

1 [Amendment to Agreement with Owens Information Systems to Extend the Term.]

2
3 **Resolution authorizing the Department of Technology to enter into the Eighth**
4 **Amendment of an agreement with Owens Information Systems to extend the term of**
5 **the agreement to fifteen years.**

6
7 WHEREAS, On July 1, 2000, the City and County of San Francisco ("City"), acting
8 through its Department of Telecommunications and Information Services (now called the
9 Department of Technology ("DT")), entered into an agreement with Owens Information
10 Systems, in which Owens Information Systems agreed to provide the City with certain
11 services including maintaining the Court Management System, providing the City and County
12 of San Francisco Criminal Justice Departments with Court Management System Reports, and
13 providing support to the Court Management Policy Committee (the "Agreement"); and,

14 WHEREAS, The initial term of the Agreement was for a period of one year; and

15 WHEREAS, DT and Owens Information Systems have amended the Agreement seven
16 times, by the First Amendment dated July 1, 2001; the Second Amendment dated February
17 20, 2002; the Third Amendment dated December 30, 2003; the Fourth Amendment dated
18 February 22, 2005; the Fifth Amendment dated January 31, 2007; the Sixth Amendment
19 dated December 1, 2007; and the Seventh Amendment dated May 8, 2009; and,

20 WHEREAS, In the Seventh Amendment DT and Owens Information Systems agreed to
21 extend the term of the Agreement until December 31, 2009; and

22 WHEREAS, DT has determined that it is in the best interests of the City to extend the
23 term of the Agreement for an additional five years. Owens Information Systems maintains the
24 City's legacy Court Management System ("CMS") and consults with a DT project team that is
25 working to replace CMS. CMS is built on software that is unique to the City. The years of

1 experience Owens Information Systems has with CMS gives them the expertise the City
2 needs both to maintain CMS and convert to the new system being developed; and

3 WHEREAS, The proposed Eighth Amendment to the Agreement would extend the term
4 of the Agreement from nine years and six months (through December 31, 2009) to fifteen
5 years (through June 30, 2015); and

6 WHEREAS, San Francisco Charter section 9.118(b) requires Board of Supervisors
7 approval of any amendment to a contract that that would extend the term of the contract for
8 ten or more years; and

9 WHEREAS, The proposed Eighth Amendment is on file with the Clerk of the Board of
10 Supervisors in File No. 091285, which is hereby declared to be a part of this resolution
11 as though fully set forth herein, now, therefore, be it

12 RESOLVED, That the Board of Supervisors approves the Eighth Amendment to the
13 Agreement with Owens Information Systems.

City and County of San Francisco
