperable or uneconomical to operate

8. Physically inventory the property if the placed in service and one year operational period has not been met
9. Retain physical property records for six years and three months

What are the Cooperator's responsibilities under their FFP agreement?

The FFP Cooperator is responsible for all costs and services, including management, personnel and overhead expenses needed to acquire FFP property. These include the following:

- Immediate pick-up and receipt of FFP Property, and transporting property from DoD excess site
- Repair and/or retrofit/modify to convert property for direct use in fire pre-suppression, suppression activities, or emergency services
- Painting (to ensure no military colors or markings are visible on equipment)
- Regular maintenance
- Sufficient insurance coverage to cover damages and injuries to persons or property. At minimum, liability insurance must be maintained; see page number two (2) of the Cooperator Agreement for more information
- All other funds to transport, repair, maintain, retrofit, and refurbish FFP equipment to comply with the placed-in-service deadline of one year

What are the Cooperator's activity deadlines under their FFP agreement?

- WITHIN ONE YEAR OF PICK UP, THE PROPERTY MUST BE PLACED IN SERVICE. Placed-in-Service means the property was made operational through proper conversion and/or repair (this includes painting vehicles and other rolling stock in the Cooperator's Department or Agency color and seal).
- THE PROPERTY MUST BE USED FOR ITS DESIGNATED PURPOSE ONE YEAR AFTER THE PLACED-IN-SERVICE DATE. One year after the item has been placed in service, as recorded in FEPMIS, the Cooperator must maintain accounts for and use the property for firefighting and/or emergency needs for one continuous calendar year. Failure to use and maintain the property for at least one year after being placed in service, obligates the Cooperator to Inventory the property in FEPMIS before any disposal is authorized by State and USDA Forest Service.

Can a Cooperator nominate more than one Screener?

No, a cooperator can apply for only one screener at a time. However, a screener can be replaced as needed to ensure continuity and coverage.

Can a Cooperator's screening access be discontinued or revoked?

Yes, CAL FIRE can discontinue or revoke screener's access if either abuse or fraud has been proven.

Can a Cooperator's FFP agreement be suspended or terminated?

Yes, CAL FIRE can suspend or terminate the agreement due to unresolved failure to abide by or willful violation of the agreement.

Where can a Cooperator find out more about the FFP?

- <https://www.fs.usda.gov/managing-land/fire/fepp>
- CAL FIRE Federal Property Coordinator(s)
- USDA Forest Service FFP Standard Operating Procedures (Ask CAL FIRE Federal Property Coordinator for a copy)

Who are the CAL FIRE contacts for FFP?

Federal Supply Condition Codes

The supply condition code is assigned when property is turned in to DLA Disposition Services Sites. Supply condition codes are defined as follows:

A - Serviceable - Issuable without Qualification

New, used, repaired, or reconditioned material which is serviceable and issuable to all customers without limitation or restrictions. Includes material with more than 6 months' shelf life remaining.

B - Serviceable - Issuable with Qualification

New, used, repaired, or reconditioned material which is serviceable and issuable for its intended purpose but which is restricted from issue to specific units, activities, or geographical areas because of its limited usefulness or short service life expectancy. Includes material with 3 through 6 months' shelf life.

C - Serviceable - Priority Issue

Items which are serviceable and issuable to selected customers, but which must be issued before Condition A and B material to avoid loss as a usable asset. Includes material with less than 3 months' shelf life remaining.

D - Serviceable - Test/Modification

Serviceable material which requires test, alteration, modification, conversion or disassembly. This does not include items which must be inspected or tested immediately prior to issue.

E - Unserviceable - Limited Restoration

Material which involves only limited expense or effort to restore to serviceable condition and which is accomplished in the storage activity where the stock is located.

F - Unserviceable – Repairable

Economically repairable material which requires repair, overhaul, or reconditioning. Includes repairable items which are radioactivity contaminated.

G - Unserviceable – Incomplete

Material requiring additional parts or components to complete the end item prior to issue.

H - Unserviceable – Condemned

Material which has been determined to be unserviceable and does not meet repair criteria; includes condemned items which are radioactivity contaminated, Type I shelf life material that has passed the expiration date, and Type II shelf life material that has passed the expiration date and cannot be extended.

Local Cooperator Agreement

STATE OF CALIFORNIA
THE NATURAL RESOURCES AGENCY
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

COOPERATIVE AGREEMENT FOR THE
DEPARTMENT OF DEFENSE
FIREFIGHTER PROPERTY (FFP) PROGRAM
Under Title 10 United States Code § 2576b

This agreement is entered into by and between

THE STATE OF CALIFORNIA
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

AND

This agreement made and entered into this _____ day of _____, **20** , by and between the State of California acting by and through the Director of the Department of Forestry and Fire Protection (CAL FIRE), hereinafter referred to as the STATE and the _____, hereinafter referred to as the COOPERATOR, covenants as follows:

I. PURPOSE

The STATE has been approved as an agent of the United States Department of Agriculture (USDA) Forest Service for administering excess Department of Defense (DoD) personal property as part of the Firefighter Property (FFP) program, which allows the COOPERATOR to take custody and use FFP property in providing fire and emergency medical services, including disaster relief activities.

II. MUTUAL INTEREST OF PARTIES

Both the STATE and the COOPERATOR have a mutual interest in the prevention, protection, and suppression of all fires near and adjacent to the property and the people of California, including providing medical emergency services and disaster relief.

III. AUTHORITIES

The Secretary of Defense is authorized by Title 10 United States Code § 257b to transfer to firefighting agencies, personal property that is excess to the needs of the DoD and that the Secretary of Defense determines is suitable to be used by such agencies in fire protection, emergency medical services and disaster relief activities.

IV RESPONSIBILITIES

THE COOPERATOR AGREES:

1. To only screen and acquire FFP property that are designed for or can be modified for direct use in fire pre-suppression or suppression activities, provide emergency medical services associated with the COOPERATOR's fire service responsibilities, or items that can be used to support disaster relief activities.
2. FFP property cannot be requested or issued for: cannibalization, parts, for speculative/possible future use, warehousing/stockpiling, or to sell, lease, rent, exchange, barter, secure a loan, or to otherwise supplement normal budget.
3. Warehousing/stockpiling is only authorized for disaster response accommodations. FFP property such as generators, cots, tents, etc. that are obtained to support potential disaster relief or other contingency operations will be considered to have been placed into use if they are readily available to support emergency contingencies.

4. To send the STATE a copy of the signed receipt (1348-1A) for each FFP property item removed from the DoD Defense Logistics Agency (DLA) upon return from property pick up. This is a mandatory requirement as identified by the DoD and the USDA Forest Service.
5. To bear the entire cost of transportation, retrofit, modification, maintenance, repair, (including painting, as necessary) and operation of acquired FFP property while in the COOPERATOR'S possession, and relieve the STATE of all responsibility and liability in matters related to FFP property.
6. Acquired FFP property must be placed into use or ready for use within one (1) year of receipt. If the property is not placed for use in the one (1) year timeline, the property must be returned to the DoD Defense Logistics Agency (DLA) at the COOPERATOR's expense.
7. To ensure add on tanks, pumps, hose reels, modification of property (e.g.: converting fuel tanker to a water tanker) etc. will not cause an acquired FFP vehicle to exceed the manufacturer's Gross Vehicle Weight (GVW) rating. This could compromise the safe use of the FFP vehicle.
8. To obtain prior to operation of any FFP property, the minimum liability insurance in the amount required by State law to cover the operation of FFP rolling stock. The COOPERATOR must maintain adequate insurance to cover damages or injuries to cover persons or property relating to the use of the FFP property.
9. Insurance is not required on any FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) along with other property with special handling requirements that remain titled to the DoD.
10. The COOPERATOR must paint any FFP rolling stock that has distinct military colors or markings.
11. The COOPERATOR shall be responsible for the proper care, maintenance, security, and storage of the FFP property.
12. The COOPERATOR is required to keep the FFP property operational for a minimum of one (1) year after "In Service" date before normal disposal can take place.
13. Identify and track all FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) which require special handling. These FFP property items will not transfer ownership to the COOPERATOR and will remain titled to the DoD.
14. COOPERATOR will contact the STATE for FFP property that has a DEMIL code of B, C, D, F and Q (other than Q6) that is no longer needed and to be returned to the DLA at the COOPERATOR's expense.
15. The DoD reserves the right to recall DEMIL property issued through the FFP program at any time tracked by the USDA Forest Service for accountability purpose until the COOPERATOR requests disposal of the FFP property item.
16. FFP property that has not been used for firefighting or emergency services for a minimum of one year must be reported to the STATE and USDA Forest Service for disposal authority. Supporting documentation must be provided on why the property needs to be disposed prior to the one year of use. Possible documentation includes:
 - a. A police report for items lost or stolen.
 - b. An accident report for items that have been damaged, destroyed or rendered uneconomical to repair due to an accident.
 - c. A mechanics report for items that have suffered mechanical damage and are now considered uneconomical to repair.
 - d. A statement (email is acceptable if it includes the person's name, title and contact information) from a Fire Chief explaining why the item cannot be placed into service.
17. The COOPERATOR shall report lost, missing, stolen or destroyed FFP property to the STATE. FFP property with a DEMIL code of B, C, D, F and Q (other than Q6) must be reported within 24 hours. FFP property with a DEMIL Code of A or Q6 must be reported within seven (7) days.

18. When FFP property is lost, damaged, or stolen, a determination is required whether there was negligence on the part of the COOPERATOR. The STATE shall make a recommendation to the USDA Forest Service PMO whether there was negligence or gross negligence.
 - a. Negligence: The failure to abide by Federal rules and regulations.
 - i. Repeated instances of negligent damage to FFP property by employees of the COOPERATOR may be cause for the STATE to suspend further acquisitions by the COOPERATOR until the reasons for the negligence are identified and steps taken to prevent further instances.
 - b. Gross negligence: The intentional, willful, or wanton failure to exercise a reasonable degree of care to protect FFP property in one's custody in reckless disregard of the consequences of the actions.
 - i. If the STATE determines that there is apparent gross negligence on the part of a COOPERATOR employee, Recipient or a User of FFP property, the findings plus all supporting documentation shall be forwarded by the STATE to the USDA Forest Service Property Management Officer (PMO) for a final determination.
 - ii. If the final determination is one of gross negligence, the COOPERATOR shall be suspended from acquiring any additional FFP property for SIX (6) months.
 - iii. A second case of Gross Negligence will cause the COOPERATOR to lose all privileges of participating in the FFP program, indefinitely.
19. To perform/participate in the physical inventory process on FFP property with a DEMIL code of B, C, D, F and Q (other than Q6) in the COOPERATOR'S possession every two (2) years.
20. The STATE and the USDA Forest Service will periodically conduct joint reviews of the FFP program to ensure compliance with the DoD, USDA Forest Service and other applicable statutes, regulations and policies are being followed. The COOPERATOR must participate and provide access to all physical FFP property tracked in the Federal Property Management Information System (FEPMIS) along with access to all FFP documentation during the review. Any FFP property removed and closed in FEPMIS will not be inventoried during the review process.
21. The STATE is authorized to perform audits and reviews by STATE personnel, in between joint reviews, to provide the USDA Forest Service information for FFP program improvements.
22. To retain all documentation on all FFP property for six (6) years and three (3) months after acquisition; starting with the date of pick up through the property's disposal. Copies of final disposition paperwork shall be sent to the STATE.
23. The COOPERATOR must provide access to and the right to examine all records, books, or documents relating to FFP property transferred to the COOPERATOR under Title 10 U.S.C. 2576b to the USDA Forest Service, the Department of Defense, the Office of the Inspector General, and the Comptroller General of the United States, the STATE or their authorized representatives.
24. The proceeds from the sale of any FFP vehicle and/or other FFP property must be earmarked for "Fire/Emergency Services."
25. FFP Property with a DEMIL Code of A or Q6, after the one (1) year conditional holding and utilization period, may be sold or transferred to non-FFP participants in compliance with the United States Export Control Regulations. Under no circumstances will FFP property be sold or transferred to non-United States persons or exported.

V. OTHER AGREEMENT TERMS
IT IS MUTUALLY AGREED THAT:

1. Title and ownership of FFP property does not pass to any private individual in their private capacity.
2. The COOPERATOR shall complete a resolution, or a statement from their governing board/council approving participation in the FFP Program. The resolution must be received with this Cooperative Agreement as a requirement of the terms and conditions before the STATE will prepare the COOPERATOR's access to screen and manage FFP property.

3. The STATE will transfer ownership of said property. In the case of vehicles and other titled property, the Certificate of Title will transfer to the COOPERATOR under the terms of this agreement, once the property has become operational and is ready to be placed into service by the COOPERATOR.
 - a. The COOPERATOR which puts FFP property into use will accept ownership of equipment.
 - b. Title must be in the entity's name and cannot have an individual's name on the title.
 - c. COOPERATOR is responsible for any cost of obtaining title.
4. The STATE will not be responsible for furnishing spare parts for FFP property and the COOPERATOR accepts all FFP property "as is" without any warranties of any kind, either expressed or implied.
5. Owners of FFP property will cooperate with Federal and State parties to ensure compliance with Federal and State regulations, program and property management requirements. Additional FFP Program information may be requested and provided by the STATE.
6. COOPERATORS with any FFP property will cooperate with regulatory agencies to ensure compliance with Federal and State regulations, program and property management requirements.
7. In the event of any dispute over FFP property or any terms or conditions contained herein, the dispute shall be decided by the STATE and its decision shall be binding and final.
8. The parties hereto agree that the COOPERATOR, their officers, employees, agents, servants, contractors, volunteers, paid firefighters, and all others acting on behalf of the COOPERATOR, performing under the terms of this agreement, are not acting as officers, employees or agents of the State or the Federal Government.
9. The COOPERATOR agrees to defend, indemnify, save, and hold harmless the STATE as defined herein, and the Department of Forestry and Fire Protection (CAL FIRE), their officers, agents and employees against all claims, demands, causes of action or liability of any kind whatsoever arising out of the acts of the COOPERATOR, its agents or employees in the performance of any function provided for under the terms of this agreement or the use of property transferred.
10. The STATE and COOPERATOR will provide appropriate assurances of complying with the following federal anti-discrimination statutes:
 - a. On the basis of race, color, or national origin, in Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq.) as implemented by DOD regulations 32 CR Part 195.
 - b. On the basis of age, in the Age Discrimination Act of 1975 (42 USC 6101, et seq.) as implemented by Department of Health and Human Services regulations in 45 CFR Part 90.
 - c. On the basis of handicap, in Section 504 of the Rehabilitation Act of 1973, P.L. 93-112, as amended by Department of Justice regulations in 28 CFR Part 41 and DOD regulations at 32 CFR Part 56.
11. The period of this agreement is for three (3) years from the date of last signature on page six (6) and entered on page one (1), if no violations or signatory changes occur. Thereafter, the agreement shall be reviewed annually for compliance by the STATE during the agreement review process and extended if no violations or changes have occurred, not to exceed a three (3) year term renewal.
12. During the three (3) year term of this agreement, at the option of the STATE, this agreement may be terminated for any material breach by the COOPERATOR for any terms herein.
13. Either party may terminate this agreement by providing written notice to the other party 60 days prior to the termination date. If the agreement is terminated, the COOPERATOR shall be ineligible to continue participation in the FFP program. Upon termination of the Cooperative agreement, all FFP property as identified as assigned in FEPMIS to the COOPERATOR shall be returned to the DLA. Prior to terminating a COOPERATOR's eligibility for cause, the STATE shall attempt alternative solutions.
14. Any information provided to the STATE under this Cooperative agreement is subject to the Freedom of Information Act (5 USC §§ 551 et seq.).
15. The primary contact information of the parties hereto, for all notices, payments, repayments, or any other activity required or contemplated under the terms of this Cooperative agreement are:

County Cooperator Agreement

STATE OF CALIFORNIA
THE RESOURCES AGENCY
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

COOPERATIVE AGREEMENT FOR THE
DEPARTMENT OF DEFENSE FIREFIGHTER PROPERTY (FFP) PROGRAM
Under Title 10 United States Code § 2576b

This agreement is entered into by and between

THE STATE OF CALIFORNIA
DEPARTMENT OF FORESTRY AND FIRE PROTECTION (CAL FIRE)

AND

This agreement made and entered into this _____ day of _____, 20____, by and between the State of California acting by and through the Director of the Department of Forestry and Fire Protection (CAL FIRE), hereinafter referred to as STATE, and the _____ hereinafter referred to as COOPERATOR, covenants as follows:

- A. WHEREAS, the STATE has been approved as an agent of the USDA Forest Service for the purpose of administering the Department of Defense (DoD) Firefighter Property (FFP) Program, and
- B. WHEREAS, the STATE, by law, is responsible for fire protection and prevention, maintenance and enhancement of the state's forest, range and brush land resources, contract fire protection, and associated emergency services, and
- C. WHEREAS, the COOPERATOR is actively engaged in the prevention, protection and suppression of all fires in, and adjacent to suburban areas, and emergency response services and
- D. WHEREAS, the COOPERATOR can more adequately carry out these functions if additional property is available, and
- E. WHEREAS, it has been determined to be advantageous to the STATE in the proper discharge of its responsibilities, to make certain FFP property available to the COOPERATOR.

NOW, THEREFORE, for and in consideration of the mutual benefits to each party hereinafter appearing below, it is mutually agreed that, effective as of the date shown above:

The STATE Agrees:

1. To provide an opportunity to screen for FFP property for the exclusive purpose of fire suppression, fire prevention, and related emergency services of the COOPERATOR as described herein per the terms set forth in this agreement.
2. To establish and provide the tools and materials for the COOPERATOR necessary to participate, train, and engage in the FFP property program.

3. To provide training of the USDA Forest Service's Federal Excess Property Management Information System (FEPMIS). This tracking system enables the COOPERATOR full accountability and management of FFP property.
4. To ensure a copy of the USDA Forest Service FFP Standard Operating Procedures (SOP) is available for additional program information details, guidelines, and regulations.
5. Perform physical inventory of demilitarization-required FFP property and reconcile federal property accounting records at least once every two years or as requested by the USDA Forest Service Property Management Officer (PMO).

The COOPERATOR Agrees:

1. To only screen and acquire FFP property that are designed for or can be modified for direct use in fire pre-suppression or suppression activities or emergency services associated with the COOPERATOR's fire service responsibilities.
 - a. FFP property **cannot** be requested or issued for: cannibalization, parts, for speculative/possible future use, warehousing/stockpiling, or to sell, lease, rent, exchange, barter, secure a loan, or to otherwise supplement normal budget.
2. To send the STATE a copy of the signed receipt (1348-1A) for each FFP property item removed from the Defense Logistics Agency (DLA) upon return from property pick up. This is a mandatory requirement.
3. To bear the entire cost of transportation, retrofit, modification, maintenance, repair, (including painting, as necessary) and operation of acquired FFP property while in the COOPERATOR'S possession, and relieve the STATE of all responsibility and liability in matters related to FFP property.
4. Make FFP property operable and ready to be placed into service for fire suppression, prevention or emergency services.
 - a. Operational condition of the property will be achieved within ONE (1) YEAR to the date of property pick up. This is defined as the "In Service" date.
 - b. Upon achieving the "In Service" date, COOPERATOR must immediately log into the FEPMIS tracking system and update the FFP property item.
 - c. The STATE may extend the time frame needed to achieve an "In Service" date.
 - d. Extension requests must be submitted to the STATE no later than 45 days prior to the ONE (1) YEAR "In Service" deadline (3. a. above). The request must be made in writing to the STATE for approval.
5. To ensure add on tanks, pumps, hose reels, modification of property (e.g.: converting fuel tanker to a water tanker) etc. will not cause an acquired FFP vehicle to exceed the manufacturer's Gross Vehicle Weight (GVW) rating. This could compromise the safe use of the FFP vehicle.
6. To obtain prior to operation of any FFP property, and continue in effect, for the duration of this agreement, the minimum liability insurance in the amount required by State law to cover the operation of FFP rolling stock. COOPERATOR must maintain adequate insurance to cover damages or injuries to cover persons or property relating to the use of the property.

7. To paint all FFP rolling stock to match COOPERATOR's existing department equipment, if necessary, to ensure there are no military colors or markings on the property; the COOPERATOR must apply its department logo.
8. The COOPERATOR shall be responsible for the proper care, maintenance, security, and storage of the FFP property.
9. The COOPERATOR is required to keep the FFP property operational for a minimum of ONE (1) YEAR after "In Service" date, or an approved extension thereof, before normal disposal can take place.
10. FFP property that has not been used for firefighting or emergency services for a minimum of one year must be reported to the STATE and USDA Forest Service for disposal authority. Supporting documentation must be provided on why the property needs to be disposed prior to the one year of use. Possible documentation includes:
 - a. A police report for items lost or stolen.
 - b. An accident report for items that have been damaged, destroyed or rendered uneconomical to repair due to an accident.
 - c. A mechanics report for items that have suffered mechanical damage and are now considered uneconomical to repair.
 - d. A statement (email is acceptable if it includes the person's name, title and contact information) from a Fire Chief explaining why the item cannot be placed into service.
11. When FFP is lost, damaged, or stolen, a determination is required whether there was negligence on the part of the COOPERATOR. The STATE shall make a recommendation to the USDA Forest Service PMO whether there was negligence or gross negligence.
 - a. Negligence: The failure to abide by Federal rules and regulations.
 - 1) Repeated instances of negligent damage to FFP property by employees of the COOPERATOR of FFP property may be cause for the STATE to suspend further acquisitions by the COOPERATOR until the reasons for the negligence are identified and steps taken to prevent further instances.
 - b. Gross negligence: The intentional, willful, or wanton failure to exercise a reasonable degree of care to protect FFP property in one's custody in reckless disregard of the consequences of the actions.
 - 1) If the STATE determines that there is apparent gross negligence on the part of a COOPERATOR employee, Recipient or a User of FFP property, the findings plus all supporting documentation shall be forwarded by the STATE to the USDA Forest Service PMO for a final determination.
 - 2) If the final determination is one of gross negligence, the COOPERATOR shall be suspended from acquiring any additional FFP property for SIX (6) months.
 - 3) A second case of Gross Negligence will cause the COOPERATOR to lose all privileges of participating in the FFP program, indefinitely.
12. To perform physical inventory on FFP property, still in COOPERATOR's possession and not in working/operating condition TWO (2) YEARS past the date of property pick up. This includes all acquired FFP property with a DEMIL code of B, C, D, F and Q (other than Q6).

13. To retain all documentation on all FFP property for SIX (6) years and THREE (3) months after acquisition; starting with the date of pick up through the property's disposal. Copies of final disposition paperwork shall be sent to the STATE.
14. The COOPERATOR must provide access to and the right to examine all records, books, or documents relating to FFP property transferred to the COOPERATOR under Title 10 U.S.C. 2576b to the USDA Forest Service, the Department of Defense, the Office of the Inspector General, and the Comptroller General of the United States, the STATE or their authorized representatives.
15. The COOPERATOR agrees that the proceeds from the sale of any vehicle and/or other property MUST BE EARMARKED FOR "FIRE/EMERGENCY SERVICES."
16. To comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and in accordance with Title VI of that Act, no person in the United States shall, on the ground of race, color, or natural origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination, under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement. To comply with Title VI of the Civil Rights Act of 1964 (42 USC 2000d) prohibiting discrimination where discriminatory practices will result in unequal treatment of persons who are or should be benefiting from the activity.

It is Mutually Agreed That:

1. The COOPERATOR shall complete a resolution, or a statement from their governing board/council approving participation in the FFP Program. The resolution must be received with this Cooperative Agreement as a requirement of the terms and conditions before the STATE will prepare the COOPERATOR's access to screen and manage FFP property.
2. The STATE will transfer ownership of said property. In the case of vehicles and other titled property, the Certificate of Title will transfer to the COOPERATOR under the terms of this agreement, once the property has become operational and is ready to be placed into service by the COOPERATOR, upon final verification received by the STATE.
 - a. The COOPERATOR which puts FFP property into use will accept ownership of equipment.
 - b. Title must be in the entity's name and cannot have an individual's name on the title.
 - c. COOPERATOR is responsible for any cost of obtaining title.
3. The STATE will not be responsible for furnishing spare parts for FFP property and the COOPERATOR accepts all FFP property "as is" without any warranties of any kind, either expressed or implied.
4. Owners of FFP property will cooperate with Federal and State parties to ensure compliance with Federal and State regulations, program and property management requirements. Additional FFP Program requirements can be found by accessing the USDA Forest Service FFP SOP at: <http://www.fs.fed.us/fire/partners/fepp/>
5. The parties hereto agree that the COOPERATOR, their officers, employees, agents, servants, contractors, volunteers, paid firefighters, and all others acting on behalf of the COOPERATOR, performing under the terms of this agreement, are not acting as officers, employees or agents of the State or the Federal Government.

6. The COOPERATOR agrees to defend, indemnify, save, and hold harmless the STATE as defined herein, and the Department of Forestry and Fire Protection (CAL FIRE), their officers, agents and employees against all claims, demands, causes of action or liability of any kind whatsoever arising out of the acts of the COOPERATOR, its agents or employees in the performance of any function provided for under the terms of this agreement or the use of property transferred.
7. The period of this agreement is for THREE (3) years from the date of last signature on page three (3) and entered on page one (1), if no violations or signatory changes occur. Thereafter, the agreement shall be reviewed annually for compliance by the STATE during the agreement review process and extended if no violations or changes have occurred, not to exceed a THREE (3) year term renewal.
8. During the THREE (3) year term of this agreement, at the option of the STATE, this agreement may be terminated for any material breach by the COOPERATOR for any terms herein.
9. The mailing address of the parties hereto, for all notices, payments, repayments, or any other activity required or contemplated under the terms of this agreement, except for eventual disposition of property in Attachment A, Item No. 1 are:

Request to Obtain a Title to a Vehicle: SF-97

The following has been cleared through the Department of Defense (DoD) and United States Department of Agriculture (USDA) Forest Service (FS) program management offices as of June 8, 2006.

When issuing FSG 23, 24, 38, 39 and 42 that have commercial application to DoD Firefighter Program (DoDAAC 2YF004) USDA FS Federal Excess Personal Property (FEPP) Managers will fill in the blanks below notifying Defense Reutilization and Marketing Office (DRMO) personnel of the SF97 recipient (**if different than the State Forestry Office printed on the DD Form 1348-1A**).

The USDA FS FEPP Manager has 48 hours from the USDA FS Property Management Officer (PMO) allocation period to provide this information. Fax or email to appropriate DRMO. When in doubt, telephone the DRMO Reutilization Point of Contact (POC).

DRMO staff will attach a copy of the Form to the DD Form 1348-1A to be placed in the DRMO historical files.

USDA FS FEPP MANAGER WILL FILL IN THE FOLLOWING:

REQUISITION NUMBER:	
DISPOSAL TURN-IN DOCUMENT (DTID) #:	
NATIONAL STOCK NUMBER (NSN):	
ITEM NOMENCLATURE (NAME):	
QUANTITY:	
RECIPIENT NAME:	
ADDRESS:	
CITY:	
ZIP CODE:	
CONTACT PHONE NUMBER:	

State of California Department of Forestry and Fire Protection	
BY (USDA FS FEPP MANAGER): 	DATE SIGNED:
PRINTED NAME AND TITLE OF PERSON SIGNING:	

Note: All fields must be completed by recipient.

Address:

I, _____ the undersigned, hereby authorize PRINT NAME

_____ to remove the requisitions listed below on my behalf. PRINT NAME OF PERSON OR TRANSPORTATION COMPANY

SIGNATURE OF CUSTOMER: _____

Extent of Authority: To remove the property listed below.

LIST ITEM(S) by Requisition/DTID Number/Work Load List*: GSA Transfer Order # if applicable: _____

RQN: DTID:
ITEM DESCRIPTION

*Work Load List Number: _____

PLEASE COMPLETE THIS FORM AND EMAIL OR FAX IT TO _____

PLEASE CALL _____ TO SCHEDULE YOUR PICK-UP

REMEMBER TO BRING ADEQUATE ID WHEN YOU COME
THANK YOU

PICK-UP OF REQUISITIONS IS REQUIRED WITHIN 14 DAYS OF THE 1348 DOCUMENT FOR DOD, LESO, FIRE FIGHTER, AND CFL CUSTOMERS AND 21 DAYS FOR ALL DONATION AND TRANSFER CUSTOMERS. ALL REQUISITIONS WILL BE CANCELLED AFTER THIS DATE.

FIREFIGHTER PROPERTY PROGRAM (FFP)

The Firefighter Property (FFP) program will be implemented by the CAL FIRE Business Services Office (BSO) Federal and State property staff. These staff will work with Fire Protection Units and the Local Fire Departments (LFDs) including Volunteer Fire Departments (VFDs).

The following is a general outline of how the program will work:

1. FFP must directly support the fire protection program and emergency services. Property could include vehicles and other fixed assets, plus fabricating materials, warehouse equipment, tools, and other items needed to distribute, maintain and prepare the property for fire use or emergency use. All acquisitions must be justified by how the acquisition will support this purpose.
2. Authorized local cooperators can directly screen for FFP in the DoD Reutilization, Transfer, and Disposition (RTD) website, utilizing access codes provided by CAL FIRE. Once approved by the state and the USDA Forest Service, the property request is submitted for approval by DoD through a competitive allocation process. Once allocated the recipient-cooperator must immediately pick up and receipt for the equipment and make it operational (place in service). The recipient-coordinator has a deadline of 14 calendar days to pick up the property from the DoD Defense Logistics Agency (DLA) site.
3. For ownership to transfer, the following procedures will take place:
 - a. Place the property in service within one calendar year of pick up or immediately if the property was picked up in safe operating condition.
 - b. After placing the property in service by recording this event in the Federal Excess Property Management Information System (FEPMIS), the recipient-cooperator uses the property for its intended purpose of firefighting or emergency service for a minimum of one calendar year.
 - c. The maximum time allowed for both procedures (a) and (b) is two calendar years. Both procedures could be accomplished in less amount of time, if desired.
4. Persons selected to screen (search and request items) for cooperators need to be knowledgeable in wildland and structural fire control programs and the types of equipment needed. Screeners should have internet access.
5. Local cooperators become directly accountable for FFP's acquisition, inventory, loss or misuse; the current practice of sponsorship, control and accountability of FEPP by CAL FIRE units is no longer necessary nor justified in the new program.

Attachments: [Mayor -- Resolution -- FFP Program.zip](#)

Hello Clerks,

Attached for introduction to the Board of Supervisors is a Resolution authorizing the San Francisco Fire Department to enter into a Local Cooperator Agreement to join the Firefighter Property Program, under which the Department may receive gifts of equipment for use in fire suppression or pre-suppression activities, providing emergency medical services, or supporting disaster relief activities.

Please let me know if you have any questions.

Sincerely,
Susanna

Susanna Conine-Nakano
